

JORDAN INDICTED FOR RUTHY MURDER

BENEFIT SEEN IN USING WEEK OF FIVE DAYS

LEISURE TIME HELPS TO BUSINESS, SAYS U. S. OFFICIAL

BY DAVID LAWRENCE (Copyright 1931, by the Escanaba Press) Washington, May 1.—A five-day week would involve the circulation of several billions of dollars in the opinion of Ethelbert Stewart, commissioner of labor statistics.

Mr. Stewart thinks that when people have more leisure they undoubtedly spend more money, which means increased consumption, a greater production and more jobs.

It only half he approximately twenty-six million cars would use only two gallons more per week because of their leisure time.

Payrolls "Staggered" Estimating that there are about nineteen million wage earners in the country, Mr. Stewart says that if they were all on the five day week it would be indirectly a great stimulus to business.

It is estimated that the total number of gainfully employed persons is about forty millions but this includes many teachers and others who are already working on a five day basis.

To give forty million people a two day work-week would, in the opinion of Mr. Stewart, not be difficult to accomplish because the business depression has already given impetus to the movement.

Naturally government officials are not discussing at this time the question of whether six days' pay would be given for five days' work, which is after all what the average wage earner wants to know when the five day week is mentioned.

More Confidence Needed Gradually of course as business improves and production must be increased there probably will be an increase in the rate of wages per day but this is not likely to

New Sewage Plant? Pro and Con

R. A. ST. MARTIN, Mayor Pro Tem 430 South 13th St. "The council has gone into this sewage disposal problem pretty thoroughly and we are convinced that the time has come for Escanaba to build. We have found that much progress has been made in sewage disposal methods since our present tanks were installed, and we now have tried and tested systems available which can raise no possible objections from a sanitary standpoint. Engineers agree that this is a good time to build because of the reduced price of materials, and we are also interested in providing more work for local men. We have passed a resolution providing that Escanaba labor must be employed on this sewage construction job, and we are going to insist on it."

LOWER TARIFF RATES FAVORED

United States Chamber of Commerce Hears Julius Barnes BY J. R. BRACKETT (Associated Press Business Writer) Atlantic City, N. J., May 1 (AP)—Reduction in the Hawley-Smoot tariff rates as a means of placating foreign nations which now are retaliating against American exports was advocated tonight before the United States Chamber of Commerce by Julius H. Barnes, chairman of its board of directors.

Stimulant to Trade Voicing the sentiments of organized business, he stressed the need of economy in government operation and the application of interest payments by foreign governments to the ordinary expenditures rather than to the speedy wiping out of our own public debt. This, he said, is necessary that business may not further be burdened by taxation in times of business depression.

ESCANABA MEN WIN U. HONORS

Lawrence E. Hartwig and Albert W. Olson Are Ranking Seniors

Ann Arbor, Mich., May 1 (P)—The University of Michigan honored its seniors here today. Members of the faculty, visiting members of the Schoolmasters Club and students gathered in Hill auditorium for the eighth annual Honors Convocation. The speaker was Dr. James Rowland Angell of Yale, himself a former student at the University of Michigan, and son of one of its most noted former presidents.

The honored students were the highest ten per cent in each of the senior classes. Numbering 317, they were seated in the center of the auditorium. With them were the students who had won fellowship and scholarship honors during the last year or had been winners in debate or oratory.

Doing Extra Work
The list of honor students this year had far more than the usual number who have participated in "activities," the extra-curricular work, of athletics, debating, student newspapers, and so on. Of these, the student newspaper workers had a large majority in the College of Literature, Science and the Arts.

Among the students listed as having attained high averages in the Literary college, the following worked at some time on student publications: Mary L. Behmer, Frank E. Cooper, William J. Gorman, George E. Hoffmeister, Victor Rabinowicz, Paul C. Showers, Robert L. Gloss, Douglas L. Edwards, William R. Orr and Marie E. Wellstead.

Hartwig Only Debater
The athletes in the class were led by Joseph P. Austin, who also received the Big Ten medal for proficiency in athletics and studies. The other athletes were Robert K. Feustal and Lawrence Hobart.

Lawrence E. Hartwig was the one debater. In the professional schools, Louis F. Knoepf, Sam E. Gawne, James H. Spencer, and A. G. Sibilsky, all letter men from athletic teams, had only Robert N. Firch, one time night editor of The Michigan Daily, to contest their

claim as leading former activity students. Almost all students on the honor list had won some scholastic honor. Most of them had two or three such honors. In the Literary college, Miss Catherine Duirewicz, Detroit, led with the right to wear five scholastic keys. Boys in the Engineering school also were well supplied with keys, three having the right to wear five and three others claiming four such honors.

Negaunee Girl Honored
Virtually all the winners of the University scholarship and fellowship awards had been made known as recipients throughout the year. Among those not previously made public were the McNaught medals in journalism presented to Frank T. Cameron, Sault Ste. Marie; Carl S. Hester, Grand Rapids and Marjorie J. L. Rehfuess, Lakewood, Ohio.

The Eleanor Clay Ford testimonials in debate, won by young women who placed in the inter-collegiate debating teams of the year were awarded to: Dorothy Daniels, Jackson; Dorothy M. Davis, Royal Oak; Eleanor M. Gilmore, Bellevue, Pa.; Helen H. Hapamaki, Negaunee; Jeanne M. Hagaman, Armada, and Eva L. Healing, Battle Creek.

In the list of eleven juniors elected to Phi Beta Kappa but three, Edward T. Calver, Pontiac; Ruth G. Emmick, Alpena and Frederick Y. Wiselogle, Ann Arbor, were from Michigan.

