County Treasurer

The following monthly reports were read and the treasurers report ordered published: Treasurer, Controller, Road Commission, Civil Defense, and Social Welfare.

The Chairman noted that the only honorary member of the Board, Bob Biolo of the Mining Journal was present and that he be recognized.

The Chairman then noted that Supervisors George Sryjala and Al Jacobson were attending their last meeting and that they be recognized. Supervisor Jacobson then introduced Mr. Mennhenick, the new Supervisor from Chocoley Township.

Supervisor Pellonpaa noted that the flag in the Super-

visors room was dirty and should either be cleaned or replaced.

Supervisor Maki spoke about a Bill being introduced in the State Senate by Joseph Mack of Ironwood, which would give a large tract of land in the Porcupine Mountain State Park to Michigan Technological University. The Bill would give all the land except about 5,000 acres for the use of the University. He moved that the Marquette County Board of Supervisors go on record as opposing this Bill. Supported by Supervisor Mattson. Supervisor Hammerschmidt asked that the Board be cautious about opposing this bill because he

feels that the harvesting of timber should be utilized and not wasted as long as acceptable methods of cutting were used. The motion was carried by a voice vote.

There being no further business, Supervisor H. Larson moved that the meeting be adjourned, subject to being called for a special session to consider the report of the B & E Committee concerning county reapportionment, but that the April meeting be subject to the call of the Clerk. Supported by Supervisor Altobello. Carried.

Bertil Agnoli,
 County Treasurer

The following monthly reports were read and the Treasurers report published: Department of Social Welfare, Road Commission, Controller, Health Department, Morgan Heights, Civil Defense, and the Treasurer.

It was noted that on the back of the County Directory the Rules should state as adopted 1965 instead of 1940.

Supervisor LaPin asked Mr.

Scanlon if he had received the information on the Food Stamp Plan. Mr. Scanlon stated that he had received some information and that he would give it to any interested Supervisor.

Supervisor Draver inquired as to whether or not the Township could get assistance from the County in Maintaining their Township Dumps. The Prosecutor stated that he did not think

that there is any provision in the law for the County to aid the Townships in maintaining their dumps.

Supervisor Sjöholm asked about the Status of Road 476 between Palmer and National Mine. Supervisor Shroeger stated due to the large amount of money that would be required to relocate and rebuild this road, the Road Commission is considering only to re-work 476,

and not to relocate it. To do a proper job would involve expenditure of over a million and one half dollars, and the Road Commission is taking a good look at the situation because it may be advisable to rebuild 480 from the Junction in Eagle Mills to Negaunee as the alternative. The Road Commission feels that this may be the answer to those people West of Negaunee who have to travel to the Empire Mine at Palmer.

Supervisor Walimaa asked the Superintendent about the Speed Limits on U.S. 41 in the West Ishpeming area.

It seems that the present posted area is not extended far enough. The Road Commission has asked the State Highway Department to extend the posted area but that nothing has been done on the matter for over a year.

Supervisor Walimaa moved that a letter to the State Highway Department inquiring as to the delay would be in order. Supported by Supervisor Jenkin. Carried.

Supervisor Maki spoke about the exhaust smoke from the pellet plants in the vicinity of Morgan Heights. The

Chairman stated that Dr. Acocks and the Board of Trustees of Morgan Heights have been in contact with the officials concerned, and are trying to get something done about the smoke situation.

There being no further business, Supervisor H. Larson moved that the meeting be adjourned until Wednesday, the 19th day of July, 1967 at 2:00 o'clock in the Afternoon.

Marquette, Mich.
July 19, 1967

The Marquette County Board of Supervisors met pursuant to a call duly made at the Court House in the City of Marquette on Wednesday, the 19th day of July, 1967 A.D. at 2:00 o'clock in the afternoon. The meeting was called to order by the Chairman, James L. Dompierre.

The roll being called, the following Supervisors were present: Altobello, Ball, Beaudry, Brunngraeber, Carlyon, DeGroot, Dompierre, Draver, Gasbarro, Goldsworthy, Hammerschmidt, Ilo-Maki, Joseph, Krook, Kurin, LaPin, Larson H., Lawer, Linjala, Maki, Mattson, Menhennick, Moore Morrison, Norell, Pearce, Pellonpaa, Phare, Price, Russo, Rydholm, Salmio, Sandstrom, Sjolholm, Swanson, Vadnais, Walimaa, Weiland, Wiseman and Yelle. Absent were: Backlund, Jenkin, Larson E., McCracken.

✓ The Chairman stated that before the regular business was begun, a plaque would be presented to Dr. Acocks of Morgan Heights for the recognition of his services rendered to the people of the County in his capacity as Superintendent of Morgan Heights for the past 20 years. Dr. Acocks was seated beside the Chairman, and after several remarks by the Chairman commending Dr. Acocks for his faithful service and foresight in making Morgan Heights the fine institution that it is, he was presented with the plaque.

The Chairman then proceeded with the regular order of business. It was moved by Supervisor Morrison and supported by Supervisor Altobello that the Board dispense with the reading of the minutes of the previous

meeting. Carried.

✓ A letter from the Michigan Department of State Highways regarding the posting of Speed Limits on U.S. 41 in Ishpeming Township was read and ordered filed.

✓ A letter from the Road Commission regarding the road between Ishpeming and Palmer (476) was read. The Road Commission decided that the prohibitive cost of relocating this road was way out of line and have instead decided to proceed with improvement of Road 480.

✓ A letter from the County Board of Health regarding payment for meetings was read. Moved by Supervisor H. Larson and supported by Supervisor Altobello that the Board allow them the same rate per diem as all other appointed boards and commissions, that being \$20.00 per diem plus 10¢ per mile. Carried on a roll call vote, all present voting aye.

