Enter, the Sports Frock!

ENTER the sports frock.
We have had the sports suit for some seasons—and now the sports frock!

And just what is the sports frock? A dress of light material—summery, gay in coloring, and—tailored. A perfect example of all this is seen in the illustration above. It is a blue and white tailored crepe de chine model come straight from Paris to Gloria Swanson, the Paramount star, who wears it in her latest picture, "Her Gilded Cage."

This chic costume belongs to the chemise type of dress. It has five panels of self material, with the stripes running horizontally, and hanging, jabot-like, to the bottom of the skirt.

A pair of panels is on each side. The fifth panel, longer than the others, runs clear down the front, starting almost at the neckline.

The sleeves are short, and set in; they have a new and attractive note in the fact that they are slit on the underside—the slit running from the lowest point of the arm hole out to the edge of the sleeve. A narrow band of self material forms a belt, and finishes the line of the neck.

Miss Swanson wears a very smart hat, also from Paris, with this costume. It is of tailored blue and white organdy. Tailored organdy is the derring cr in the millinery world.

Another sports costume is shown in the sketch at the right. It is of striped silk and is trimmed with looped panels. An organdy hat is likewise worn with this frock, and it has a large velvet rosette of black as trimming. A touch of velvet on the midsummer hat is very popular.

Not "How Many"

But

"Who Are They?"

Quality depends upon what a thing is—not upon how many there may be of that particular thing. The whole of anything is the measure of value of its parts. Take Want Ads for instance. You couldn't hope to collect results from even a million people if not a single one of them had the dollars to purchase what you offered through that Want Ad. Yet if that same ad could be placed by just one with the right sized check book—that distribution of exactly ten would be worth as much to you as a million "impossibilities." Remember, that when using Want Ads. If you'll hitch up to Mirror Want Ads, then you'll always be certain of an audience big enough and worth enough to do what you want them to do.

GLADSTONE TAKES FAST MARQUETTE TEAM YESTERDAY

Tidy Bunching of Hits in the Second Nets Two Runs, Enough to Make a Win.

Marquette was beaten at its own ball ground by the Gladstone ball club, in a game that was up and down until the end, and finally ended in a 2 to 1 casualty, with Gladstone up holding the longer end.

Painter Harris, who hurled for Marquette, gave a great exhibition of base ball, allowing but seven hits throughout the game which brought in two runs for the Up Bay nine in a sacrifice play. Peters, lanky twirler for Gladstone, also pitched effectively, the Good-nights getting but ten hits off him.

Marquette obtained enough hits, but their inability to follow up those hits to advantage was the reason given for their loss yesterday.

Win In Second

Gladstone got the two counters that won the game for them in the second inning, when LaFleur walked, Kessler sacrificed, which sent LaFleur to second, but Harris in fielding the ball jugged it enough to allow Kessler to make first. W. O'Connor also sacrificed advancing the two to third and second. Peters who was the next man up fanned, which made it two men down when Johnson stepped up to the plate and put a single over second base which put LaFleur in and advanced Kessler to third. But O'Connor next up got a safe bunt which scored Kessler for what proved to be the winning run of the game.

The Lake Superior team's long怠 came in the fourth when Hennein pitched and went to second on Kessler's single. LaFleur again brought in the one run.

NATIONS REVERT TO BARTER AS EXCHANGE RATES HIT BUSINESS

LONDON, Aug. 10—Barter, or the exchange of goods as against the transfer of actual cash has figured in recent international loans according to the Geneva correspondent of the Observer. In this way the difficulties of exchange have been overcome.

Rumania wanted a loan of 45,000,000 gold francs from Switzerland. The Swiss said it was impossible unless they know how the money was to be spent. Rumania replied: "We need to replenish railroad rolling stock, particularly engines."

"Fine," said the Swiss bankers, "we have these for sale. Take them and pay for them in cereals and petroleum, both of which you produce and we need." Thus were the arrangements concluded.

Similar borrowing and paying by barter also has taken place with Czechoslovakia. Here again Czechoslovakia is receiving Swiss manufactured goods and is to pay for them with truck loads of sugar. Therefore the question of exchange and the comparative values of the Czechoslovakian krona and the Swiss franc does not arise.

Russian Death Rate Is Excessively High

UNNEVA, Aug. 10—Reports to the Health Section of the League of Nations show that in the Kharkov district of Russia early this year people were dying at the rate of 40,000 monthly or a mortality of 600 in every 1,000. Between March 1 and 26, 125,000 persons died of hunger.

Of the 3,125,277 inhabitants of the Tartar Republic 250,000 had died of starvation by March. From January 1 to March 15 there were 392,700 cases of infectious diseases.

