LEAGUE LOOMS AS OBSTACLE TO CAL'S PLAN

GENEVA COMMISSION ACTION URGED BY FRANCE.

BY DAVID LAWRENCE
Washington, Feb. 17—France's reply to the American proposal for a conference on naval armament is regarded here as permitting of further discussion.

Inasmuch as the delegates now at Geneva including those of the United States, are gathered under the auspices of the league of nations, the contention of France that the whole disarmament question be considered by the league commission instead of by a special conference makes it possible for the United States to clarify her views.

Thus the problem becomes one of procedure. Will France object to a special committee considering naval armament and bringing in a report to the whole disarmament conference so that ultimately land and air and sea armament can be considered as a unit?

France's insistence that the three problems—land, sea and air—be considered as a unit is regarded here as logical, in fact President Coolidge in his memorandum to the powers reiterated his sympathy with the plan of the league of nations commission which now is preparing a pro-

SCHOOL BILL CLIMAX NEAR

Final preparations for the defense of the Bohn law, which embodies the "Escanaba Plan" for apportioning state primary school funds in a more equitable manner.

Culver once moved to refer the bill to the judiciary committee on the phraseology could be straightened out but withdrew the motion when Representative Frank P. Darin, chairman of the committee, explained "there are 50 conflicting ideas among the membership of the house and no committee can report a bill satisfactory to everyone."

Former Gov Alex J. Grossbeck submitted a report to the legislature on the removal, last November, of Thomas E. Johnson, superintendent of public instruction. The report recited the charges of double compensation and affiliation with a surety company with which the state transacted business.

"I want to make it a real tough capital punishment bill," he explained. His amendment was turned down 47 to 29 after Representative John Simpson of Jackson, declared juries would rather acquit than convict in close cases if death were mandatory.

Two administration anti-lobbyist measures, which were reported by the house state affairs committee a few days ago were referred to committee. Some changes are to be made in the drafts. One provides for the registration of lobbyist and submission of their expense accounts and the other prohibits state officials or legislators from accepting employment to appear before the pardon commission or other state bodies.

A section of the bill which provided that when persons plead guilty to murder of any degree, the judge could take evidence, determine the degree and pass sentence accordingly, provoked long debate.

Representative William C. Birk of Ontonagon introduced a bill providing for regular inspections of motion picture theatres by the state fire marshal and designating fees to be paid by the operators to meet the cost of inspections.

Japan's attitude as reflected in official announcements at Tokyo indicates that she will not suspend construction or appropriations until an agreement is reached, a circumstance which may affect the congress here and prevent the president from winning his battle with the naval expansionists.

The whole episode illustrates the difference between a carefully planned program on which the powers were sounded out in advance, as in 1921, and the sending of invitations publicly without chance of informal discussion.

It is expected that the court will hear the case in Ingham county about March 1. Lawyers here believe that the law will be held constitutional. They declare that there are very slight, if any, grounds for anticipating an adverse decision.

CATHOLICS ARE ATTACKED AGAIN

Senator Heflin Usurps Four Hours to Rake the Pope.

Washington, Feb. 17.—(AP)—Nearly four hours of the senate's five-hour session today was taken up with a denunciation of Catholics in this country by Senator Heflin, Democrat, Alabama.

During this time the legislative machinery was at a standstill and when Senator Heflin threatened to continue his speech tomorrow there were cries of "no, no" from other senators, and Senator Curtis, the Republican leader, in obtaining the floor to move for a recess, said he could not promise that Mr. Heflin could proceed at that time.

"I'm not saying that I want it tomorrow," Heflin replied, "but if I do I'll get it."

Besides attacking the Catholic church and the pope in connection with that he described as an effort to involve the United States into war with Mexico, Senator Heflin accused Governor Smith of New York and his supporters of disrupting the Democratic party by seeking to have the 1924 New York convention denounce the Ku Klux Klan.

G. O. P. ignores Klan.

Moreover, the Alabamian expressed the belief that Governor Smith and "certain Republican leaders" had an agreement by which the Klan issue would be kept out of the 1924 Cleveland Republican convention and "dumped on" the Democratic convention.

The Alabamian charged that the Catholics long had conducted a secret movement to involve this country in war with Mexico; that the Knights of Columbus had compelled its members to contribute to its Mexican fund under pain of suspension, and that the Catholics were attacking him because they wanted to impress upon the senate "the power and vengeance of the Catholic clergy and the power to crush anyone who opposes the policy of the pope."

