

PRISONER TRIES TO ESCAPE; TWO SHOT

TIMES CHANGED IN NAVY DEPT SINCE THE WAR

WILBUR TAKES POSITION OF MAGRUDER.

BY DAVID LAWRENCE. (Copyright 1927, by the Escanaba Press) Washington, Sept. 27.—Times have certainly changed in the navy department. Instead of disciplining the critic Secretary Wilbur in effect has asked the critic to imagine himself sitting as administrator of naval policy.

Critics Inside Navy

The incident illustrates a change in the attitude of the naval secretaries toward critics inside the navy. This has come about gradually because it has been considered far better to recognize the value of criticism rather than have managed to cross examine naval officers before appropriation committees and thus bring out criticism at times considered inopportune by the naval secretaries.

Abandonment of Yards

The abandonment of navy yards is one of the most perplexing problems of all, and members of congress from districts containing superfluous navy yards always manage to gather enough votes among their colleagues to prevent abandonment.

WEATHER

UPPER LAKES—Moderate to fresh winds; mostly cloudy Thursday with probably showers. LOWER MICHIGAN—Mostly cloudy Thursday and Friday with probably showers; moderate temperatures.

Doty May be Returned to Foreign Legion to Serve Out Enlistment

Paris, Sept. 28.—(AP)—The immediate future of Bennett J. Doty, American who has been pardoned by the French government after having served a part of his eight-year prison term for desertion from the Foreign Legion, rests entirely in the hands of the French ministry of war and still undecided today.

LAST PLEAS ARE HEARD BY JUDGE

To Give Decision on Colony Dissolution Case in Two Months.

St. Joseph, Mich., Sept. 28.—(AP)—Closing arguments in the state's prolonged suit to dissolve the House of David colony as a public nuisance were heard today by Judge Louis H. Fead. Special Assistant Attorney Gen. George E. Nichols asked complete dissolution of the colony through receivership proceedings and distribution of its assets to its present and former membership.

Purnell Faces Charges.

Mr. Nichols summed up the state's case quietly referring only briefly to attack of defense counsel, W. J. Barnard, Tuesday, as to the integrity of the state and the honesty of its purpose in pushing the suit.

Charge Conspiracy.

The state opened the arguments Monday before Judge Fead followed by defense counsel Tuesday. Testimony advanced by both state and the defense composes the greatest volume of its kind in the history of the state bringing into the history the life story of "King Ben" and his consorts, Mary Purnell, whom he married. Included in this testimony is the allegation that Purnell left a wife and a child without divorce to marry "Queen Mary."

Must Give Time of Search on Warrant

Detroit, Sept. 28.—(AP)—In handing down an opinion today relative to a raid made without a search warrant, Federal Judge Ben Dewdney ruled that warrants to search for liquor must bear the authorized time of search.

FRENCH NATION ASKS A DELAY IN PUBLICATION

MAY MEAN ANNOUNCING OF DEFINITE PLAN.

Washington, Sept. 28.—(AP)—Delay until next week at the request of the French government of publication of the Franco-American tariff correspondence announced today at the state department created an impression in Washington that a definite decision by the Paris government was to be expected by Saturday on its policy as to commercial duty negotiations with the United States.

LESLIE MILLER WINS 1ST PLACE

Leads Field in Class B Event of Spokane Air Race.

Portland, Ore., Sept. 28.—(AP)—Racing in the face of a gale that swept the Columbia gorge, Leslie C. Miller, of Des Moines, Ia., today won first prize of \$1,000 in the class B Spokane to Portland air race over a field of 13 starters. His elapsed time for the 300 mile flight was four hours, 31 minutes, 55 seconds.

Outlook for Last Three Months Good

Detroit, Sept. 28.—(AP)—An encouraging outlook for the final three months of the year is anticipated for the Great Lakes region, according to reports laid before the Great Lakes Regional Advisory Board today.

