

INCOME TAX AMENDMENT DETRIMENTAL

CHANGES IN CONSTITUTION OF STATE MADE NECESSARY WOULD SLASH SCHOOL FUND

UTILITIES WOULD BE ABLE TO CUT ASSESSMENTS.

(By The Associated Press.) Lansing, Mich., Oct. 20.—A ruling by Attorney General Andrew B. Dougherty today held that the adoption of the proposed income tax amendment would remove from the constitution, the mandatory provision that the property of the utility companies from which the primary school fund derives its revenues be taxed at a rate equal to the state wide average for the state of the combined state, county, municipal, township and school levies, and would throw the assessments into the counties.

The constitution now stipulates that the railroad, telephone, telegraph and other companies in the same class be assessed the average state wide rate. According to the attorney general's opinion the proposed income tax amendment eliminates this section of the constitution, and would place these properties in the same classification with other general property, subject to the local, rather than the average of the state, rate of taxation. The results would be, according to Thomas E. Johnson, superintendent of public instruction, and officials of the attorney general's department, that companies might move their mobile property at assessing time; that these tax rates would vary greatly in different localities and it would be difficult to apportion them; that it would be almost impossible to allocate the property to the various localities, and that the collection and distribution of the \$15,000,000 primary fund would be seriously impaired.

Grange Disagrees. Following the attorney general's ruling, the Michigan State Grange, which is backing the proposed amendment, disagreed sharply with the conclusions of Johnson and other officials. A. B. Cook, Mrs. Dora H. Stockman and C. P. Bramble, Grange officials declared that the income tax amendment would neither abolish nor impair the primary fund. On the contrary, they asserted that the application of local tax rates rather than a state wide average would increase the revenue from the utility properties.

Mrs. Stockman asserted that proponents have been busy endeavoring to spread the report that the income tax would abolish the primary fund. "As a matter of fact," she stated, "the Grange is for the primary fund and if the income tax were to abolish it, we would not be for the income tax. We are satisfied, if the assessments against the utility companies that contribute to the primary fund are thrown back into the counties, that the local assessing officers will not let them off easier than they do other property owners.

Larger Income, Claim. The proposed income tax would not abolish the primary fund. It would be collected from the telephone, railroad, telegraph and other utilities, the fund would be as large, or larger than it is now, and it would be distributed to the counties as it is now.

In his opinion today the attorney general pointed out that the adoption of the income tax amendment would return the constitution to where it was before an amendment was adopted, when Governor Pingree was in office, for the specific purpose of taxing these properties on an average state wide rate. Prior to the adoption of this amendment, Governor Pingree had secured the passage of an act specifying that the companies should be taxed on the present basis. The supreme court held the act unconstitutional, and the governor then called a special session of the legislature and initiated the amendment which has made this method of obtaining funds for the primary school chest constitutional ever since.

Section It Would Affect. The section of the constitution which the proposed income tax amendment would eliminate reads as follows: "The legislature shall provide by a law a uniform rule of taxation for such property as shall be assessed by the state board of assessors, and the rate of taxation on such property shall be the rate which the state board of assessors shall ascertain and determine is the average rate levied upon other property upon which ad valorem taxes are assessed for state, county, township, municipal and school purposes."

The elimination of this provision, the attorney general held,

Woman Is Given Three Days To Do All Talking

(By The Associated Press.) Chicago, Oct. 20.—On Mondays, Wednesdays and Fridays of each week Mrs. Rose Kopoun will do all the talking in the Kopoun household and there will be no "back talk" from her husband, George Kopoun. Superior Judge Harry Lewis so ruled today after hearing evidence in Mrs. Kopoun's suit for separate maintenance. On Tuesdays, Thursdays and Saturdays the husband can talk and on Sunday, the couple are not to argue, Judge Lewis ordered.

DYKE HELD FOR CIRCUIT COURT

Demand for Examination Comes as Surprise to Prosecution.

(By The Associated Press.) Grand Haven, Mich., Oct. 20.—When arraigned before Justice H. E. Lillie this afternoon, Egbert "Happy" Dyke, charged with first degree murder in connection with the slaying with an axe of Miss Molly Fleming, Conklin school teacher, demanded examination. Date for the examination was fixed for October 28 in circuit court. The demand for an examination came as a surprise to many in the courtroom, which was jammed to capacity. Dyke had retained a Grand Rapids firm of attorneys and it was upon their advice that he demanded the examination. It is supposed that an effort will be made to reduce the degree of the charge.

Answers Questions. Dyke was questioned for more than two hours by Prosecutor Fred C. Miles just before the warrant was issued. He answered all questions freely and gave a vivid insight into the love affair that culminated in the killing. He declared that he became engaged to Miss Fleming in 1922 and that everything was amiable until July 24, 1924, when she became intimate with a young farmer living near the schoolhouse in which Miss Fleming taught.

Dyke told the prosecutor that on September 25, last, he went to visit Miss Fleming and that she declared she was through with him at that time and that he drew a bottle of poison from his pocket and told her that he would kill himself. In a scuffle which followed she obtained the poison, he testified. Wouldn't "Be Sorry." The last meeting of the pair, previous to the murder, Dyke testified, was on October 5, when he visited her and told her that "she would be sorry for treating me like this." The girl said that she would not be sorry and that if he insisted in his attentions toward her that she would call assistance.

San Salvador in Throes of Revolt

(By The Associated Press.) San Salvador, Oct. 20.—Six hundred men were killed and many wounded in a battle between the government and revolutionary forces at Ajuterique, according to reports received here from Tegucigalpa, Honduras. The advice add that a government army is marching toward Ocoatepeque in an attempt to recapture the town, which is in the hands of the rebels. General Ferrera, leader of the revolution, is said to be fleeing toward the Guatemalan frontier. would immediately make the existing law providing for the collection of taxes from the utilities at the average ad valorem rate, unconstitutional, and would prohibit the legislature from enacting another law of similar intent.

Schaffer Man Shot Down by Bandits

RUMOR CAUSES EXHUMATION OF WOMAN'S BODY

No Steps Taken Pending Report on Analysis From Chemist.

(By The Associated Press.) Jackson, Mich., Oct. 20.—Little is being done by officers toward investigating the death of May Teft, pending the report of the state chemist in Lansing who took the exhumed body last Thursday for examination. The woman died last July and recently rumors were heard that she may have been poisoned and a mythical fortune supposedly hidden in her home stolen. No proof has been found, so far as known, that she had any money hidden, rumored in amount as high as \$12,000. Everything awaits the determination of the chemist as to whether there is poison in her body.

WATCH WOMAN Greenville, Ill., Oct. 20.—A young woman of this city today was still under surveillance, while authorities awaited a report on the analysis of the contents of the stomach of Miss May Teft, reputed wealthy land owner of Harbor Springs, Mich., who died at Jackson, Mich., July 8, last.

The name of the young woman is being withheld. It was reported she had been named a beneficiary in the dead woman's will. She was also named co-respondent in a divorce suit brought by Mrs. Robert E. Lee, a sister of the dead woman. In the meantime a search was being made for money, which Miss Teft is believed to have kept in her home. It was reported she had withdrawn securities worth \$20,000 from a bank in Jackson, but that she had not deposited the money she had realized by the sale of the securities. Albert Button, a special deputy from the sheriff's office in Jackson, has been here several days to determine whether the young woman had any connection with Miss Teft's death.

Tropical Storm Wreaks Havoc in Town in Florida

(By The Associated Press.) Punta Gorda, Fla., Oct. 20.—The tropical storm which struck this city earlier in the afternoon was wreaking havoc here at six o'clock tonight. Heavy rains overflowed the streets and the city is in darkness, all electric lines being down. Maritime interests and the fishing industry were said to be suffering damages. The citrus crop is reported to be seriously damaged. Many citrus trees are said to be uprooted. Trees along the streets have been torn down. Vegetable plantings were thought to be a total loss. All business was suspended this afternoon. The courts adjourned and schools were closed. Telegraph wires were holding up despite the high winds, but no mail was being received as trains were delayed. No loss of life has been reported.

Divorce Decree Is Given Mrs. Lytell

(By The Associated Press.) Independence, Mo., Oct. 20.—Mrs. Evelyn Vaughn Lytell was granted a divorce here today from Bert Lytell, widely known motion picture actor, following a short hearing before Judge E. E. Porterfield. Lytell, represented by his attorney, is reported to be in the South Sea islands engaged in making a picture.

Paderewski-House Are Given Degrees

(By The Associated Press.) Warsaw, Oct. 20.—The University of Posen today adopted resolutions conferring honorary doctors' degrees upon Colonel Edward M. House, of New York, and Ignace Jan Paderewski, Polish statesman and pianist.

EVERYBODY IS "LISTENING IN"

When you broadcast your want by means of The Press Classified Section everybody tunes in. Your message is received by over 45,000 people every morning, and that means that your chance of not getting the want gratified is mighty small.

Holdup Took Place at 4 Yesterday Morning; was En Route to City

One Trampled To Death; Others Are Injured in Panic

(By The Associated Press.) Louisville, Ky., Oct. 20.—One person was trampled to death and twenty others were injured, five possibly fatally, in a panic which followed discovery of fire in a moving picture theatre in New Castle, Ky., tonight, says a special dispatch to the Courier-Journal. Many of the injured were suffering from only minor hurts, the report said, and due to the excitement difficulty was experienced in obtaining names of the more seriously injured. Every available doctor in the place was called to the scene. Origin of the fire, which it seemed would destroy the theater, was undetermined. Many children were in the building at the time of the panic.

TUMULTY WANTS WALKER'S PROOF

Declares Alleged Speech of Georgia Governor Is "Falsehood"

(By The Associated Press.) New York, Oct. 20.—Joseph P. Tumulty, who was secretary to the late President Wilson, today sent a telegram to the Atlanta Constitution, calling upon Governor Walker of Georgia, to offer proof of a statement the governor is reported to have made at the Ku Klux Klan meeting last month in Kansas City that Mr. Tumulty had used his influence as a Catholic to place in every national war camp a Catholic church and drive out the churches of every Protestant denomination. Mr. Tumulty, in his telegram, made public today, says in part: "The statement of Governor Walker regarding my alleged war activities in behalf of the Catholic church is an unqualified falsehood. No member of that church, neither a private in its ranks nor a member of its priesthood, nor its hierarchy, ever by the slightest suggestion sought to control me in this or any other matter."

Mr. Tumulty called upon Governor Walker to produce before a tribunal made up of Protestant ministry which the governor may see fit to designate, any evidence he may have to substantiate his alleged charges.

WALKER SILENT Atlanta, Ga., Oct. 20.—Governor Clifford Walker, when informed tonight of the challenge by Joseph P. Tumulty, former secretary to the late President Woodrow Wilson, of parts of the purported text of a speech he was alleged to have made before the imperial convocation of the Knights of the Ku Klux Klan at Kansas City on September 23, admitted that he had made a speech but would neither affirm nor deny it.

Seismograph Shows Pronounced Quake

(By The Associated Press.) Washington, Oct. 20.—A pronounced earthquake was recorded on the seismograph at Georgetown University this afternoon. The duration was from 3:04 p. m. to 4:10 p. m., with the maximum intensity recorded between 3:36 and 3:40 o'clock. Father Tondorf, director of the observatory estimated its distance at 4,000 miles in a southerly direction from Washington.

New Agent-General Gets Down to Work

(By The Associated Press.) Paris, Oct. 20.—Seymour Parker Gilbert, new agent-general for reparations payments, today broke all union hours on his first working day in Europe, being on the job not less than 12 hours. Mr. Gilbert, who was married just before coming abroad, originally intended to spend a week honeymooning in southern France and Italy. But upon arriving in Paris he decided to give his immediate attention to pressing reparations affairs. Mr. Gilbert's main office will be in Berlin.