✓ A report from the B & E Committee on the bids for the sewer project from the Jail to Spring Street was read. The only bid received was that of Levine Bros. Plumbing and Heating of Marquette in the amount of \$1,545.00. Moved by Supervisor Altobello and supported by Supervisor Rydholm that the report be approved and the contract be awarded Levine Bros. Before the roll call vote was taken, Supervisor Morrison disclosed that he owned a substantial interest in Levine Bros., and that the Board be made aware of his interest in the contract. Carried on a roll call vote, all present voting aye.

✓ A report from the B & E Committee on a special request from Mr. MelNyquist, the County Agent, to attend a summer school at Boyne

Falls on July 24-27 was read. This would not take the place of the regular annual meeting which the Board normally allows and the only cost to the county would be for room and board. No mileage, as the state will pay automobile costs. Moved by Supervisor Altobello and supported by Supervisor Linjala that the report be approved. Carried on a roll call vote, all present voting aye.

✓ A report of the B & E Committee recommending the Board support Senate Bill 132 and House Bill 2956, which would provide that the State would pay 50% of foster care services and that this would provide an additional \$10,700.00 to the county annually. Moved by Supervisor Altobello and supported by Supervisor Wiseman that the report be approved and copies sent to Governor Romney, Senator Mack and Representative Jacobetti. Carried.

July 13, 1967

Honorable Chairman and Members of the Marquette County Board of Supervisors,
Marquette, Michigan

Gentlemen:

At the July 11, 1967 meeting of your Budget and Executive Committee, the matter of salaries paid to employees and officers in the Court House and Jail Group was discussed.

Wage levels in private industry in this area have recently been increased and our County Hospital and County Road Commission have found it necessary to grant wage increases recently in order to maintain a proper balance between public and private wage scales in this area.

In order to bring the salary

schedule in the Court House and Jail Group to the proper level, your committee rec-

ommends that effective July 1, 1967, a salary adjustment of \$30.00 per month be granted all full time employees as well as the following elected officials: Sheriff, Prosecuting Attorney, County Clerk, County Treasurer, and Register of Deeds; that half-time employees receive an increase of \$15.00 per month and that the salary of the Mine Inspector be increased \$1.50 per work day, not to exceed 5 days per week.

The total cost to the General Fund for the recommended increases in salaries is \$6,800.00 for the last half of 1967. There are sufficient

funds in the current operating budget, however, to cover this expense.

Respectfully submitted,

Budget and Executive Committee

A report of the B & E Committee concerning an adjustment in the pay of the Court House and Jail em-

ployees and the following elective officers: Sheriff, Prosecuting Attorney, County Clerk, County Treasurer, and Register of Deeds was read. It was recommended that all full-time employees and the above elected officials be granted an across the board raise of \$30.00 per month, and that half-time employees be granted \$15.00 per month, and the Mine Inspector \$1.50 per day not to exceed 5 days per week, effective July 1, 1967. In response to a question regarding the elective officials getting a raise at this time, the Prosecuting Attorney stated that as long as it is a general increase across the board for all employees, the elected officials may also get the raise. Carried on a roll call vote, all present voting aye.

Sewers between the septic tank and header or distribution box shall be bell and spigot with water tight joints or slip seal type of vitrified tile with watertight joints. All sewers used under driveways or other areas subject to heavy loads shall be cast iron or other equally durable material. Such sewers or pipe shall not be included in determining total amount of tile field. Drain tile used in the disposal field shall not be less than 4" in diameter and shall be laid with $\frac{1}{4}$ to $\frac{1}{2}$ inch open joints when field tile is used.

SECTION 7**SIZE OF SEPTIC TANKS AND TILE DISPOSAL FIELDS**

It shall be unlawful to alter, construct or install a septic tank and tile disposal field unless it conforms with the following requirements:

7.1 The minimum liquid capacity of septic tanks for premises of four bedrooms or less will be 500 gallons without the addition of a garbage disposal unit and 750 gallons when used in connection with a garbage disposal unit, except that for seasonal premises with garbage disposal units, the

minimum capacity shall be 500 gallons.

7.2 Tile Disposal Field

The size of the tile disposal field shall be based on the percolation test rate in accordance with the following schedule:

Percolation Rate Time Required For Water To Fall One Inch In Minutes	Square Feet Of Absorption Area Per Bedroom With Automatic Washer	Square Feet Of Absorption Area Per Bedroom With Both Garbage Grinder And Automatic Washer
2-15	160	190

The vaults of said systems shall be pumped and filled with rock or earth.

SECTION 11**VARIATIONS**

Honorable Chairman and Members of the
Marquette County Board of Supervisors,
Marquette, Michigan

Gentlemen:

Your Finance and Taxation Committee recommends that the various departments in the Court House and Jail Group keep within the budgets as adopted at the annual meeting and that no clerk hire or salaries be paid beyond the amount fixed by the Board of Supervisors.

In the case of an emergency or in case a department requires additional funds or needs some special equipment which could not be foreseen at the time of the annual meeting, we recommend that the head of that department, together with the Controller, present the matter to the Board of Supervisors for their consideration and that they grant, where deemed necessary, authority to exceed the figures established in the annual budget.

If it develops that the amount stipulated in the budget of any department exceeds the need of that department, or if a sum authorized is found unnecessary, then we recommend that authority be granted to transfer a sum or surplus to some other department by proper resolution of the Board of Supervisors.

It is further recommended that any credit balances existing at the close of the fiscal year in the Social Welfare Fund be transferred to the Social Welfare Department Revolving Fund to apply against possible future deficits of the Department of Social Welfare.