Calling attention that it was "a Roman Catholic member of the house," Representative Boylan, Democrat, New York, who first introduced a resolution for severing diplomatic relations with Mexico, Senator Heflin asserted that movement for war with Mexico had been "wholly a Catholic one from the start."

Reading from the record of the hearings before the house foreign affairs committee and members by Catholics to support his contention that the Catholics themselves had injected the religious issue before congress, Senator Heflin declared that "no brave and honest man will accuse me of injecting this issue here in the face of these uncontroverted facts."

SOCIAL

Card Party Success.

Seventy-eight tables were occupied with card players at the card party given Wednesday evening by members of the Young Ladies' Sodality of St. Anne's parish. The parish hall was packed to the doors and many were compelled to return to their homes as there were not enough tables to accommodate the large crowd.

This party was the first one sponsored by the newly organized sodality and the members are more than pleased with the result of the affair socially and financially.

The prize winners in five hundred were Mrs. Leo Young, first; Mrs. Carl Norval, second; A. D. Richer, first and Elmer Brude, second. Bridge awards were given to Mrs. F. X. Fontaine, first and Mrs. Albert Cyr, second; Emerson Harvey, first and William Henderson, second. Pedro prizes were awarded to Miss Exilda Chouinard and George Chalkline.

A delicious lunch was served and the young ladies extend their heartfelt thanks to the public for their generous patronage.

W. B. A. Card Party.

Members of the Women's Benefit Association will give a card party at Grenier's hall Monday evening, February 21st at eight o'clock. Bridge and five hundred will be played and prizes awarded to holders of high scores. A dainty lunch will be served. The patronage of the public is solicited as the proceeds are for a worthy cause.

The committee in charge has chosen unusual prizes for the occasion and a good time is assured all who attend.

French-Bergeon.

Lansing, Mich., Feb. 15.—Mr. and Mrs. M. W. French have announced the marriage of their daughter, Mary to Clayton Bergeon of Escanaba. The wedding took place January 24th at 7:30 o'clock at the Church of the Resurrection. Rev. John Gabriels performed the ceremony.

Mrs. Bergeon is employed as a buyer at the Dancer-Brogan Company while Mr. Bergeon is a senator at the Michigan State College and a member of the Phylean so-

such insidious activity of the pope of Rome in America. I never dreamed of the power he had over Catholic clergy and hierarchy in this country.

Nation-Wide Contest for School Children and Their Teachers

A modern youngster is going to know more about food than his parents. He is going to know more about the food value of whole wheat and he is going to eat more of it. That means stronger bodies and better teeth. Right now he is engaged in digging up all the facts about the origin and history of wheat. He is asking teachers and parents all about the whole wheat grain.

Johnny is not studying the history and food value of wheat because of any great thirst for knowledge, but because he has a chance to take a free trip to Niagara Falls at the expense of the Shredded Wheat company. If he writes a prize-winning essay he not only goes free of expense, but can take his teacher with him.

The Shredded Wheat company has done a great deal to spread the gospel of health and food hygiene. But this is the greatest educational project ever carried out by this company, or any other company. The contest last year was such a success that the company decided to repeat it this year. It is estimated that about 250,000 school children wrote essays on the whole wheat and Shredded Wheat. From these essays the twenty best ones were selected and the writers—boys and girls—with their teachers, came to Niagara Falls at the expense of the Shredded Wheat company. They were put up at Niagara Falls' new palatial hotel, and were given a luncheon in the beautiful dining room of the Shredded Wheat factory. They saw the great cataract, took a ride down the Great Gorge railway, and did all the exciting stunts that are usually done by visitors to the falls. It was the thrill of their young lives and will linger long in their memories.

Wheat industry is one of the romances of modern business. Starting in a small way, it grew into a great world-wide business, finally moving to Niagara Falls, where a two million dollar sunlit, sanitary factory was built for the manufacture of Shredded Wheat products. This "Home of Shredded

Wheat" is visited every year by over 125,000 tourists from all parts of the globe.

Prices Here Are Always as Low as Possible Every Day

Holding the Public Good Will

Our opinion is that a Value that is good today will also be good tomorrow and every day.

If an article, for example, is worth \$4.98, that is a just price to sell it for. To reduce the price would be to admit that it was not properly priced in the beginning. We never have two prices for the same article. However, we do continuously keep our prices as low as is consistent with current market conditions and re-placement costs. We never name comparative prices.

Here you receive the same fair consideration every day which means that your Dollar always buys 100 cents' worth —no less, no more! And that 100 cents' worth is measured in the most liberal way possible.