Pair Obtain \$100.00 In Cash From Victim

Martin Witte of Schaffer, was shot through the abdomen early yesterday morning, when he resisted the attempt of bandits who stopped his car on the Portage bridge, a half-mile south of the city, to beg a quantity of gasoline and then flourished a revolver and demanded money. Witte grasped the gun as he handed over his bill-fold. The weapon was discharged during the struggle. The bullet struck its victim in the left side, just below the ribs, but missed a vital spot and no serious consequences are expected.

The holdup was staged about 4 o'clock while Witte was on his way to Escanaba, expecting to take a train for Marquette where he was to have gone on trial, in federal court, on a charge of violating the prohibition laws.

Asked for Gasoline. It was dark. As he drove past the Portage bridge two men in a Ford car, parked by the roadside, shouted at him. He drove on about fifty yards and then halted his machine, alighted and walked back to see whether he could be of any assistance to the machine which he believed to be stalled. One of the men from the Ford approached him, explaining that their machine was out of gasoline and asking whether Witte could spare a small quantity of fuel. Before Witte could reply, the man drew a gun which he pressed against Witte's abdomen and demanded his money. Mr. Witte withdrew a bill-fold containing about \$100 from a hip pocket and handed it to the bandit with his left hand. At the same time he grabbed the robber's gun with his right hand. The weapon was discharged. Witte fell to the ground and the robber fled.

After a moment Witte arose, made his way back to his automobile and drove in to Escanaba, going first to the home of a friend where he has expected to leave the car during his stay in Marquette. The police and sheriff's departments were notified. Witte was taken to St. Francis hospital. Physicians said the wound was not serious and he probably would be able to be around in a week or ten days.

Pocketbook Found. It is believed the men knew he would pass that way early in the morning and expected him to have a large sum of money on his person. The pocketbook was found, later in the day, in the gravel pit near the dumping ground hill south of the city. In it remained a hunting license, motorist's license and other documents. The money was gone. Alongside of the purse was a roll of absorbent cotton which may have been thrown from the same car.

Witte has been unable to give a detailed description of his assailant. It was too dark, he said, for him to observe closely. The man who shot him, he said, was about 5 feet 8 or 9 inches in height and wore a light cap and dark suit without an overcoat. He could not describe the automobile or the second robber, who did not leave the machine.

Owned Biggest Still. Witte is charged with being the owner and operator of the largest still ever confiscated in this part of the country. It had a capacity of about 350 gallons and was in operation when a sheriff's posse, last June, surprised Witte and took possession of the plant.

Witte had a pair of vicious watch dogs, trained to guard the plant and also is said to have used a "set gun" as a further precaution against being disturbed. He pleaded not guilty to the charge of moonshining when he was arraigned in federal court last week.

Child Dies After Being Hit by Auto

(By The Associated Press.) Grand Rapids, Mich., Oct. 20.—Walter Mazdzewski, aged 6, died here tonight a few hours after being struck by an automobile. The driver of the car was not held by the police. It brings the toll of traffic deaths in the city this year to 42.

Unmasked Bandits Rob Small Bank

Harrisburg, Pa., Oct. 20.—Two unmasked bandits entered the National Bank of Penbrook, a suburb, this afternoon, held up the president, H. S. Plank and two other employees, and escaped in an automobile with about \$2,000.

FEDERAL COURT CANNOT REFUSE TRIAL BY JURY

Case Arises From Sentencing of Several Without Trials.

(By The Associated Press.) Washington, Oct. 20.—Federal courts cannot refuse jury trials in contempt cases arising out of labor disputes, the supreme court here today decided. In two cases, one coming from western Wisconsin, brought by Sam Michaelson and others, and the other from Kentucky, brought by S. C. Sandefur. The important features of the opinion is the rule laid down to be followed when persons are charged with having violated injunctions issued by the courts in connection with impending or progressive labor strikes.

The opinion, delivered by Justice Sutherland, held that the addition of the Clayton act requiring a jury trial in certain specified kinds of contempt is constitutional; that railroad workers on strike are "employees" within the meaning of that law, that the contempt charged constituted a criminal offense, and that a trial by jury was mandatory when demanded.

Trial Was Refused. During the shopmen's strike in 1922, Michaelson and other striking employees of the Chicago, St. Paul and Omaha Railway Company were charged with conspiring to interfere with interstate commerce by picketing and the use of force and violence. After a hearing the federal district court for western Wisconsin issued an injunction restraining Michaelson and his assistants from certain acts. Subsequently contempt proceedings were instituted against them charging violation of certain features of the injunction. Denied a trial by jury they were held by the court, after a hearing, to be in contempt, and sentenced. The seventh circuit court of appeals affirmed the decision.

Can Regulate Power. Declaring that the "power to punish for contempts is inherent in all courts," and "essential to the administration of justice," the supreme court at the same time asserted that it could not be doubted that such power could be regulated within certain limits. Congress could not abridge it, explained, the power of the courts to deal with contempts committed "in the presence of the court or so near thereto as to obstruct the administration of justice, nor to enforce its decrees. Congress had not attempted to do any of these things in the Clayton act, the court added.

In that law congress required, the opinion said, a trial by jury upon the demand of the accused "in an independent proceeding at law for a criminal contempt which is also a crime." In criminal contempts, as in criminal cases, it pointed out, the presumption of innocence obtains. Under such circumstances the proof of guilt must be beyond reasonable doubt, it was added, and the defendant may not be compelled to be a witness against himself. Sandefur was held in contempt for violating an order of the court with respect to the use, and threats, of violence in connection with a strike against the Canoe Creek Coal Company in Kentucky.

Daves to Complete Campaigning Nov. 1

(By The Associated Press.) Chicago, Oct. 20.—Charles G. Dawes, the Republican party's principal campaign speaker and its candidate for vice president, will conclude his stunning tour on the Saturday preceding election day at an afternoon rally of farmers at the farm of George Ade near Brook, and the other at a night mass meeting in South Bend.

Child Dies After Being Hit by Auto

(By The Associated Press.) Grand Rapids, Mich., Oct. 20.—Walter Mazdzewski, aged 6, died here tonight a few hours after being struck by an automobile. The driver of the car was not held by the police. It brings the toll of traffic deaths in the city this year to 42.

Unmasked Bandits Rob Small Bank

Harrisburg, Pa., Oct. 20.—Two unmasked bandits entered the National Bank of Penbrook, a suburb, this afternoon, held up the president, H. S. Plank and two other employees, and escaped in an automobile with about \$2,000.

FOUR MEN ARE KILLED IN EXPLOSION ON CRUISER AT SOUTHERN DRILL GROUNDS

Van Sweringens Draw Up Leases For Big Merger

(By The Associated Press.) New York, Oct. 20.—Leases under which the Van Sweringens interests of Cleveland propose to acquire control of the Chesapeake and Ohio, Hoeking Valley, Erie and Pere Marquette Railroads for unified operation under their enlarged "Nickel Plate" system have been submitted to the executives of the respective railroads for preliminary consideration. After certain minor revisions, it was learned today, formal approval of the terms will be sought from the directors and stockholders of the several railroads.

JOHNSON GIVEN BIG RECEPTION

World Series Idol Is Pride of All Folks "Back Home."

(By The Associated Press.) Coffeyville, Kans., Oct. 20.—The hero of many demonstrations, Walter Johnson, received today from his home town probably the greatest tribute ever accorded him in his long career as an idol of baseball. And Johnson returned his thanks for the day of hero worship by presenting to Coffeyville a ball game. Before a crowd of 10,000 persons he pitched the Coffeyville Refiners to a victory over the Caney, Kansas, Blues. Eleven of the invaders were mowed down by way of the "smoke ball route," and then in the ninth inning Johnson crashed out a sacrifice hit that paved the way for the winning run. The home-coming for the series idol was the biggest day in Coffeyville's history. And the veteran Washington hurler declared it was one of the biggest days in his life of big days.

Work was forgotten while the city "plunged" in honoring Johnson. Business offices and schools closed for celebration. Aside from the ball game, as parade was the principal feature of the home-coming. In the flashy new sedan given him by Washington admirers, Johnson, with his family, headed the triumphal procession. Walter sat in the front seat beside Mrs. Johnson, who drove the car. He wore a gray Washington uniform. In the line of march were bands and cars bearing city officials and representatives of civic organizations.

Lodge Undergoes Second Operation

(By The Associated Press.) Boston, Oct. 20.—United States Senator Henry Cabot Lodge today underwent a second operation at a private hospital here, in which Dr. John H. Cunningham removed a "large, but benign" gland that has been the cause of the complaint. The patient was said to have passed through the operation satisfactorily. Dr. John H. Cunningham, who performed the operation on Senator Lodge, said tonight that the condition of the patient was "as satisfactory as he could wish it to be. He was relieved at the hospital to have passed satisfactorily."

WEATHER

(By The Associated Press.) UPPER MICHIGAN—Mostly fair Tuesday and Wednesday; slowly rising temperature Tuesday and in west portion Tuesday. 18 OTHERS INJURED; EIGHT SENT TO HOSPITAL.

(By The Associated Press.) Norfolk, Va., Oct. 20.—Four men were killed and 18 were injured in an explosion in the forward twin gun mount of the new scout cruiser Trenton during target practice late today on the southern drill grounds off Bay Point Henry. Rushing here a full speed after the accident, the Trenton anchored in Hampton and late tonight and tonight word came that the cause of the accident had not been determined. Unusual precautions had been taken, it was added, and it was not believed to have been due to electrical trouble. So great was the explosion that an access door at the rear of the turret was opened and four men were blown overboard. One, reportedly burned, never came to the surface. Names of the dead were not made public by naval officials here until nearly eight hours after the accident because of the delay in checking the ship's list and delay in transmission from the Trenton. They are: Ensign Henry Clay Drexler, Sussex Beach, Delaware. Rowland Philip Hanson, seaman, first class, Soldier, Iowa. William Alfred Walker, seaman, first class. Bernard Beverly Bryan, seaman, second class, Bristol, Conn. Walker went overboard and was drowned.

Among the injured, four were listed as critically burned and seven as seriously, but not critically. Eight of the injured were transferred from the cruiser to a navy tug and sent to the naval hospital at Portsmouth, the others being treated aboard ship. Identification of some of the victims was made almost impossible by the extent of their injuries. Of the 18 reported injured, the names of only 16 had been transmitted at a late hour, despite efforts to ascertain the other two.

Norfolk, Va., Oct. 20.—Four persons—two officers and three enlisted a—were killed and 18 others injured in an explosion late today on the scout cruiser, Trenton, during target practice off the Virginia Capes. The Trenton arrived at the naval base tonight and eight of the injured were placed aboard a tug sent to the navy yard and to a hospital at Portsmouth. The red, as announced by naval officials on receipt of advice from the Trenton, with the home addresses missing, are: (Critically burned.) Bennett Williams, seaman, second class. George Robert Cholister, boat-swain's mate, first class. Franklin B. Jeffert, seaman, first class. Mervin Franklin Seamon, seaman, second class. Seriously, but not critically. George Dewitt Laker, seaman, first class. Joseph Cohen, seaman, first class. George Joseph Gaffney, seaman, second class. Edgar John Ivy, seaman, first class. John James McCormick, seaman, first class. Richard Ellsworth Denker, seaman, second class. John Upseolins seaman, second class. Slightly injured. John Zegwick lieutenant, junior grade. Thomas Howland Bailey, seaman, second class. Carlton Colby White, seaman, second class. Joseph Leo White, turret captain, first class. William Douglas Sterling, seaman, second class. Cause Not Known. The cause of the explosion, according to a radio message tonight from the Trenton, had not been determined. "The forward twin mount was trained to the beam, with guns at an extreme elevation," said the message. "No shot had been fired. Powder and shell were being hoisted into the turret and all safety precautions had been observed. "Unusual and exacting care had been taken at every step, and as present it is believed the accident cannot be attributed to electrical trouble. Immediately after the explosion the access door in the rear of the turret was opened and four men fell overboard because of the overhang. Three were rescued. One apparently was badly burned and drowned, but the body was not recovered. The rest were rescued."

for the body tonight."

