

'GRANDMA' AND 'LOVER' ARE CONVICTED

CAPITAL FEELS INFLUENCE OF PROGRESSIVES

INSURGENT GROUP WINS POINTS IN CONGRESS. BY DAVID LAWRENCE

Washington, March 5.—A little group of progressives who assert themselves in both the democratic and republican parties in congress are succeeding little by little in influencing the course of the Coolidge administration.

It was President Roosevelt who drew a distinction between "good trusts and bad trusts" and it was a republican attorney-general George W. Wickersham, who started a long list of anti-trust suits so that there is ample precedent for the Coolidge administration in what it is doing today.

Commission Strengthened. But underlying it all is an impulse which comes from the political opponents of the administration who would have been bombarding the administration with resolutions galore and perhaps even more restrictive anti-trust legislation had the president and his cabinet failed to take the initiative in inquiring into the proposed mergers.

Combination Fever. In principle, the Coolidge administration favors keeping out of private business but in asking international bankers to bring their loans to the department of state to determine if there were objections in the public interest, a precedent was established which may be extended to other flotations of securities.

But a combination of two or more big corporations probably will not be attempted again unless inquiry at least is made in advance at the department of justice as to whether there will be any suit entered to restrain the merger.

The insurgent group in congress meanwhile looks on with critical eyes for the controversy over the alleged inactivity of the department of justice in the aluminum case brought out the fact that every step by the attorney-general in respect to big business combinations would be carefully scrutinized in the Capitol Hill.

2,501 Inmates at Jackson Prison

Jackson, Mar. 6.—(P)—The inmate population of the Michigan state prison was swelled to 2,501, an unprecedented high level, with the reception of 11 prisoners, it was learned at the institution today.

Briand's Eighth Ministry Resigns; Lasted 3 Months

Pola Negri May Marry Valentino

Los Angeles, Mar. 6.—(P)—The Los Angeles Times says that Pola Negri today announced a "trial betrothal" to Rudolph Valentino and will marry him at the end of four months if their love remains the same.

"I say he is the supreme man," the actress said. "Believe me, I have had experience enough with men. I am really a connoisseur of men. But this is my great love affair. I am eager to test it by separation, the supreme test."

LABOR DEP'T PLANS APPEAL

Decision on Cathcart Exclusion Case Is Criticized.

Washington, Mar. 5.—(P)—The department of labor has decided to recommend that an appeal be taken from the decision of Federal Judge Bondy, in New York, releasing the Countess of Cathcart from custody of immigration officials.

Assistant Secretary Husband declared the court's decision made it appear that for 19 years the immigration authorities had "misconstrued that provision of the law providing for the exclusion of aliens who admitted having committed a felony or other acts involving moral turpitude."

The countess was allowed to enter the United States under a court ruling, which held that the act complained of was committed in South Africa and that in that country it did not constitute a crime.

Committee on Immigration. In excluding considerable numbers of aliens from the United States, Mr. Husband said, "the authorities have proceeded upon the belief that in enacting the law congress intended that the United States standards, rather than the standards where the prescribed acts were committed, should determine whether an alien is admissible."

Commits Suicide to Evade Arrest

Racine, Wis., Mar. 6.—(P)—Confronted by a detective, Edward Brach, sought in connection with a bank robbery an hour previously, committed suicide this afternoon.

Brach, who operated a soft drink parlor, fired at Detective McEachern when the latter sought his arrest as a suspect.

HERRIOT WILL BE ASKED TO FORM CABINET

BRIAND LEAVES FOR LEAGUE MEETING AT GENEVA.

Paris, Mar. 6.—(P)—Aristide Briand's eighth ministry succumbed at dawn this morning to what the premier called "incompatibility of political temperaments" of the groups which since the success of the radical-socialist coalition in the election of 1924, have governed France.

That incompatibility which manifested itself particularly in financial question whenever the chamber was called upon to vote new taxes, was no secret, but the overthrow of the government was a surprise because one thing on which all the groups in the chamber had agreed was that there should be no cabinet crisis now.

To Call Herriot. President Doumergue will begin his consultation by a talk with former Premier Herriot while in Lyons and will resume his negotiations Sunday evening on his return to Elysee Palace.

Geneva, Mar. 6.—(P)—A bomb exploding in the corridors of the palace of the League of Nations could hardly have caused more excitement and dismay than the sudden downfall today of Aristide Briand's government in France on the eve of next week's international negotiations on which in a sense the very destiny of the league depends.

China, like Poland, Spain and Brazil, has requested election to a permanent seat on the council but going further than that, has officially filed a demand for such a seat.

Father of Victim Unable to Attend Trial of Scott

Chicago, Mar. 6.—(P)—The elderly father of the boy who Robert Scott is charged with murdering in a drug store holdup, will be unable to attend the trial because he is too poor to afford an absence from his work.

Chicago, Mar. 6.—(P)—Richard I. Zober, chief of police of Passaic, against whom a warrant, as yet unsecured, has been issued charging him with assault, was accused today of having been sentenced to prison in Germany for theft, by Albert Weisbord, organizer of the woolen and silk textile workers now on strike.

RICH ADMITS BEING DRUNK

Insists He Did Not Hit Louise; Says She Acquiesced.

Mason, Mich., Mar. 6.—(P)—A grueling cross-examination failed today to weaken Arthur C. Rich's story that he did not strike Louise King, the co-ed he is accused of attacking, that she was intoxicated, and that she acquiesced to rather than resisted his advances.

Examination Unfinished. The examination of Rich was started Friday, and was not completed when court adjourned today. He will resume Monday morning. The case is not expected to go to the jury before the middle of the week.

Admits Buvoine Whiskey. Rich said he bought a bottle of whiskey from a bell boy at the Post Tavern, but could not remember his name. This whiskey was poured into the wine on the night of the motor trip, Rich said.

10,000 MILL WORKERS ARE OUT OF WORK

STRIKERS AT PASSIAC CLASH WITH POLICE.

Passaic, N. J., Mar. 6.—(P)—Richard I. Zober, chief of police of Passaic, against whom a warrant, as yet unsecured, has been issued charging him with assault, was accused today of having been sentenced to prison in Germany for theft, by Albert Weisbord, organizer of the woolen and silk textile workers now on strike.

Police Chief Zober is under the care of a physician at his home. The warrants against him and two of his force were sworn out yesterday by Justice of the Peace Julian Katz, but five constables declined to serve them.

Plans for a drive to raise funds for the strikers and their families were announced at the mass meeting, Benjamin Gitlow, pardoned by Governor Smith from Sing Sing prison last December, while serving a term for criminal anarchy, told the workers a tag day had been organized in New York for Friday and Saturday of next week.

Police, Strikers Clash. Three clashes of police and strikers have occurred. In the two riots this week police dispersed the workers on street corners with tear gas bombs and fire hoses. Several were arrested and newspapermen and photographers were attacked by police at the scene.

Farm Leaders Expect Favorable Action on Farm Relief Measure

Washington, Mar. 6.—(P)—After a tempestuous day of activities in the offices of the house agriculture commission, farm relief advocates sent here from the Des Moines agricultural conference and members of the committee tonight found themselves in agreement that prospects had brightened for getting before congress a measure that will prove satisfactory.

Chairman Haugen of the committee, who at one time today denounced the legislative program outlined by the men representing the corn belt states as "not worth the paper it is written on," predicted after a series of conferences later in the day that the committee would be able to get together on a measure agreeable to the farming sections.

ROBBERS GET \$10,000 LOOT

Three Daylight Holdups Are Staged in Chicago.

Chicago, Mar. 6.—(P)—With police combing the city for the eight men who took the \$50,000 payroll of the International Harvester company, yesterday, nearly \$10,000 was obtained in three daylight robberies here today.

Within a few minutes police were called to the Ahlberg Bearing company where the paymaster was held up by two robbers and \$3,425 stolen. The third robbery was that of \$1,000 from the safe of a clothing store. Three men held up the proprietor and took the money which he said he had obtained to cash railway pay checks. All the robbers escaped.

WINN TO DIE FOR KILLING A. NUSBAUM

VICTIM'S WIDOW IS SENTENCED TO LIFE TERM.

Chicago, Mar. 6.—(P)—"Grandma" Eliza Nusbaum and John Walton Winn were found guilty by a jury tonight of the murder of Mrs. Nusbaum's husband, Albert. Winn's punishment was fixed at death and Mrs. Nusbaum's at life imprisonment.

"I'm sorry for mamma," he said sadly as they led him away. "I knew I was going to the coroner, but I was hoping they would let her go. She never was my sweet heart. She was the only mother I had since my own died when I was three years old."

Disposition of the case of the Martin woman, Stringham and Goff will not be made until after motion for a new trial for the principal defendants has been heard, state's attorney said.

Evidence in the trial pictured Winn as a roamer at the Nusbaum home who began to make love to "Grandma" and to concoct schemes to gain Nusbaum's money. Mrs. Nusbaum admitted love for her co-defendant but said it was "motherly."

