TO: Robert Pecotte
Director, Financial Aids

FROM: James L. Carter
Asst. Director, R&D

Mr. Michael Wright, editor of the Nishnawbe News, will be available to work on the paper this summer and to coordinate work on filing, subscriptions, and to help set up a plan on getting independent support for the paper.

Can you release an appropriate amount of the Bureau of Indian Affairs "Supplemental Scholarship" funds to support Mr. Wright this summer?

He will be visiting you to discuss the matter further.