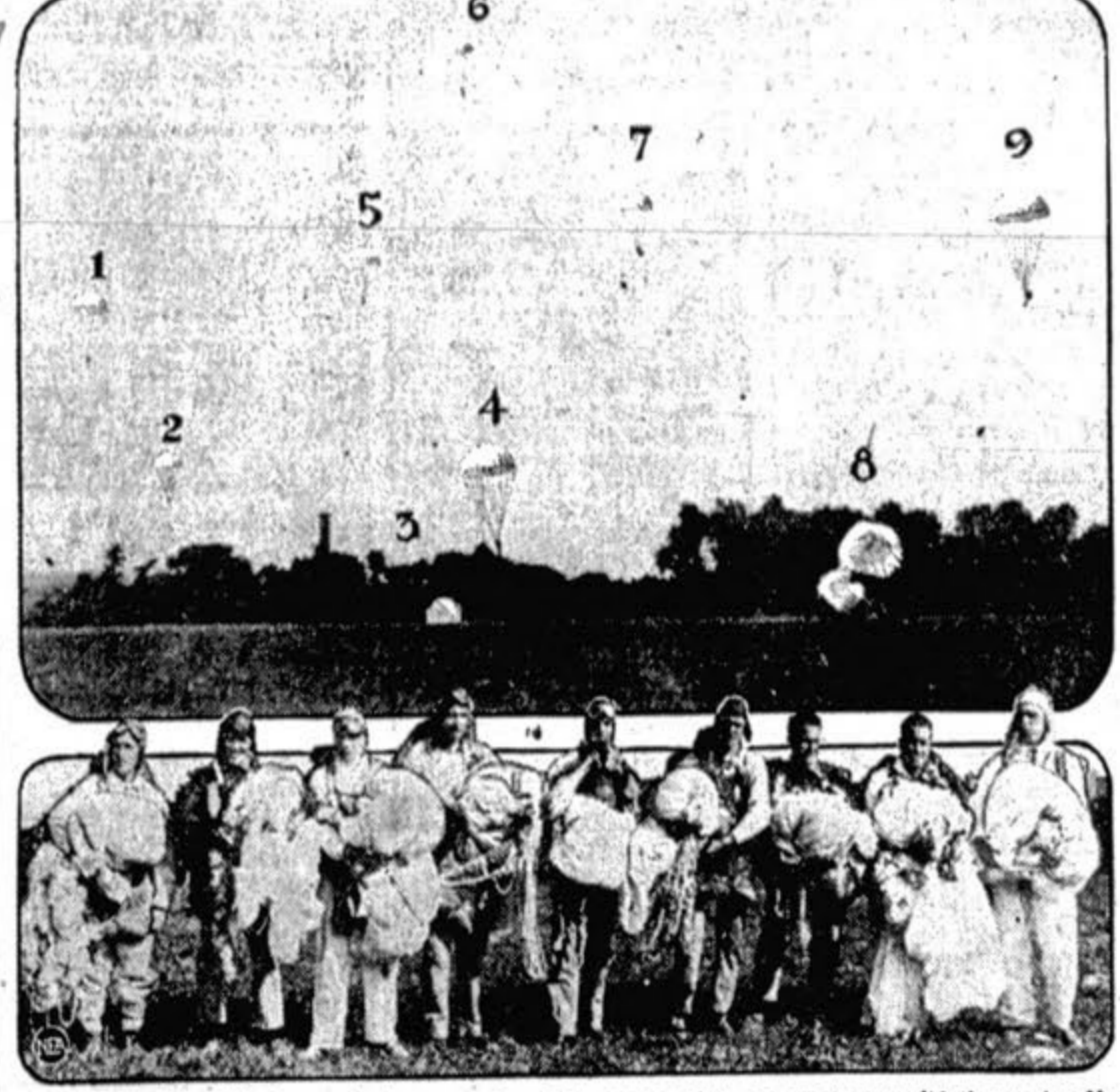

Thirty Four Killed, Priest Captured, in Mexican Disorders

Mexico City, Sept. 28.—(AP)—Thirty-four rebellious "Catholic fanatics" were killed and a Catholic priest, Father Sedano, was captured and summarily court-martialed and executed after two brisk combats with federal troops in the state of Jalisco, says a bulletin issued by the presidential bureau tonight.

Factory Janitor Sends Invitations to Cities to Join World League

Boston, Sept. 28.—(AP)—William A. Ryan, Dorchester janitor, and self-styled "organizer and president of the World League of Cities," is the author of an invitation to Boston's tercentenary celebration which resulted in an acceptance by the soviet government at Moscow today.