She insisted that she knew nothing of the plot to kill her husband. She admitted she had lived a hard life for many years with her husband on an Indiana farm. Her husband was miserly, she said, and never permitted her a minute's enjoyment.

FLAYS STATE WITNESSES. Chicago, Mar. 6.—(P)—"Grandma" Eliza Nusbaum was "the break in the machinery of an otherwise perfect plot" which has resulted in the trial of herself and John Winn, many years her junior, for the murder of her husband, Mrs. Nusbaum's attorney argued shortly before the case went to the jury today.

John Winn, pictured in the trial as abetting the murder of Nusbaum so that he might marry "Grandma," lost his composure for the first time during the closing argument of his attorney. His head dropped in his hands and he sobbed for several minutes.

His attorney asserted that Winn was too weak to wield the hammer with which it is charged Nusbaum was slain.

JACK TO FIGHT AT WINDY CITY?

To Meet Wills There if Boxing Law Passes, Dempsey Says.

Chicago, Mar. 6—(P)—The battle ground for the world's heavy weight championship bout between Jack Dempsey and Harry Wills will be Chicago if negotiations started here today are carried through. The bout will be staged under the auspices of the Coliseum Athletic club provided the law legalizing boxing is passed at the April election.

Section of Chicago as the scene of the battle was definitely announced tonight by Floyd Fitzsimmons, who held the contract for Dempsey's and Wills' services, and later confirmed by the heavy weight champion himself.

Dempsey also said that Sheldon Clark, Chicago sportsman and vice president of the Sinclair Oil company, would be financially interested in the staging of the match. Dempsey was Clark's guest at a luncheon at the Chicago Athletic association yesterday at which more than 1,000 Chicagoans were in attendance.

The negotiations started today, provide for merging of the South Bend syndicate which first proposed the money binding the match and the Coliseum Athletic club, recently incorporated to promote boxing in Chicago, provided the law is passed. The Coliseum A. C. is headed by B. E. Clements, who was in conference with Dempsey here for two days and who a week ago presented the plan to the title holder while the champion was visiting in Wilmington, Del.

The plans contemplate staging the contest at Riverside Park, an immense amusement park on Chicago's northwest side.

Dempsey, before leaving for Los Angeles tonight, said he planned to start training within two weeks, although the bout will not be held until September, probably on Labor Day.

Richards Wins From Kinsey in Florida

Tampa, Fla., Mar. 6—(P)—Vincent Richards of New York won two titles in the final rounds of the Dixie tennis tournament on Davis Island courts today. He established himself as singles champion of the south by defeating Robert Kinsey of California, 1925 titleholder, in straight sets, 6-1, 6-0, 6-0.

Earlier in the day he and Francis T. Hunter, also of New York, won the Dixie doubles championship from Howard Voshel of New York and Al Chapin of Springfield, Mass. Scores in this match were 7-5, 6-1, 6-4.

Harass Wins Fifth Consecutive Race

New York, Mar. 6—(P)—Harass, in the colors of the Seagram stable, captured his fifth consecutive race in the initial running of the Daytona Stakes at Miami today. Nurmi, winner of the \$30,000 New Orleans Handicap, was second, and Pinnister third. The time for the 1 1/16 miles was 1:45 4/5.

The Eustis Handicap at Miami, a mile and 70 yards, was captured by Superfrank, followed by Marconi and Dazzler. The time was 1:44 1/5. Arcady, Silver Song and Brainstorm scored in the Pinellas at 5 1/2 furlongs.

Tampa Downs featured the Lakeland Handicap with Morning Cloud, John T. D. and McTinkle landing the money. Just David and Torch were unplaced.

The Hanover purse, over a mile and 70 yards at New Orleans, went to Nettie Sweep. Golden Mac beat Eric for the place. The time for the mile and 70 yards was 1:47 3/5.

Tia Juana's best offering was a handicap at 1 1/4 miles, which went to Carlaris, with Pa second and Daleho third.

Eligibility Rules Changed by Ass'n

New York, March 6—(P)—Changes in eligibility rules limiting athletes to three years of varsity competition were adopted today by the Intercollegiate A. A. A., at its annual meeting. The action is designed to curtail the competition of "transfer athletes" and is effective next September 1.

The three-year rule will be effective for all varsity intercollegiate track and field competition.

The association awarded the 1926 outdoor championships to Harvard, turning down a bid from the University of Pennsylvania.

The executive committee's recommendation of a reduction of the distance of the annual cross-country championship race from six to five miles was rejected.

Lenglen in Italy to Regain Health

Milan, Italy, Mar. 6—(P)—Suzanne Lenglen, now installed in a hotel at Villa d'Este, on Lake Como, to recuperate from her breakdown on the Riviera, told the Associated Press today that she had come to Italy only to rest. "In spite of many invitations I will not play a single match on Italian courts," she said.

Michigan Wrestlers Win From Chicago

Ann Arbor, Mich., Mar. 6—(P)—Michigan defeated Chicago, 16 to 10, in wrestling here today to win fifth place in western conference grappling. Chicago took third place in the Western division, and Michigan third in the eastern, and today's match was to decide fifth place in the Big Ten.

Schwarze Smashes World's Record in Throwing Shotput

Chicago, Mar. 6—(P)—The world's record for the shotput was smashed in the national A. A. U. indoor track and field meet championship here tonight. Herbert Schwarze, giant University of Wisconsin athlete, competing unattached, hurled the pellet 50 feet 7 5/8 inches.

Schwarze broke the record of 50 feet 3 3/4 inches established by John Kuck of the Kansas State Teachers' college, Emporia, Kan., in the University of Illinois relay carnival a week ago. Kuck, competing against the Badger tonight, heaved the shot 50 feet 3 1/8 inches.

Willie Goodwin of the New York A. C., gave a demonstration of running that made Paavo Nurmi famous when he lapped the field of eight starters in the two-mile run, winning out by himself in 9:25 2/5. He failed, however, to come near Nurmi's time for the distance as the phantom Finn reeled off the two miles in 9:09 3/5 in the national meet at Louisville a year ago.

The world's records for the 70-yard high hurdles and the 60-yard dash were equalled early in the competition. C. Bowman of the Newark A. C., won the dash in the world's time when he broke the tape ahead of C. Coafage of the Illinois A. C., of Chicago, in :08 1/5. Guthrie of Ohio State tied the mark for the 70-yard high hurdles by capturing the event in :08 3/5.

Loren Murchison of the Illinois A. C., national champion in the 300-yard run, and rates as the fastest sprinter in America was scratched for the 300-yard event because of an injury to his leg, after winning his preliminary heat. The race went to M. Lechnicht of Buffalo, N. Y., who outgamed two Chicago runners, breaking the tape in :32 2/5.

Chicago Girl, 17, Trims Glenna in Florida Tourney

St. Augustine, Fla., Mar. 6—(P)—Miss Glenna Collett of Providence, R. I., women's national golf champion, was dethroned as holder of the Florida East Coast title today when she was defeated by Miss Virginia Van Wie, 17-year-old star from Grand Rapids in a match that went to the nineteenth green.

Miss Helen Wills Shows Fine Form

Mentone, Mar. 6—(P)—Miss Helen Wills played in her finest form in both doubles matches today, the international doubles for the cup of the nations and the open mixed doubles. Paired with J. H. Van Alen of Brooklyn, she overwhelmed Jack Hilyard and Mrs. Satterthwaite, 7-5, 6-0, after a hard match with the same partner against Henri Cochet and Mlle. Vlasto, in which she was beaten, 5-7, 6-4, 3-6.

In winning the semi-finals in the cup of nations, Miss Wills and Van Alen earned the right to meet Mlle. Vlasto and Cochet again tomorrow for the international challenge cup, now held by Mlle. Lenglen and Rene Lacoste.

The crowded galleries, mostly tennis specialists, loudly applauded the cannonball baseline drives of Miss Wills and were greatly impressed by the sureness of her overhand, which was her weakest point a month ago.

Paulen to Compete on Southern Tracks

New York, Mar. 6—(P)—Withdrawing from indoor track competition, where his inability to negotiate the sharp turns of eastern armory tracks has cost his five defeats, Adrian Paulen of Holland has decided to seek the warm climate of the South for an outdoor comeback.

He will compete in two Texas meets, the A. A. U. announced today, having entered the Rice Institute relays at Houston on March 26 and the Texas university relays at Austin the following day.

At Ann Arbor: Michigan 44; Ohio State 28.

At Urbana: Illinois 25; Indiana 28.

Badger Wrestlers Beat Northwestern

Chicago, Mar. 6—(P)—University of Wisconsin wrestlers today defeated the Northwestern university team in seven straight bouts and with a point score of 14 to 0. Neither team won a fall but the Badger matmen came out best in the overtime periods.

At Chicago: Purdue 36; Northwestern 28.