WAS NOT BOAT.
Washington, Oct. 20.—Four men were killed in an explosion in the second twin gun mount of the new scout cruiser Trenton during target practice on Cape Henry, Va., today, the navy department was informed tonight.

A brief report received at the department said: "Powder fire forward twin mount and four dead." No names were immediately available of the casualties.

The cruiser was said to have been but a few miles from Norfolk when the accident occurred. It is in command of Captain E. C. Kalbfuss and has been in commission about six months, being one of the first of the scout cruisers recently placed in service.

The Trenton is a 7,500-ton cruiser and carries 10 six-inch guns besides anti-aircraft and torpedo equipment. She is designed to carry a crew of about 400.

The Trenton had gone to the drill grounds from the Washington navy yard after bringing home the body of Major Robert W. Imbrie, American vice consul at Tehran, Persian, who was killed by a mob of religious fanatics.

TUMULTY ASKS THAT PROOF BE FURNISHED HIM

(Continued from Page One.)

deny that the text recently published in the Atlanta Constitution was the text of that speech.

The governor's statement follows:

"It is unfortunate that I was called at the end of such a busy day. I am tired and worn out and do not care to make a statement. I have nothing to conceal but want to consider well and not act precipitately. I will not state if the speech challenged was mine or not. I must see the Tumulty challenge in print and have time to consider. If I decide to make a statement, it will be published tomorrow and I will be glad to give. I have already admitted making a speech at the invocation."

The Constitution at the time it published the alleged speech, stated that its copy was derived from the current issue of the "Imperial Nighthawk," official organ of the Ku Klux Klan.

"The Nighthawk, however, did not state that Governor Walker was the author of the address it published but said it was delivered by a 'prominent citizen.'"

Much Man-Power Lost To Church, Greiner Asserts

(By The Associated Press.)

Chicago, Oct. 20.—Much valuable man-power is lost to the church, Fred J. Greiner of Meriden, Conn., said today in an address before the fourth convention of the Lutheran Brotherhood of the United Lutheran church in America.

"It is lost," he said, "through the failure to recognize hidden or dormant possibilities in the individual. Think what would happen with the awakening of the mountain of strength contained in the life of our millions of members."

"Let us rise to the height of our old-fashioned faith to believe the simple story of Bethlehem, in the face of twentieth century materialism."

Tonight the brotherhood held a reception and banquet.

GOVERNMENT OF GERMANY GOES

Reichstag Dissolved; Elections Will Be Held Shortly.

(By The Associated Press.)

Berlin, Oct. 20.—The Reichstag was dissolved by President Ebert this evening. After futile efforts to construct a bourgeois bloc which would definitely control a safe majority in the Reichstag, Chancellor Marx appealed to President Ebert for a decree of dissolution and writs for new elections.

As was the case in the spring campaign, the Dawes report again will be the outstanding issue in the forthcoming elections, in that the democrats and clericals will demand the continuation of Germany's foreign policies along the lines enunciated by the retiring cabinet which were wholly dictated and shaped by the issues revolving around Germany's acceptance and fulfillment of the Dawes plan. In this both bourgeois parties have the active support of the socialists.

Just what will be the slogan of Stresemann's people's party and the H. rgt-Von Tirpitz party cannot be forecast.

The chancellor exhausted every expedient at his command in order to avoid new elections, but the confusion thrown into the situation by Stresemann's party through its espousal of the nationalists and its open affront to the socialists, made further parleys impossible.

The present situation does not resolve itself into a cabinet crisis and is altogether the result of the existing party line-up, in the Reichstag, which precludes the formation of a workable majority government.

The Marx-Stresemann ministry will continue in office until the newly elected Reichstag produces its successor. Just what the new party line-up will be, is wholly a matter of conjecture.

Smuggling Aliens Into U. S. Gaining Fast, Wixon Says

(By The Associated Press.)

Montreal, Oct. 20.—The smuggling of aliens into the United States across the Canadian border has increased alarmingly during the past few weeks, it was declared today by I. W. Wixon, United States commissioner of immigration for Montreal. He said the American consular offices throughout Canada were crowded with applications for admission to the United States.

"There are sufficient on the waiting list in Montreal to provide for quota fulfillment until July of next year," said Mr. Wixon.

Jails near the border are filled with men and women of many nationalities who sought to evade the immigration law, the local immigration authorities have been informed, while runners are turning their attention from liquor to aliens.

Report of immigrants having been through Detroit and St. Clair rivers, when the men conveying them across were threatened with capture by patrol boats, have been received here.

"Hi-jackers" who agree to get the alien across the border but enroute rob them of everything they possess are reported as active.

The existence of a gigantic "ring" with headquarters in Montreal, is suspected.

Trust Fund Will Keep Murderers in Prison, Plan

(By The Associated Press.)

Chicago, Oct. 20.—Plans for a trust fund that may be used after his death to oppose any efforts to free Nathan Leopold, Jr., and Richard Loeb, were announced today by Jacob Franks, father of the boy they killed.

"The murderers must never get freedom," he declared. "A lenient governor, a shrewd lawyer, an indifferent people—and their liberation would be the matter of only a short time, unless provision were made to combat any effort to get them out of Joliet."

"I don't know how long I shall live. During my life I will fight any move to defeat justice. After my death the trust fund will be available."

Lemon juice will remove blackberry stains from the lips or fingers.

MRS. RIPPIN TO ADDRESS THREE MEETINGS HERE

Place of Women's Meeting Has Been Changed

Mrs. Jane Deeter Rippin, national Girl Scout director, will be in Escanaba tomorrow, and will deliver three addresses.

At 12:30 she will address a gathering of men from throughout the county at the Ludington hotel. It is expected that about 75 to 100 men will attend this session.

In the afternoon Mrs. Rippin will speak to a meeting of women from Delta and neighboring counties. This meeting will be held at the parlors of the First Presbyterian church, and not at the city hall as first announced. It will begin at 3 o'clock and all women interested in Girl Scout work are invited to attend.

At 5:30 in the afternoon the scout director will speak to a gathering of Girl Scouts at the Escanaba high school. All Girl Scouts are asked to be present at this time.

Mrs. Cheever Buckbee, Mrs. George M. Mashek, Mrs. F. F. Davis and Mrs. Judd Yelland, assisted by the Escanaba council, will act as hostesses and serve tea at the afternoon session.

Mrs. T. G. Byrns, Mrs. Cominsky, Mrs. George Harvey, Mrs. H. Gessner, Mrs. Young and Mrs. Leighton will have charge of the entertainment at the high school for the girls. Miss Dorothy Reade, Miss Ethel Bennett and Miss Louise LaCombe will have charge of the girls' activities at the high school gymnasium.

Dead Chinese Was Spy, Police Hold

(By The Associated Press.)

Detroit, Oct. 20.—That Eng San Suey, Chinese, who was shot and killed here Saturday, was a spy of the Hip Song tong and was killed by members of the On Leong tong, to which he was reputed to have belonged, was the theory held by police here. Officers said they were preparing to guard against more slayings which they believe probable as a reprisal for the death of Suey.

Police, however, admit that they can do little toward apprehending Suey's slayer as none of the Chinese will give any information regarding the affair.

Chinese who are willing to talk in English about almost any other subject with the police, will say only "no speak English" when questioned about the shooting. Suey was killed while detectives from the homicide squad were in the immediate vicinity on guard against tong warfare.

Annual Clinical Congress Opened

(By The Associated Press.)

New York, Oct. 20.—The annual clinical congress of the American College of Surgeons opened a five day series of sessions today, with 2,500 doctors from this country and a score from foreign lands answering roll call.

One hundred clinics will be held in New York hospitals.

Today's sessions were devoted chiefly to reports and discussions of the progress of standardization in small city hospitals throughout the United States.

Many Passengers Have Close Call

(By The Associated Press.)

Lewiston, Pa., Oct. 20.—Scores of passengers on the Commercial Express, St. Louis-New York, Pennsylvania Railroad passenger train, escaped with minor injuries, when the entire train of ten cars was derailed near here today. Only three were reported seriously injured although three pullman cars and the dining car toppled partially over an embankment.

The train carried 163 persons, railroad officials said tonight.

Health Association Convention Is Open

Detroit, Oct. 20.—Dr. Francis X. Mahoney, health commissioner of Boston, delivered the opening address at the annual convention of the American Public Health Association here tonight.

Dr. Mahoney, who is vice president of the organization, is presiding at the meetings because of the illness of Dr. William H. Park of New York City, president.

Tong War Starts Again in Chicago; One Is Shot Down

(By The Associated Press.)

Chicago, Oct. 20.—One Chinese was killed, two others probably fatally wounded and the lives of several more attempted in five separate attacks here tonight. The police ascribed the shootings to a renewal of warfare between powerful rival tongs. The arrest of all Chinese found acting suspiciously was ordered.

Willie Kee Kia, 23, part owner of a west side restaurant, was shot and killed in the restaurant by a kitchen worker, who had obtained employment there but two days before. Joseph Hong, the employer, and an unidentified companion, fled after the shooting.

Paul H. Moy and Moy Tong, owners of a laundry two miles away, were seriously wounded by two other Chinese who had entered the place and without a word began shooting. Moy, before lapsing into unconsciousness, denied he was implicated in any tong strife.

In the third attempt, Charlie Hung, owner of a laundry on the northwest side, and a 15 year old white boy narrowly escaped being wounded when several bullets were fired through the window of the laundry.

Livestock Market Is Nearing Normal

(By The Associated Press.)

Chicago, Oct. 20.—In the principal address of the opening session of the convention of the Institute of American Meat Packers today, President Charles P. Herrick declared that the livestock market situation was returning to normal after a year of heavy receipts.

Seventeen other representatives of the packing industry gave 10-minute talks, covering every phase of meat production.

Interpreters Will Not Interpret; All Fear Tong's Wrath

(By The Associated Press.)

New York, Oct. 20.—The menace of the tong cast its shadow over the court of special sessions today and tied the hands of justice. Fear of revenge resulted in refusal of Chinese to act as interpreters and a week's postponement in the trial of eight Oriental arrested in connection with tong warfare was made necessary.

According to the clerk of the court, even the Chinese consul himself has declined to lend his assistance against the sinister threat of the tongs.

The eight Chinese appeared before Justices Salmon, Voorhees and Kernochan and pleaded ignorance of English. The justices inquired why the regular court interpreters were not present and the clerk informed them he was recovering from fourteen knife wounds inflicted on him by an angry Chinese who thought the interpreter's version of his story was unfair. The clerk added that every Oriental he had approached to act as interpreter had refused.

Peanuts are used in the manufacture of several varieties of wood stains.

INVESTIGATION TO RUN UNTIL ELECTION DAY

Numerous Witnesses Are Summoned To Appear Before Committee.

(By The Associated Press.)

Washington, Oct. 20.—With a rather formidable array of witnesses already summoned and still others to be called, members of the special senate committee expressed the opinion today that the investigation of campaign expenditures by the three major political parties, begun last week at Chicago, will be continued right up to election day, November 4.

The inquiry will be resumed here tomorrow with the examination of officials of the Democratic national committee as to contributions to and expenditures by that organization. Clem L. Shaver, chairman, and James W. Gerard, treasurer, will be the witnesses and they will be asked to consent to an arrangement to submit sworn reports as to their financial affairs as of October 20, October 25 and Nov. 1. The committee had intended to go straight through with the inquiry into the charges of Senator Robert M. LaFollette that a huge "slush" fund is being raised by the Republican national committee, the bankers and the business interests in general for use in behalf of the Coolidge-Dawes ticket. Upon his arrival here from Chicago, General Chairman Borah was advised by Joseph R. Grundy that he and other witnesses from Philadelphia could not come here before Wednesday.