WHEN BIRDMEN FLOCK TO EARTH

They proved that big transport planes can be safely evacuated in an emergency, did these nine Navy and Marine parachuters who jumped one after the other from a ship 1800 feet above Bolling Field, Washington, D. C.

FEMININE BANK ROBBER INSANE

22 Year Old Former Coed Suffering From "Enlarged Egoism."

Georgetown, Tex., Sept. 28.—(AP)—Mrs. Rebecca Birdley Rogers, 22 year old former coed who is alleged to have robbed a bank and planned the robbery of another while she was working for a master of arts degree at the University of Texas, had no sense of right or wrong, alienists testified here today in her trial on a charge of arson.

Bootlegger Says Attorney Secured Release for Him

Monroe, Mich., Sept. 28.—(AP)—Leon Willets, a prisoner from the Michigan state prison, testified before Judge Carl Frankel the state's inquiry into crime conditions in Monroe county, that William Haas, Monroe attorney, secured his release from the county jail a few hours after his arrest for rum running.

Michigan Building and Loan League to Close Meet Today

Aubion, Mich., Sept. 28.—(AP)—With election of officers and selection of the next convention city, the Michigan Building Loan League will close a three days meeting here tomorrow.

Two Young Bandits Hold Up Drug Store

Kalamazoo, Sept. 28.—(AP)—Two young bandits, answering the description of the pair which since Sunday held up six Grand Rapids drug stores, held up City Drug Store No. 3 here early tonight and escaped with approximately \$500 in cash.

LEAGUE COUNCIL FINISHES WORK

Failure of U. S. to Join With Nations Is Discussed.

Geneva, Sept. 28.—(AP)—The council of the League of Nations finished its labors this afternoon, and will not take up again the various questions pending its session next December.

U. S. Asks Unanimity

Lord Onslow, of Great Britain, and Dr. Loudon, of Holland, opposed asking the court for an advisory opinion; whereupon Signor Scialoja of Italy retorted that unanimity was not necessary anyway because requests for such opinions were acts of procedure and not of policy.

Shaver, Comstock Discuss Detroit for 1928 Meeting

New York, Sept. 28.—(AP)—Clem L. Shaver of Fairmount, W. Va., chairman of the Democratic National committee, was in conference here today with William A. Comstock of Detroit, national committee chairman from Michigan, with reference to holding the 1928 Democratic national convention in Detroit.

WAS ON WAY TO JAIL; WORKER CAPTURES HIM

ONE POLICE OFFICER MAY BE FATALY INJURED.

Detroit, Sept. 28.—(AP)—Two police officers were wounded, probably fatally, today when Charles Brown, convicted house breaker, attempted to escape the tunnel leading from the porter's court to the Wayne county jail.

Planned Escape.

Maumann then took up chase, picking up a club, carpenter caught Brown in a lay and felled him. In the face of the homicide squad B said: "I made up my mind when was sentenced that I would escape the first chance I got."

INQUIRING INTO CABLE CONTRACT

Green Investigating Alleged Agreement Make Chairs.

Detroit, Sept. 28.—(AP)—7 attorney general's department instructions from Gov. W. Green is investigating circumstances relative to a reported contract between the Boston and Michigan prison commission, for manufacture by prison labor of 2 steel folding chairs. John Miner of Jackson, Mich., man of the commission, emphatically that any such contract exists.

CONTRACT OFFER

Lansing, Sept. 28.—(AP)—7 prison commission will a contract offered by the manufacturing company for the purchase of prison-made chairs, meets here Friday. A copy contract has been received according to the commission next year.

German Aviatix Crashes Airplane When Motor Dies

Boston, Sept. 28.—(P)—Tha Rasche, German aviatix, crashed to earth in her Flamingo biplane in attempting to make a landing at the Dennison airport at Quincy late today. Miss Rasche was reported uninjured, but the plane was damaged.

The accident occurred when Miss Rasche attempted to land her plane in swampy ground near the airport after the motor had gone dead while she was flying 2,000 feet above the field. In order to avoid hitting spectators on the landing field, she headed over the hangars and brought the machine down on the low ground.

TANNERY WILL BE SOLD SOON

Public Auction of Entire Holdings Will Be Held Oct. 25.