BANK TO ASK PUBLIC'S AID

Referendum Proposed Under State Bank Tax Law.

Voters at the April election will probably be asked to signify whether they desire to appropriate not to exceed one-half of one mill towards the financing of the Escanaba Municipal band.

This sum, about \$4,000, would provide funds for a series of open-air concerts in the parks, including Rose Park, during the summer months; free hand concerts indoors in the winter time, and hand music for such occasions as Memorial Day, Independence Day and Labor Day.

The municipal utilities the past two years has paid about \$2,500 a year towards the support of the band. This sum was inadequate to carry out an extensive program, or employ musicians, many of them members of dance orchestras and similar organizations, for the loss of their time while they were filling many hand engagements.

Under the Michigan state law, the voters may cause to be set aside "an amount not to exceed one-half mill of the assessed valuation of the city for maintenance and employment under municipal control of a band for musical purposes for the benefit of the public."

In order to submit the matter to the voters, petitions must be filed with the city council. These must contain the names of at least ten per cent of the voters. Members of the band and others, who were circulating these petitions yesterday, declared that virtually that number had been secured within a comparatively short time and that there was no doubt that the ten per cent would be obtained readily.

FIRST BAKER IN CITY DIES

Richard R. R. Steinke Came to Escanaba Fifty Years Ago.

Richard R. R. Steinke, aged 81, who established Escanaba's first bakery, died in a local hospital yesterday after a lingering illness. Mr. Steinke came to Escanaba in 1876 and had lived here continuously for a half-century. The deceased was born in Germany, February 8, 1845. He came to the United States in 1876. After two years in Chicago, he came to Escanaba, starting a baker's shop. The city at that time was too small to make such a venture profitable, so Mr. Steinke sold out and took a position as cook in the then flourishing village of Ford River. He held this position for a long time. Later he came to Escanaba and was employed for many years by Richard Hoyler and then by Hoyler and Bauer. He retired from active work three years ago. He is survived by his wife and one nephew, John Novack, of this city.

Funeral Tuesday. The body was prepared for burial at the Anderson funeral parlors. It will be taken this afternoon to the home of Mrs. Mary Maves, 1207 Third Ave. South. The funeral will be held at 2 o'clock Tuesday after-

George Stoik Wins St. Joseph Contest; Hirn School Orator

George Stoik will represent St. Joseph's parochial high school in the district declamatory contest at Sault Ste. Marie and Marvin Hirn will be the school's entry in the oratorical contest. Stoik won the right to represent St. Joseph's in an elimination contest Friday afternoon. Those who competed were: Michael Stern, George Stoik, Barnadette Brennan of the freshmen class; Dorothy Casey, Roy Farrell and Leslie Sullivan, sophomores. The subject of the declamation was "The New South," all contestants using the same selection.

Backward Children

Too often the child is called stupid when in reality poor eyesight is holding him back. Every parent should have the child's eyes examined if there is the cause for doubt. When you have the child's eyes examined, glasses will only be recommended when needed. Bring the boy or girl in and have their eyes examined now. To delay means hardship for the child that should not be placed upon him.

John Powers Hurt in Menominee Yard

John Powers, 38, of Chicago, switch engine foreman in the Menominee yards of the Chicago and North-Western, is in a hospital there as a result of injuries suffered Thursday night, according to word received here yesterday. His shoulder is broken, his side is bruised, there is a bump on his head and his hand is injured. He does not remember how the accident occurred. A freight train crew found him unconscious along side the tracks. It is believed that he slipped as he attempted to board a freight train and in falling, struck his head. Mr. Powers is well known here.

Federal Building to Get New Sign

The Escanaba federal building is to have a new metal sign over the main entrance, informing those interested that it contains the "U. S. Post Office." Specifications for the metal letters, and other technical details have been received by Postmaster John A. Semer, and bids will be asked for. Anyone interested in selling the material may see the plans at Mr. Semer's office.

Let these 100,000-Mile Studebakers tell you what Unit-Built means

LISTED below are a few of the Studebaker owners who have driven their cars from 100,000 to more than 300,000 miles. All Studebaker models are included in these records. The list is by no means complete—there are hundreds more throughout the world.

You hear and read of stamina—do you know of greater stamina than this? You listen to talk of dependability—do you judge the dependability of the car you buy from records like these? We have been telling you in Studebaker advertising of the scores of thousands of miles of excess transportation built into every Studebaker. Here is the proof!

PUBLISH BOOK ON CHEMISTRY

Manistique Boy Is Co-Author of New Text Volume.

H. V. Anderson, former Manistique boy, graduate of the local high school and of the University of Michigan, is one of the co-authors in a new textbook on chemistry recently completed and published. This is Mr. Anderson's second venture as a writer of text books on scientific subjects. Mr. Anderson is the son of Mr. and Mrs. Johannes Anderson of Manistique. He is assistant professor of chemistry at Lehigh University, Pennsylvania, and bears the title of B. Ch. E.; M. S. The book, which was written in collaboration with two of his colleagues, Professors Long and Chamberlain, is entitled "A Text on Qualitative Analysis." It promises to be a boon to freshmen engineers at Lehigh. The three men named as authors of the work have been long associated with the teaching of qualitative analysis, and finally came to the conclusion that a text book written along lines as practical as possible, would greatly stimulate the interest of the students in this course. The text will be sent to other universities for criticism. A copy of the work has just been received by Mr. Anderson's parents in Manistique.

Delphian Society to Meet Monday

The Delphian society meets at Manistique Monday with Mrs. S. Stevens. "Italian Opera" is the subject for discussion, with assignments as follows: Beginnings of the Opera—Mrs. W. L. Middlebrook. Early Italian Operas—Mrs. A. S. Putnam. The Operas of Rossini—Mrs. J. J. Herbert. Verdi's Musical Career—Mrs. G. Shipman. Aida—Miss Mary Mitchell. Cavalleria Rusticana—Mrs. T. Bolitho. Puccini—Mrs. F. Murray. Madame Butterfly—Mrs. S. Stevens.

"Stage Struck" Is Feature Tonight

"Stage Struck," starring Gloria Swanson and "New Toys," with Dick Barthelmess and Mary Hay, (Mrs. Barthelmess) are attractions that open the week at the Gero theater in Manistique. "Stage Struck" is the feature for tonight. It is the story of a drab little waitress in an Ohio river town who determines to become an actress because the boy who fries the wheat cakes in the restaurant likes addresses. She makes her debut on an Ohio river show boat, a locale seldom if ever used in pictures before. To take these show boat scenes, Miss Swanson, Mr. Dawn and a company of 160 journeyed to New Martinsville, W. Va., and remained there two weeks. The little waitress, as played by Miss Swanson is both humorous and pathetic. She is a bedraggled, down-in-the-bevels little figure, always getting into trouble and always being the butt for the laughter of everyone. But with all this comedy, there is something touching about the girl, something that keeps the tear close behind the laugh. The scenes on the boat and in the cheap restaurant are "slapstick" comedy, and Miss Swanson reveals comedy gifts hitherto unsuspected.

Alley Leaders Hit Toboggan; Giants Lose 4

The leaders in the Elks bowling league hit the skids during the past week, the leading Giants losing out of six games to the Cubs. One of these sets was a postponed series from earlier in the season. The cellar place Tigers walloped the Lions to the tune of three straight, while the Bear Cats won two out of three from the Pirates. Four of the teams are bunched together for second place, and all are within easy reach of first place, so the race should prove decidedly interesting of the remainder of the schedule.

Vic Remell continued with his great work, getting an average of 196 for seven games during the week. Remell has averaged 197 for the past three weeks which is the best bowling that has been witnessed on the Elks alleys for several years past. Harold Cockram was the big surprise of the week, getting two games over the 200 mark and wound up with an average of 184.

Nightingale who has been rolling with the Pirates will henceforth be in the lineup of the Lions to fill the vacancy made by George Graphos. For the coming week, the following teams will get together: Monday night the Pirates and Giants, Tuesday night the Lions and Bear Cats, and Wednesday night the Cubs and Tigers.

SCHOOL PAPER MAKES DEBUT

Students of Manistique High Edit Unique Periodical.

The "M. H. S. Crier," published by the students of Manistique high school, made its initial bow to the student body and the public in general on March 4. The paper is produced in the form of an interesting mimeographed letter sheet, 8 by 10 inches in size, containing snappy reports of social and athletic activities of the school, with a column devoted to the alumni.

"The Crier," is edited by the students, with the supervision of teachers, and was so named by Miss Pauline McNamara, the name being chosen after a contest.

An interesting item noted in the alumni column is an account of the marriage of Miss Margaret Bryce, former Manistique high student, who is now Mrs. Lyle Pawley. Mrs. Pawley is a daughter of Mr. and Mrs. Morley Bryce, and with her family recently moved to the state of Washington.

Women's Club to Hear Three Talks

Three interesting talks are on the program for the Manistique Woman's club session on Tuesday, March 9. This will be the legislative meeting of the club.