Grundy To Appear.
Grundy, who is chairman of the ways and means committee of the Republican national committee, and who has written appeals to the "citizens of Pennsylvania," asking for "largest possible contributions," will be a principal witness. Senator Caraway, Democrat, Arkansas, said today it was his purpose to ascertain by cross examination Grundy's business interests and also as to the truth of reports that he was one of the authors of the famous schedule K of the Payne-Aldrich tariff act.

Edward T. Stotesbury, Philadelphia banker, and Samuel M. Vauclain, president of the Baldwin Locomotive Works, are other Philadelphia witnesses. Senator Borah said subpoenas had been issued for them. Nathan T. Folwell, treasurer of the Manufacturers' Club, Philadelphia, also is to be questioned on the basis of a letter sent by the finance committee of that club to its members soliciting funds for it, the Republican campaign and emphasizing what was declared to be the importance of keeping a protective tariff act on the statute books.

Seek Other "Collector".
Grundy in one of his letters stated that he was authorized by the Republican national committee to make collections in Pennsylvania "outside of the Pittsburgh district." Senator Borah said he would seek to find out who

GLADSTONE NEWS.

PLAN MILITARY FUNERAL FOR ULRIC PETTIT

A military funeral in charge of August Mattson post, American Legion, of which he was a member, will mark the burial here of Ulric Pettit, 24, former Gladstone young man who passed Friday morning at San Francisco.

The body will arrive in Gladstone Thursday morning and the services will be held either on Thursday or on Friday. Definite arrangements, however, will be made later in the week.

All legion men of the city are asked by their commander, E. C. Dayton, will report at the club rooms at Wall hall at 8 o'clock the morning of the funeral, to take part in the military services which will be held by the post in respect to the memory of a dead soldier.

No further word as to the circumstances surrounding the death of the young man have been received from California, but it is believed that complications resulting from injuries received during his war service and from which he had never fully recovered resulted in his death.

Mrs. Pettit of Chicago, the young man's mother and Sister M. Honor of Schoonchen, Kan., his sister, have already arrived here for the funeral. Mrs. E. C. Byerley and Miss Alberta Pettit of Chicago and other relatives are expected today or Wednesday.

INFANT SON PASSES AWAY AT HOSPITAL

Louis, Junior, infant son of Mr. and Mrs. Louis Hillewaert, passed away Friday night at an Ann Arbor hospital, shortly after Mr. and Mrs. Hillewaert, who had been with their son had left on their return trip to this city.

The message telling of the baby's death was received upon their arrival here.

The body arrived here last night and was taken to the family home where it will remain until time for burial. Services will be conducted this afternoon at 2 o'clock at All Saints' Catholic church, the Rev. Father Sebastian Maier officiating. Interment will be made in Fernwood cemetery.

The baby, who at the time of his death was two months and twenty days old, was taken ill a few weeks ago. When he failed to respond to treatment he was taken at once to Ann Arbor where he was under the care of a specialist. Death came, however, Friday night, shortly after Mr. and Mrs. Hillewaert had left for their home.

The loss of the baby, the first in the family, has brought a deep sorrow to the parents and the sympathy of their many friends in Gladstone is extended to them.

PRIZES ARE AWARDED FOR TAG DAY SALES

"Heart Day" receipts when checked up by Mrs. Platt Barnum who took charge of the Volunteers of America tag day held in Gladstone Saturday last totaled the sum of \$124.54.

The children worked faithfully from early in the morning until the close and those interested in the affair were deeply grateful to all who helped in any way to make the enterprise successful.

At the close of the "contest," it was found that Marcella LeClair was entitled to the first prize, having secured for her tags \$14.81. The second was won by Alva Gabrielson, who had \$12.42. The third winner was Florence Gronlund with \$9.27. Dorothy Martin won the fourth, turning in \$7.15, while Dorothy Stude took the fifth prize by bringing in \$6.15.

Many other children were made happy with movie passes.

Aid Meets With Mrs. F. G. Forbes

Members of the Ladies' Aid Society of the Presbyterian Church will meet at the home of Mrs. Fred G. Forbes for a social meeting Thursday afternoon at 3 o'clock. All members are invited to attend.

Missionary Society Meets Wednesday

The Young Woman's Foreign Missionary Society of Alice Memorial Methodist Church will meet Wednesday evening at 7:30 o'clock at the home of Mrs. Wesley Ward. All members are requested to be present.

Epworth League Social Thursday

Plans have been completed for the Epworth League social which will be given Thursday evening, instead of Friday at Alice Memorial Methodist church. In addition to the social a business meeting will be held and the officers elected for the coming year.

Auxiliary Holds Meeting

Regular meeting of the Auxiliary to August Mattson post, American Legion, was held Monday night in the legion club rooms. A number of matters of importance were taken up and discussed for action at a later meeting.

20 "LEGGERS" PLEAD GUILTY

Several Robbery Cases May Be Tried at October Term.

Clarence McKinnon and Clarence Cartwright, charged by the Gladstone police with robbing the Hub store in that city, and holding up and robbing Elmer Perkins, last August, pleaded guilty to the burglary charge and not guilty to the charge of armed robbery, when they were arraigned in circuit court yesterday.

Neither had an attorney. Judge R. C. Flannigan appointed Charles E. Lewis to defend McKinnon, and J. L. Loell to defend Cartwright. The men have not been able to furnish bonds and their cases probably will be tried at this term of court.

George Vietoski, who is charged with having helped Peter Ritel break the window of the Blomstrom & Petersen jewelry store last winter and steal jewelry valued at more than \$2,000, "crossed up" the prosecution yesterday and entered a plea of not guilty. Vietoski made a formal statement, shortly after his arrest, confessing his guilt and implicating Ritel. It was necessary for the court to appoint James C. Baker to defend Vietoski, and W. J. Miller to defend Ritel.

20 Pleas of Guilty. The case against Lawrence Primeau and Fenton Kelly, charged with having resisted an officer, which has been continued over two terms, probably will be heard this week. It was said yesterday, no time for the trial was set since H. J. Rushton, of defense counsel, is out of the city.

Prohibition violators, 20 in number, who pleaded guilty, were: Charles Wright, Emil Vanders, Natalie Vanders, Matt Harja, Paul Dementer, Walter Brunette, Joseph Gault, Oliver Gault, Harold Cardinal, Fred Clouthier, George Birch, John Peltauer, Dora Schimberg, Paul Stricker, Charles Graham, Mirko Skridski, Stanley Uglia, Otto Scheibner, Oscar Johnson and Harry Beauchamp. August Anderson was the only

SURPRISED ON ANNIVERSARY OF BIRTHDAY

H. H. Albin was the honor guest at a surprise party and outing given Sunday near Carlsend on the occasion of his birthday party.

Arrangements for the outing had been carefully made by Mrs. Albin, who kept all plans a secret and Mr. Albin's surprise was complete when he drove to the picnic grounds for a family outing and found a group of guests awaiting him.

A delicious chicken dinner was served and various amusements enjoyed during the day.

Those present included besides Mr. Albin's family, Mr. and Mrs. John Aspland, Mr. and Mrs. Ewald Aspland, Carl Johnson and daughter, Rubb, of Ishpeming, Mr. and Mrs. Carl Emes of Neenah, Mr. and Mrs. John Sundling of Marquette and F. E. Kelle of Woodstock, Ill.

Hallowe'en Party Date is October 29

A postponement has been announced in the date of the Ministers' class Hallowe'en party at Alice Memorial Methodist church. The affair which was planned for October 22, will be given instead, on Wednesday evening, October 29.

MOTHER!

Watch Child's Tongue

"California Fig Syrup" is Children's Harmless Laxative

When your child is constipated, bilious, has colic, feverish, breath, coated-tongue, or diarrhea, a teaspoonful of genuine "California Fig Syrup" sweetens the stomach and promptly cleans the bowels of poisons, gases, bile, souring food and waste. Never cramps or irritates. Contains no narcotics or soothing drugs. Children love its delicious taste. Ask your druggist for genuine "California Fig Syrup" which has full directions for babies and children of all ages, plainly printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup. Adv.

man charged with a violation of the prohibition law, who pleaded not guilty.

Law Cases.

Among the law cases scheduled to be tried at this term are: Spegel's House Furnishing Company, an Illinois corporation, vs. Mrs. Arthur Menard; Jalmar Jakine vs. Delore Lalonde; Fred LeBreeh vs. David Geron; Levy Brink vs. Harry S. Work; Minnie Perkins vs. Einar Larson; Omer Charbonneau vs. Edward Richer; W. N. Kelly Company vs. James R. Andrews.

The score of more Patrons' Mutual Fire Insurance Company suits against its former policy holders in this part of the state, all of them appeals from justice court, were continued, pending the outcome of a similar case now in supreme court.

Several chancery cases, including a half-dozen divorce petitions, also are to be heard by the judge before the end of the term.

May Be Long Term. The Kelly-Andrews case was heard in the court about a year ago. It was taken to the supreme

court and sent back for retrial here.

Attorneys and court attaches were doubtful, yesterday, whether the business of the term could be completed earlier than the latter part of next week.

TIMBER WOLF IS CAPTURED

One of the largest timber wolves captured in this territory in a number of years was taken by a state trapper, near Whitney, on Sunday. The wolf was caught in a trap, which had been set for coyotes. The animal was said by veteran woodsmen to be one of the finest specimens ever taken in this section of the peninsula. A number of coyotes, attracted to that section by sheep owned by the National Pole Company at its farm at Whitney, also have been captured by the state trapper.

If you keep your brown sugar in an open crock in the refrigerator it will never get lumpy.

NOW -the Perfect Motor Oil For FORDS

-an oil which serves a dual purpose:

First: To lubricate the engine in Ford cars and trucks with all the efficiency for which the name "Polarine" stands today.

Second: To lubricate effectively the Ford transmission, assuring smooth, quiet operation.

This new, improved motor oil is made exclusively for Ford cars and trucks. It is called

Polarine "F" THE PERFECT MOTOR OIL

Do not confuse Polarine "F" with so-called "non-chatter" oils, which, in most cases, afford only temporary relief.

Polarine "F" is made and sold by the Standard Oil Company (Indiana).

After exhaustive tests in the laboratory and on the road, it comes to you with the unqualified recommendation of our Technical Staff.

Polarine "F" builds up and maintains a stable lubricating film on the transmission drum, a film which will hold up even under extreme pressure of the bands.

You can secure Polarine "F" at any Standard Oil service station and at most garages displaying the Polarine sign.

It costs no more than other motor oils. Have your crank case drained today and fill with Polarine "F", the Perfect Motor Oil for Fords. You will notice the difference immediately.

Standard Oil Company, Escanaba, Mich. (Indiana)

FRATERNAL

O. E. S. Meeting. There will be a regular meeting of the R. C. Hathaway Chapter of the O. E. S. tonight at 7:30 o'clock. It is expected that a large number of members will attend.

FINE SPIRIT.
Escanaba will have little of which to complain on the score of treatment accorded members of her football team and the largest crowd of enthusiasts ever to follow an athletic team of any kind to a neighboring city.

A spirit of fairness, of determination to battle hard, but squarely, was in sharp contrast to the spirit demonstrated by Menominee at Escanaba a year ago when the Menominee team left the field after refusing to abide by the decision of officials in charge of the game.

It is probable that Menominee has learned her lesson and regrets as much as Escanaba the occurrence of a year ago.

Probably no athletic event ever staged in the peninsula more nearly approached a perfect exemplification of the value of athletics in connection with the regular high school curriculum of study, than that of Saturday.

Staged on a magnificent athletic field, a monument to a city's determination to build strong bodies for its future citizens at the time their minds are being trained and developed, the game was directed by competent officials whose word was accepted as law.

In all of the 27 years during which athletic relations have been continuously maintained between Escanaba and Menominee, a larger crowd of people has never witnessed any event in which teams representing the two cities have competed.

The students of two schools and the people of two cities, under ideal conditions, were permitted to match civic loyalty and at the same time demonstrate a spirit of self control and fair play.

