SECRETARY HAY AND PANAMA MINISTER SIGN CONVENTION AT WASHINGTON.

RELATIONS WITH BOGOTA ASSUME A CRITICAL PHASE

Feeling Is Bitter Against United States and Beaupre May Be Given His Passports-Two More Departments Propose Secession.

Washington, Nov. 18 .- The Hay-Sunau-Varilla isthmian canal treaty, which had been in process of negotiation for several days, was signed this evening at the residence of Secretary Hay by the secretary and Philippe Bunau-

Varilla, minister from Panama. The treaty in its text cannot be made public at present, because of the unwritten law which obliges the state defor refusing to deliver goods to the NEW YORK SURGEON PERFORMS LABOR FEDERATION DECLINES TO partment to await the pleasure of the senate in the matter of publicity, and because the president has not yet determined when the convention shall be submitted to the senate for ratification, Hispresent purpose is to withhold it until there is reasonable assurance that its consideration will not obstruct any of the legislation for which the present special session was called.

#### Perpetual Lease Given,

Certain facts have been disclosed as general outlines the new Hay-Varilla strike is also against the constitution of name the surgeon says he is under bond ation of Labor today defeated resolustrike is also against the constitution of the surgeon says he is under bond to reveal. The operation, which the national organization.

The gravity of a general strike by the teamsters can be appreciated when it is stated that it would, for a time at least, tie up entirely the delivery of freight to all the railroads in the city and would almost paralyze the business of the city.

As far as the City Railway company is concerned, the action of the teamsters the delivery of coat to the men now housed in the company's yards or taking provisions to the men now housed in the company's barns. The company has so far man. The company has so far man and and fitted to a freshly prepared wound upon my pathent's head further supply.

Small Hope of Arbitration.

The pravity of a general strike by the teamsters can be appreciated when how successful, was to have been performed in New York but Distinct Attorney Jerome is said to have interfered.

An advertisement offering \$5,000 for an ear brought 300 applicants. A young ferman was selected. One half of the company's yards or taking provisions to the men now housed in the company's barns. The company has so far man. The company has so far man aged to keep three days' supply of coat in the bins and the action of the teamsters will make it difficult to secure a further supply.

Small Hope of Arbitration.

must retain this position for at least twelve days to allow circulation to come through the flap of the skin that still remains a part of the volunteer's scalp. If this half ear starts to unite properly, the lower half of the ear will be grafted in the same manner."

Including the socialists. The climax of the day when ae found that Panama was day came when President Gompers, in bitter and unqualified language, scourged socialism and what he claimed was an attempt to induce the convention to adopt its principles.

During the debate, D. W. Richmond, in the same manner."

Hay when ae found that Panama was earnestly opposed to it, and the treaty makes no such provision. This, however, is not regarded by the secretary as a vital point, in view of the extensive rights which the United States has throughout the canal strip and its especially wide invisition in the large part of the Railway Clerks' Interview.

#### Consideration Ten Millions

The money consideration is understood of the socialists to attempt to commit to be the same, only that Panama inthe federation to principles in which stead of Colembia is to receive the ten to send the mayor a more complete rebels were prevented from entering the statement of their position than they capital. The loss suffered by the rebels "a sad day, indeed, if the trades unions neutral and open to all nations on ever

These are understood to be the terms of the new treaty, which is much simpler in form than the Hay-Herran treaty and has been specially drawn to meet he objections urged against the latter. It is stated that the Panama commision, which arrived here tonight, has-

been empowered to ratify the treaty,

The Panama commissioners arrived

Game Warden Vivian Upholds Law Pro-viding Penalty for Careless Hunters.

"That new law is all right," said when they hear something moving and crackling near them, but they are just as apt to shoot in one direction as an are appeared by that the amount of the dampeter of interesting the game and a number of interesting matches between the locals and the Soo.

Yesterday was a perfect winter day. called hunting accidents is very low. death. There has been one fatality in the upper peninsula this season, and that out of several thousand hunters in the

stray bullets came anywhere near me supreme court in ordering a new trial that I know of, and nobody took me virtually meant that the result of the for a deer. The only way I am in any second trial would be final. danger is from fellows who may happen to have it in for me. Several threats have reached my ears that I had better watch out, but they do not bother me sides worked hard for victory during the second trial. W A Burritt of Hancesk any. A game warden who is afraid had second trial, W. A. Burritt of Hancock better resign his position. I met one handled the case for the plaintiff, while fellow on my recent trip whom I heard afterwards had threatened to shoot me. He was pleasant enough under the circumstances and he made no attempt to carry out his threat. The best part of it was that I shot his dog—a deer hound which was running down deer on a trail I saw the dog in the fellow's looket for the term.