Mrs. James C. Wood, board member of the legislative committee, will give a paper on "The Legal Status of Women in Michigan." W. T. S. Cornell, county commissioner of schools, will speak on "School Laws and the Child." In addition, there will be a report by Louis Miller, who attended the Older Boys' conference at Marquette as a delegate sent by the Wman's club. Musical numbers on the program will include piano numbers by Mrs. Anna Coryell Dayton and vocal solos by Mrs. R. H. Wilson.

ANNOUNCE BALL

The Catholic Ladies' Aid of Manistique made announcement last week of an Easter Monday ball to be held at the K. C. hall, music to be supplied by the Sprinklers. Both new and old-time dances will be featured.

Feeble Old Folks Often Victims of Chronic Fatigue

Thousands of folks blame age for their weak, feeble, sickly condition—when in an enormous number of cases they are really suffering from chronic fatigue. Chronic fatigue is an insidious tired feeling—usually due to lack of sufficient organic iron in the blood. Nuxated Iron, which contains true organic iron like that in the blood and in spinach and lentils, quickly restores this iron and banishes chronic fatigue. It gives new strength and endurance in 2 weeks or money refunded. Will not injure teeth or disturb the stomach like old-fashioned mineral iron medicines. At all good druggists.

FLYER ARRIVES IN MANISTIQUE ON MARCH 16TH

According to posters distributed at Manistique yesterday, the Forest Fire Fighting Flyer will arrive in Manistique on March 16, at 9:00 a. m.

This Flyer is a special train, routed through the Upper Peninsula in the interests of forest fire prevention and conservation. It will carry speakers, exhibits, and other features bearing on the problem of preventing fires which have proven so disastrous in the cut-over and forested lands of this section.

Larry Livingston, well known in this community through his work in land clearing demonstrations, is in charge of arrangements for the train.

Three Chimney Fires Reported

Three chimney fires, none of them serious, brought out the Manistique fire department Friday and Saturday. The alarms came from the following homes: Oliver Kelly, 517 Arbutus; G. J. Kopf, 803 Range; P. Babiadels, Arbutus avenue.

The purchase of the Michael McNamara home, 622 Michigan avenue, by J. Mumford, local insurance man, was among the real estate transfers reported at Manistique during the past week.

SUPPOSE YOU TRY THIS WASHER ON YOUR DAINTY SILKS

GET a Maytag from the nearest dealer—he will gladly deliver one to your home, without expense or obligation of any kind.

Make this interesting, convincing test—wash your dainty silks, gauzy chiffons, filmy laces. Put all the light, delicate things that you usually wash by hand in the Maytag's satin-smooth, self-cleaning, heat-retaining tub—the tub that's all clothes space—all washing room. See how quickly—how carefully they are washed—just as gently as you can do them by hand.

Then try the heavy, bulky things—even greasy, grimy work-clothes—rompers—**everything**. The Maytag will wash them cleaner than you would believe possible—**spotlessly clean**.

Seeing the Maytag wash brimming tubfuls of clothes in 3 to 7 minutes—50 lbs. (dry weight) in one short hour—will give you a new idea of washer efficiency—will prove the Maytag's supremacy.

How Thor Washes
Illustration of a man washing clothes in a machine.
In the Thor the clothes are not washed on the bottom of the tank in the heavier, soiled water. They are washed in clean soapy water, and as the dirt is removed it falls into a dirt trap below the washing cylinder, keeping a clean, sanitary washing solution at all times. This is the washing principle used by dry cleaners everywhere for the safest cleansing of the most delicate articles.

STOCK MARKET IS IRREGULAR

NEW YORK STOCKS (Last Sales.)

STOCK SALES AVERAGES.

Table with columns: Date, Industrials, Railroads, Total sales. Rows for Saturday, Friday, Week ago, Year ago, High 1926, Low 1926.

New York, Mar. 6.—(P)—E-ratic fluctuations of stock prices in today's market reflected the nervousness of the trading element after the chaotic sessions earlier in the week.

Establishment of new high records for all time by Chesapeake & Ohio common and preferred at 130 3/4 and 131 1/4, respectively, was one of the outstanding features.

The common closed down as low as 126, and sold at 128 1/4 for a net gain of 1 point on the day, and the preferred showed a net gain of 5 1/4 at 130 1/4, after having dipped to 129 3/4.

Nikek Plate common registered a net advance of 2 1/4 points at 157 1/4, after fluctuating between 150 1/4 and 155, but the other Van Sweringen issues lost ground.

Standard Industrials sagged in the apparent withdrawal of strong financial support which was in evidence after Wednesday's dramatic break in prices.

Motors and high-priced industrial specialties were again subjected to rather heavy short selling with mixed results.

A sharp break of over 12 points to around 3.60 cents in French francs, following the fall of the Briand cabinet, featured the irregular foreign exchange market.

The weekly clearing house statement showed excess reserve of \$14,847,840, an increase of \$10,200,640 over that of a week ago.

Chicago, Mar. 6.—Wheat reacted at the last today from an advance that was based largely on rumors of crop damage by a prospective cold wave.

Iron Mountain Trims Escanaba in Finals by 12 to 9 Score

Gladstone Cops Class C Championship by Beating Kingsford, 23-9

Hilltops Force Eckie Crew to Limit; Slow Down in Final Stanza

Game Is Twenty-first Consecutive Victory Scored by Ford City Quint of Basket Loopers

Iron Mountain high school won the Class B, district 29, basketball championship and her twenty-first consecutive victory of the season last night when the Erdlitz quintet from the Dickinson county seat defeated Escanaba by a 12-9 score in the district tournament finals, played at the local high school gymnasium.

Menominee high school defeated Manistique 29 to 6 in the consolation match for third honors which preceded the main go.

A crowd of over a thousand wildly cheering fans attended the games.

Hilltops Lead in First.

Playing far above their usual style, the Hilltops managed to hold the unbeaten Eckmen to a tie until the end of the third quarter. In the final stanza, however, they slowed up and showed the effects of the fast pace they had been setting during the earlier part of the game. The loss of Berrigan on fouls in the third stanza also helped to slow the Hilltops up to some extent.

The Escanaba lads forced the Iron Mountain five to exert itself to the limit. The game was fast throughout with both teams playing classy ball.

Escanaba and Iron Mountain each managed to loop four field goals, the visiting quint winning through greater accuracy from the foul line, annexing four points in this manner while Escanaba was held to only one.

Iron Mountain showed up somewhat better on the offense than the locals, managing to get about a dozen more shots at the goals than Escanaba. Both quintets played a brilliant defensive game. The final period was the deciding one, the play in the first three being fairly even, with the Esky lads having the edge in the first and second by a slight margin.

Crowd Kept on Toes.

The game started with the crowd cheering wildly. Play opened with both teams on their toes and displaying a world of skill. Iron Mountain missed her first chance to score on Lawrence's foul. Both teams were doing some beautiful passing and footwork but without effect. Berrigan opened the scoring with a pretty shot from past the center of the floor. It went cleanly through the loop and the crowd was on its feet cheering. Iron Mountain was missing several sure shots and Johnson fluked several chances of scoring from under the basket. Ferzacca tied the count at 2-all. Both teams were playing in hard luck and were missing frequently. The play continued fast. Eckholm looped one after the other of Berrigan's whistle and it didn't count. His chance from the free throw line was lost when he overstepped. He made the basket, but it didn't count. The period ended a second later with the score tied at one basket apiece.

Game of Thrills.

The crowd was still cheering at the second stanza whistle. Eckholm was missing them from under the basket. LaJeunesse took two chances of scoring on Johnson's foul. LaJeunesse failed to shoot within ten seconds on Johnson's second foul and the game continued. Johnson looped one in from the middle of the floor and gave Escanaba a 4-2 lead. Gall scored on Berrigan's personal and Lawrence came back with a field basket. Ferzacca and LaJeunesse scored on personals, raising the count to 6-5 in favor of Escanaba as the half ended.

After a moment of fast playing, Fox shot Iron Mountain into a 6-7 lead in the third quarter. Ferzacca fluked two free throws and Berrigan went out on his fourth personal. Gunderman taking his place. Gunderman scored from the free throw line a second later, tying the count at 7-all. Iron Mountain missed several shots from under the basket and Eckholm missed a chance to break the tie on Roekberg's foul.

Fourth Belongs to Iron Mt.

The fourth quarter belonged entirely to Iron Mountain, the Ford city lads stalling and speeding pretty much to suit themselves. Ferzacca's free throw broke the tie and a moment later LaJeunesse sent a field shot. Ferzacca counted a moment later and the Eckmen had a 12-7 lead. Escanaba asked for time out and when play was resumed Iron Mountain resumed its usual stalling tactics which are credited with having had much to do with many a victory in the past.

Gunderman missed a shot from the foul line and with a minute left to play Roekberg looped Escanaba's last score. A double foul with neither team counting, closed the action.