The location of those two characteristics constitute major elements in character building and when two cities, where such intense athletic rivalry exists, can meet and demonstrate those qualities, as perfectly as was accomplished at Menominee on Saturday, a most valuable lesson has been recorded.

MEMBERS AS MASTERS.
There is a great deal of misconception of what happens when the Supreme Court declares an act of Congress to be unconstitutional.

La Follette, Gompers, and other radicals persist in saying that the Court possesses the veto power. Such is not the case. Members of Congress are sent to Washington as the agents of the people clothed with certain powers defined and strictly limited by the Constitution.

Acts of those Members within those powers are what is known as legislation. But like other agents, Members of Congress sometimes exceed their powers. In that case what they do is personal to them and not representative of the people.

They may produce under those circumstances what in form is a law, but what is actually only the personal act of a few private citizens. That fact is ascertained when the matter is brought before the court on complaint of any of us.

The court applies the constitutional test, and if the act fails to meet that test the country is so informed. What has masqueraded as a law is then wiped from the statute books.

It never was a law, and everything done under its provisions must be undone so far as possible. The court has nullified no statute, because the statute never existed.

The people, through their Constitution, are the masters of their agents in Congress. Mr. La Follette proposes to make Congress the final tribunal to determine the validity of its own acts, without recourse to the Supreme Court.

The moment that is done members of Congress cease to be the agents of the people and become their masters. The people lose the refuge which they have had in the constitution and the courts from attempted tyranny by congress.

If Mr. La Follette should succeed in putting himself in the White House and electing a congress of his own mind, the sky would be the only limit for future legislation. Every wild whim which a radical mind can

out, with no constitution or court to check it, would be law.

BRINGING UP FATHER

By George McManus

AMUSEMENTS

AT THE DELFT.

Gloria Swanson wears a glittering array of new gowns in "A Society Scandal," her newest Paramount production, which is receiving its first local showing at the Delft theatre.

"A Society Scandal" was adapted by Forrest Halsey, who also made the remarkably skillful scenario of "The Humming Bird," from Alfred Sutro's play, "The Laughing Lady."

Miss Swanson has the role of a society beauty who, involved innocently in a compromising situation with a rotter, is sued for divorce by her weakling husband.

AT THE STRAND.

"Riders Up" latest Universal all-star picture began its screen showing in the Strand theatre yesterday, and more than lived up to the expectations that had been aroused by advance notices of this picture story of life around a race track.

Adapted from the Red Book magazine story by Gerald Beaumont, "When Johnny Comes Marching Home," it tells the story of a youth who has become a race track tout and strives to make enough money to return home and visit his widowed mother and his sister.

Johnny learns that the old man has based his hopes on the fact that he has placed his last dollar on a horse, which, if it wins will provide the necessary money. The horse loses and Johnny's visit home must again be postponed.

There is a pretty love theme running through the story, and some fine wholesome comedy, as well as some genuine pathos. Creighton Hall, George Cooper, Robert Brower, Ethel Shannon and Kate Price among the players.

TODAY'S EVENTS.

Today begins the observance of National Good Health Week. Forty-five years ago today the first incandescent light was produced by Edison.

England celebrates Trafalgar Day today, in commemoration of Nelson's famous victory. One hundred and fifty years ago today the Continental Congress approved John Jay's celebrated "Address to the People of Great Britain."

One hundred years ago today the first patent was granted for Portland cement, the invention of which effected a revolution in building construction. At a special election today in New Iberia, La., the voters will pass on a proposal to discard the commission plan and return to the aldermanic form of government.

The American Board of Commissioners for Foreign Missions, the largest missionary organization in the world, begins its 155th annual meeting today at Providence, R. I.

The United Lutheran Church of America, the largest body of Lutherans in the United States, formed six years ago through a merger of the Lutherans of the North and of the South, meets in Chicago today for its fourth biennial convention.

TODAY'S ANNIVERSARIES. 1805—British under Lord Nelson defeated the combined fleets of France and Spain in great battle off Cape Trafalgar.

1822—The Russians were warned to abandon California within six months.

1824—The first patent for the manufacture of Portland cement was granted to Joseph Aspdin, an English bricklayer.

1861—The Confederates defeated the Federals at battle of Ball's Bluff, Virginia.

1885—The Governor of Washington Territory made a report on the subject of the anti-Chinese movement on the Pacific coast.

1892—Formal dedication of the World's Columbian Exposition at Chicago.

1900—First successful trial of Count Zeppelin's airship at Friedrichshafen.

1919—The King and Queen of the Belgians visited Lincoln's tomb at Springfield, Ill.

1923—Lloyd George visited Lincoln's birthplace in Kentucky.

1923—The Rhineland Republic was proclaimed by German Separatists.

Chapter XXIX.
But Holland was not so easily disposed of. He called again and again knowing Vira feared to refuse to see him because of the attention such procedure would attract. He telephoned several times a day and Vira, unaccustomed to handling men, talked with him and several times lunched with him. Not because she wanted to but because she didn't know how to rid herself of him.

curiosity about her movements. Unaccustomed as Vira had been to handling money, she gave little thought to the expense. Indeed she thought of little else than how to rid herself of Holland and of being with Deering. An egotist, a man popular with women of a certain type, Holland was piqued, angry, at Vira's attempts to withhold from him the same flattering pleasure in his company she had so plainly evinced on the train. And he determined to persist in his attentions.

GOLF PLAN IS BEING PUSHED

A definite working plan for the organization of a golf club at Manistique was presented to the Manistique Chamber of Commerce yesterday by James C. Wood, chairman of the golf committee.

The members present approved the plan submitted by Mr. Wood and the committee will proceed with its work of securing a sufficient number of people interested in buying a privilege certificate in "Old Deerfield" in which event the members of a local golf club would use the courses which will be built on the "Old Deerfield" holdings east of the city. If this plan does not meet with the favor of Manistique's prospective golf players, the committee will go on with its plans for building a nine-hole course at Fitch's, along M-12 west of the city. This property, known as the Mikkelson farms, was inspected early this spring by an expert, at the request of those interested in the formation of a club here, and an option on the property is now held by one of the members of the committee.

Warehouse to Open One-Day Each Week

Officials of the Schoolcraft County Farm Bureau have announced that their warehouse near the Soo Line depot at Manistique will be open one day each week, instead of every day in the week, as stated in the local weekly paper last week.

The affairs of the farm bureau are now being handled by three local farmers, Harry Blandford, Isaac Pawley and C. R. Millar. Mr. Blandford is in charge of the office work and will receive all communications and handle accounts.

It has not been definitely decided just what day in the week the warehouse will be open, but it is probable that this will be on Fridays of each week, as before.

Miss Hazel Wickwire, former secretary of the local bureau, whose resignation went into effect last week, expects to leave this week and for Chicago, where she will take a position and make her permanent residence.

Justice Unites Pair In Bonds of Wedlock

Miss Lola Terwilliger of Saginaw and James Terrian of Manistique were united in marriage at this city last week, the ceremony performed by Justice of the Peace W. A. McKinney.

Mr. and Mrs. William Heminger of Hunt's Spur attended the couple as witnesses. Mr. and Mrs. Terrian plan to make their home here.

William N. Caffey, Veteran of Civil War, Laid To Rest

American Legion men acted as pallbearers at the funeral of William N. Caffey, Civil War veteran, held Monday morning at the home of his son, Theodore Caffey, Sr., on North Houghton Avenue.

Services were conducted by Rev. M. Bursley of Gulliver, pastor in the church of Latter Day Saints, of which the deceased was a member. Following the service, which was held at 9:00 a. m., the body was taken to Coffey, Mich., for burial by the side of his wife, who passed away 12 years ago.

Mr. Caffey was born in Bucks County, Pennsylvania, in 1838, and saw 3 years service in the Civil War, with Company C of the 104th Pennsylvania Infantry.

He was formerly engaged in farming at Gulliver, and was at one time postmaster at Caffey, near Rexton, where he was buried, in accordance with his own request. Recently his health had been failing, and he made his last journey with his son, Theodore, who with a daughter, Francis, was the sole surviving member of the family. In addition there are a number of grandchildren and great-grandchildren.

Mr. Caffey was one of the last of the old Civil War veterans in the vicinity, and local American Legion members joined in paying tribute to one who saw active service at Gettysburg during that great conflict. Those who acted as pallbearers were: Commander W. G. Beaudoin of the local Legion, S. M. Rubin, Ira Crawford, Alex Creighton, L. A. Danielson, and Arthur Drevdahl.

Choral Club Has Rehearsal Tonight

A rehearsal of the Manistique Choral Club has been announced for tonight in the music room of the high school.

The membership of the club is not limited, and all Manistique people interested in vocal work are invited to attend the rehearsal, which promise to prove both pleasing and profitable.

The club has just started work on the "Rose Maiden," under competent instruction, and a good attendance is hoped for at the rehearsal tonight at 7:30.

Dean of Women To Speak Here

Jean Hamilton, Dean of Women at the University of Michigan, will be heard at Manistique on November 18, according to an announcement received here last week.

Miss Hamilton will make a tour of upper peninsula cities, and will be available for a talk at Manistique on the above date. Her speaking ability is well known and talks given by her have always proved popular.

POPICH TRIAL UP ON MONDAY

Sheriff M. Klagstad, Chief of Police John A. Peterson, and Deputy Sheriff W. G. Beaudoin left Monday morning for Marquette, where they have been called as witnesses in the federal court trial of Tony Popich of Manistique for a violation of the liquor laws.

In response to a telephone message received Monday morning, the local officers left at once in the sheriff's car.

Mr. Popich was arraigned last week, and pleaded not guilty. Due to the large number of cases on hand, his trial was put over to the second week of the federal court term. The local man's home was raided by local officers, after information had been furnished them by Marvin Condon of Cooks, who will also be a witness. A Manisting lawyer was retained to defend Mr. Popich.

Baptist Pastor Outlines Four Business Rules

Honesty, Industry, Altruism and Morality were given as the four underlying principles of a successful business by Rev. Joseph Grosa, new pastor of the First Baptist church, in a talk to the Manistique Chamber of Commerce Monday noon.

Rev. Grosa was introduced to the club by W. J. Shinar, and was unanimously made a member on Mr. Shinar's proposal.

Rev. Grosa prefaced his talk with the remark that he was not a business man, and that preachers were not noted as business men, but that he would outline his ideas of business ethics for the approval of the business men present.

Common examples of business dishonesty, such as the misrepresentation of goods in order to make a sale, were cited by the pastor in showing that honesty in business pays in the long run.

A saying, to the effect that "man is as lazy as conditions will permit," was quoted by Rev. Grosa to emphasize his next principle: Industry. He related the story of the Spartan soldier, who complained that he could not fight because his sword was too short, and who was told to take a step forward in battle, to compensate for the shortness of his sword. What men lack in the "sword" of natural assets and business ability, should be compensated for by the "step" of added industry, the speaker said.

The application of the "Golden Rule" in business was explained under the head of "altruism." Unfair competition to force others out of business was condemned. "A man that will cut prices to force his smaller competitor out of business deserves the maledictions of the people," said Rev. Grosa. The last of the four principles of business was morality. Illustrations were cited to show instances where business demands had evil effects on employees. Travelling salesmen, in order to meet customers, were forced to frequent entertainment places they had not known before, and drinking was often encouraged in this age to land customers.

Rev. Grosa's talk was received with applause by the local business men, and regret was expressed by the acting chairman that there was not a larger body of Manistique men present to hear it.

Local Merchant Leaves On Trip To Sika, Greece

George Graphos left Manistique yesterday on the first lap of a trip that will take him to his old home at Sika, Greece.

Mr. Graphos will first pay a visit to his children, and other relatives, in lower Michigan, and will then proceed to the east, where passage has been engaged on a liner that sails for Greece the latter part of the month.

CITY BRIEFS

Miss Rose Vincent left for Detroit Monday morning, after spending the past two weeks with relatives and friends in Manistique.