Operating without spasmodic "sales" or other unnecessary price-changing methods, selling for cash only and giving the customer the full benefit of the far-reaching buying power of this country-wide institution, we have found it possible not only to win the good will of the public but to continue to hold it.

NORTH CAROLINA'S NEW BOOM. North Carolina, which has been up to its ears in an industrial and real estate boom ever since the war, now has another kind of boom—a kind that southern states enjoy all too rarely, namely, a presidential boom.

True enough, only Jackson was an outstanding figure. But he was born in North Carolina, of North Carolina parents, and spent his youth there, moving to Tennessee after he had attained manhood. Polk was prominent in North Carolina politics throughout his life, serving the state as congressman and governor. Johnson moved to Tennessee early in life—for which North Carolina is perhaps just as well satisfied.

Down in Tennessee, a man who celebrated his 105th birthday recently, declared he got that way by "working every day and taking no exercises." When he gets through with his job, we'd like to have it.

TOM BLANTON of Texas left-tailed Sol Bloom of New York in the jaw, during a committee hearing at Washington the other day, and a free-for-all fight started. Their method of voting on proposed legislation is somewhat irregular, but perhaps, with the assistance of Tex Rickard and Bill Muldoon, a satisfactory system could be worked out.

California press agents are going to have a hard time convincing the public that their storm was as spectacular as the one Florida staged last year.

So They Say.

Before a candidate can throw his hat into the ring nowadays he has to pass it—Virginia-Pilot. About the only thing a man needs to become political timber is the ability to plank down—El Paso Herald. Hard times are those in which the people pay off the bonds they voted to issue in good times—Memphis News-Scimitar. If a young man is hunting for a wife, getting parties are very useful for purposes of elimination—Washington Post. The man who says there are no new jokes probably hasn't read the 12,000 bills now before Congress—Richmond News-Leader. "None of my appointments ever have been refused," proudly declares Governor Small. That is one of the troubles with this State Governor—Chicago Evening Post. Don't worry about political differences. It is political indifference that is the curse of the country—Schenectady Union-Star. The way of the transgressor is hard, and so is any other well-trodden path—El Paso Times.

And now she vowed never again to take Tubby there, or anybody else. People were too curious, too snooty. No, she would ask either Miss Folsom or Mr. Pelton for a doll, whichever of the two seemed more amenable.

And still thinking of those glorious human-looking fairies, she went about her regular routine of work. Later, she was startled to receive a summons from Dan Pelton himself.

"Well, Myrtle, that gentleman said, a little sharply, 'so you spent your time in here while I was at my uncle's funeral.'"

"No, sir," she said, glibly. "Not that, Mr. Pelton. I came in here with the fresh towels, but I didn't spend my time here."

"Didn't hang round a bit?" "Only to look at the dolls," she said, thinking it might be her opportunity. "Oh, Mr. Pelton, aren't they beautiful? Oh, I do love 'em so!"

"Do you? Well, well, perhaps I'll have to give you one. But someone has been meddling with my belongings—my suitcase. Was it you? Answer me." (To Be Continued)

Tubby thinks he has found a clew, and in the next chapter he goes to Titus Riggs with it.

GLEE CLUB HAS FINE PROGRAM

Music Lovers Looking Forward to Real Treat Next Sunday.

Music lovers of this vicinity already are looking forward to the concert of the Marquette University Glee club of Milwaukee, and when the student musicians appear here, Sunday afternoon, February 20, there is every indication that a near-capacity audience will be on hand to greet them.

The Marquette organization ordinarily makes its annual concert tour during the spring recess, but Director William Wegener is working with a group of veteran student songsters this year and they were prepared for their public appearances at an earlier date. Therefore, the tour was arranged for the winter musical season and the concert here will be an outstanding event of the year. Fewer cities in this section are being visited this season, as the first week of the tour will be confined to appearances in southern Wisconsin and northern Illinois.

In Eighth Year.

This is the eighth year in the history of the Marquette Glee club, and student and university authorities are of the opinion that Professor Wegener has developed one of the best groups the Hilltop has ever had. The organization includes thirty-two finely trained voices, as well as vocal, instrumental and reading soloists.

The accompanist for the club in its concert here will be Querin Deuster, a Marquette student, a graduate of the Wisconsin Conservatory of Music, and at present an instructor in the latter institution. In addition to his work as accompanist, he will give a number of piano solos, including the Dance egle, Turkish March and MacDowell's Concert Etude, all of them rare treats for local music lovers.