The probability that one or more manufacturing concerns may be established here looms with the announcement that the entire buildings and ground property of the Michigan Tanning & Extract company at Wells will be sold at public auction on October 25. The sale will be conducted by the J. P. King Auction company of Chattanooga, Tenn., one of the largest firms in the south engaged in the liquidation of industrial properties and real estate sub-division work.

J. P. King, Jr., one of the members of the firm, has been in Escanaba for the past week, making plans for the disposal of the property, and later he will be joined by four or five more members of the organization. Meanwhile, preparations will be made to sell the Fremont, Mich., plant of the extract company on October 23.

The proposed sales will be advertised extensively. Notices will be sent to numerous manufacturers, such as tanning and leather companies, shoe concerns and others, who might be interested in locating here. Companies who in the past have negotiated to purchase the property will be notified also as it is probable that they will be able to buy the property at a more reasonable price at an auction sale. The property will be sold either in entirety or parts as the buildings are large enough to accommodate the needs of several manufacturers.

Houses to Be Sold.

The sale will be of added interest to local people because of the fact that several houses, owned by the company, will be sold to the highest bidders. There are also 100 lots and 80 acres of land, which may be subdivided, which will be placed on sale. These lots, located on the Escanaba-Gladstone street car line and highway, which no doubt will be disposed of at a bargain, would be suitable sites for the building of homes.

The Michigan Tanning & Extract company of Petoskey built the concrete building, housing the extract plant and boiler room, in 1909. This building occupies a floor space of 1,000 square feet. The large brick, steel and glass building, which housed the tanning plant, was erected in 1914 and 1915, and the smaller building, known as the clarifying plant, on the west side of it, was constructed about the same time. The large building is 65 by 1050 feet.

Closed Since 1921.

This plant was in almost steady operation until 1921, when the Petoskey company saw fit to close it down. During times when the plant was running full capacity, about 150 to 175 workmen were employed.

Mr. King has announced that efforts will be made to sell to some good manufacturing concern, and he is confident that this can be done as it is an ideal property for this purpose and will be, no doubt, sold at a figure that will be attractive to any manufacturer.

ENSIGN NEWS.

(Ruth Wilson, corr.) There was a large crowd out to the auction sale at Levi Barbeau, Jr.'s, farm Saturday. Mr. and Mrs. Barbeau are planning on going to camp for the winter. Bill Vnette, A. Legault, and John Gardner of Isabella attended the auction sale at the Barbeau farm Saturday.

Mrs. Fred Cavil and Mrs. Sam Minor of Rapid River were callers at the Wilson home Saturday afternoon.

Mr. and Mrs. Howard Johnson and family motored to Escanaba Saturday evening where they were guests of relatives over Sunday. They also attended the Holy Name rally at Escanaba.

Mr. and Mrs. Andy Magnusson went to Stonington Saturday night and spent Sunday among relatives returning home Sunday evening.

CATTLE TICK FOUND IN 1884 STILL GOES ITS WAY

In 1884 Dr. Theobald Smith found that Texas fever in cattle was transferred from one animal to another by a tick. The discovery was epoch-making because this was the first disease caused by a germ which, was definitely proved to be transmitted through the agency of an insect.

TO ENCOURAGE MONEY EARNING

Begging of Money for School Bank Will Be Discouraged.

Teaching of boys and girls to earn money and save a reasonable portion of it will be the principal aim of the school banking system in the Escanaba public schools this year, according to Supt. R. E. Cheney.

"No emphasis will be placed on the amount saved this year," Mr. Cheney says, "but instead we will endeavor to encourage the children to really earn money rather than beg of their parents or others for it."

"Children who bank their money at the school receive in return stamps which may be deposited in any of the banks. This banking system has been in operation for the past six or seven years and statistics show that our pupils save over \$5,000 a year. In encouraging children to earn the money they bank, we believe we can make them better realize the value of money."

"Of course, it is not possible to find work for every boy and girl in the city, and for this reason, we are soliciting the cooperation of the parents. If parents would pay their children a reasonable sum for certain work they do about the home, they would aid much in our endeavor."

AMUSEMENTS

AT THE DELFT

Corinne Griffith's First National screen version of May Edington's story, "Three Hours," heralded as one of the strongest dramatic vehicles that has yet been given to the screen's beautiful star, will be shown at the Delft again today.