Mr. and Mrs. W. W. Nightingale have returned to Manistique, after enjoying a two weeks' vacation with relatives at Randolph and Manitowoc, Wisconsin. Mr. Nightingale has resumed his duties as manager of the local Western Union office.

Miss Annabelle Jones, formerly a teacher in the Manistique visitor school, is now on the teaching staff of the Newberry school.

The ladies of the Norwegian Lutheran Church at Manistique have planned a public supper to be given at the Odd Fellows' Hall Wednesday evening, with serving from 5 to 7 p. m.

Mrs. George Bouschor left Manistique Monday morning for Lower Michigan, to attend the funeral of a niece.

Kinsting Baby Is Winner of First Prize at Oshkosh

A news item of interest to Manistique people is the report of a baby contest held last week at Oshkosh, Wis., telling of the awarding of first prize in the nine-months-old class to George Kinsting, Junior; infant son of Mr. and Mrs. George Kinsting of Oshkosh.

Mrs. Kinsting is a daughter of D. C. Currie of Manistique, and recently visited at Manistique with the prize winning baby. The contest was conducted by a large department store at Oshkosh, and entries were in four classes; the three months, four months, seven months and nine months old babies. Baby Kinsting won first place in the nine months class, competing with about 200 other entries. The judging was done by a nurse from a Milwaukee children's hospital.

ARMISTICE PLANS WELL UNDER WAY

A community celebration staged on the scale of the first Armistice day celebration with every citizen in Gladstone taking part is the plan of the American Legion post in charge of Armistice Day plans.

November 11 will be observed as a half holiday, it was announced yesterday, and the entire afternoon and evening will be given over to a community celebration.

The big feature of the day will be a community banquet with everyone who can possibly be there in attendance. The banquet will be in charge of the ladies of the Methodist church, whose ability in preparing and serving dinners on a large scale is well recognized, and will be served at 1:30 o'clock at the Community building auditorium.

Attorney G. Raymond Empron has been secured by the Legion committee in charge to act as toastmaster for the big affair.

Three of the best speakers in this district have been secured for addresses following the banquet and a program of musical numbers and other amusement features is being arranged.

The banquet and the program following will take up the greater part of the afternoon, ending shortly before the beginning of the battle which will be staged at dusk.

Dance In Evening.

The evening will be featured by a big military ball at the Community auditorium.

Arrangements are under way to make the banquet one of the biggest affairs of its kind ever held in Gladstone and the opening event of the celebration will be a community gathering long to be remembered.

TWO WEEKS TIME LIMIT FOR ILLNESS

Children contracting measles must remain at home at least two weeks from the time they are taken ill, Mrs. Margaret Kanney, school nurse, announced yesterday the ten-day period mentioned previously being too short a time.

Two weeks is required to prevent danger of contagion in any case, even slight attacks, and children suffering from severe attacks may be required to remain at home for a longer period of time.

Parents are asked to cooperate, however by keeping the children, ill, home at least fourteen days.

FATHER MAIER GIVES TALK ON AMENDMENT

A splendid address, defining the position of his church on the school amendment which comes before the people again in the general election November 4, was given yesterday noon before Gladstone Rotarians by the Rev. Father Sebastian Maier, pastor of All Saints' Catholic church.

"The voters of this commonwealth are called upon to vote for a second time on the amendment calling for the abolition of all private and parochial schools," said the Rev. Father Maier in his introduction. "Much has been said, a good deal of propaganda spread to bring this question before the public. As this is a question of the hour, I wish to take this occasion to define the attitude of the church I represent and also of all fair-minded citizens toward this amendment.

"We are all familiar with the organization, which, with unbounded presumption styles itself, 'Public School Defense League.' Its very existence is entirely unwarranted. The school system prevailing in this state or country is not being challenged or in danger. No Catholic is bent on destroying the public school. He concedes the necessity of the public school as at present constituted. The child must have instruction and in no mean degree, if the man is to earn for himself an honest competence and to acquit himself of the duties, which for its own life and prosperity, society exacts from all its members. Universal instruction implies free schools in which knowledge is to be had for the asking; in no other manner can instruction be brought within the reach of all children. No tax is more legitimate than that which is levied in order to dispel mental darkness and to build up within the nation's bosom, intelligent manhood and womanhood.

Public School Praised.

"We are unreservedly in favor of state law making instruction compulsory," the pastor continued. "Instruction is so much needed by the citizen for his own sake and for that of society that the parent who neglects to provide for the education of the child sins against the child and against society; and should be punished by the state. It would be idle for me to praise the work of the public school of America in imparting secular knowledge. We recognize its value and its glory and we gladly and cheerfully pay the taxes for its support. We have but one solitary complaint, and this one produces us to build our own school, because, owing to the fragmentary Christianity prevailing in our country, it is impossible to teach religion in school and because the public school by its very nature tends to eliminate religion from the minds and hearts of the youth of the country.

"Religion and morality constitute the most essential elements in the education of our citizenry," the speaker asserted. "They constitute the foundation stones upon which is builded the whole social fabric. A staunch, robust, sterling, self-sacrificing moral character is the only sound basis for genuine love of country and on one can be loyal to his country who is disloyal to his God, through whom kings reign and low-givers decree just things."

The Rev. Father Maier then pointed out that the purpose of education, all theories on the matter agreeing on this point, is to make a good man, the difference being in the insistence of educators upon a non-religious ethical education which discounts in its application the existence of a super-natural world.

Man's Heritage.

"The heritage of man lies in the super-natural kingdom and

WILL SHUT OFF WATER ONE HOUR

Water service in Gladstone will be shut off for one hour tonight from 10 to 11 o'clock to permit connection of the new intake pipe work on which is nearing completion, with the pumps.

All consumers are asked by the city administration, to take notice of the hour of cessation of service and to plan accordingly.

Consumers are also advised to boil all water used for drinking purposes after 11 o'clock until notice from the city which will be given Wednesday morning, as a precaution should it be necessary to use raw water in the mains in case of fire.

Arrangements have been made to take care of fire service in case of a call during the hour service is cut off. The centrifugal pump owned by Sam Mills, contractor is ready for operation and the American-LaFrance fire pumper, brought here on exhibition yesterday, will be held over for the purpose of raising the pressure from the hydrants, furnishing regular fire protection during the hour required for the connections.

The light and inspiration of religious education will cheer and guide him and make luminous and ample his true destiny and the means of its fulfillment. Life is not the simple ascertainment of the most expeditious and successful method of getting a living and determining the material things in life that are best worth living for. That is degradation of man to the level of the dull unreasoning brute when he is entitled to the companionship of angels and the unspeakable eternal joys of glorified existence."

The pastor then spoke of the necessary elimination of the important issue in character building, religion, from the schools, leaving religious instruction to the home and the Sunday school, and of how, too often, this system is found wanting.

"There is no evading this issue," he said, "when the mind is instructed apart from God then the foundations of religious indifference are laid. The mind that has developed under a system which excludes God and the things of God from its consideration, soon logically learns to divorce God from its natural processes and to ignore Him in all its intellectual life. God at home and God at church will never make up in the child's mind for the banishment of God at school. This present system fosters a process of religious disintegration; the God who does not reign at school, who has no relation to intellectual life, may, is ignominiously thrust out of doors in the temple of knowledge, if but half a God, not the all powerful Creator and Judge who holds us all in the hollow of His hand.

Asks Fairness.

"If morality without religion is practically impossible and if religion is so essential to character building which is the objective of all true education," the pastor went on, "and if we are a Christian nation, then our conception of all interpretation of life should be Christian which would imply that time is but the vestibule of eternity and this life is a preparation for the next, and we would naturally look for some of these principles in our educational system. Why should this important factor be banished from the curriculum of our schools? If there are citizens, who desire and acknowledge the necessity of the civilizing and ennobling force of religion and wish to build schools of their own and at the same time support the public school would it be fair, in this land of liberty, to suppress their efforts?"

The Rev. Father Maier then

Additional Gladstone News Will Be Found on Page 3.

CITY BRIEFS

The Misses Ruth Swanson, Marie Poulin, Genevieve Louis, Marie Caron, Julia Buckman and Dorine Black hiked to Terrace Gardens where they enjoyed a picnic lunch, before hiking on the trip to Gladstone.

Mr. and Mrs. J. P. Mallongree and daughter, Joe Anna, who have been visiting at Chicago and Joliet, have returned to their home here.

Mr. and Mrs. Henry Robinson will leave today on a buying trip to Milwaukee.

The Misses Frances Herie, Alice Cameron, Madeline Vander weghe, Alice Caron and Catherine Call hiked to Groos Sunday where they enjoyed a picnic dinner. They returned later in the afternoon.

Mr. and Mrs. Roy Eagle and Mrs. Fred Smyth motored to Brampton Sunday and spent the day there.

Mr. and Mrs. William Bouchard and son, Lawrence, and daughter, Florence, motored to Hermansville Sunday where they spent the day with relatives.

Joseph Darion, who has been at Detroit for some time, has returned to his home here.

Mr. and Mrs. Robert Davis left Saturday night for a visit at Minneapolis.

Mrs. W. Galbraith has gone to Minneapolis where she will visit relatives and friends.

T. N. Fraser of Sault Ste. Marie, Mich., is the guest of his son-in-law and daughter, the Rev. and Mrs. H. W. Colenso.

MAY HOLD FUNERAL WEDNESDAY

No definite arrangements have been made for the funeral of Mrs. Mary Powell, Gladstone's oldest resident, who passed away Friday, pending the arrival of Mrs. Powell's sons from the west.

Tentative plans have been made however, for services Wednesday morning at 9 o'clock at All Saints' Catholic church, with the Rev. Father Sebastian Maier officiating.

Definite arrangements for the funeral will be announced tomorrow.

Sell It the Classified Way.

Kellogg's Bran did more in two weeks than medicine taken in 20 years

Out of regard for your own health, read this letter:

Gentlemen:

Your "Krumbed Bran," used by me as a cereal, has done more for me in two weeks than the hundreds of dollars' worth of medicine I have taken in last twenty years for constipation. It is wonderful, and it is so simple.

Yours truly,
Arlington H. Carman,
Patsburg, N. Y.

Mr. Carman's experience has been duplicated in thousands of homes. Why does Kellogg's Bran succeed when drugs and pills fail? The answer is simple. Drugs have an unnatural effect upon the bowels. They irritate the intestines. The more they are used, the more one has to use. Finally, they have no effect at all.

Kellogg's Bran STIMULATES the intestines. It cleans, sweeps and purifies them. It acts exactly as nature acts. And it is never necessary to increase the amount eaten. If eaten regularly, Kellogg's Bran is guaranteed to bring permanent relief to the most chronic cases of constipation or your grocer returns your money. Kellogg's Bran is ALL bran. Nothing but ALL bran can be so effective. That is why doctors recommend Kellogg's.

The wonderful, nut-like flavor of Kellogg's Bran is exclusive. It is delicious—totally unlike ordinary bran. Eat two tablespoonfuls daily—in chronic cases, with every meal. Eat it with milk or cream and in the recipe on every package. Kellogg's Bran, cooked and krumbed, is made in Battle Creek. Sold by all grocers.

Saints and Esky Hi Book Return

Yard Chart Shows Esky Superior to State Line Eleven

Analysis of the yardage traveled by the ball in Saturday's game between Escanaba and Menominee high schools gives some illuminating figures.

Escanaba carried the ball on 51 plays, exclusive of punts, for a total gain of 189 yards, with 21 yards lost. Menominee carried the ball on 66 occasions, gained 96 yards and lost 33 yards. Escanaba punted 15 times for a total of 546 yards; Menominee punted 17 times for a total of 585 yards. On returning punts, the Escanaba backs totalled 240 yards while Menominee ran back Escanaba punts for a total of 135 yards.

Captain Mielche carried the ball 22 times, gaining a total of 133 yards, in addition to his 88-yard touchdown run on a Menominee punt.

