

SUPREME COURT GETS DRAINAGE FIGHT

Transfer Of Prohibition Unit Is Recommended

LETTER SENT TO ATTORNEY GENERAL STONE BY SENIOR CIRCUIT JUDGES, REPORT

THINK DEPARTMENT OF JUSTICE IS LOGICAL HEAD.

(By The Associated Press.) Washington, Nov. 26.—Bodily transfer of the prohibition unit from the treasury department to the department of justice is among the recommendations adopted by the judicial conference of senior circuit judges, it became known today when Chief Justice Taft as chairman of the conference, addressed a letter to Attorney General Stone...

REV. SHEATSLEY STILL BELIEVES SUICIDE THEORY

Will Change View Willingly If Proof Is Given, He Says.

(By The Associated Press.) Columbus, O., Nov. 26.—Standing in the doorway of Christ Evangelical Lutheran Church parsonage late today, the Rev. C. V. Sheatsley, husband of Addie Sheatsley, Bexley furnace victim, said: "I would rather believe she was murdered—foul as the deed may be—rather than to believe she took her own life, but until such evidence has been definitely established, I will think she took her own life."

1000 BARRELS WENT UP IN SMOKE

A thousand barrels, worth \$10 apiece, went up in smoke while federal prohibition agents in Chicago stood by directing the work of destruction. But all were empty. Their contents previously had been poured into the sewer. The barrels were seized in raids on breweries and "bling pigs."

BOTH SIDES OF CASE ARE LAID BEFORE JURORS

Trio Planned To Divide Over Million Dollars, Prosecutor Says.

(By The Associated Press.) Chicago, Nov. 26.—Outlines of the testimony for prosecution and defense were laid before the jury today in the trial of Charles R. Forbes, of Seattle, and John W. Thompson of St. Louis, charged with defrauding the government in the awarding of contracts for veterans' bureau hospitals in 1922.

LIMITATION OF WITHDRAWAL OF WATER FROM LAKE ASKED IN BRIEF FILED YESTERDAY

STEEL SHARES SHOOT UPWARD TO NEW HIGHS

GOVERNMENT WORK IN CONJUNCTION WITH STATES.

(By The Associated Press.) Washington, Nov. 26.—Attorney General Stone filed in the supreme court today a brief of more than 300 pages setting forth the government's insistence that the Chicago sanitary district be restricted to withdrawal of 4.17 cubic feet of water per second from Lake Michigan, for diversion through the Chicago and Calumet rivers in the removal of sewage. It expresses willingness, however, to agree to a temporary arrangement for Chicago's relief pending action by congress on a permanent relief program.

(By The Associated Press.) New York, Nov. 26.—A spirited rally in steel shares infused fresh strength into a flagging stock market today and prices again shot forward to new high levels. Scores of prominent industrial issues were bid up from one to five points and when adjournment was taken for the Thanksgiving recess the average price of this group stood at the highest point in several years. Total sales exceeded 2,000,000 shares for the eleventh time since election day.

(By The Associated Press.) United States Steel common led the upward swing in steel stocks, which quickly spread to the rest of the market, halting general liquidation which had broken out in the early trading and galvanizing the entire lot into renewed activity. The premier industrial issue sold at 119 1/2, the highest price in seven years, before falling back at the close to 118 3/4 where it still maintained a net gain of almost a point.

Ex-Premier Urges Students to Return Quietly to Schools

(By The Associated Press.) Cairo, Nov. 26.—Former Premier Zagloul's last words before departing for the pyramids today were an exhortation to the striking students to return to the schools and remain calm. The former premier was the recipient of an ovation from the students and other citizens.

What To Do With Ships Question, Secretary States

(By The Associated Press.) Washington, Nov. 26.—Secretary Wilbur said today that the only definite decision made so far with respect to the future employment of the navy air cruiser Shenandoah or the "Peace ship" Los Angeles, was that the Shenandoah would go with the fleet to Hawaii to participate in the maneuvers in that area next year.

Northwestern Road Planning To Rebuild Reiss Coal Dock; Cost May Reach Half Million

More than a half million dollars will be expended by the Chicago & North-Western in the work of remodeling and rebuilding the "Reiss Coal Dock," which was badly damaged by the disastrous water-front fire of Oct. 23, according to advices received here from Duluth yesterday.