The lineup and summary:

ESKANABA IRON MOUNTAIN

VOODOO!

Iron Mountain Cagers Wood Lady Luck and the Woman Paid!

Iron Mountain, Mar. 6—Guys like Thomas A. Edison, Mr. Ponzi and Flo Ziegfeld have put a lot of figures together and got some remarkable results, but the foregoing formula takes the cookies.

"Imagine this: a rabbit's foot, an old gray suit, and a piece of red yarn, put together, equal winning basketball team. It's the masterpiece of Mister Ferzacca & Co. and she sure works. Witness twenty-one victories without a defeat.

How come?

Like this:

Down at Menominee, they say, after the boys had scraped through a thriller and won the game by a one-point margin, someone in the dressing room pipes up. "We were lucky to win that game."

Which they was.

"We got a luck charm somewhere in the crowd," opines Dyer, solemnly. "Must have. Wonder what it is."

So the hunt began. Everyone looks at everybody else to see where's the mystery and finally all eyes are centered on Coach Eck. Pillion, who is a bit colder than the rest, says "Coach, it must be that gray suit. You've worn it at every game this season and it must have brought us luck tonight. You've got to wear it at every other game this season."

Well, Eck surveys the combination in question and finally says that if the rest of the gang can stand it he guesses he can and that's that. She's settled—or would have been if it hadn't have been for Ferzacca. The Mountainer leader had been settling back on his bench looking intently at his finger.

"I've got it," he said.

"Got which," says Eck. "We haven't lost anything."

"No," barks Faust. "I know the reason we won the game—why we're lucky."

He holds up a finger which is ornamented with a piece of red yarn and there is doubts in the crowd as to his sanity. However, he proceeds:

"Mother tied this on my finger yesterday so I wouldn't forget to mail a letter and I wore it all through the game. It's a charm. I'll have her tie one on my finger before we play a game the rest of the season and we'll win 'em all!"

Then he beat it out to mail the letter.

"Hump," grunts Gall, "as long as you're coming down to times as you're simple as that. I'll hand in one. See this rabbit's foot. I know it would be a tough game tonight, so—get me, I'm not superstitions—I thought I'd tie it on just for fun. It worked and I think we all better wear 'em."

About this time young "Eck," their mascot comes romping in through the door and they all agree that he must have had something to do with it.

And so, in every game thereafter Eck wore the old gray suit, Mrs. Ferzacca tied on the bit of yarn, they all wore rabbit's feet—regulation tie bind—and Dickie was present and they won all of their games.

Editor's Note—Aesop, Grimm and Horatio Alger never were called liars, so please be charitable. It made a good story, anyway. Besides, for some reason, which we do not know, the boys do wear the rabbits' feet. Eck does wear the old gray suit, Faust the yarn and Young Eck attends all of the games—just for luck.

HARVARD WINS TRACK TITLE

New York, Mar. 6—(AP)—Harvard won the intercollegiate indoor track and field championship tonight after a sensational battle in which Georgetown, the defending champion, finished second and Pennsylvania third.

Georgetown, favorite to retain the team title, lost what seemed a certain triumph when her crack one-mile relay team met disaster in the final event of the program, finishing last in a field of five when Jimmy Burgess, anchor man, fell as he was taking the baton and lost a chance of figuring in the race.

Gaining only one point in this event, the result of which, a first or second place would have clinched the meet for them, the Georgetown forces were forced to accept defeat by 2 1/2 points.

Harvard's winning total was 28 points, tallied in six of the nine events, including brilliant victories in the two-mile run by Willard Tibbels and in the mile by "Soapy" Walters, nosed out his teammate "Red" Haggerty, in a stirring duel.

Georgetown had the most individual stars, taking three first places outright and tying four but the costly break in the one-mile relay and failure of the team's two-mile relay quartet to score at all kept the point tally down to 25 1/2 points.

Pennsylvania's third place total was 23 1/2 points while Penn State with 15 and Princeton with 14, took fourth and fifth places.

The Turks have a long waiting list. They are months behind with the nations wanting to fight them.

WIN DISTRICT 29, CLASS B BASKETBALL CHAMPIONSHIP LAST NIGHT

Here is Coach Erdlitz and his crew of warriors who are the only unbeaten basketball team in the Upper Peninsula. By defeating Escanaba last night, 12 to 9, in a thrilling battle, they capped the district championship. Left to right—standing—Edrizz, Ronzani, Eckholm, Fox, Epizil, LaJeunesse, Manifore, Seated—Pillion, Captain Ferzacca, Coach Erdlitz, Gall and Dyer. The little fellow in possession of the ball in the foreground is none other than Master Richard Erdlitz, Jr., (Dickie) who has been vying with the regulars for places in the hearts of the Fair Fans. Dickie's specialty is keeping the crowds in a merry uproar between the halves. His basket shooting is a little short as yet, but he is a comer.

Iron Mountain, Ironwood, Hancock And Ishpeming Win Class B District Championships in Finals Last Night

Iron Mountain, Ironwood, Ishpeming and Hancock were acclaimed basketball champions in Class B of the four Upper Michigan districts as the result of the finals of the district tournaments held last night at Escanaba, Ironwood, Ishpeming and Houghton.

These four teams and the runners-up in the four district tournaments, Escanaba, Bessemer, Negaunee and Houghton, will clash in the Upper Peninsula Class B tournament to be held at Marquette, March 11, 12 and 13.

Among the Class C schools, Gladstone, Wakefield, Newberry and Dollar Bay won the tourney cups, with Kingsford, Crystal Falls, Munising and Lake Linden winning second place honors. These eight teams will take part in the Class C event at the Marquette meet.

Vulcan, Ewen and Michigamme are the Class D champions and will clash with Cooke, Republic and Berglund in the U. P. tourney.

The results of last night's games followed a dope carded course without an upset of major importance. Iron Mountain continued its winning streak by beating a rejuvenated Escanaba outfit. Gladstone had easy going with Kingsford for a Class C honors and Vulcan was an easy victor over Cooke in the Class D finals.

No games with any bearing on first place honors were played at Ironwood, the finals having been run off last night. The second place results were anticipated by the previous showing of the teams competing.

Ishpeming showed herself one of the outstanding contenders for U. P. honors by defeating the strong Negaunee quint by a 23 to 12 score in the finals. Newberry's victory over Munising was anticipated, as a result of seasonal play by the two teams. Michigamme was an easy victor over Republic.

Houghton, one of the weakest teams of the copper range, followed the dope by falling before Hancock, 27 to 4, while Dollar Bay's victory over Lake Linden was somewhat of a surprise in the Class C games.

BUCKEYES LOSE TO MICHIGAN

Ann Arbor, Mich., Mar. 6—(AP)—Michigan defeated Ohio State in a conference basketball game here tonight, 44 to 28. This is the highest score made in a conference game this season, Indiana with 41 against Minnesota, being the former high scorer.

Michigan seemed unable to miss the baskets in the first half of the game and unable to find them in the second half. At the end of the half the score was 22 to 14, but in the second period Ohio State began to look more dangerous, however, the visitors were never able to get closer than within 12 points of the Wolverines.

Michigan played a wide open long pass game.

Kinnair, president of the Forest City Livestock and Fair company, announced today. Entries closed March 1.

Vulcan Class D Champ of District by 30 to 10 Victory Over Cooke

Gladstone Has Easy Time Vanquishing All Opposition at Norway Tournament

Norway, Mich., March 6—(Special)—Gladstone and Vulcan won the Class C and Class D basketball championships, respectively, of District 29 in the tournament finals here tonight. The Purple and White avalanche from Gladstone swept through the tournament games meeting little resistance on its way to defeat Kingsford high school, 23 to 9, after vanquishing Stephenson last night.

Vulcan had an easy time in disposing of the Cooke high school quintet, coming out on the top of a 30 to 10 score, in a game featured by some good basketball throwing.

Sidelights on Tourney

Coach Houston said before the first game when asked how he felt his team would go. "You never can tell what will happen in a basketball game." Mr. Houston also suggested that after a foul was called on a Menominee man for talking when the yelling was going on, that there should be a foul for lip reading so that such a thing would be justified.

Mathes and Jones showed the fans something new in the line of boxing. Dickie Erdlitz looped a few more last night than the night before. Ho may be a "comer."

For the benefit of those few who were not present it can be said that the crowd yelled to perfection. Mr. Waterpool, umpire in the second game, still maintains that the floor is too small for such a fast game.

The coaches of Escanaba, Manistique, Iron Mountain and Menominee all agreed that they had never seen a faster high school game with as much pep as the final encounter.

Mr. Cheney was very firm in his belief that Escanaba has a basketball team that it should not be ashamed of.

Coach Roells said, "We lost to a better team. Our team was at its best form of the season. He added later, "I am not discouraged with the work of our boys, but am very proud of them."

When the tourney was over and all was "well" and done, the ice cream parlors seemed to be the center of interest.