Menominee started 11 forward passes, of which 6 were incomplete, 2 were complete and 3 were intercepted by Escanaba. Escanaba started five passes, all of which were incomplete.

In the last period, during which an Esky fumble gave Menominee the ball on the Escanaba 11-yard line, Menominee advanced the ball 3 yards and was thrown for losses aggregating 6 yards, which demonstrates what a little "break" will do sometimes in a football game.

Each team made seven first downs.

KEET MEAT SCRAPS
Never throw away any bones or meat scraps left from the roast. Put in cold water and cook for foundation for vegetable soup.

Aurora Asks Dates on Grand Circuit

(By The Associated Press.)
Cleveland, O., Oct. 20.—W. H. Kinnan, secretary of the Grand Circuit Harness Horse Racing today received a telegram from Clifford R. Trimble, secretary and manager of the Central States Exposition, Aurora, Ill., asking if their application for a date in the 1924 racing would be considered.

The Aurora track, 35 miles southwest of Chicago, is said to be one of the best mile rings in the country and the dates asked for would fill in between the Kalamazoo, Mich., and the second North Randall meetings. Those two weeks were held the past season by the Devonshire, Ont., track.

YOST SCOUTING IS UNAVAILING

(By The Associated Press.)
Chicago, Oct. 20.—The old custom of "scouting" the football games of future opponents, now developed into a recognized system along "Big Ten" conference coaches, received a staggering blow in the Michigan-Illinois upset last Saturday.

It was generally known that Coach "Hurry Up" Yost of Michigan was a spectator at the previous Illinois games against Nebraska and Butler to study the Illinois style of play and formations. To win the Nebraska game, Coach Zuppke of Illinois was forced to disclose enough of his running pass system so that Yost could become familiar with the part "Red" Grange took.

Not so many years ago visiting scouts, composed chiefly of assistant coaches or enthusiastic alumni, quietly bought tickets for side line seats and depended on memory to secure diagrams of opponents' plays.

Now the press box is full of "Buffalo Bills" with huge drawing books spread out on tables designed for working newspaper men and telegraphers. In the western conference, at least, each coach on request and often without, sends two press tickets to each other coach with whom future games are scheduled. By Monday night the freshmen "and scrubs are using so-called "opponent" plays for the varsity to solve.

Despite these painstaking details, Michigan was unable to "solve Grange." Study of Illinois formations proved of no help in stopping the red haired comet when he scooped up the first kick-off and ran 90 yards to a touchdown. He was equally elusive in his three other long runs for touchdowns from formation.

PREP ELEVENS MEET NOV. 15

Proceeds of Contest Will Go to Athletic Field Fund.

The Escanaba high school football and St. Joseph's parochial high will meet on Nov. 15, at South Park, in a contest which will decide the city prep school championship. All of the proceeds will go to the school athletic field fund.

Arrangements for the contest were completed yesterday by the Rev. Fr. Bertrand, of St. Joseph's parish, and R. E. Cheney, principal of the Escanaba high school. It will be the final battle of the season for both teams.

The Saints and the Hill Toppers played a scoreless tie the first game of the season. It was hard-fought battle with honors about even.

Since that time, both teams have been highly successful. St. Joseph's has defeated Munting and Stephenson. Escanaba high has won from Newberry, Gladstone, Marquette and Menominee. The aggregations "dope" to be as evenly matched as they were when the curtain rose on the football season.

Biggest of the team have been almost unanimous in their demand for a return battle. School officials, on both sides, it was said, do not ordinarily look with favor upon post-season games, but when it was realized that a large sum could be realized for the athletic field fund, it was decided to arrange the contest.

For local interest it will be far and away the biggest game of the year.

Aggies Get "Razz" for Showing Made Against Chicago Y

(By The Associated Press.)
East Lansing, Mich., Oct. 20.—Michigan Aggies football men heard a lot of things said about themselves when they reported for practice today.

Coach Ralph Young was far from pleased with the showing his squad made Saturday. Despite the fact that the Aggies won by more than a comfortable margin, their playing, much of the time, was ragged and erratic.

Coach Taylor returned from Evanston, where he scouted Northwestern in the game with Purdue Saturday.

Northwestern, although defeated by the Boiler-makers in its first conference game, is much improved over the Northwestern of the last few years, Taylor believes. He told the Aggies that if they expect to finish their season with only one loss marked against them they must work hard for the Northwestern game.

Large Offer for Epinard Refused; Racer to Retire

(By The Associated Press.)
New York, Oct. 20.—After disclosing refusal of a \$390,000 offer for Epinard, a price which sets a new record in thoroughbred values, Pierre Wertheimer announced today that his famous French horse had run his last race and would be retired to the stud.

M. Wertheimer did not reveal the name of the bidder for Epinard, but it was said to be a prominent American turf man who believes that the French crack, in spite of four straight defeats in this country, is one of the greatest thoroughbreds of all time.

Epinard came out of his last race at Laurel, Md., last Saturday with a quarter crack in one of his front feet. The injury, which occurred during the race resulted in the horse's finishing fifth in a field of seven and prompted the decision of M. Wertheimer to retire his star from further competition. The injury he said today, was more serious than at first believed and would preclude any further racing by Epinard here or abroad.

Epinard will be shipped back to France aboard the Berengaria in November, according to M. Wertheimer, who plans himself to depart next Wednesday on the Paris.

Stewart Warner Earnings Higher

(By The Associated Press.)
New York, Oct. 20.—With the declaration of the regular quarterly dividend of \$1.25 on the common shares of the Stewart Warner Speed Motor Corporation today, it was announced that the company's earnings in the third quarter were equivalent to \$1.37 a share, compared with \$1.08 a share in the preceding quarter and \$3.39 a share in the corresponding period of 1923.

Smith Outpoints Britton of Kansas

(By The Associated Press.)
Indianapolis, Ind., Oct. 20.—Jeff Smith, middleweight boxer of Bayonne, N. J., outpointed Billy Britton of Kansas in a 10-round bout here tonight in the opinion of newspaper men. The bout was marked by much clinching with Smith excelling at the infighting.

Chicago Boxer Is Defeated by Stoy

(By The Associated Press.)
Toledo, O., Oct. 20.—Rosy Stoy, of Lancaster, Pa., decisively defeated Ernie Gooseman, Chicago, in a 12-round bout here tonight, according to newspaper men. They weighed in at 123.

(By The Associated Press.)
Detroit, Oct. 20.—Sid Barbarian, of Detroit, was given the judges' decision over Nate Goldman, Philadelphia, lightweight, in a slow 10-round bout here tonight.

Compulsory Public School Education Flayed by Blakely

(By The Associated Press.)
Philadelphia, Oct. 20.—Delegates to the convention of the International Federation of Catholic Alumnae were told tonight by the Reverend Paul Blakely that tendencies toward compulsory public school education in the United States were pointing the way to "pure Caesarism and state absolutism."

He denounced as "un-American" the Oregon public school law and criticized the Sterling-Reed bill, which would create a federal department of education.

"If a proper relation to the truth can be brought home to our people," said the speaker, "the Sterling-Reed bill is dead. Introduced in October 1918, but subjected to many amendments since that time, the bill still retains the features which from the beginning made it objectionable to all who believe that the local school should remain under the exclusive control of the local school authorities."

Referring to the Oregon school law, Father Blakely said: "This law is based on the supposition, unheard of in this country until recent years, but very common in ancient and modern tyrannies, that the state does not exist for the benefit of the state. It follows that the child does not really belong to those who brought him into the world, but to the state. Thus every human activity would ultimately be subjected to this control."

KU KLUX ISSUE MAKES INDIANA BATTLE CENTER

State Is Regarded as Safe For Coolidge, Says Lawrence.

BY DAVID LAWRENCE

(Copyright 1924, by the Escanaba Press.)
Indianapolis, Oct. 20.—President Coolidge has the lead in Indiana but the complications over the state ticket are giving the democrats hope that on election day the resentment of the voters on local issues will be so strong that many of them will take no chances of a scratched ballot and will vote the straight democratic ticket.

Even the republicans admit that is a danger and just now the friction between the national republican leaders working for Coolidge and the state republican managers campaigning for Ed Jackson, the Klan-endorsed candidate for governor, is so manifest that it will take considerable ironing out before Indiana's political behavior can be finally assessed.

The democrats have made a strong anti-Klan fight. They have gone further than ever before to get the negro vote and there are some signs that they will get it in large quantities. They have corralled others who are the victims of attack by the Klan. One cannot underestimate the bitterness of feeling which the Klan controversy has provoked.

Ed Jackson was secretary of state when the Klan charter was issued. He is said to argue he was not in the capitol on the day when the charter was given but he has made no public statement about it. The general impression which he has not refuted is that he is identified with the Klan.

The friends of President Coolidge like Joseph Keating, republican national committeeman, have for some time been disturbed about the possible damage

that might be done the national ticket through the local fight. Their tactics have been to keep hands off. The republican state chairman, Clyde Walb, for instance, in a public statement criticized "certain republicans" for failing to give the state ticket their support.

Some Are Inactive.
"The one regrettable feature up to this time, is the fact that certain republicans who in the past have enjoyed favor at the hands of the party and who probably will expect to do so again, are not taking an active part in the campaign."

"Some of them are doing nothing for the national or state tickets. Others are strong for Coolidge but are perfectly quiescent when it comes to the state and local tickets, thinking in some way that their failure to do anything for the state and local tickets will help the national ticket. How they reach this conclusion is more than I know. So while I feel certain of success on election day, on all our tickets, I regret that this success unless conditions change will be attained without the aid of certain men who might have given assistance. An extensive speaking campaign will be started immediately and every city, town and hamlet will be covered."

Referred to New?
It is generally supposed he meant the Harry New faction. There have been speakers in the state for the national ticket but they usually avoid anything more than a passing reference to the state ticket. The state managers now have reached a point in which they seriously believe the chances of Coolidge will be affected unless they get the whole-hearted cooperation of the national republican organization. Some of the latter, however, think it is safer to keep hands off so as to get both pro-Klan and anti-Klan support.

For President Coolidge himself has thus far been kept aloof from the Klan controversy. Virtually the same situation exists here as in Colorado where the sentiment for Coolidge is not in any way related to the local controversy over the Klan. The effect of the scratching of ballots especially on voting machines is already being discussed for the voter with a grievance will wish to make

sure that he has voted correctly on that irrespective of anything else.

La Follette to Run Well.
Were it not for the state controversy President Coolidge would carry Indiana by 100,000. If he wins the state it will be by perhaps half that figure which may be called close since the days of woman suffrage and large registrations.

The La Follette strength in Indiana is not inconsiderable. Railroad labor and radicals and some farmers are going over to the third party ticket. Opinions vary as to whether this vote is coming in larger numbers from the democratic than the republican party but in the cities to be sure, the democrats will contribute more to La Follette than in the country districts. The controversy over the state ticket has driven some of the independent voters to the LaFollette standard and altogether Indiana is much more difficult to analyze this year than it was four or eight years ago.

To summarize, the most that can be said of Indiana at this time is that if the election were held tomorrow President Coolidge would carry it. The democrats, stimulated by the recent visit of John W. Davis, are by no means inclined to concede Indiana. Mr. Davis put heart into the organization and made a good impression with his speeches.

Hughes Opened Drive.
The republicans thought enough of Indiana to send Secretary of State Hughes here and they are sparing no effort. They act as if they think they ought to win the state for Coolidge but they are by no means cocksure. The president has the advantage at present and barring unforeseen developments in the controversy over the state ticket, whereby the national ticket becomes involved in the Klan fight, Indiana may be counted ultimately for Coolidge.

ALL FAITHS IN OPPOSITION TO AMENDMENT

Widespread Demand for Religious Education Is Reflected.

