RE: Nishnawbe News

Attached is the projected budget for March 1, 1981, to June 30, 1981. In reviewing the expenditures Jim St. Arnold, Blake Artlip, and I projected in late February, the projected costs are on target.

The crucial element is projected revenue. Since February 6, 1981, \$763.25 has been received in revenue. In order to pay labor costs as projected and the printing of the June 18th issue without touching Onaway Trust Funds, \$2,200 must be received in revenue by June 18, 1981.

With increased solicitation for subscriptions, it is possible that we will exceed the \$2,200 figure. If the revenue is received, the Nishnawbe News will be in a much better position to begin the next fiscal year.