Reapportionment of Funds To Elevate Batteries On Older Battleships Is Recommended

(By The Associated Press.) Washington, Nov. 26.—Reapportionment of the funds made available by the 67th congress for elevating the main batteries of the older battleships of the United States fleet was urged recommended today by Admiral R. E. Eberle, chief of naval operations, in his annual report to Secretary Wilbur.

Indianapolis Men Pay High for Trip

(By The Associated Press.) Marquette, Mich., Nov. 26.—After paying \$300 for railroad fare, \$200 for non-resident hunting licenses, \$75 for camp supplies and \$40 for transportation from Wichee Lake to their hunting lodge, five Indianapolis, Ind., deer hunters—Dr. E. C. Ray, Houston H. Craig, Clifton Cass, O. F. Hart and Reed Glover—arrived by Deputy State Game Warden E. F. Sanberg and County Warden Ed Farm, paid fines and costs of \$420 and lost two guns, valued at \$105. They were arraigned before Judge William Verran, of Negaunee on charges of killing and having in unlawful possession portions of two fawn deer.

English Novelist Hurt in Accident

(By The Associated Press.) Alkops, S. C., Nov. 26.—Sir Gilbert Parker of London, the novelist, suffered severe injuries late today when he was struck and knocked to the ground by an automobile on one of the principal business streets of the city.

(By The Associated Press.) Detroit, Nov. 26.—Harry Hill, alleged hi-jacker, bootlegger, bank robber and slayer, man of mystery, long sought by police in several states, and whose capture was effected in Chicago late yesterday, will be brought to this city, Friday, providing he waives extradition according to a telegram received by police here today. Hill is wanted here on a charge of the actual slaying of Alex Dombrowski, a Gibraltar Mich., farmer, for which crime Leo Sauerman is now serving a life sentence in Marquette prison. Dombrowski was killed while resisting hi-jackers January 24, 1922.

Members of the pastor's congregation greeted the party and escorted them into the house. A few minutes later, the minister sent word to waiting newspaper correspondents that he would see them immediately.

They gathered on the porch and from the doorway of his study, Rev. Mr. Sheatsley answered their questions in a calm voice. He displayed no emotion.

The Rev. Mr. Sheatsley said that he and members of his family would appear before County Prosecutor John R. King, who is conducting an investigation into the mystery, at any time the latter may suggest.

The prosecutor last talked with the minister a week ago today when the Rev. Mr. Sheatsley told him he was of the conviction that his wife cast herself into the furnace after becoming violently insane.

A theory upon which investigators were said to have been working today was that the Rev. Mr. Sheatsley, while connected with an orphanage at Pittsburgh a number of years ago, had reprimanded a boy, who had threatened to "get him" was cast aside by the minister as trivial. He said he "had never reprimanded a boy while there as that was not part of his duty."

Another theory that the minister had created the enmity of a Hindu during a speech he made in Detroit a number of years ago, after his return from India, and that the foreigner had murdered Mrs. Sheatsley and thrust her body into the furnace for revenge, did not seem to impress the pastor.

He said he recalled the incident and admitted he had had an argument with the Hindu following the speech, but declared that "it was nothing serious."

During the interview the minister's little ten-year-old daughter, Alice, clung to his side. Sheatsley questioned.

Questioned as to the odors of a poisonous acid which the minister in previous testimony said he thought he noticed a few minutes before he discovered the body, he said: "As I was returning to my home from the grocery, when I came around the corner of the church, a gust of wind swooped down from the chimney and I thought I smelled carbolic acid. The next odor I noticed was that of burning flesh."

DETROIT POLICE WANT HILL ON MURDER CHARGE

Captive To Waive Extradition, Is Word Received

(By The Associated Press.) Detroit, Nov. 26.—Harry Hill, alleged hi-jacker, bootlegger, bank robber and slayer, man of mystery, long sought by police in several states, and whose capture was effected in Chicago late yesterday, will be brought to this city, Friday, providing he waives extradition according to a telegram received by police here today. Hill is wanted here on a charge of the actual slaying of Alex Dombrowski, a Gibraltar Mich., farmer, for which crime Leo Sauerman is now serving a life sentence in Marquette prison. Dombrowski was killed while resisting hi-jackers January 24, 1922.