In the Ukraine cholera was spread and the death rate was 60 per cent. There was a grave lack of medical supplies and hospital accommodation had decreased by 80 per cent.

Up to May 2 the number of cases of typhus in Soviet Russia, the Caucasus and Central Asia was 512,311 compared to 326,665 during the corresponding period last year. There were 467,078 cases of relapsing fever.

MICHIGAN BANKERS URGED TO SUPPORT THE FARM BUREAU

Bankers Told What Can Be Accomplished Through Their Co-operation.

(By Associated Press) DETROIT, Mich., Aug. 10—Continued support of the state and county farm bureaus by the Michigan Bankers Association is urged in a bulletin just issued by the agricultural commission of the association and modeled with its annual report.

The report embodies the activities of the commission during the past year, as described at the annual meeting in East Lansing in May and also outlines the working program of the organization for the ensuing year.

This program is divided into ten parts and according to the bulletin careful study of X X X X will doubtless suggest a line of procedure which each member can follow during the year.

The program calls for Continued active assistance in their and their clubs work.

Cooperation with the Farm Bureau in its program for the betterment of

agricultural conditions.

Organization of Federal Farm Loan associations with bank officers in charge of all counties where there is need of long term financing based upon real estate security which the banks are not in position to take care of fully.

Careful study of the needs of each community to the end that all essential requirements for loans shall be anticipated and cared for.

Support of the Michigan State Farm Bureau.

Support of Boy's and Girl's Club work.

Legislation to safeguard the interests of agriculture.

Consolidated schools.

Better marketing conditions.

Good roads.

This bulletin accompanying the report declares also the commission is of the opinion "a great deal may be accomplished if the members banks will continue to cooperate with the farm bureaus in all movement for the benefit of agriculture."

Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and sinuses. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or sniffing. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.

We Recommend The Tires That Have Won Every Important Racing Classic For Two Years

One of the reasons why you can be sure of Oldfield reliability under all conditions is their performance on the speedways during 1920 and 1921.

When you consider that every important racing classic in that time has been won on Oldfield cords, you cannot fail to be impressed. It is incontrovertible proof that Barney Oldfield's twenty years of experience in testing tires has made a real contribution to the car owner's needs.

The great Indianapolis 500-mile sweepstakes was won last year for the second time by an Oldfield-shod car. The French Grand Prix classic of European races was won in 1921 for the first time by American-made tires—Oldfields of course.

Recently Tommy Milton set a new record of 110.8 miles per hour on Oldfields at the Los Angeles Speedway when he paced first in the 250-mile championship.

Such facts are doubly important to you when you appreciate that these same trustworthy tires carrying our own and the maker's backing can be bought at the lowest prices on record. It is easy to see why so many car owners hereabout are standardizing on Oldfield's for this year.

SOCIAL NOTES**ICE CREAM SOCIAL**

Members of the Luther League of the Salem Evangelical Lutheran church held very successful ice cream social on the church lawn last evening at 7:30 o'clock.

The lawn was lighted with a pretty color scheme of electric lights, while the tables were prettily decorated.

Many patrols were reported to have attended the social and in all respects the social and sale were a decided success.

ST. STEPHENS AUXILIARY

The Women's Auxiliary of St. Stephen's Episcopal church will meet at the home of Mrs. Fred Raymond, 221 North 13th street, Friday afternoon at 2:30 o'clock. It is desired that all members be present.

SURPRISE PARTY

Members of the Birthday Club held an enjoyable surprise party on Mrs. W. H. Herdick of Milwaukee at the home of her mother, Mrs. M. Segerlund yesterday.

A delightful program was carried out for the entertainment of the guests. A musical program was round out which was especially well received after which refreshments were served.

The out-of-town guests at the surprise party are, Mrs. E. J. Segerlund of Kent, Ohio, and Mrs. Leonard Carlson of Milwaukee.

Girl Scouts to Camp

The Girl Scouts of Troop 11 will leave this morning for Deer Lodge where they will camp for some time directed by their captain, Miss Bernice

Firkus. The girls are anxious to get out to the camp which is one of the prettiest places along the Bay Shore. The log cabin with its rustic surroundings forms a most ideal place for an outing such as the scouts know how to enjoy. There are fifteen girls in the party.

House Party

Miss Vera Mattson entertained a number of friends at her home Tuesday evening. The evening was spent in playing games and a musical program after which a lunch was served. All reported having a fine time.

Swedish Lutheran Ladies' Aid

The Ladies' Aid of the Swedish Lutheran will hold their meeting at the church parlor this afternoon at two thirty. Mrs. Bonander Smith and Mrs. Gust L. Lied will be the hostesses.

