AMERICA'S
LITTLE HOUSE

“**A**MERICA'S LITTLE HOUSE” is typical of thousands of American homes. It is well-built, attractively decorated, comfortable, charming and friendly. Although located in New York City, “AMERICA'S LITTLE HOUSE” is National in scope. Built by Better Homes in America, Inc., and the Columbia Broadcasting System, it demonstrates maximum values in home-building and maintenance attained by expert planning and purchasing of selected merchandise. Only materials of the highest consumer standards were used in building, decorating and furnishing “AMERICA'S LITTLE HOUSE.”

It may be of interest to those who own homes and all who plan to build homes to learn that Paint and Varnish Products manufactured by Benjamin Moore & Co. were selected by the New York Committee of Better Homes in America, were approved by the architects and used by the painters — for finishing the interior and exterior surfaces of “AMERICA'S LITTLE HOUSE.”

Benjamin Moore & Co.'s Paint and Varnish Products are dependable for your home decorating, too.

BENJAMIN MOORE & CO. sends the enclosed color plates to help you plan your home decorating. If these suggestions do not answer your present painting problems, just write to Betty Moore, 511 Canal Street, New York City. Information will be sent promptly and without charge.

Benjamin Moore & Co. makes dependable paint and varnish products to protect and beautify America's homes. MURESCO* is an economical finish for walls and ceilings. SANI-FLAT* is a washable flat oil paint for interior decorating. UTILAC* is a splendid utility enamel. MOVAR* is a waterproof varnish. MOORE'S HOUSE PAINT is a Pure Linseed Oil product for exterior painting.

Before painting your house, garage or farm buildings, ask your painter or paint dealer about MOORWHITE PRIMER*. MOORWHITE PRIMER† ASSURES SATISFACTORY EXTERIOR PAINTING RESULTS BECAUSE IT PRESENTS A UNIFORM, NON-ABSORBENT PRIMING COAT AS AN IDEAL FOUNDATION FOR MOORE'S HOUSE PAINT, MOORWHITE OR MORO-PAKE.

* Approved and Used on “AMERICA'S LITTLE HOUSE.”

† Recommended for the first or priming coat on all new or previously painted exterior surfaces.

THE Federal Housing Administration makes it possible for home-owners to borrow money to paint the inside and outside of house, garage and farm buildings. Banks and other local lending institutions will advise about securing loans for painting and other modernization. The reliable dealers who sell Benjamin Moore & Co.'s paint and varnish products will gladly help property-owners fill out applications for F H A loans.
