

MEMORANDUM

FROM

OFFICE OF THE PRESIDENT

To: Dr. Allan L. Niemi
Mr. James L. Carter ✓

From: John X. Jamrich *JXJ*

This is a brief note with reference to the Nishnawbe News and its financing. I'm wondering whether the American Indian Student Organization has approached the ASNMU and the funding committee which has provided financial support for the North Wind and also for the newspaper published by the black students.