Featured as a vocal soloist with the club will be Robert Schweisthal, dashing young baritone, who acted in the same capacity with the club last season with tremendous success. Mr. Schweisthal is a regular staff artist of the WHAD radio station, and also has made many other appearances at various functions in Milwaukee and elsewhere. James Taugher, also a veteran with the club, will give a number of humorous readings, a bit of variety which has lent popularity to the Marquette programs of the last two years.

The Marquette Music Masters, premier dance orchestra of the university's "Varsity Village," is making the tour with the Glee club and will give a number of popular selections. Arrangements also probably will be made for a matinee dance and dinner here following the Glee club concert. The Music Masters, ten of them, would furnish the music.

The director of the club, Professor Wegener, is head of the voice department of the Marquette College of Music. He is a veteran opera singer with a baritone voice, having appeared extensively with the Savage English Opera company and the Metropolitan. This is his second year as head of the Marquette songsters, and he has met with popularity from those under him from his audiences.

Following is the schedule of appearances for the club on its 1927 tour: Feb. 7, Kenosha, Wis.; Feb. 8, Waukegan, Ill.; Feb. 9, Elgin, Ill.; Feb. 10, Rockford, Ill.; Feb. 11, Aurora, Ill.; Feb. 14, Two Rivers, Wis.; Feb. 15, Mantowoc, Wis.; Feb. 16, Marquette, Mich.; Feb. 17, Hancock, Mich.; Feb. 18, Calumet, Mich.; Feb. 20, Escanaba.

Federal Income Tax Man to Spend Ten Days in City

Daniel Crowley, deputy collector of internal revenue, will be stationed at the postoffice building here from March 5 to 15, inclusive, to assist taxpayers in filing out current income tax returns, which are due on or before March 15, next. This announcement was made yesterday, by Fred Woodworth, collector for the First district of Michigan, whose offices are in Detroit.

A THREE DAYS COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified crocote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, crocote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to crocote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the crocote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. (adv.)

BRIEFLY TOLD

Auxiliary Dance.—The Ladies Auxiliary to the B. of R. T. will give a dancing party at the North Star hall Thursday evening, February 24, when the musical numbers will be furnished by the Delta Syncoptators. There will be an attractive program of new and old-fashioned dance numbers, and a cordial invitation is extended to the public to attend. The committee in charge are making every effort to entertain the dancers in a royal fashion.

B. A. of R. E. Activities.—The members of the B. A. of R. E. enjoyed a very successful keno party at the Eagles' hall Tuesday when a large number of valuable prizes were given. There was a large attendance and everyone voted the party a most entertaining affair. A committee has been selected to make plans for a costume party to be given in the near future before the Lenten season begins, and at which the public will be invited. The proceeds of the party will be given towards a fund for furnishing a room in the new addition to St. Francis hospital. Many other organizations in this city and throughout the county are making plans for social functions to raise money for the hospital. As it is a most worthy cause, it is expected a large attendance will be recorded. The date and place of the B. A. of R. E. party will be announced later.

Lincoln Picture Show.—The fifth of a series of moving pictures being shown to students of Escanaba high school was presented to a capacity audience in the high school library yesterday afternoon. The picture, entitled "The Highest Law," is a moving picture study of the life of Abraham Lincoln. It is furnished by the extension department of Indiana university.

W. R. C. Bake Sale.—Members of the Women's Relief Corps will conduct a bake sale at the Peterson

Flower Shoppe Saturday, February 19, beginning at 9 o'clock. A large assortment of baked goods will be offered for sale and all articles will be home made.

Valentine Social.—A Valentine social will be held in the parlors of the Swedish Methodist church tonight at 8 o'clock. Refreshments will be served and an appropriate program given. A cordial welcome is extended to all.

Knights of Pythias.—Members of the Knights of Pythias will observe "Anniversary Sunday," next Sunday evening, by attending the First Presbyterian church in a body. The Pythians will meet at their hall at 7 o'clock and will march to the church at 7:15. There will be a special sermon by Rev. John B. Hubbard, and special music by the choir. All members are urged to attend.

Indoor Field Meet.—The Knights of Pythias entertainment committee has announced that an "indoor field meet" will be held in connection with the meeting of the lodge next Wednesday night. It is believed that the affair will prove to be an enjoyable novelty.

Young Peoples' Society.—The Swedish Baptist Young Peoples' society will hold its monthly social meeting Sunday afternoon at 5 o'clock.

