

Chairperson Corkin took a consensus of the Committee of the Whole. Staff was directed to set up a public hearing for the County Board on the Zoning Ordinance sometime in the middle of May.

Chairperson Corkin opened the meeting for public comment. Mr. Robert Beams, Richmond Township Resident, speaking on behalf of the Concerned Citizens for Better Township Government Group, related he does not live in a township that is covered by the County Zoning Ordinance. He spent a thousand dollars of his own funds to discover that he can't do much to get the township to enforce an appropriate zoning ordinance. There being no further public comment, Chairperson Corkin closed this portion of the meeting.

Comm. DeFant suggested that the Planning Commission hold a hearing at a Township Association meeting before the County Board conducts its public hearing. This would help to answer questions from the various units before the County Board Public Hearing. The Committee of the Whole consensus agreed and Gwen Timmons will contact the Township Association President, Evelyn Heikkila, to establish such a hearing.

Chairperson Corkin will ask the County Board at their next regular meeting to establish a date for a public hearing on the new County Zoning Ordinance.

There being no further business to come before the Committee of the Whole the meeting was adjourned.

Respectfully submitted,

David J. Roberts
Marquette County Clerk
