Dear Jeff:

This is to express my appreciation again for the very enjoyable dinner I was invited to last Friday and the presentation of the plaque, which surprised and pleased me very much.

My involvement with the American Indian Program and the Nishnawbe News during the past ten years has provided me with one of the most rewarding and enriching experiences of my life. It has also been a great learning experience which has allowed me to broaden my lifestyle to include the unique traditions of the American Indian. Whatever I have given to the program and the newspaper has been returned to me a hundredfold.

Sincerely,

James L. Carter