The telegram received today was sent by Fred H. Hessler, inspector of the Michigan department of public safety. Hessler said he plans to leave Chicago with his prisoner Friday despite Hill's continued protestations of innocence.

To Resume Fight. With the return of Hill for trial in this city, it is expected the fight to obtain Sauerman's release from prison will be undertaken anew. Sauerman asserted at the time of his conviction and since that date, that he is the victim of mistaken identity. His sister, Mrs. Helen Bowman, has made many attempts without success to reopen the case but has failed due to the doubt as to the existence of Hill.

Dombrowski was shot down in the living room of his farm house, 4 1/2 miles, the star witness during the trial of Sauerman, and who identified him as one of the slayers, was slain several weeks ago by two men whom she had served with beer in the same room in which Alex was slain two years before.

Two Found Guilty of Violations of Dry Law by Jury

(By The Associated Press.) Detroit, Nov. 26.—Hans Havermann and Andrew Friedman, alleged proprietors of the National Products Brewery Company, here, were found guilty today by a jury in federal court of violating the federal prohibition act. Sentence was deferred until Friday.

An indictment against Albert Ross, tried with the other two men, was dismissed on grounds that he was not an active member of the brewery firm.

The three men were previously indicted and convicted in the so-called Hamtramck conspiracy case and sentenced to two years imprisonment each. Ross also was fined \$3,000 and Havermann \$2,000.

The government charged that the brewery company which was licensed to manufacture near-by by a de-alcoholizing neighbor, had "packaged" and prepared for delivery beer which had not been de-alcoholized.

Steamer Burned; Crew Is Rescued

(By The Associated Press.) Sault Ste. Marie, Mich., Nov. 26.—The steamer, J. C. Ford, was burned to the waters edge at Little Trout Island near Detour today. According to reports here, the crew were rescued by a tug.

Farmer Is Killed by Train; Family Alters Its Plans

(By The Associated Press.) Mason, Mich., Nov. 26.—Plans for a joyful Thanksgiving Day family reunion were discarded and arrangements for a funeral substituted Wednesday night after John Snyder, 65, a farmer living five miles southwest of here, was killed by a train at the Michigan Central Railroad crossing here this afternoon. Mr. Snyder was returning to his home after buying provisions for the holiday feast when his automobile was struck by a passenger train and he was instantly killed. His mangled body was found with wreckage of the automobile several hundred feet from the scene of the crash.

Susan B. Anthony's Desk Loaned League

(By The Associated Press.) Washington, Nov. 26.—An old-fashioned roll-top oak desk used for many years by Susan B. Anthony and containing many documents and containing many correspondence scrolls with notes in handwriting has been loaned to the National League of Women Voters for display at its headquarters here by Mrs. Harriet Taylor Upton of Ohio, former vice chairman of the executive committee of the Republican national committee.

OBITUARY

MRS. M. H. RYAN.
 Word was received here yesterday of the sudden death in Chicago of Mrs. M. H. Ryan, aged 54, which occurred Tuesday. Mrs. Ryan, before her marriage, was Miss Mary Lacosse of this city and is well known in Escanaba. She is a graduate of St. Joe's high school and lived here until some time after her marriage when the family moved to Green Bay, then to Milwaukee and finally to Chicago. Mr. Ryan is an official of the Northwestern Line. The late Mrs. Ryan is survived by her husband and nine children. The funeral will be held Friday morning at 9:30 in Chicago.

FRED JOHNSON.
 Funeral services for the late Fred Johnson of Ford River were held yesterday afternoon at two o'clock from the home to Lake View cemetery. The Rev. Mr. Hanson of the Swedish Mission church officiated. The pallbearers were: J. P. Johnson, Andrew Englund, Ole Magnuson, Walter Sodermark, Albert Rudbeck and Walter Johnson. The late Mr. Johnson's popularity throughout the county was attested by the huge floral display in evidence at the home. Dr. Probst of Milwaukee was among the out of town persons to attend the last rites.

FINE CHOIR TO APPEAR DEC. 3

The Cathedral Choir, notable singing organization, which has been secured from the Redpath Bureau to come here as the third number of the local lyceum course at the High School Auditorium on the evening of Wednesday, December 3, expresses an ideal long striving for this bureau.