AT THE STRAND

"The Romance of a Million Dollars," from the novel by Elizabeth Dejeans, will be shown at the Strand again today. It is a "society melodrama." The cast includes Glen Hunter, Alyce Mills, Gaston Glass, Jane Jennings, Bobby Watson, Lea Penman and Tom Brooks.

PACKERS PLAY BEARS SUNDAY

Two Undefeated Pro Grid Teams Will Clash at Green Bay.

PACKER-BEAR GAMES.
1921—Packers 0; Bears 20.
1922—Packers 0; Bears 3.
1923—Packers 5; Bears 0. Packers 0; Bears 5.
1924—Packers 14; Bears 10.
Packers 0; Bears 21.
1925—Packers 6; Bears 6. Packers 13; Bears 19. Packers 3; Bears 3.

A professional football feud which has existed between the Chicago Bears and Green Bay Packers since 1921 will be resumed Sunday at the City stadium, at Green Bay, when the two teams start rubbing elbows in a National League encounter. The teams will meet again later in the season, on November 20, at Cubs park in the Windy City.

There is little love lost between the clubs and it has always been the case that when the teams get together on the chalk marked a battle royal resulted and it is safe to say that Sunday's joust will be no exception to the rule.

Neither Team Defeated.

It will be a first place battle as neither of the teams have been whipped this season. In their only National League start, the Bears bumped the Chicago Cards, 9 to 0. The week before, the Halas-Sternamen combination mowed down the La Grange All-Stars, 28 to 0.

The Packers opened with a 34 to 0 victory over Milwaukee. Then the Big Bay Blues stepped on Dayton, 14 to 0, and last Sunday's took the bark out of Benny Friedman and his Bulldogs to the tune of 12 to 7.

The Packers first started hostilities with the Bears in 1921. At that time they were called the Staleys. Capt. Lambeau and his gridders took a 21 to 0 licking. Pard Pierce, George Halas and Pete Stinchcomb scored for the Chicagoans.

Capt. Lambeau had a full house when he called the Packers together for practice yesterday morning. Sid Purdy and Gil Skeate are the newest additions to the squad. E. Pridney hasn't changed a bit while Skeate seems to have all the earmarks of a first-class fullback.

The teams didn't clash in 1922 but the following year the Bears came to the Bay and nosed out a 3 to 0 win on Sternamen's field goal in the second quarter.

Buck Kicks Field Goal.

In 1924, the Bears and Packers split two games. The Bruins were bumped off here, 5 to 0. Buck kicked a field goal and the other two points were scored on a safety after Hanney drew a bad pass when trying to kick from behind his own goal posts. Later in the season, the Bays went to Chicago and lost, 3 to 0. Sternamen was again to blame via the field goal route.

The Bears came to Green Bay early in the 1925 season and took a defeat, 14 to 10, in a sensational game. Blocked punts paved the way for one touchdown by each team. A field goal netted the Bears another three points but a pass, Mathys to Lewellen, gave the Packers the winning touchdown. When the Bays invaded Chicago they were beaten by the Bears, 21 to 0.

Met Three Times.
Last season the bitter rivals met three times. The game in Green Bay was a 6 to 6 tie. Liddberg made a touchdown for the Packers while Driscoll counted for the Chicagoans after snagging a pass. The game in Chicago saw the Bays on the short end of a 19 to 13 score. It was a thriller from start to finish. Liddberg and the Packers scored touchdowns for the Packers while Driscoll and Hanney made the "slices" for the Bruins and Paddy's educated toe produced two field goals. The Packers and Bears tied 3 to 3 in the Parry Carr benefit game which was played at Soldiers Field in Chicago a week before Christmas. Sid Purdy booted a 50-yard field goal but Driscoll came back and tied the count with one of his feature kicks from the edge of the playing field, about 20 yards out.

New York Yankees Enter Series for Fifth Time

BY ALAN J. GOULD (Associated Press Sports Editor).

New York—The fifth American League pennant victory in seven years for the New York Yankees has established their pilot, the diminutive Miller Huggins, as one of the most successful managers the game has known. Huggins has succeeded where it was predicted he would fail. He has demonstrated his shrewdness, his ability to develop new talent and direct baseball's most expensive cast in the face of criticism and skepticism.