Evening of Song.—An evening of song and music will be given at the Swedish Baptist church Friday evening, March 11, by Rev. and Mrs. Hanson of the Swedish Mission church, Swedish Baptist orchestra and choir. Mrs. V. Goodman of Gladstone, Mrs. Lillian Johnson, Miss LaVerna Olson, Miss Evelyn Olson and Miss Francis Olson. Refreshments will be served.

Fr. Bertrand Entertains.—Rev. Fr. Bertrand Labinski, O. F. M., pastor of St. Joseph's church, entertained Wednesday evening at 8:30 o'clock members of the choir, the trustees, members of the cast of "Too Many Wives," which was presented in

the autumn, and others who helped with the play. Members of the Collegiate orchestra played at a sumptuous banquet at the club-rooms.

Mrs. Phil Tonne was chairman of the banquet committee, assisted by Mesdames N. A. Bink, M. Petry, M. Hemes, William Carroll, C. Aberly, James Brown, George Lemmer, Frank Groos, Joseph Gleich, Peter Murray. The ladies deserve much credit for the excellent manner in which they handled the sixty guests present.

Rev. Fr. Casper Matz and Rev. Fr. Oscar Frey, assistants at the parish, also attended. Cut flowers were used for the table decorations.

After the banquet the guests adjourned to the auditorium where an excellent program, directed by Miss Eva Cossette, was rendered, and every artist who part received rounded applause and all present voted the function a most enjoyable affair. Father Bertrand expressed a wish that the program be repeated at some future date.

The program presented included the following numbers: Orchestra Selections—The Collegians.

Vocal Solo—George Ammel, Piano Selections—Vaughn Belanger.

Vocal Solo—Miss Rose Bink. Violin Selections—Marvin Hirn, piano, Miss Cossette.

Vocal Duet—Mrs. J. A. Semer, Frank Hirn; piano, Miss Cossette. Impromptus—Miss Adrienne Toussignant.

Piano Solo—Dr. Gordon Gleich. Piano Selections—Miss Rose Bink.

Vocal Solo—Frank Hirn; piano, Mrs. Frank Hirn.

Vocal Selections—Mrs. J. A. Semer; piano, Miss Cossette. Chorus—St. Joseph's choir. Piano Solo—Miss Eva Cossette.

Pythian Sisters—Members of the Pythian Sisters will meet at the K. of P. Hall this evening at the usual hour. A large attendance is desired.

Card Party Tonight: A card party for the benefit of the

building fund, and sponsored by the Escanaba Woman's club, will be given in St. Patrick's hall at 8 o'clock tonight. The committee in charge will be the ladies who took part in the "Mimes" and who will be in costume. The public is invited to attend.

North Star Dance.—Lundin's orchestra will furnish the music for a dance in the North Star hall Saturday night.

Mrs. Graham Served.—In an account of the Knights of Pythias roll call night, Wednesday evening, Mrs. John Graham's name as caterer was inadvertently omitted. The Pythian Sisters assisted her.

Terrace Gardens.—On account of the large number of requests for a dance before Lent, the management of Terrace Gardens will have two dances one on Saturday, February 26th and the other on Monday, Feb. 28th, sponsored by the American Legion of Escanaba. The Midnight Entertainers will play. This will be the last dance until Easter Monday.

Priest Under Knife.—Rev. Fr. Oscar Frey, O. F. M., assistant pastor at St. Joseph's parish submitted to an operation for appendicitis at St. Francis hospital Thursday morning. Father Frey had several attacks and it was deemed advisable to have the operation as early as possible. He

was resting easily late yesterday afternoon and is as well as can be expected. Father Oscar came to this city in November and since his arrival in the city has formed many sincere friendships. His many friends join in wishing him a speedy recovery.

Lemmer to Judge High School Tilt

Prin. John A. Lemmer of Escanaba high school, will leave this morning for Iron Mountain, where he is to judge a debate between Iron Mountain and Ishpeming high schools on the question, "Resolved, That the United States government should own the coal mines."

Work Begun on Big C. & N. W. Standpipe

Work was begun Wednesday on the erection of a new 150,000-gallon solution stand pipe being installed for the Chicago and North-Western railroad at their tie treating plant in North Escanaba by the Chicago Bridge and Iron Works. The work is being done under contract with the Chicago concern.

When completed the pipe will be 30 feet in diameter and 29 feet high. Four men are assisting J. Gordon, foreman, in the erection of the new container that is expected to be completed in a few weeks. The work is in connection with some extensive changes being carried on at the tie plant.