It has been Redpath's endeavor to offer to Lyceum audiences an idealized cathedral choir service, perfect in detail of costumes, and setting and sung by the highest type of choristers.

There has been no better music composed than that dedicated to be sung during services of divine worship. To bring out the full grandeur of sacred inspirational music was the purpose in organizing the Cathedral Choir. A double mixed quartet of splendid voices gives to the singing of this music a full-toned beauty which is tremendously impressive. Mrs. Thelma Marty Gilbert accompanies the choir upon piano or an especially constructed reed organ. Artistic lighting effects and choir vestments contribute greatly to the scene.

Another portion of the program is devoted to the rendition of a number of secular solos, duets, quartets and choruses of high order.

ST. FRANCIS HOSPITAL.
 Mrs. G. L. Brandstrom of Rapid River was admitted yesterday as a medical patient.

Mrs. Raino Macki of Rock is improving after an operation.

Col. Oliver Guest at His Home Here

Col. L. W. Oliver, of the United States Army, stationed at Fort Riley, Kas., arrived in Escanaba yesterday morning and will spend Thanksgiving with his mother, Mrs. J. F. Oliver and brother, C. B. Oliver.

Col. Oliver is the highest ranking officer in the United States army from the upper peninsula of Michigan and has a host of friends in the city of his birth, who will welcome the opportunity to renew acquaintance with him.

Hyde Park is now said to be London's busiest point as traffic tallies have recently been carefully made at the several traffic centers of the great metropolis. At Hyde Park on an average day more than 56,000 vehicles pass and by a succession of counts, this point has been given the distinction of being the busiest of all.

CITY TO BUILD TOBOGGAN SLIDE

At an informal meeting of the city council, yesterday, City Manager Fred R. Harris was authorized to proceed at once with the erection of a first class toboggan slide on the bay shore. The slide, according to the council's plan, will be in operation early in the winter and will be maintained for the enjoyment of young and old.

A site has not been selected definitely but it is understood it will be located on the bluff overlooking the Ludington Park beach, probably near the foot of South 5th avenue.

Councilman C. J. Burns, who was one of the city's delegates to the convention of the International Association of City Managers, held in Montreal recently and Mr. Harris, who also attended that gathering, were instructed, before they left the city, to get what practical ideas about toboggans from the Canadians. They returned with some definite plans, which have been approved by the council, and will be worked out, so that winter sport lovers may be certain that the slide will be a good one.

Encouragement of winter sport and recreation is one of the things in which members of the council are deeply interested, and this interest is shared by a large majority of the citizens of Escanaba.

White Marble Lime Company Gets New Production Chief

The Creditors' Committee of The White Marble Lime Company, announced yesterday that Mr. McFarland of the Charcoal Iron Co., who is regarded as an unusually high grade engineer in connection with fuel conservation, lime production, etc., has been employed to take charge of the production end of the lime and stone business of the White Marble Lime Co. The title of Mr. McFarland is to be acting manager.

The committee feels that it is to be congratulated upon getting a high grade man like Mr. McFarland to take hold of the production end of the affairs of the company, to put them in the best shape possible. It was able to get this man only because the Charcoal Iron Co. is not operating now.

RAYMOND TAKES PESHTIGO JOB

O. L. Raymond, of the Raymond Log Loader Company, has been awarded a contract for removing a large quantity of stone from the tall race of the Wisconsin Public Service Corporation's hydro-electric plant at Peshigo. Mr. Raymond who recently completed a similar contract for the Escanaba Paper Company at Dam No. 3, on the Escanaba River, is now engaged in moving his equipment to Peshigo and will begin active operations there within a few days.

QUIET HOLIDAY FOR ESCANABA

Thanksgiving services in many of the churches today, scores of family reunions and thousands of Thanksgiving dinners will mark Escanaba's quiet observance of the annual American autumn holiday.

The retail stores of the city, which remained open last night until 9 o'clock for the convenience of shoppers, will be closed throughout the day. So will the banks, the post office, and other public buildings and offices. Thanksgiving programs in many of the schools yesterday concluded their sessions. Schools will remain closed until next Monday morning.

There will be no edition of the Press tomorrow—Friday morning.

Among the morning church services will be that, at 10:30 o'clock in the First Baptist church, when the Methodist, Presbyterian and Baptist congregations, following their custom of many years, will unite. The Rev. John B. Hubbard of the First Presbyterian church will be the speaker of the day and a special collection for the Salvation Army will be received.