Unanimous opposition of Detroit ministers of all faiths to the proposed School Amendment, which aims to abolish private and church schools in Michigan, is revealed in a survey just completed by the Michigan Association of Private and Church Committees. The Rev. Chester B. Emerson, pastor of the North Woodward Congregational Church, sounded the note echoed by his contemporaries when he said, "We have always reserved the right to train children to their parents, and to put them into what schools they choose. There is no reason why we should change that liberty. I am sure the best argument against the amendment," he said, "is that it is out of consonance with American traditions and with the kind of spirit America must maintain in the future."

"Why am I opposed to it?" rejoins the Rev. Harry Midworth, rector of the Church of Our Saviour (Episcopal). "Because the amendment, if adopted, would not be conducive to the best interests of the public. While the publicly supported schools may be perfectly satisfactory, there would be no redress in case of dissatisfaction. I am a lover of freedom and claim the right to exercise that freedom in the education of my children."

Need More Religion.
The Rev. Andrew S. Gill, of St. Matthias Episcopal church, claims, "What we want and need is more religious education, not less," and he asks, "Does not the proposed amendment involve a form of state tyranny?" And, "Will the state next be telling us which of our children may be doctors, which lawyers, which merchants, etc.?"

The Rev. Henry Veaudin, of the First Christian Reformed church, charges that the amendment opens the way for the state to invade the domain of the church and the home and that it proposes to compel parents to give all children an education which must of necessity be void of all positive religious and ethical training.

The Rev. William L. Torrance, St. Andrew's Memorial church, holds that the amendment is inimical to education and a violation of American principles.

The Rev. George Lahe, Epiphany Episcopal church, says, "I

am against any such shortsighted, ill-digested, illogical attempt to impose unwelcome theories on the body public."

Mean Heavier Taxes.
The Rev. Ludwig Havel, of Holy Trinity Lutheran church, claims that "the passage of the amendment would mean bigger school taxes for all." Besides, he says, "It could close schools that pay particular attention to education of the heart of the child."

The Rev. Philip L. Schenk, of Christ church, Dearborn, states, "I am against the nationalization of children, which this amendment implies. Besides, the amendment would close institutions that maintain high standards and are of inestimable value in the mental and moral training of our youth."

"If liberty means freedom to worship God according to one's conscience, it also means freedom to have children taught how and whom to worship," says the Rev. Harold Snarrt, St. Barnabas Episcopal church.

Parents Must Decide.
The Rev. H. T. Weber, of St. Mathews English Lutheran church, argues, "Parents have a right to say whether their children shall be taught religion or not and what form of religion they shall be taught; and inasmuch as the state is in no position to supply religious education in a form which would be satisfactory to all, it is necessary that church schools and independent schools should be allowed to do so."

The Rev. Lynn Harold Hough, Central Methodist Episcopal church, asserts, "No group should be deprived of rights which are inherent in citizenship in our United States" and that, therefore, he is opposed to the School Amendment.

Other clergymen, who have voiced their opposition to the amendment are the Rev. Galus Glen Atkins, First Congregational church; Dr. Russell H. Bready, West Grand Boulevard Methodist church; the Rev. S. S. Marquis, St. Joseph Episcopal church; the Rev. Minot C. Morgan, Fort Street Presbyterian church; the Rev. Herman Page, Episcopal Bishop; the Rev. Morton C. Pearson, executive secretary, Detroit Council of Churches; the Rev. Augustus P. Record, First Unitarian church; the Rev. Henry J. Veldman, First Reformed church, and others.

Football Men Guests of Kiwanis Club at Weekly Luncheon

Coaches Thompson and Shrank and members of the high school football team were guests, yesterday, of the Kiwanis club at its regular weekly luncheon. There were short addresses by Coach Thompson, Captain Mielche, Edward Curran, John Vandenberg, Jack Berrigan and other members of the squad, and a talk about the Illinois-Michigan game by Torval E. Strom. Mrs. L. A. Erickson appeared before the club to urge that all members attend the luncheon to be given Wednesday in honor of Mrs. Jane Deeter Rippin, of New York, national scout director, and Director McDougough, who is producing the operetta, "The Blue Bandits," for the American Legion, sang one of the songs from the play.

COMMITTEES MAKE REPORT

Rotary Session Given Over To Public Movements

Special committees of the Escanaba Rotary club took up the entire session of the club in reporting progress made by them in different projects undertaken for the good of Escanaba.

The special committee named to arouse favorable interest for the establishment of a system of county parts, of which George M. Mashek was chairman, was able to report that the movement had met the hearty endorsement of members of the county board of supervisors and at the meeting last week action was taken providing for an annual appropriation of approximately \$5,000 to be devoted to the work.

Members of the special committee, named to investigate the possibility of again bringing to life a movement inaugurated last spring by the Escanaba Trades and Labor Council to engage a director of athletics for the city at large and to also learn the status of a movement undertaken a year ago to provide an athletic stadium for the city, reported to the meeting yesterday that both matters were receiving attention and a formal report will be made at an early meeting. Supt. W. E. Oids, of the Escanaba public schools, is chairman of that committee.

Will Make Survey.
A special committee, composed of E. C. Voght, John A. Semer and George G. Geniesse, named to lead a movement for the making of a survey to determine whether or not it would be to the best interests of the people at large residing on Little Bay de Noc to introduce a bill at the next session of the legislature closing the bay to net fishing, reported yesterday that both the Escanaba Chamber of Commerce and the Delta county board of supervisors had been interested in the movement and the making of the necessary survey for the project is now believed to be assured.

HEADACHE GONE - TIRED NO MORE

Gives Credit to Lydia E. Pinkham's Vegetable Compound. Hopes Other Women Will Benefit by Her Experience

Skowhegan, Maine.—"I was sick most of the time and could not get around to do my work without being all tired out so I would have to lie down. One day when I was reading the paper I saw the Lydia E. Pinkham's Vegetable Compound advertisement and saw what it did for other women, so I thought I would try it. I have taken three bottles, and cannot begin to tell you what it has already done for me. I do all my work now and keep up the whole day long without lying down. I have no more headaches nor tired feelings. I hope every woman who takes the Vegetable Compound will get as much benefit out of it as I have."—Mrs. PENEY W. RICHARDSON, R. F. D. No. 2, Skowhegan, Maine.

You have just read how Lydia E. Pinkham's Vegetable Compound helped Mrs. Richardson. She gave it a trial after she saw what it had done for other women. For nearly fifty years Lydia E. Pinkham's Vegetable Compound has been doing good.

OBITUARY

ULRIC PETTIT.
The body of Ulric Pettit, American soldier who died in San Francisco Saturday, left that city on its way to Gladstone Sunday and will arrive there on the Soo line Thursday morning. It will be brought to the Allu Funeral Home and returned later in the day to the home of Mrs. Lewis Weggardner, 1024 Michigan avenue. Funeral services, which will be held in All Saints church, Gladstone, Saturday morning, will be of a military nature. Burial will be in Fernwood cemetery.

POWELL FUNERAL.
The funeral of Mrs. Mary Powell, of Gladstone, will be held in All Saints church Wednesday morning. William Powell of Bay City, Albert Powell of Cheney, Wash., and Andrew Powell of Spokane, are enroute to Gladstone to attend the services. Burial will be in Fernwood cemetery.

MRS DEWEY MENARY.
The funeral of Mrs. Dewey Menary, who died yesterday morning, will be taken from the Allu Funeral Home Wednesday morning to Manistique, where the funeral will be held Thursday. Mrs. Menary's home was in Gladstone. Death followed a lingering illness.

THOMAS O'BRIEN.
The funeral of Thomas O'Brien was held at the Well's church Sunday afternoon at 2:30 o'clock. The Rev. R. C. G. Williams of the First Methodist church officiating. Messrs Strahl, Bergdoll, Pease, Vardigan, Goodenough and Pintler were pall bearers. Burial took place in Lakeview cemetery here.

Season Tickets for Lyceum Course on Sale Saturday

Season tickets for the annual lyceum course of the Community Educational Bureau will be placed on sale at the Office Service Company's show rooms, 815 Ludington street, Saturday morning. The tickets are being offered, by mail, to those who held them last year and the patrons are urged to mail checks, immediately to Dr. G. A. Cotton, manager of the course, so that they may reserve their seats at once.

INGROWN NAIL

Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost overnight. "Outgro" is a harmless antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions. Adv.

CHANDLER NEWS.

Mr. and Mrs. George Verhagen are the happy parents of a baby girl. Clara DeGrand from Escanaba spent the week-end with her parents Mr. and Mrs. Frank DeGrand. Edmond Morin from Iron Mountain motored to Chandler last Saturday. Mr. and Mrs. Nap. Gundion and family from Chandler are moving to Iron Mountain. Mrs. Doe and family are moving to Escanaba for the winter months.

Mr. and Mrs. Harvey Dahn and Mrs. Larosse and daughter Julia were callers on Mr. and Mrs. Geo Verhagen. Mrs. Martin Delvank is improving. Mr. and Mrs. Frank Salm were visiting at Verhagen's.

Mrs. Carl Richter and daughter, and Miss Adel Richter from Escanaba were visiting for a few days with Mrs. Schire at Chandler.

Mr. and Mrs. Frank Hannon and family, will be moving at Hendrick's in the near future. Everybody in the neighborhood are near finished digging their potatoes, which is a failure crop this year, on account of all the rain and cold weather. Miss Pearl LaCross closed school every Friday at two o'clock, in order that she can get home.

Mr. and Mrs. Albert Ford were shopping in Escanaba Saturday. Joe Jolley finished thrashing and is out baling hay now.

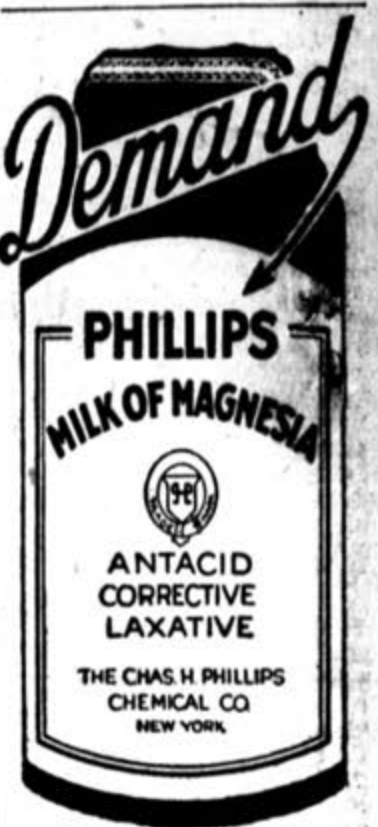

Rev. Father Geyet of Flat Rock was in Chandler Friday, to conduct the Catholic classes. All girls and boys ranging in ages from seven to sixteen are requested to be present at the Flat Rock church Sunday afternoon at two o'clock.

Frank Sarasin and "Ted" Lindstrom of Escanaba were callers here Wednesday evening. William Guindon returned to

his home after a visit to Iron Mountain.

NOTICE.
Anyone having accounts against the undersigned, please call in person at my home, 222 South 8th street. Signed: 2182-295-1t Jas. Pelot.

TO CLEAN FURNITURE
To clean carved furniture try this: Dip a good-sized round bristle paint brush in kerosene and hang in the open air until it seems perfectly dry. Then use it for dusting.

Accept only "Phillips" the original Milk of Magnesia prescribed by physicians for 50 years. Protect your doctor and yourself by avoiding imitations of the genuine "Phillips." 25-cent bottles, also 50-cent bottles, contain directions—any drug store. Adv.

SPECIAL ANNIVERSARY

Millinery Display

In a special message—Mrs. Luery—who has spent a week in Chicago—in quest of the newest in Millinery Mode—announces that through a very fortunate deal she came into possession of big line of newest Pattern Hats—at considerably under regular prices.

Hats came in by express yesterday

—and will be on sale today. Choice of lot

Hats in lot originally made up to sell at \$5.00 to \$10.00 more.

Mrs. Luery will personally be in our Millinery Department all day today—and extends a cordial invitation to friends and customers to avail themselves of this opportunity to see the newest millinery style creators have to offer.