When the Yankees won three successive pennants, in 1921-22-23, comparatively little credit was given to Huggins. It was said he fell heir to a "made team," built up with the aid of Col. Jacob Ruppert's ever-ready and well-filled fountain pen. It has taken the triumphs of 1926-27, to bring out belated praise of Huggins' ability to shape his own destinies and construct another championship club after one fell by the wayside.

Of the stars of Huggins' first pennant-winning team only Babe Ruth, Bob Meusel and Waite Hoyt remain as leading cogs in

Senators Defeat Red Sox in Double Bill, 2-1; 6-4

Boston, Sept. 28—(AP)—Washington concluded its season series with the Red Sox by winning both games of a double-header today, 2 to 1 and 6 to 4. The Senators won 13 out of the 22 games played with the Red Sox. Hadley's pitching was the deciding factor in the first game.

The Red Sox scored all their runs in the second game by bunching five hits off Fred Marberry in the fourth inning. Braxton went to the box for the Senators in the fifth and pitched brilliantly, holding Boston to two hits.

First game: R. H. E. Washington. 000 100 010—2 10 2 Boston. 000 000 010—1 6 0 Hadley and Ruel; Wiltse, Harsh and Moore.

Second game: R. H. E. Washington. 211 100 100—6 14 0 Boston. 000 400 000—4 7 3 Marberry, Braxton and Tate; MacFayden and Hartley.

Interesting Race in Class C Loop

Interest in the race for the championship of the Cleveland Athletic conference centers on the Manistique encounter with Newberry-Saturday. Newberry has a strong aggregation, well supplied with weight and speed. The manner in which the Newberry eleven outplayed its heavier Gladstone opponents leaves no doubt but that the Celery City are strong contenders for the coveted silver football. On the other hand, Manistique made up for its ragged appearance against Munising by staging a strong comeback and holding the heavy Escanaba team to a margin of three touchdowns last Saturday. Manistique has a chance for the championship, if she can dispose of Newberry and provided, also, that Newberry defeats Munising.

At present each member of the conference has played one conference game or more. Munising defeated Manistique, Baraga defeated St. Joseph, and Newberry defeated Baraga. The conference standings follow:

	W.	L.	Pct.
Munising	1	0	1.000
Newberry	1	0	1.000
Baraga	1	1	.500
Manistique	0	1	.000
St. Joseph	0	1	.000

If your fountain pen leaks, try rubbing paraffin or soap on the thread before you screw on the top.

ROCKY FORD 5c CIGAR

RAIN FAILS TO HALT SAINTS

Bruised Cartilage to Keep McGee Out of Saturday's Game.

A heavy drizzle of rain yesterday afternoon failed to prevent the St. Joseph gridders from getting their daily workout, and Coach Leo Brunelle drove his charges just as relentlessly as ever in order to whip them in shape for the game with Coach C. B. Roels' squad next Saturday.

Several switches were made in the lineup with the purpose in view of adding weight to the back field. Coach Brunelle finally arrived at a satisfactory arrangement by placing Papineau, a tackle, at fullback, and shifting Blake from end to a halfback position.

All the boys are in good shape with the exception of McGee, who complained yesterday afternoon that his arm was sore. An X-ray examination revealed that the injury, which he suffered in the Gladstone game but which at the time was considered of no consequence, was in fact a badly bruised cartilage. Coach Brunelle believes that McGee will be nursing his sore left shoulder all this week, and he hesitates to use him in next Saturday's game for fear that a recurrence of the injury might put McGee on the disabled list for the rest of the season.

Building up a defense for the Highlanders' forward pass attack and the strengthening of the forward wall was the main objective in yesterday's practice.

One Favorite in Women's Tournery Fails to Advance

Detroit, Sept. 28—(AP)—Favorites in the women's district golf tournament, with one exception, advanced without difficulty into the semi-finals today.

The defeat of Mrs. Olin Finney, of Oakland Hills, former champion, by Mrs. Rowland M. Connor of the Detroit Golf club was the sole upset. Mrs. Finney was one up on the 18th tee but smashed her second shot into a ditch and the ball was unplayable. Play went to the 19th where Mrs. Connor won with a par four.