Loomis Is Taken to Marquette, Charge of Embezzlement

John Loomis, of this city, wanted in Marquette to face charges of embezzlement and for questioning regarding the Chatham postoffice robbery last April, was taken to Marquette yesterday by Sheriff Johnson of that city. Loomis was grided for several hours at the Delta county jail Tuesday night, but it is understood he gave no information which might connect him or his automobile with the Chatham robbery. Postal inspectors will continue the examination in Marquette, it was said.

New Time Card for Morning Trains Is Effective Monday

The following announcement, concerning changes on the time card of the Chicago & North-Western, was given out yesterday at the office of C. R. Henderson, local agent for the company:

Effective Monday, Dec. 1, passenger trains No. 10 and No. 221 will be restored to daily service.

Train No. 10, leaving Escanaba at 6:20 a. m. for Powers, will make connections with train for points west of Powers.

Train No. 221 will arrive here at 8:30 a. m. This restores connections at Powers with train from Chicago.

Train No. 214, effective Monday, Dec. 1, will leave here at 7:05 daily for Chicago.

THANKSGIVING

The American of Pilgrim days went to Thanksgiving service with a prayer book—and a gun. His life was one of handicaps and hardships. Yet with characteristic optimism and faith he set aside a day for thanksgiving which has survived for centuries as a great National holiday.

This year's Thanksgiving is attended by peace and prosperity. It has deep significance in the realization of the unusual good fortune for which every American has cause to be grateful.

TY OFFERING "FIRE" ADVICE

Merchants contemplating special holiday displays are offered the services of the city's electrical inspector in making safe for use, any electrical appliances calculated to increase the attractiveness of the shops and the merchandise.

Fire Chief Arvid Johnson and Inspector Jack Bauden have laid out a careful campaign of inspection which they hope will make the coming holiday season "fireless Christmas."

"Safety is possible without impairing in any way the effectiveness of the appeal which well disposed and properly lighted merchandise makes to the eye," Mr. Bauden emphasized, and his experience in these matters enable him to point out defects which sometimes creep into the plans which, in the past have created fire dangers and have tended to defeat the purpose of the exhibit.

"There is a right way that is safe and efficient; there's a wrong way that's dangerous," said Fire Chief Johnson yesterday.

"This department and Mr. Bauden's department want to cooperate with and assist any merchants who desire to arrange Christmas goods in a attractive manner but who are not certain how they can decrease the fire risk."

SOCIAL

Fancy Work Sale. Members of the Swedish Methodist church are holding their annual fancy work sale at the church parlors this evening beginning at eight o'clock. Some very pretty hand made articles will be offered for sale and they are very reasonably priced.

A lunch will be served in connection. The public is heartily welcome.

Surprise Party. Mrs. Charles Snyder was pleasantly surprised at her home 1021 So. 10th avenue by about sixty friends who had carefully planned the party without even a hint of the affair reaching her. When the friends arrived at the home her surprise was genuine. Five hundred and Bunco were the main diversions followed by a delicious lunch.

Prizes for Bunco were awarded to Miss Lucile Ferrow first, Miss Ruth Snyder, second. Five hundred, Ladies first prize, Mrs. John Rubens, second, Mrs. Thomas Duford and consolation, Miss Bertha Kjalberg, gentlemen's first prize, Thomas Duford and second prize, Joseph Brown.

Mrs. Snyder was presented with a handsome gift.

Marriage License. A marriage license was issued yesterday at the court house to James E. Donovan and Catherine Fleming, both of Escanaba.

Thanksgiving Program. The following program was given yesterday afternoon in St. Joseph's school:

Selection—Orchestra, Thanksgiving Song—Chorus. In 1620—The Freshmen, Caprice Bchemien—Dymna Messier, Keeping a Seat at the Benefit—Olga Pavlov, Violin Solo—Marvin Hirn, Wanted: A Male Cook—Junior Boys, Impromptuette—Catherine Semer, Proclamation of President Coolidge—Hazen Hengesh, Holy God, We Praise Thy Name—Chorus.

Ladies' Aid. The Ladies' Aid of the Swedish Mission church will hold a fancy work sale this evening at 7:30 o'clock at the church. Lunch will be served after the sale. The public is invited.