Mr. Cheney presented the cup for first place to Faust Ferzacca, captain of the Iron Mountain five, as the crowd paid tribute to one of the fastest forwards that they have seen.

Coach Erdlitz said after the final game that it was the fastest game that Iron Mountain has played this year and that Escanaba offered as much competition as they could possibly stand without being defeated.

Following the games, refreshments were served the members of the teams, coaches and officials at the school cafeteria, by the City League.

North Lake Wins from Rock Nurms

Rock, Mar. 6—(Special)—The North Lake basketball team defeated the Rock Nurms here Friday night in a fast and furious encounter by a score of 14 to 12. The score at the half was 6-8 and at the end of the game, 12-12. North Lake won in the overtime period.

PHILIP LABRE PASSES AWAY

Owner of Bark River Creamery III Only Three Weeks.

Phillip Labre, aged 49, founder and owner of the Bark River creamery, died at a local hospital at 10:15 yesterday morning. Heart disease was the cause of death. Mr. Labre had been ill for about a year, but had been in a critical condition only three weeks.

The deceased was born in Caudreuil, Can., but came to the United States when he was a child, with his parents. The family located at Spalding where his early life was spent.

His first business venture was a general store in Bark River. Later he established the creamery which is a modern and extremely busy and prosperous institution and one which has helped materially in the dairy development of this district. He moved to Escanaba about six years ago.

Surviving are his wife and six children, Agnes, John, Virginia, William, George and Miles, all at home. His father, Theophile Labre, is a resident of Spalding, and there are the following surviving brothers and sisters: Miss Anna Labre, Los Angeles; Mrs. F. W. Payne, Spalding; Rayne Labre, Bark River; Mrs. Louis Burns, Gladstone. All are here for the funeral except Miss Anna, who is now on a trip around the world.

Mr. Labre was a member of the Holy Name society of St. Patrick's parish, of the Knights of Columbus, the R. O. Elks and the United Commercial Travelers.

The body will be removed from the Allo Funeral home to the family residence, 521 South Eleventh street, today. The funeral will be held Tuesday at 9 o'clock in St. Patrick's church, Rev. Fr. John Mockler officiating. Burial will be in St. Joseph's cemetery.

Sunday night, after Lenten devotions at St. Patrick's, the Knights of Columbus will meet at the clubrooms and go to the Labre home to say the Rosary. The same ceremony will be conducted Monday night by the Holy Name society.

Colonial Quintet Will Appear Here on Tuesday Night

The Colonial Quintet, talented and versatile young ladies, will appear in the high school auditorium next Tuesday night under auspices of the Community Educational bureau.

The program will consist of string quintet numbers and solos of various kinds, interspersed with vocal music and other choice bits of entertainment. The organization has been one of the county's most successful musical groups this season.

A part of the entertainment is given in Colonial costume.

St. Patrick Ladies' Plan Entertainment

The ladies of St. Patrick's Catholic parish are planning an entertainment to be given at the Delta theater St. Patrick's Day, March 17. A motion picture, "Rainbow Hill," and a program of songs, dances and other features will be presented. Tickets for the affair are now being sold.

SQLONS STUDY MEXICO CASE

Washington, Mar. 6.—(P)—The clouds of international dissension over the new Mexican land laws appear to be drifting away but the outlook for peace over the Mexican situation in congress is not so rosy. Without much debate the senate adopted today a resolution asking the state department whether any objection from Mexico was delaying publication of details of the diplomatic exchange between Washington and Mexico City, now apparently approaching an amicable conclusion.

At the same time Senator King, Democrat, Utah, announced he would ask for considerable more light on the situation, including the question whether American Ambassador Sheffield had been thrust aside by the state department and whether the determining force in the negotiations had been former Ambassador Charles H. Warren, whose nomination to be attorney general was rejected by the senate a year ago. The Utah senator did not elaborate his reference to Mr. Warren, who has been in frequent conference with Senator Kellogg since the Mexican controversy became acute.

It is expected that the diplomatic correspondence to date will be published shortly and Chairman Borah of the foreign relations committee told the senate today the notes would disclose that there is "less reason to be disturbed" than some people believed.

The resolution adopted was introduced by Senator Norris, Republican, Nebraska.

If You Mistreat Dumb Animal You Are "Pittlacker"

Philadelphia, Mar. 6.—(P)—A person indifferent to the suffering of an animal is a "pittlacker." The Pennsylvania Society for the Prevention of Cruelty to Animals tonight announced that "pittlacker" was the prize-winning name chosen for persons cruel to animals. It was selected from nearly 500 words submitted in the society's contest for the "missing" word, for which a prize of \$10 was offered. The conditions called for a word easily understood, forceful and short, to fit the case of the average unfeeling person, rather than extreme instances of brutality.

The longest word submitted was "nateucon-rudeitribian." "Pittlacker" was coined by Mrs. M. McVain Bready, Mickleton, N. J., a newspaper woman whose husband is an editor in Philadelphia.

Words were submitted from all parts of the United States, Canada, England, Ireland and France.

WIN AID PRIZES.
Chicago, Mar. 6.—(P)—Wayman Adams of New York City was awarded the John C. Schaffer prize of \$200 for the most outstanding picture in the exhibit of the Hoosier salon here today.

Janet Scudder of Terre Haute, Ind., won the Mrs. Howard Spaulding, Jr., prize of \$300 for the most outstanding piece of sculpture.

Four hundred exhibits by Indiana artists, or those who have lived or worked there at one time, are on display at the salon. Daughters of Indiana and members of the Indiana society are sponsors for the salon, the second to be held here.

THE DAY IN WASHINGTON

The senate debated relations with Mexico. Secretary Work proposed a 10-year reclamation program. President Coolidge again urged that government expenditures be held down. The labor department decided to appeal the case of the Countess of Cathcart.

Senator Robinson, the Democratic floor leader, introduced a resolution for a tariff commission investigation. An increase in the tariff on butter from 8 to 12 cents a pound was ordered by President Coolidge.

Chairman Hagen predicted that a farm relief bill along lines urged by middle western farmers would be approved by the house agriculture committee.

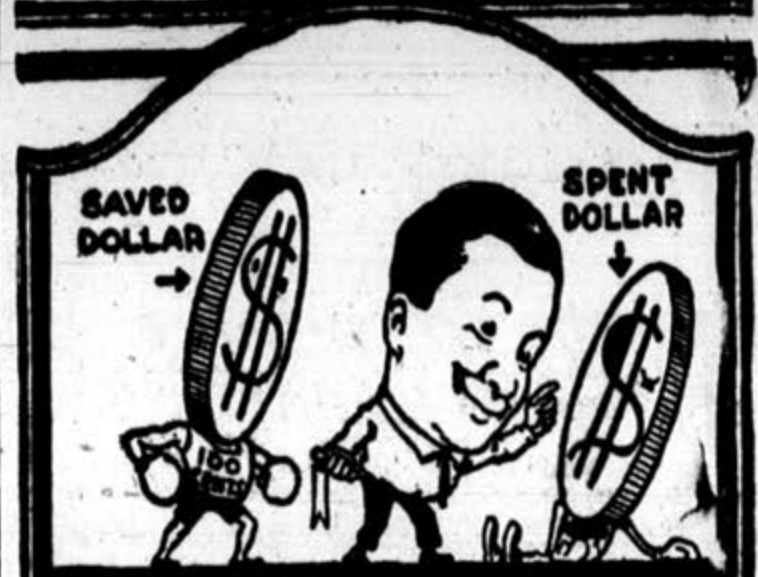

The house debated prohibition while its ways and means committee considered creating a separate prohibition bureau in the treasury.

President Coolidge asked congress for \$10,000,000 to assist American shipping operators in meeting unfair foreign competition.

Escanaba National Bank
Escanaba, Michigan

10 Good Reasons why The Fair Savings Bank

transacts more business than any two department stores in the Upper Peninsula.

- 1 Low Operating Cost**
Comparison with figures furnished by the Harvard Business Bureau and Trade Journals show a cost of operation for the Fair Store, lower by 5% than the average cost of operating department stores, mail order firms and chain department stores. One example of this economy—The Fair Store rent is approximately 1% of its sales.
- 2 Cash Business:**
Of the total volume of business transacted 76% of it is cash—enabling us to price our merchandise on a cash basis.
- 3 New York Buying Office**
By virtue of the large volume of business transacted, we have the privilege of membership in a large cooperative New York buying office, making it possible to feature the newest styles at lower prices.
- 4 Standard Merchandise**
Only nationally known brands and standard trade-marked merchandise sold here. No seconds or inferior quality are handled.
- 5 Satisfaction Guaranteed**
Because we handle only standard quality merchandise we can afford to stand back of every sales transaction. The customer is always in the right. Adjustments are cheerfully made.
- 6 No Premiums**
Our bid for volume business is not on the basis that we offer premiums, stamps or any trick business getting methods. Customers buy here because they receive a little better quality—a little more for their dollar.
- 7 Better Service**
From seventy-five to one hundred courteous salespeople daily await any opportunity of rendering service to you. Mail orders shipped same day as received, special store shopper for our out-of-town customers.
- 8 Advertising**
By means of the daily newspapers and direct by mail advertising, special announcements from the Fair Store reach over 18,000 homes, drawing to Escanaba a trade from a radius of sixty miles.
- 9 Eight in One**
(Men's clothing and furnishings, dry goods, art goods and draperies, ladies' ready to wear, millinery, boys' and girls' clothing, shoes, crockery and household furnishings and groceries.)
Operating eight different businesses under one control and management. Each of the eight units has a capable buyer and manager. The economy of this combined operation is passed on to the public.
- 10 Rapid Turnover**
Our departments operate on quick turnover basis on the principle that small profits and many sales are better than few sales and high profits. This assures you of fresh, stylish merchandise at all times.