The other matches follow: Mrs. Harley G. Higbie, defending champion, defeated Mrs. J. F. Gilmore, 4 and 3; Mrs. P. H. Sheridan, former state champion, eliminated Mrs. A. E. Ranney, 3 and 2, and Mrs. Stewart Hanley, present state champion, defeated Mrs. Seabourne Livingstone, district runner-up, on three former occasions, 4 and 2.

The semi-finals will be played Thursday.

Rain Delays "Little World Series" Game

Toledo, O., Sept. 28—(AP)—Rain forced postponement today of the inaugural game of the "little world's series" between the Toledo champions of the American Association and the Buffalo pennant winners of the International League.

INVESTIGATION IS COMPLETED

Find Garden Clubs in City Schools Successful This Year.

An investigation of the work accomplished by the school garden club was finished yesterday. There were seven garden clubs during the season—one in each grade school of the city. Of the 227 members of the clubs, the Webster and Jefferson clubs had the largest enrollment with 43 members each. St. Joseph was third with 32 members. St. Anne's had 29, Barr 25, Washington 27, and the Franklin 25 members. One-hundred, seventy-five members completed the course and were marked "fair" or better on their gardens.

There were 12 members who received a grade of "excellent" on their garden, five of which were members of the Barr school club. Seventy-nine of the students were graded "very good" and the rest were graded "good" and "fair" or "no garden." The Webster school had the largest number of members graded "very good" with 18. The St. Joseph club had the fewest number of failures with two and the Barr club was second with three failures.

The students that were graded "excellent" on their gardens are:

Dorothy Cass, Ruth Hogan, Edith Olson, Lillian Olson and Margery Mulvaney—Barr School.
 Erling Lewdahl—Jefferson.
 Caroline Aley—St. Joseph.
 Stanley Miller—Washington.
 Elizabeth Jacobson—Franklin.
 Clarence Olson—Franklin.
 Leo Moreau—St. Anne's.

The Webster school had no members who received a grade of "excellent" on their gardens.

The work of the club will be exhibited in the vacant rooms below the Hotel Annex on September 30 and October 1.

Sammy Bohne Sets New League Record

Minneapolis (AP)—Shunted from club to club and finally dropped from the majors as "through," Sammy Bohne has become a sensation in the American Association.

Bohne played 25 consecutive errorless games as third baseman for the Minneapolis club, setting a new record for the league. The previous best mark for third sackers was held by Julian Wera, now a member of the New York Yankees, who played 22 perfect games in a row while with the St. Paul Association team last year.

Bohne had a hard time fitting into the Miller machine before Manager Mike Kelley finally decided to make him a "hot corner" fixture.

K. of P. to Hold Roundup Friday

The annual district roundup meeting of the Knights of Pythias will be held in this city Friday. The conference of officers of Menominee, Hermansville, Gladstone and Escanaba with Grand Chancellor Thomas P. McKim of South Haven; Grand Keeper of Records and Seal William E. Hampton of Ann Arbor, and Grand Master-at-Arms Alfred Hennis of Menominee, will begin at 3:30 p. m. at the local Pythian hall. Any Pythian who desires may attend this meeting.

The evening session will be attended by large delegations from Menominee, Hermansville and Gladstone. Hermansville lodge will open the meeting and Menominee lodge will confer the Page rank on a large class. Gladstone will close the meeting.

Following the meeting, a short program will be held and lunch served. About one hundred visitors are expected and the officers of Escanaba lodge are anxious to have every member attend so that they will not be outnumbered by the visitors.

To License Athletic Officials in Kansas

Topeka, Kan. (AP)—Licensing of officials for inter-high school athletic contests will be inaugurated in Kansas this fall.

No person without authority will be permitted to act as umpire, referee or head linesman at any football, basketball game or track meet in which any high school belonging to the Kansas State High School Athletic association participates. Nearly all of the 600 high schools in Kansas are members of the association.

License fees will go into the organization's funds. Persons getting authority to officiate in only one sport will pay one dollar a season, while those arbitrating in more than one sport will pay two dollars for the season. The governing board of the association has power to pass on a prospective official's qualifications.

BRIEFLY TOLD

R. N. A. Special Meeting—The Arbutus Camp, No. 652, Royal Neighbors of America, will hold an important special meeting at the home of the oracle, Mrs. D. L. Gaborie, 304 South Thirteenth street, at 2:30 o'clock Friday afternoon. All members are earnestly requested to be present as a number of candidates are to be balloted on.