Rotary Party Friday. Invitations have been issued by the Escanaba Rotary club for a dancing party to be given at the Colliseum on Friday evening for the young people of Escanaba. Invitations have been confined strictly to the unmarried young people of the city and every effort is being exerted by the committee in charge to make the function one of the most enjoyable of the season in this city. Invitations have been issued to both young men and young women of the city and admission to the hall will be held strictly to those to whom invitations have been issued.

Priscilla Circle. The Priscilla Sewing Circle of the Norwegian Lutheran church will hold their regular meeting Friday evening at the home of Mrs. Casper Tison, 1010 Hartnett avenue.

Thanksgiving Party at Rink. The annual Thanksgiving skating party will be held at the Colliseum Roller Rink tonight, when a live pig and turkey will be given away. All will have an equal chance to capture these prizes. In the afternoon the regular skating program will be carried out.

Friday evening the first Rotary Invitational ball will be held at the rink. Last night's Railroad Trainmen ball was largely attended and a most enjoyable evening spent dancing to music furnished by the Municipal orchestra. The hall which had been newly decorated was very attractive.

Shower Held. A miscellaneous shower was held for Miss Katherine Fleming at the home of Mrs. Mary Kelly, 209 South 16th street, Saturday last at which 68 guests were present. Miss Fleming was the recipient of many charming gifts. Cards were played at which prizes were given to the winners and a luncheon was served.

Union Service to Be Held at 10:30 in Baptist Church

There will be union services of the Baptist church at 10:30 o'clock this morning. The Rev. John B. Hubbard of the First Presbyterian church will deliver the special Thanksgiving sermon. Special music will be provided by the First Baptist choir and the Thanksgiving prayer will be by the Rev. R. C. G. Williams of the First Methodist church. The Press was in error yesterday in stating that the service would be held in the Presbyterian church. It will take place in the Baptist church.

TURKEY TAKES SECOND PLACE

Washington, D. C. Nov. 26.—The Blackfoot Indians of the Glacier National Park Reservation have their own Thanksgiving season. It is coincident with the time of the year when the Pale Face shows his appreciation of the Great Spirit's bestowals by taking the gobble out of all turkeys that are picked for the nation's "platter offering."

The rejoicing little grobeak is the symbol of the Red Man's gratitude for being alive. But the Indians pay homage to this bird instead of eating it. They recognize the tiny grobeak as the greatest raptors of cheerfulness of all the Rocky Mountain region because they swarm to the timbered slopes of the mountains late in November just after the winter has transfigured Indian Summer grandeur into a bleak scene and the wolves begin to howl their mournful notes of tavage.

It is then that the pretty little grobeaks perch upon the topmost boughs of the bigges mountain evergreen trees and sing more merrily than all the rest of the birds do even when they chirp their welcome to the resurrection of vegetation in the springtime. The Indian ceremony in recognition of this most striking exhibition of Thanksgiving in all Bird-dom consists of a sort of a winter picnic in the woods where they listen philosophically to the amazing joyous chorus of the thousands of sweet singing grobeaks flitting from tree to tree in Nature's bleakest setting of the year.

Girl Scout Leaders Will Spend Holiday Week End in Camp

Girl Scout Leaders of the city will spend the Thanksgiving weekend in camp at Coleman Nee's cottage, south of the city. Camp activities will open at 5 o'clock this afternoon and will continue over the weekend. The program for the four days follows:

- Thursday. 5 p. m.—Colors. 7 to 9:30 campfire, ballads.
- Friday. 10 a. m.—Tenderfoot and Second Class work. 2 to 4 p. m.—First Class work. 4 to 5 p. m.—Nature Hike. Campfire: Camp Stunts, Songs and Folk Dancing.
- Saturday. GLADSTONE NEWS. SKELETON ROAD WILL BE REPAIRED

City street workmen will begin filling in the Skeleton road within the next week, if weather permits, leveling the road as much as possible and filling in the ruts wherever necessary.

The Skeleton road, as it is known, will be used as a detour next spring when construction of the concrete pavement to Kipling is continued. As much work as possible will be done before winter weather starts and in the spring the road will be given a suitable wearing course of cinders or gravel.