Gray & Stone of Houghton were the the big floor space to get it in readiness of the big freighters took their last for skating on Thanksgiving Day, or whether to leave it alone and go abead with the arrangements for the indoor baseball game which has been talked of for that date. He says the weather is cold enough to flood the rink but he is not prophet enough to satisfy himself the twinter is here in earnest. If he is not prophet enough to the probably will close this month. a trail. I saw the dog in the fellow's camp the day before and I warned the hunter then that if I came across the dog in the woods that I would shoot it.

I kept my promise all right. "No, there are no violations to report for the simple reason that there are none to be found. Since the season

County Game Wardon W. H. Vivian.,

Jr., yesterday in speaking of the statute which makes it a criminal offense for a hunter to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company is determined to shoot another person in the street railway company with was decided in favor of the game.

The Soo will have seven of last seature to shoot another person in the street railway company is determined to shoot another person in the street railway company is said and the street railway company is determined to shoot another person in the street railway company to shoot another person in the street railway company to shoot

other. The only safe rule of course is to wait until the object that is heard comes into view, but I really do not think there is much danger after all. It to write an easy matter to hit a course, this point does not figure in the tomorrow. They are expected early next to shoot in one direction as an yesterday that the amount of the dam matches between the locals and the Soo.

Hall and Bennest, the speedy Brandon forwards, signed by the local manage which several inches of snow fell, the ment, will leave Brandon for Houghton tomorrow. They are expected early next. is not so true as some people try to from the basis on which the case was prise the strongest bunch of hockey make out. He is naturally nervous and tried. The company still insists that players ever signed by any hockey man-

it is to be walking along a street.

"Was I afraid of being shot? Not a bit of it. I have been in the woods since the opening of the season and have not been alarmed at any time. Heard lots of shooting all the time, but that was nothing to be afraid of. No stray bullets came anywhere near me suppressed on the season of the season and the court will give its dependent on others for support. The plaintiff believes that the action of the stray bullets came anywhere near me suppressed on the verdict as it stands, however, appears to be popular. It is generally believed that the widow of Boivine and her large family need the money, and it is said that if they lose the case in the end the family will be dependent on others for support. The plaintiff believes that the action of the season. The date set for the first practice game is Dec. 15, but it is likely that a game will be arranged before that. Interest in the team is increasing and the sport promises to be more popular than ever before.

Circuit court adjourned at noon yesterday until 9:30 o'clock this morning. The last of the jury cases have been disposed of and the court will give its at a game will be arranged before that. Interest in the team is increasing and the sport promises to be more popular than ever before.

diseases of the skin.

We have lately secured the agency for this city and vicinity of a preparation which reliable and certain in clearing away troubles of the skin. Many forms of skin affections which have been considered incurable are conquered by this medicament as easily as a cough is stopped by the proper soothing and healing influences. This preparation is now in use among skin specialists, and many large hospitals have adopted it for eczema and kindred cases. It stands among the most useful medical

We have evidence of its work to show which will interest any sufferer. Call and investigate same. Since we have been handling the remedy-known as D. D. -its work proves so effective we guarantee its efficacy. In all cases of skin affection we will refund the price of a bottle (\$1) if the sufferer does not consider it literally a Godsend after trying. It is curing the worst kind of cases every day. It seems a pity any one should suffer the torture of skin troubles when so dependable a curative agent can be

## I Don't Give Away Money

I Give Away Medicine That Cures Catarrh--That is Better Than Gold.

READ HOW AND WHY I DO IT.

PROF. C. E. GAUSS-Discoverer of the Only Catarrh Remedy That Never Fails to Cure—Hailed by the Present Generation as Mankind's Greatest Benefactor.

Have you catarrh? Do you want to be cured? I'll convince you at my own expense that I can do it.

If I did not have a remedy that would care catarrh I could not afford to give you a trial package and pay for this advertisement like all my other expenses. The trial package and that people will buy after they have tried it or I could not continue in business. I have it and that is the reason my business. I have it and that is the reason my business. That is the reason my business is increasing so much more rapidly than I ever expected. My expenses are very heavy and I must sell a great deal of my remedy to make it pay. I as more of the remedy is Gausa' Combined Treatment, It is called Combined

The same of the remedy is Gausa' Combined Treatment it is called Combined

released after paying a fine.