Marriage Licenses

A marriage license was issued yesterday at the office of the county clerk to Miss Mildred Larson of Bark River and Henry Norden of Perkins.

Miscellaneous Shower

Mrs. George Anderson of Second Ave. So., entertained a number of friends Tuesday evening at her home at a miscellaneous shower complimenting Miss Wilma Williams who is to be married in the near future. The young ladies played various games followed by a musical program after which dairy refreshments were served to the guests. Miss Williams received a number of presents.

Fine Sing Service

What proved to be one of the most

successful church affairs of its type ever held here, was the son's service held at the Swedish Mission church last night by the Rev. A. J. Holtzman, well known Swedish singer. The church was filled to capacity and the Rev. Mr. Holtzman's songs and piano solos were enthusiastically received. The singer is on his way to Sweden, having spent some time in an American musical tour.

What Political Battles Are On Over State

(CONTINUED FROM PAGE ONE)
imation. Recently the candidates have appeared on the same platform and their remarks were received with great interest throughout the state.

"Newberryism" Issue

Senator Tschirhart, one of the quartet has confined his remarks so far largely to a discussion of national issues, among them the proposed St. Lawrence waterway. He has defended his action in supporting Senator Newberry in the senate.

Congressman Kelley has been foul in his denunciation of so-called "Newberryism" having made this one of the "talking points" in his campaign.

Major Emery of Grand Rapids, another candidate, has been less outspoken with respect to the Newberry issue. He is strongly in favor of the soldier's bonus.

Herbert Baker, the fourth Republican candidate and who has the support of the strength Progressive Voters League, a former labor organization, has taken a definite stand in favor of many proposed laws advocated by him as beneficial to city workers and the farmers.

Senator Newbold has been obliged to abandon his campaign he announced, to return to Washington, Md. to Dr. Campbell of Coldwater personal friend of the Senator announces before his departure that he would return to Michigan as soon as the press of official business at Washington slackened.

Congressional Race

This congressional race in several districts has received added starters. Some of the campaigns are under way but are expected to be given added impetus with the closing of the period for filing.

Francis O. Lindquist of Greenville representative in Congress from the old eleventh district, now desires a seat in the lower house at Washington. His county now is a part of the Eighth district under the re-apportionment made effective some time ago. The Eighth is the home district of Representative Gardner who has moved his residence.

Lindquist's entry brings the field of republicans aspirants to four. The others are William M. Smith of St. John's and Bird J. Vicent and William L. G. of Saginaw. They are being watched with interest throughout the country due to the prominence of Representative Farley in Washington.

The Thirteenth District comprising a part of the city of Detroit finds three men seeking the republian nomination. They are George Lord, Ralph W. Liddy and G. Oliver Flick. Each is a member of the slatehouse of representatives.

State Senator Albert J. Engel of Lake City is candidate for the republican nomination for congress in the ninth district has the distinction of having been elected to office at one time without knowing that he was a candidate. He was elected prosecuting attorney of his county, while serving in the army and the office was held open for him until he returned.

The talk expressed a few months ago that "we" in Michigan were to put up a strong fight in the campaigns appears to have been well taken. Persistent rumors are afloat at Lansing to the effect that the eight congressional seats to be infected in the republican senatorial race. It is rumored one of the four candidates will announce himself as "carrying eight wins and four before primary day."

The progressive continued their efforts to break the stranglehold of the

republicans in the state legislature.

Leaders of the democratic are sending out campaign literature and are hard at work along other lines.

The democratic state convention is to be held in September.

It is expected to be one of the most interesting meetings of the party within recent years.

James H. Lynch of Clinton will deliver the keynote address.

State treasurer Frank E. Gormas who will ask the regular convention in October to nominate him, will have opposition in the republican ranks from State Senator Roy Clark of Benton Harbor.

Mr. Clark has been busy for some time in laying plans for his candidacy for several months.

90-Year-Old Racer

From St. Joseph comes an interesting report. It concerns the candidacy of N. A. Hamilton for circuit court commissioner, a place he now occupies. His hat again is in the ring despite his 90 years. Mr. Hamilton, a republican is expected to be unopposed.

Persons desiring the state senatorial nomination have begun to make their wishes known. Fred O. Eldred of Ionia and Donald C. Osborn of Kalamazoo, present senators have filed nomination petitions. State Senator James Henry of Battle Creek also seeks nomination. This is his fifteenth campaign for public office. He has been defeated once. He is unopposed so far, for the republican nomination.

At least three fights in Detroit for membership on this city's delegation to the state senate are in prospect. It is reported that Senator Wood, Condon and Ripsche all decide to seek the nomination in their district they will be opposed.

A contest for the republican state

OBITUARY**PETER ANTOINE JENSEN**
