Gentlemen:

Pertaining to your telephone conversation of today to our Mr. Wadd, to reduce the span of the 150 ton crane similar to Phelps Dodge Crane #11775 from 73'6" span to 46'6" span, the approximate weight will then be 235,000 lbs; wheel load 100,000 lbs. and the price will be reduced approximately \$5600.00 over the figure given in our first letter.

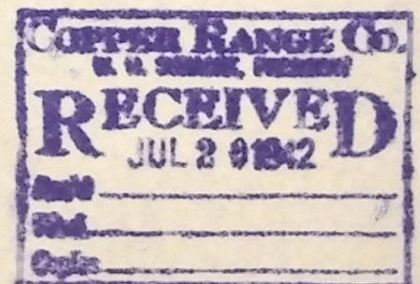

Very truly yours,