You May Have These, Too

We know from the long experience of our customers related to us that *by saving a definite part of their incomes regularly* they were able to:

- BUILD NEW HOMES
- BUY NEW FURNITURE
- TAKE VACATION TRIPS
- SEND THEIR CHILDREN TO COLLEGE
- MEET UNEXPECTED BILLS FOR ILLNESS
- GO IN BUSINESS FOR THEMSELVES
- MAKE GOOD INVESTMENTS
- TAKE ADVANTAGE OF BUSINESS OPPORTUNITIES WHERE IT WAS NECESSARY TO INVEST CAPITAL.

Swap Your Tires for General 6-Ply Balloons. Owners of the heavier cars now realize the tremendous advantages of the General 6-ply balloon—hundreds are changing to this improved balloon tire. We'll take in your present balloons and make an allowance for the unused mileage left in them. How little they have been run doesn't matter. With the heavy demand for used tires this month, you have the greatest trade-in value, NOW. To run on General 6-ply balloons is to know real tire comfort and satisfaction—more mileage—no more punctures than regular size tires—the greatest riding comfort you ever experienced. Come in—let us tell you about our Trade-in-Plan. MATSON-KJELLANDER TIRE & SERVICE CO. GLADSTONE, MICH. The GENERAL CORD goes a long way to make friends.

LYRIC THEATRE GLADSTONE Evelyn Brent - in - 'Lady Robinhood' A story dripping with romance and hot with the friction of its splendid speed—a lovely setting with a Spanish Joan of Arc involved with government intrigues. ALSO MERMAID COMEDY, "FIRE AWAY." Shows: Matinee 2:30, Evening 7:15 & 8:45. Adm. 10c & 20c. Coming Monday and Tuesday—William Fairbanks in "That Wild West," and Comedy, "Innocent Husbands."

THEATRES AT THE LYRIC. Thrill with the romance of old Spain and a band of patriotic cabiners led by an intrepid girl who operates from their mountain fastnesses above where the Pyrenees meet the blue sea. "Lady Robinhood" plays at the Lyric theater today, with Evelyn Brent in the stellar role. In portraying "Lady Robinhood," Miss Brent departs momentarily from the groove of crook melodramas in which she has been such a pronounced success, and this departure is by way of being an added triumph for the little star. No more colorful role could have been devised than that of the charming, alluring, fiery, fearless little patriot who leads her oppressed people to justice despite the double-crossing of her trusted lieutenants, and who eventually falls in love with the rich and bored young American whom she has kidnapped from his yacht. This vivid and powerful story is an adaptation by Tom Hopkins of an original written by Clifford Howard and Burke Jenkins. The direction is as excellent as that which Miss Brent has been fortunate enough to enjoy in her last few releases, and the cast is entirely adequate. On Monday and Tuesday, "That Wild West," with William Fairbanks will be shown at the Lyric. AT THE COMMUNITY. "The Making of O'Malley" will be shown at the Community Theater Monday and Tuesday. With his elevation to stardom by First National recently, Milton Sills was given a new test of his versatility. Although still the "he-man," Sills' role in his first starring vehicle, which Earl Hudson produced, is a departure from the society roles and woman-hating characterizations of his last successes. It is the agreed belief of Sills, Hudson and other First National officials that the public generally prefers the star in roles whose virility is tempered with close-to-the-heart drama. His plays in the future, therefore, will give him less the aspect of the stern, forbidding man and more of the warm and geniality of the man who loves humanity. Women live longer than men owing to the fact that they lead a more sheltered life and run less risk of coming to an untimely end, said an official of the London health department. He was discussing figures which showed that of 352 deaths of people over ninety years of age, 273 were women. Of this number 153 were unmarried and twins had reached the century mark.

THE ESCANABA DAILY PRESS

A Morning Newspaper Published by The Escanaba Daily Press Company. JOHN P. NORTON, President and General Manager.

The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited in this paper, and also the local news published therein.

The Daily Press is the only daily paper printed in an exclusive field of 60,000 population, covering Delta, Schoolcraft and Alger counties thoroughly.

DELTA IS PLEASED.

Announcement of the designation of the Bay Shore road from Escanaba to Menominee, as a federal aid trunk line and the further announcement of state officials, that the laying of concrete on that route will be started as early as possible this spring.

Delta county needs the improvement of Route No. 91, or the Bay Shore road, far more than it needs immediate payment of road awards that are due and the double announcement of the acceptance of that route as a federal aid highway and that work on the project is to be started this spring.

The acceptance of the Bay Shore road as a federal aid highway means in reality that eventually standard concrete highways will be constructed to connect Escanaba and Menominee over both Route No. 91 and Route No. 15.

It can now be set down as an accepted fact that all tar bound macadam construction on state and federal aid highways in this county will eventually be replaced by concrete and the beginning of such work on Route No. 91 this spring can be taken as the actual start of a permanently progressive road program for this and other counties of Michigan.

THE FLORIDA BOOM SUBSIDES

The land boom in Florida has, it is reported, temporarily collapsed. Real estate is somewhat a drug on the market, and prices have dropped. The realtors say the slump is "seasonal," and that the boom will reassert itself in a few months.

Jack Dempsey says he'll fight Gene Tunney next August but we still think Tom Sims, despite his sordid professionalism, is funnier.

Life beating has gone out of style, a New York magistrate declared the other day. We also read, however, that some folks are pleading for the return to popular favor of the wholesome amusements and home life of a generation ago.

Corinne Griffith Star of Delft Monday, Bill

TODAY'S PROGRAMS
 At the Delft—"Fighting the Flames," a thrilling story of fire-battling in the big city. William Hainest Dorothy Devore, David Torrence, Sheldon Lewis, Charlie Murray, William Welsh and Frankie Darro are in the cast.
 At the Strand—Jack Hoxie in "A Six Shootin' Romance," one of the fastest and most thrilling "Blue Streak" westerns in which this popular artist has appeared.

Necked love is the theme of Griffith's latest which will be the Delft Monday-Tuesday feature.
 The picture is based on W. Somerset Maugham's "Caesar's Wife," which achieved notable success on the stage.

The story is dually allocated in London and Egypt. It concerns the flirtation of the wife of an English ambassador to Cairo and her eventual return to the husband whom she thought had neglected her.

Lady Little, Corinne Griffith is said to give an almost impeccable delineation. Her ability to portray the aristocratic type is well known.

Percy Marmont, who was co-featured with the star in "The Climbers" of some seasons past, plays opposite Miss Griffith in this picture. Others in the supporting cast are Percy Marmont, Malcolm MacGregor, Warner Oland, Claire DuBois, Leota Lorraine, Martha Mearns and Clarissa Selwynne.

"Exchange of Wives," based on Cosmo Hamilton's Broadway success, will be shown at the Strand Wednesday and Thursday. The cast includes Eleanor Boardman, Lew Cody, Renee Adoree and Crighton Hale. It is a Hobart Henley production.

Madge Bellamy, Buck Jones, Zazu Pitts, Leslie Fenton and Jane Novak are the featured players in "Lazybones," which will be the Delft's leading attraction Friday and Saturday.

Strand Programs.
 Yakima Canutt, the famous cowboy, is the star in "White Thunder" which will be offered at the Strand Monday and Tuesday, along with another of H. C. Wiltzer's sport "Fetters." Kanutt takes the part of a mysterious night rider who is running down the murderer of his father. It gives him plenty of opportunity to display his stellar horsemanship. Neil Brantley is his leading lady. George Jessup, Lew Meehan and William H. Turner also are in it.

"The Other Woman's Story," a domestic drama, will be shown at the Strand theater Wednesday and

Thursday. Its story features the co-respondent's side of a sensational divorce case. Alice Calhoun, Robert Frazer, Helen Lew Worthington, Mahlon Hamilton and David Torrence are among the players.

"The Dangerous Flirt," a comedy starring Evelyn Brent will be the Strand's Friday and Saturday feature with more of "The Green Archer."