P. T. A. Meeting—The Parent-Teachers association of St. Joseph's parochial school will hold their first meeting of the school year Friday afternoon, at 4 o'clock. Plans for the year's activities will be discussed at the business session. A social hour will follow. It is urged that every member of the association make a special effort to attend this meeting.

American Legion Dance—The American Legion Monte Carlo dance will be held at Terrace Gardens this evening. Mac's Entertainers have been engaged and have arranged for a peppy program of the latest dance music.

St. Francis Hospital

Victor Salmi was admitted recently as a surgical patient.

Phil Boisoneau was admitted as a medical patient and is resting easily.

Miss Clara Ingebrigsten of Gladstone, who underwent an operation for appendicitis, is as well as can be expected.

Louis Burdick was admitted as a medical patient.

Mr. and Mrs. Charles Malloy are the parents of a daughter.

Axel Hedlund was admitted as a surgical patient and is as well as can be expected.

EMBROIDERED BAG.
 A beige purse and matching gloves have a tiny geometric pattern stitched in gold while all seams are prominently stitched in brown.

Show Series of Historical Films at High School

A series of movie films "Chronicles of America," will be shown to the high school pupils during the school year, according to a plan now considered by school authorities. The films show the epics of American history and are fifteen in all—each consisting of four or five reels. The films are: Columbus, Jamestown, Pilgrims, Puritans, Peter Stuyvesant, Gateway to the West, Wolfe and Malcolm, Revolution, Declaration of Independence, Yorktown, Vincennes, Daniel Boone, Frontier Women, Alexander Hamilton and Dixie.

The reels were made by the Yale University Press at an approximate cost of \$1,200,000. They are distributed through this territory by the University of Wisconsin. The films, unlike most of

the educational reels, will have an entertaining plot but the historical facts will, nevertheless, be retained. The pictures are not distributed to motion picture houses and are not on the market for competitive purposes. They are for educational purposes and are distributed only to educational institutions.

The plan will give the Senior history classes the first chance to see the films. There will be matinees for grade school children and the other high school students and then the films will again be shown at some grade school for adults and other interested people. This plan will make it possible to show the reels for one-third of the cost if they were shown in a theater.

YOKED STEP-INS.
 The evening lingerie set invariably uses the yoke for the panties, with inserts that may be pleated, circular or entirely of lace.

GARDEN EXHIBIT STARTS FRIDAY

The annual exhibit of the city schools' garden clubs will open tomorrow in the building at 704 Ludington street, formerly occupied by the Children's Shop. Exhibits of garden produce raised during the summer by students of the fourth through to eighth grades of the city's public and parochial schools will be made into displays, and awarded prizes. The exhibit will close Saturday night.

As a special feature, the Delta county potato demonstration team, consisting of Genevieve Hoppe and Henry Canfield, of Groos, who took second place at the state fair at Detroit, will give two demonstrations Saturday. The demonstration covers the origin, use and

mixing of bordeaux mixture to prevent blight and leaf hoppers. J. E. Turner will also bring to the exhibition a canning display, prepared by the four canning clubs of Delta county. The clubs are located at St. Nicholas, Ford River, Groos and Garden.

Pupils of the city schools are urged to have their exhibits at the school they attend not later than noon today, so that committees may go ahead with erecting and arranging the exhibits after school closes for the day.

Mr. Turner will judge the exhibits during the day Friday.

The post of assistant secretary of the navy has been held by four members of the Roosevelt family. Theodore Roosevelt; Franklin D. Roosevelt, Theodore Roosevelt, Jr., and T. D. Robinson, a nephew of Theodore Roosevelt.

Now read the Classified page.

Experiments show that light gray, worn by West Point cadets, is the color first lost to sight in the field. Scarlet is the second least conspicuous color, with dark gray, blue and green following in the order named. In target practice, scarlet has been found the most difficult color to hit, while, under the rays of an electric light, light green is almost invisible.

Fly-Tox Helps Reduce Infant Mortality

Every year in the United States 250,000 children under 5 years of age die. Health authorities say it is significant that more deaths occur during the time flies are most active. Flies transmit more than thirty different diseases. Every fly should be killed, Fly-Tox kills flies. It is fragrant, safe, stainless, sure.—Adv.