2 BOUND OVER IN BLANEY RUM TRAFFIC CASE

Fred Taske, 32, and John Johnson, 61, both of Blaney Junction, have been bound over for trial in circuit court on liquor charges as a result of Sheriff John Hewitt's recent raid near the Blaney Quarry location.

Taske is charged with manufacture and possession of intoxicating liquor and Johnson with sale. Both were arraigned before Justice W. A. McKinney at Manistique, waived examination, and were bound over to circuit court. Recognizance in each case was fixed at \$500. Taske, who has a wife and family, was able to secure bondsmen, and was released yesterday.

An affidavit of sale is held as evidence against Johnson. Sheriff Hewitt also has in possession parts of a still and samples of liquor seized at the Taske place.

GIANTS MENACE LEADERS; CLUB AVERAGE IS 149

The race in the Elks Bowling League is beginning to tighten up. The Giants now being only one game behind the leading Cubs, and the Bear Cats are trailing the leaders by only a few games, with the Lions following only one game behind the Bear Cats.

This week the Lions took the series away from the Pirates, winning two out of three, although the Pirates won out on total pins and got some free bowling at the expense of the Lions. Ludlow's Giants were at their best and made a clean sweep of their series with the Tigers. The Giants have been hitting up a fast clip during the past few weeks. The Bear Cats took the Cubs down a few notches by winning two out of three, and missed taking the third game by a slight margin.

Graphos was the only one to get over the 200 mark during the week, getting 211 in one of his games, and with Dr. Southard shared high average with 185. Stanness, Ludlow, and Crowe all moved up a notch or two in the individual standing with games well over the 170 mark.

The league average is now 149 which sets a new high mark for the season.

The schedule for the coming week brings the leaders together, and some interesting contests are looked forward to. Monday night the Tigers and Pirates will meet together. The Lions will take on the leading Cubs on Tuesday night, and the Giants and Bear Cats will have an interesting session on Wednesday night.

Iron Trade Review

Cleveland, O., Feb. 17.—Iron Trade Review today says: Encouraging factors are ascending in the iron and steel markets in point both of new business and production. Orders for heavy finished steel in the key districts are in excess of the January rate and compare favorably with last February. Quiet selling of pig iron for second quarter delivery has piled up a surprising tonnage. Consumers of coke, especially in the East, are purchasing more liberally in anticipation of a coal strike, and a firmer Connellsville market is one consequence.

Chicago mills must go back almost a year to ferret out as good a week in steel bar specifications. Deliveries of tubular goods have become sufficiently deferred to cause buyers to look more carefully to their requirements. Some sheetmakers have acquired a semblance of a backlog. Warehouses in all centers are meeting increasing demand. Tin plate consumers are pressing for shipments. Operations in practically all districts are expanding, with the trend most marked at Chicago where a Steel corporation subsidiary has lighted its third blast furnace—stock 'a' as many weeks. Two strikes have been added at Cleveland. Steel production subsidiaries are operating at 52 per cent.

Prices cannot be appraised as stable, but movements are less erratic and concessions on some products are more difficult to uncover. Now in position to lay out their schedules ten days to two weeks in advance, sheetmakers are less precipitate with low quotations and the sheet market has a better under-tone. Strip, hoops and bands and cold-finished bars have yielded \$1 to \$2 a ton under pressure. Connellsville furnace coke now has a bottom of \$2.85, an advance of 10 cents, while the minimum of the spread on the foundry grade is up 25 cents, to \$4.

Sharp recovery by the British industry is recorded in Iron Trade Review's weekly radio report from London. Pig iron production in January was 424,600 tons compared with 38,000 tons in December. Active blast furnace stacks on February 1, numbered 152 against 78 on January 1. Steel output in January was 730,700 tons, compared with 519,200 tons in December. January iron and steel imports into Great Britain amounted to 555,253 tons, a gain of 28,000 tons over December. Exports in January were 219,369 tons, compared with 158,664 tons in December. It is not believed that Germany will withdraw from the European entente, but heavy reductions in steel quotas for second quarter are expected.

Iron Trade Review's composite of 14 leading iron and steel products continues to decline, being \$36.91 this week, against \$37.06 last week and \$38.43 three months ago.

Scenery Arrives for High School Auditorium Stage

New scenery recently ordered for the state at the Manistique high school auditorium has arrived and will be installed in time for the next lyceum number on February 25. Prin. R. H. Wilson announced yesterday.

