BITTER FIGHT IN THE HOUSE.

Consideration of the reapportionment bill will be resumed tomorrow in the house. The indications point to the final vote upon the measure on Tuesday, but the fight over the basis of the apportionment is a bitter one and the debate may be prolonged. The outcome is not clear. Mr. Hopkins 's still confident his bill will carry, but in order to pull it through he is now ready to concede an increase of three members to cover the majority fraccations.

The opposition is very aggressive, but on the surface seems to lack the strength necessary to carry the Burleigh bill. INGREASING INTEREST

After the excitement of the Holiday season has quieted the wise housekeeper turns her attention to the necessities of her household, and a great many ladies who appreciate the benefits of saving have visited our store during the past week. So large was the throng of buyers Saturday that we were unable to wait upon them all. Our sale on Muslin Underwear was evidently well appreciated, as this department was as busy as a State street store before a Christmas sale. We sold nearly \$500 worth from this department the first day of the sale, and it was well patronized during the week.

We Shall Continue to Display Muslin Underwear This Week.

We can supply your wants for less money than you can make the garments for yourself. It is the greatest opportunity Marquette ladies ever possessed.

SPECIAL SALE ON DRESS GO

Notwithstanding we have sold hundreds of dellars' worth of Dress Goods since we commenced closing out, we shall offer this, Monday, morning two lots of Dress Goods at on:-quarter what they are worth. ONE LOT WILL GO AT 29c. THE OTHER WILL BE MARKED 49c.