IMPROVEMENT IS MADE AT WATER PLANT

Work on the water works intake pipe job is going ahead rapidly, a member of the city administration said yesterday. Contractors are completing the cast iron suction line between the pumps and the 24 inch steel pipe now. This work will probably be finished by the end of the week. The work will be all completed then, ready for the final union with the wooden stave pipe off shore.

An improvement has been made by the city force in the lowering of a 400 gallon per minute centrifugal pump which has been of no practical use heretofore because it has been connected with the same suction line as the steam pumps. This pump has been lowered and an independent connection made with a six-inch cast iron pipe just ahead of the new cast iron suction line to the pumps and below water level. By this installation the centrifugal pump can be of service in times of emergency and will hereafter be of practical use to the city.

LEGION TEAM WORKS OUT FOR BASKETBALL

The Gladstone Legion will open its basketball season with one of the strongest Legion quintets in this neighborhood, according to the dope resulting from two preliminary workouts held by the Legion men trying out for the team.

The Legion has named Percy Cameron as business manager of the team. E. C. Dayton as coach and Walter VanderWeghe has been elected captain of the team. Practice will be held every Monday, Wednesday and Friday night. On Monday and Friday nights the team will work out with the coeperage mill quintet.

The Legion team will have a busy season ahead of it. Letters have already been received by Manager Cameron from Munising, Menominee, Manistique, Waupaca and Pellston, asking for games.

THE SPIRIT — Of — **THANKSGIVING DAY**

It lives forever. The years cannot age it. Brightening eyes, lightening hearts, gather in the home, and America rings with a captivating and mystic joyousness.

Doors are opened wide and friendliness and hospitality are extended on all sides. And so the rejoicing of our little band of Pilgrim Fathers has been carried through the years until today a great nation joins as one in offering thankfulness to the guiding powers for the wealth and prosperity that is hers.

HORN OF PLENTY.
Red Letter Days like Thanksgiving may lose some of their thrill and glamor as we grow older. But it's a comfort to know that there's always a rising generation to whom Thanksgiving is an event of importance not far behind Santa Claus.

Originally when the pioneers were wearing knee breeches and shooting turkeys with blunderbusses, Thanksgiving was a solemn occasion—a day for thanks that Providence had blessed with abundant crops to preserve them from starvation.

No longer are people grateful for necessities. Thanks are raised only if the horn of plenty disgorges luxuries. One reason is that, while we have business depressions, we no longer have, for contrast, hard times as they thought of hard times in 1873.

Largely it's a matter of thoughtlessness. If we pause to ponder our material prosperity, unprecedented in any other country or any previous civilization in mankind's long history, we realize that we have reasons galore for thanks.

SITTING PRETTY.
The city of Escanaba is now launched in what promises to prove one of the most prosperous winter seasons in the history of the city. The employment situation in Escanaba is now more favorable than in many years and the scale of wages prevailing is higher than for a number of years.

The construction of a new dock at this port by the North Western railway company, in addition to this city's regular seasonal activities, has given to Escanaba a peak of activity such as it has enjoyed in but few seasons of the past.