The two new stage settings are gifts of the last two graduating classes at Manistique high. They were purchased from the Timm scenic studios at Tiffin, Ohio, and will be a welcome addition to the stage properties at the local auditorium. The new scenery will be used for the first time in the home talent entertainment scheduled for next Friday evening.

Use of Old Maps Helps Out City

Old Consolidated Lumber company plats loaned to the city by R. H. Teeple are proving of great value in correcting tax descriptions of local property. City Manager R. S. Wallis said yesterday.

The maps in possession of Mr. Teeple, which he has loaned to the city for an indefinite period, are found to be very complete, and will be an invaluable help in the work of checking up plats and property.

Boys Give Report For Rotary Club

Manistique Rotarians were given the privilege yesterday of listening to reports of the Older Boys' conference held last week at Escanaba, as seen by Jack Nussbaum of the high school faculty, Leonard Stoor and Clayton Fountain, delegates, who were guests at the regular Rotary club session Thursday noon.

An added feature of the meeting was the opening of a discussion on "questionable practices," in which each member will give a short talk regarding uncommendable activities in his particular line of business.

Many Voters Not Registered

A check-up of the list of voters appended to a petition presented at the city hall last Monday evening revealed that there are many Manistique people who believe themselves to be voters, but are not registered on the records at the city clerk's office.

In certifying the collection of names yesterday, Clerk James Christensen found that about 20 per cent of the petition signers were not registered. With election time again close at hand, those who expect to vote are again reminded that their names must be properly entered in the registration books at the city hall. In cases of removal from a precinct since the last election, voters must be re-registered in the proper precinct before they can be certain of their legal voting status.

PILL-TAKER FREED FROM HIS HABIT

ALL-BRAN brought natural relief from chronic constipation.

Constipation is almost a universal curse—father of more than forty diseases. Yet there is real assurance in Mr. Ladue's letter:

"After sixteen years of taking pills, it cured me. If the millions of people that suffer from constipation only knew what Kellogg's ALL-BRAN would do, some of the pill-makers would go out of business. Every doctor should recommend it. I tell all that I know so that they can get the joy out of life I am getting since I started on Kellogg's ALL-BRAN 3 months ago."

Mr. JULIAN LADUE
Burlington, Vt.

Hollow cheeks, pimples, listlessness are some of the symptoms. Don't risk it another day. Kellogg's ALL-BRAN is guaranteed to relieve constipation. Two tablespoons daily—in chronic cases, with every meal.

Delicious with milk or cream—and add fruits or honey. Use in cooking. Comes ready to eat. Sold and served everywhere. Made by Kellogg in Battle Creek. Recipes on package.

STOCK SALES AVERAGES. Twenty - Twenty Date Industrials Railroads Thursday 147.76 136.46 Wednesday 147.45 134.56 Week ago 146.79 133.21 Year ago 144.64 114.17 High 1927 147.76 136.46 Low 1927 141.23 125.68 Total stock sales 2,322,500 shares.

New York, Feb. 17-(P)—With public imagination fired by a flock of merger rumors, none of them confirmed, the stock market today witnessed another outburst of speculation in the railroad shares, which carried the general price average of that group to the highest level since 1910, and sent more than two dozen individual issues to their highest quotations since 1925 or longer.

The demand for the railroad shares was stimulated by intimations of a counter move by the Pennsylvania and Loretta railroad interests to effect the coup of the other three eastern trunk line systems in obtaining control of the Wheeling & Lake Erie and Western Maryland roads.

Foreign exchanges were somewhat easier, with demand sterling quoted around \$4.84 1/2 and French francs around 3.91 1/2 cents.

CHICAGO LIVESTOCK. Chicago, Feb. 17—Cattle, receipts 12,000; fat steers steady to 1/2c lower; weighty kinds strong in spots, butcher stock weak to 1/2c lower; light butters declining most, bulls 10 to 15c higher, selected yearlings steady to 1/2c higher; stockers and feeders steady; best fat steers, 12.50; best yearlings, 11.50; weaners to shippers, 14.00 up-ward; 1/2c light kinds to packers, 12.00 downward.

CHICAGO GRAIN. Chicago, Feb. 17—Prospects of a cold wave that may do considerable winter wheat tended to lift wheat values today. Wheat closed firm, 1/4 to 1/2c net higher, with corn unchanged to 1/4c off, oats unchanged to 1/4c up and provisions showing 1/4c to 1/2c advance.

