Dear Coy:

Please accept my thanks for your letter of April 9 with the grant of \$1,000 from Equitable and your kind and encouraging words about The Nishnawbe News.

Since it was established in 1971 it has always been a financial struggle to keep going, and each time we receive assistance such as you have provided, it is a real morale booster.

We received three copies of your Chippewa language workbook. Three copies were also sent earlier, making a double shipment. But we can put all of them to good use. There is a growing interest in the language and your work and similar materials are in increasing demand.

The equal opportunity statements you requested are enclosed. We would like to keep in touch with Nancy Rabstojek from time to time. Thanks again for sharing your interest and resources with us.

Sincerely,

James L. Carter, Advisor