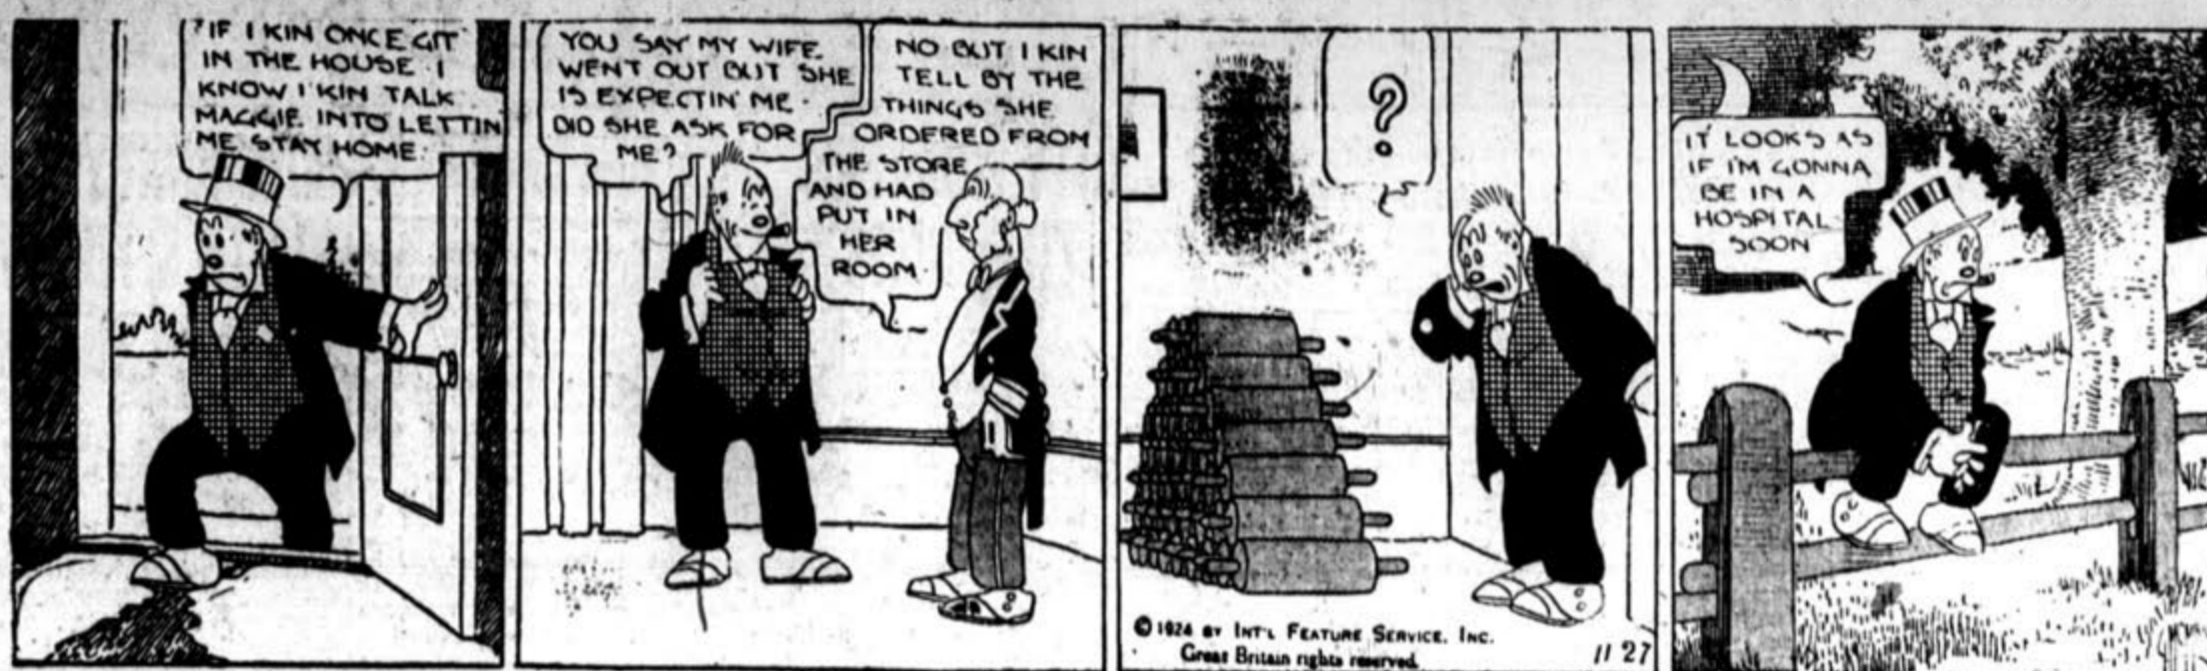

When the wheels begin to turn about Jan. 1 at the big plant of the Steele Wallace Corporation, all of the established plants in Escanaba will be in operation, and better than normal conditions restored at this point.

Every authority is now agreed that the entire nation is entering upon one of the most stupendous periods of prosperity in the history of the country and with better than normal conditions already restored in this city, Escanaba will be in position to take full advantage of any development which may accompany unusual national prosperity.

WATER WAY CERTAIN.
Members of the United States Great Lakes St. Lawrence Deep Waterway Commission are satisfied that developments of the present winter in the Canadian government will permit the presentation to the next congress of a bill that will make the proposed waterway a certainty.

It has been learned that eastern opposition to the proposed waterway is rapidly disappearing and is now being bolstered up only by minor political interests in New York state, fighting for the preservation of the Erie canal.