CHICAGO BUTTER. Chicago, Feb. 17—Butter today ruled firm under fairly active trading and limited supplies. Top scores were held for premiums, which were obtainable in some quantities.

MAKE CHANGES ON HIGH STAGE

Carpenters Begin Work of Altering for New Scenery.

Escanaba high school's second great fashion show this school year will take place in the high school auditorium Tuesday, February 22, when the teachers of the institution present two hours of merry entertainment, "Nothing But the Truth."

The attractive new Cyclorama scenery being purchased from the proceeds of the affair and the large, new and costly mulberry colored curtains bought by the school board will grace the stage of the auditorium Tuesday evening. The two sets of material were expected to arrive either last night or this morning. Carpenters started to remodel the stage yesterday afternoon to take care of the decorations which will be tried this week.

The high school's first fashion show took place a few months ago when business and professional men of the city purchased new sheepskin mackinaws for the football team and the students of the high school assisted by contributions from business men were able to buy new uniforms for the band. The coats and the uniforms were estimated to cost about \$1000 but since that time their intrinsic value is beyond estimation as far as the students of the high school are concerned.

It is expected that the improvements to be made as a result of "Nothing But the Truth," and the action of the school board will meet with as much favor as did the sheep lined coats and the band uniforms.

There are still many good reserved seats obtainable for Tuesday evening's entertainment. Special care has been taken by those in charge to see that no undesirable seats be given out. All seats that do not warrant an advantageous view of the stage have been blocked off and will not be sold unless an emergency arises. Seats may be reserved either at the Office Service company or by mail. In the latter instance letters should be addressed to "The Faculty Play, Escanaba high school."

Children's Sore Throat

Mothers know that children's sore throats are serious, often leading to tonsillitis, scarlet fever or diphtheria. Also that it is hard to treat because the usual remedy is a gargle and children can not gargle.

A famous physician's prescription called Thoxine works on new principle—goes direct to the cause not reached by gargles and patent medicines and brings relief within 15 minutes or money back.

And the remarkable thing about it is it contains no iron, chloroform or dope—harmless and safe, pleasant taste. Remember, relief within 15 minutes or money back. 35c., 60c. and \$1.00. At all druggists. Adv.

ESCANABA GIRL PRIZE WINNER

Information received by the Escanaba News Service revealed that Miss Rose Bink, daughter of Mr. and Mrs. N. A. Bink, 1109 Seventh avenue south, had won second prize, for Michigan, in the "Peaches" beauty contest conducted by the Chicago Tribune. Formal announcement will be made by the Tribune Sunday morning.

Miss Bink was born and reared in this city. She is an accomplished musician and the possessor of a beautiful soprano voice which is frequently heard in churches, concerts and entertainments here and elsewhere in this section. She was graduated from Holy Angels Academy at Milwaukee in 1923, and later studied voice under Prof. Robert Wegener, head of the department of music at Marquette university.

Miss Bink is the accompanist at radio station WRAC here. While a music student in Milwaukee, Miss Bink, under the name of "Rose Dante," frequently broadcasted from stations WIAD, WEAY and WOI.

Miss Bink has accepted an invitation to sing several selections at a minstrel show being given tonight in Menominee by the American Legion.

My Beauty Aids for You

By Edna Wallace Hopper

"I offer you my premier beauty aids. They have cost me 48 years of searching, 35 trips to France, and at least \$150,000. Today, at every store, you can get them at 1/3 the price they are placed at your command. They brought me a glorious career as a beauty on the stage, and that career continues. Women who see me daily envy my youthful bloom. My major help is my White Youth Clay. Not an ordinary clay, but the final result of 25 years of scientific study. It is white, refined and dainty. It combines with two clays some of the best helps known for beauty and youth and complexion. I have seen my White Youth Clay bring to countless girls, inside 25 minutes a new beauty which amazed them. Older women seem to drop ten years. No lover of youth and beauty, when she learns the results, can neglect it. My White Youth Clay purges the skin of all that clogs or mars it. It draws out the causes of blackheads or blemishes. It brings the blood to the skin to nourish and revive it. The result is a rosy afterglow which amazes and delights. It combats all lines and wrinkles, reduces enlarged pores. I never knew a product which did so much so quickly. Any girl or woman can gain new beauty or new youth from one application of my White Youth Clay. Often the results will seem unbelievable. My example shows how those results continue and increase. Please try it. Any toilet counter supplies Edna Wallace Hopper's White Youth Clay at 50c and \$1. Or the coupon will bring you a trial free, also my Beauty Book. You will always thank me for this offer."
