Gentlemen; -

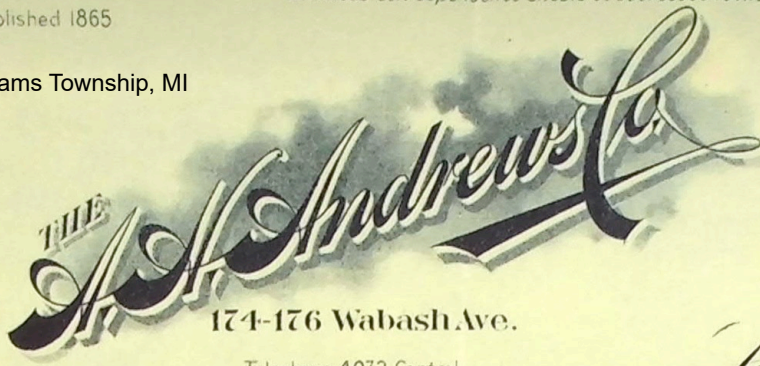

About Nov. 2, 1903 there were ordered from you 234 #43 opera chairs for this library. They were billed to W. A. Paine, and the order number was 12747. Some of the castings on these chairs are broken and we wish to order new ones. Have you a catalogue on repair parts or will the no. of the chair be sufficient in ordering the castings? Please advise me in this matter as soon as convenient.

Yours truly

Dear Sir,--

We are in receipt of your esteemed favor of December the 6th in which you tell us about the Paine Memorial Library. In this letter you say that you wrote us on the 22nd. Now, we do not find any letters from you dated October 22nd, and there is no record in our office of our ever receiving or answering a letter from you either on October the 22nd, or any other time. This letter of December the 6th is the first we have from you.

Now, we wish that you would write us again, sending us a copy of your letter of the 22nd and full particulars so that we can take the matter up with you in a ~~xxxixxxx~~ intelligent way. We apprehend that you want something in an iron frame opera chair or folding chair. We wish that you would go over our catalogs, which we send you by today's mail. Go over them very carefully and write us more fully of your wants.

Very truly yours,