Officers Are Still Awaiting Chemist's Report on Granholm

Officers here were still waiting Saturday for the chemist's report on the contents of the stomach of John Granholm, "free lance" prohibition investigator, who was found strangled to death in the Burnell hotel two weeks ago.

Unless the report arrives here before Monday, it is likely that the preliminary examination of Fred Cress, William Burnell and Dan McCann, charged jointly by the police with having caused Granholm's death, will again be postponed.

The contents of the stomach was sent about ten days ago to the university hospital at Ann Arbor for analysis.

PHONE FIFTY YEARS OF AGE

Escanaba Central Office Will Celebrate Event Wednesday.

Fifty years ago on March 10 the telephone came to life, for on that date, in 1876, the first complete sentence was spoken and heard over the instrument of speech transmission which was the crude beginning of the highly developed instrument that is so commonly used today.

On Wednesday, March 10, employees and patrons of the Michigan Bell Telephone company throughout Michigan will make special observance of the birth anniversary of the telephone. Similar observances will be held throughout the Bell system, in this country and Canada, on that date.

Local Manager Sundquist of the Michigan Bell announces that a special program will be arranged in the Escanaba telephone

central office on March 10 and that many local users of the service are expected to be present. An invitation to visit the central office and telephone plant has been extended to each subscriber of the service.

Pioneers to Assist.
 The local program of observance on March 10 will be in charge of members of the staff of Manager Sundquist, assisted by pioneer telephone men and women, members of the employees' association and early subscribers. Included in the program will be a visit of inspection through the operating rooms and plant for customers of the company, to whom a detailed explanation of the work will be made. The Michigan Bell will hold open house throughout the week, following March 10, to permit those who will be unable to visit the office on that date to do so later. The Bell system flag of blue and white will float over all company owned buildings.

In announcing that particular honor will be paid pioneers among the telephone using public and employees of the company. Mr. Sundquist states that the local telephone exchange was established in the year 1886. The first manager of the exchange was

George Healey and the earliest subscribers included: D. A. Oliver, P. M. Peterson, John Christie, Ed Erickson, A. Ellsworth.

Now Has 2856 Phones.
 Escanaba exchange now has 2856 telephones, compared with 90 in 1890; 400 in 1900, and 1200 in 1910. The development of the service here has more than kept pace with the community's development. There are more than half a million Bell telephones in Michigan, with more than 16,000,000 in the Bell system.

Mr. Sundquist has been local manager for the Michigan Bell 16 years. Miss Lauron is chief operator and Mr. Carlson is plant chief.

Polar Explorer to Speak at Rotary

Paul J. McGee of the Zenith Radio corporation, who was chief radio operator with the McMillan polar expedition last summer, will be the principal speaker at the regular meeting of the Rotary club at the Delta hotel Monday noon. The meeting will start at 12:15 o'clock.

Mr. McGee will describe the experiences of the McMillan party in the Arctic regions and will show photographs taken on the trip.

To the Qualified Electors of the City of Escanaba, I,

"YOU ARE ENTITLED TO KNOW THE FACTS"
 DODGE BROTHERS, INC.

Only STEEL
 could meet a test like this!

A Dodge Brothers Motor Car . . . A speeding truck racing down hill and out of control . . . A collision . . .

Take one look at this photograph. It is not pretty, to be sure, but it will convince any sensible man that all steel construction is the only safe construction for a motor car body.

That is why Dodge Brothers introduced the all steel body more than eleven years ago, and this year greatly improved and perfected it.

In fact, Dodge Brothers are convinced that the day is not far off when wooden motor car bodies will be a curiosity. People will shudder at the thought of having ridden in them and will thank Dodge Brothers for the greater safety, durability—and beauty, too—of all steel construction.

A steel body will stand up under impacts that would crush the average body to bits. Steel cannot splinter. Steel cannot burn. Steel is an armor of protection on the crowded, hurrying highway.

Outwardly, nearly all types of bodies appear to be all steel. In reality, however, most of them are simply frames of wood covered by a metal shell.

Dodge Brothers Motor Car bodies are steel through and through—steel reinforced by steel—buttressed and braced by steel—even the frames and running boards are steel.

And slender, stronger steel corner posts replace the customary bulky posts of wood, affording full, unhampered driving vision on all sides—a safety feature of the first importance!

Travel in safety! Powerful, quick-action brakes, a chassis world-famous for its sturdiness, and a body of steel—these explain the enviable reputation for safety enjoyed by Dodge Brothers Motor Car—and the enviable feeling of safety enjoyed by those who drive it.

The car will continue to be a "four." No reasoning buyer will be distracted from the issue of QUALITY by mere CYLINDER propaganda.

Six Old Fiddlers Ready to Compete for Prizes; Many Others to Get In

Six entries had been booked formally for the Old Fiddlers' contest to be staged by the Escanaba Elks here Wednesday, April 7, a half-dozen more had indicated their intention of participating, up to last night. The management of the contest expects that at least 20 men will participate in the event.

Those already entered are: Dominick McCauley, Escanaba, Alfred Knutson, Escanaba, Charles Gagnon, Escanaba, John Shampine, Manistique, Fred Smith, Rapid River, Alex Wickstrom, Rapid River.

The tentative entries—men who have expressed their interest and intention of competing, but who have not actually filed their names—include old fiddlers from Bark River, Cornell, Gladstone and Garden.

Prize Contests.
The contests arranged by the committee will assure the audience as well as the contestants an enjoyable evening. Prizes will be given for the following:

- Best square dance, fiddler "calling" it himself.
- Best rendition of Irish jigs and reels.
- Best "Arkansas Traveler" with monologue.
- Best trick fiddling and imitations.
- Best solo—any type—of fiddler's own choice.

For the best all-around performances in two or more of the foregoing contests, the Elks will award a gold watch, suitably engraved with the name of the winner and the date of the contest.

In addition there will be special prizes for the oldest fiddler, the tallest fiddler, the shortest fiddler, the fiddler from the longest distance, the fiddler with the biggest family, the fiddler getting the best results from an instrument of his own construction, and other similar classes.

Entry Blank Prepared.
On this page there is an entry blank. Those contemplating entering the contest are urged to fill in the name and address and send it, as early as possible, to the "Fiddlers' Contest Editor," of the Daily Press, or to The Elks' club.

Committeemen in charge of the Elks' circus announced yesterday that they had contracted

with the Marigold Trio, well-known Chicago vaudeville, radio and phonograph-record singers, to appear here during the week of April 5. The Marigold boys know hundreds of songs, are exceptionally clever at improvising local parodies and are nationally known as high-class entertainers.

The date for the Bathing Beauty contest has been set for Saturday, April 10, the last night of the circus.

HER OWN WAY

SOME ADVICE.
I started right in to do what Mamie had told me and for two or three minutes I was very busy checking hats and entirely too nervous to look about or listen to what anyone said. At last I heard someone say:

"Hello, cutie, when did you blow in? I'm sure I've never seen you here before, but I might have known you'd be here, for Ziegfeld has nothing on Sterns when it comes to picking beautiful girls."

I tried to smile but my lips were frozen.

Then I looked at Mamie wondering. How could she have kept so sweet and full of good humor when all day she was tar-

get for the lawdy compliments that any man might see fit to give her. I was learning very rapidly that most men seem to think that with a compliment or two while showing an inclination to be a good spender, any man may make a conquest of a working girl. I found out that night that man never looks upon woman impersonally. She is never just a human being like himself. She is either his mother, his wife, his sister, a prospective romance or flirtation or the woman who does not count.

It had never occurred to me before that girls in business life had to put up with such things. Consequently I made a little sound of fear as another would-be flatterer tried to touch my hand as I held it out for his hat.

Mamie came forward, saying under her breath:

"Just act as though you didn't see it. It's nothing, my dear, after you get used to it."

"Do you have much of this sort of thing to put up with?" I asked as there came a lull. I was making up my mind that it would

not be as easy to get rid of these men as it had been to get rid of Chuck.

"Well, you have to stand it up to a certain point," broke in Mamie. "You can't make a man grouchy, for if you do he'll make a fuss to the management and you'll lose your job. But for your own sake you can't give him too much encouragement. You'll soon learn to have an answer ready that will make any man keep his distance without making him mad; that is, if you stay. But, I don't think you'll stick. Somehow you don't seem to fit in."

"I'm sure you don't seem to fit in," said a loud voice. "Sterns tells me, little one, that you've been playing in hard luck. Never let it be said that I neglected beauty in distress," and turning

J. C. PENNEY CO.'S NEW BUILDING IN NEW YORK A MODERN STRUCTURE

A handsome structural testimonial to the many-sided efficacy of the chain store system of buying and selling was realized when on January second, the J. C. Penney Company moved its home offices and warehouses under the one roof of its new \$3,750,000 building at 330 West 34th Street, New York.

The onward course of this chain has been minutely observed because of the fact that it is organized on a basis that is unique in the annals of mercantile pursuit. In occupying its new, modern,