Important information was gained from Matti Panola, the third member of the trio, who went home reasonably sobten trio, who were trio, who er. Panala gave his testimony very readily, without being placed under ar-rest. He told a straight story, and it is believed to be an outline of the real

Panala said that he left Parala's sa- terested to learn that he is to re-enter loon in company with Julha and Corbell the wrestling ring, as stated in the cop at about 10:55. This statement was per country department yesterday. M corroborated by Officer Rock, who was standing on a corner near by. Corbell was a recent arrival in this country. It ber of years ago, before he removed to was the first time he had been out on a Ironwood. debauch since leaving home. He had plenty of money and spent it very freely. When he left, however, neither he or his comrades were much the worse for liquor, being able to guide their foot town is said to be much deeper than in the site.

steps in the direction they intended to the city. Some complaints have already been registered because a number There are two routes by which they drivers have not yet provided their could reach their boarding house. The horses with bells. Accidents are likely Northwestern track is the most direct, to occur, especially at night. but pedestrians frequently follow the South Shore track for some distance, turning in on a cross cut at the outskirts of the city. The three friends took the South Shore route. Before proceeding far one of them pulled out a big bottle of whiskey, but the combined efforts of the three were not sufficient to extract the cork. Meeting a lone man on the South Shore track for some distance,

the cork. Meeting a lone man on the track, they asked for his knife to remove the cork. He had no knife, but those intending to attend the game walked along with them, and coming to a reasonable rate.

who had been encountered on the track became involved in a fracas in which the Finn was soundly thrashed, receiving a pair of badly bruised eyes. Panola tried to act as peacemaker and to induce his friends to go home with him. They would not listen, but became more boisterous. At last the occupant of the dwelling ejected the whole party and Panola left for the boarding house. It is supposed that Corbell and Julha wandered further down the track, and that the former was struck by the freight. If this was the case, the body must also have been run over by the passenger train and the freight that came along at three o'clock, when the must be the first the first that came along at three o'clock, when the must be the first to the period during which has been under way for several months past has failed to reveal it. The Cliff, which is a Bigelow property now, was a famous producer in the earliest days of the Lake Superior copper ming industry, securing its profits from a fissure vein.

Diamond drill operations on the southern portion of the Isle Royale mine have been discontinued. During the year or more of operations nothing of exceptional importance was found. The company has secured an incomplete cross section of its lands, and more extensive work may be done next summer. The Isle Royale is operating two heads, which tilated corpse was found lying across the rails. The wounds on the head might easily have been the mig might easily have been caused by the wheels or when the body was dragged along beside the track. They were not

Panala's story has been pretty thoroughly confirmed. A cut was found on the hand of the dead man, which was evidently caused by the broken glass of the smashed window. # FOUR MONTHS'

GREAT DEAL YET TO BE DONE BY THE CUNTRACTORS AT THE NEW COUNTY BUILDING.

#### SUPERVISORS MET YESTERDAY

AT THE OLD COURT HOUSE.

Precaution Taken to Insure the Safety of the Valuable Records-Board's Session Was Unusually

from completion. At yesterday's session of the supervisors the question of when it would be ready for occupancy very secure foundations.

Mr. Fitch requested Mr. Charlton, representing the architects, to inform the strength rapidly, when members of his members as to when it was likely that party, hearing the reports of his rifle, the new court house would be ready for occupancy. Mr. Charlton said that he bad been consulting with Arthur Riesen, and later brought to Escanaba. Fenton of the Northern Construction company, and later brought to Escanaba. Fenton up to the standard set by that given trains and they have been somewhat would have died from exhaustion and the proximal point and that Mr. Riesen had it not been for the proximal point and that Mr. Riesen had it not been for the proximal point and that Mr. Riesen had it not been for the proximal point and that Mr. Riesen had it not been for the proximal point and that Mr. Riesen had it not been for the proximal point and the given it as his opinion that the structure would be finished by Feb. 1. However, imity of members of his own party. The Mr. Charlton for his part felt that Feb. action of the man who ran away from present status of the work, to fix as the gree and under other circumstances time for the completion of the building. death. Fenton's friends are highly inand he thought it might be about a month later, or March 1, before the county officers would be able to move.

In connection with the question of vaults Mr. Powell suggested that if it were deemed advisable work on the vaults in the new building might be pushed with great vigor, with the purpose of utilizing them at the earliest opportunity. It was argued against

first, allowing the court room and various other apartments on the second floor to be taken up last. This will not unlikely be done. The decorating is to Alving, who is impersonated by Miss Alving, who is impersonated by Miss and in the court room and various control of the court room and various control of the court room and various companion piece of both in the court work and in the court room and various companion piece of both in the court work and in the court room and various companion piece of both in the court work and in the court room and various companion piece of both in the court work and in the court room and various control of the problem suggested in that wonderful drama one step further.

"Ghosts" is a study of heredity. Mrs. Alving, who is impersonated by Miss