The honored upper peninsula seniors in the different college schools follow:

Worker Injured By Falling Pipe
Tony Mastoff, 1423 North Twentieth street, who is a patient at St. Francis hospital, is reported to be somewhat improved after having been injured Tuesday while employed at the Escanaba Paper company's plant at Groos.

A large pipe fell from the ceiling in the department where Mastoff was at work and struck him. He was unconscious for some time. He was taken to the hospital where it was found he had suffered a fractured nose and skull, and deep lacerations of the scalp.

OBITUARY

ROBERT HAROLD EDGAR
Funeral services were held Friday afternoon at two o'clock for Robert Harold Edgar, seven month old son of Mr. and Mrs. James Edgar at Wells. The services were conducted by Rev. R. C. G. Williams at the family home and burial was in Lakeview cemetery.

MRS. J. JOHNSTON
The body of Mrs. John Johnston of Chicago, formerly of Rapid River, arrived Friday morning from Chicago and was taken to the Allo Funeral Home. Services were held yesterday morning at nine o'clock at St. Charles' Church at Rapid River, with Rev. Fr. S. Maters of Gladstone as the celebrant at the requiem high mass.

The pallbearers were John and Gilbert Grandchamp, Ernest Laviolette, H. J. Wilford, Shirley Davis and Victor Mollengre. Mr. and Mrs. J. B. Reitmeyer of Chicago, daughter and son-in-law of the deceased, accompanied the remains to this city. Mrs. Johnson was formerly Miss Amelia Lapine, sister of Mrs. Margaret Mackin and Napoleon LaPine of Gladstone.

MRS. MARY VOGLTONZ
Funeral services for Mrs. Mary Vogltonz, 88, who passed away Thursday evening at the home of her son, Jacob Kaiser, at Nadeau, will be held Saturday afternoon at 2 o'clock at the family home. Mrs. Vogltonz was born in Germany and came to this country when a child. For the past thirty years she had lived in the Bohemian settlement at Guerley, Mich., until some time ago when she went to live with her son.

The survivors are a son and one brother, Simon Prestia, of Beloit, Wis. Burial will be in the family lot in the Nadeau cemetery.

THERESA ANN KANE
Funeral services were held Friday afternoon at 2 o'clock for Theresa Ann Kane, one year old daughter of Mr. and Mrs. John Kane, of Harris, who passed away early Wednesday morning following a

CHARLES W. MALLOCH
The remains of the late Charles W. Malloch arrived here Friday morning from Los Angeles, Calif., where Mr. Malloch passed away suddenly April 24 after a heart attack. Funeral services will be conducted this afternoon at 2 o'clock at the family home with Rev. Thomas Foster, rector of St. Stephen's Episcopal church, reading the service. The pallbearers will be Fred J. Earle, W. R. Smith, M. J. Lang, C. W. Stoll, C. E. Lewis, of this city, and E. J. Noreus, of Gladstone.

Masonic services at the grave will be in charge of Delta Lodge, No. 195, F. & A. M. There will also be an escort from Escanaba Commandery, No. 45, Knights Templar. Herman Dittich, of Chicago, brother of Mrs. Malloch, arrived yesterday, having joined the funeral party in Chicago. Interment will be in the family lot in Lakeview cemetery.

MRS. INGRID ANDERSON
Funeral services for Mrs. Ingrid Anderson, 77, highly esteemed resident of Perkins, who passed away last Tuesday after a long illness, were held yesterday afternoon. Services were at the family home at one o'clock and at the Swedish Lutheran church at 1:30. Rev. Carl S. Ohman, pastor of the First Lutheran church of Gladstone, officiating.

The body was borne by six close friends of the deceased: Axel Carlson, John Sandstrom, John Gustafson, Peter Nelson, Otto Soderstrom and Adolph Johnson. Interment was made in the Perkins cemetery. Out-of-town friends present at the services were: Herman Anderson, Detroit; Mr. and Mrs. C. U. Woolpert, Mrs. John Hall, Mrs. Gust Anderson and son, George, Escanaba; Mr. and Mrs. Fred Anderson, Mrs. Gust Anderson, Mrs. Claus Anderson and Miss Widar, of Gladstone.

Veteran Retires; Was Formerly at Ford River Mills

Ironwood—D. E. Sutherland, assistant general superintendent for the Oliver Iron Mining company on the Gogebic range, retired May 1 to conclude more than 50 years in the iron mining field. Mr. Sutherland will continue to make his residence in Ironwood.

Started as Clerk
Engaged in mill work for the Ford River Lumber company at Ford River in 1880, Mr. Sutherland went to the Curry mine at Norway as a shipping clerk to start his career in the iron mining field. The late Solomon S. Curry was owner and operator of the mine. That same year Mr. Sutherland went to Metropolitan to do timekeeping, general clerical work and exploring for the Metropolitan Land Iron company. In the spring of 1884 he came to Ironwood and was employed at the Norrie mine in a similar capacity. In the spring of 1886 he opened the East Norrie mine, which was then operated by the Metropolitan Land and Iron company, and became mining captain there. He still carries a gold watch that was presented to him by employees of the East Norrie mine.

51 Years as Official
In retiring today Mr. Sutherland concludes 51 years of service for his company in an official capacity.

SCHOOL YOUTH STRUCK BY CAR

Paul Johnson, 10, Severely Injured in Accident on Ford River Road

Paul Johnson, 10 year old son of Mr. and Mrs. Carl Johnson, Ford River Road, was seriously injured when he was struck by an automobile driven by W. H. Higlass, of Marinette, at 4:30 yesterday afternoon. The accident occurred on the highway near the Johnson home after the boy had left a bus in which he was returning from school and had started to run across the road.

After the car had struck the boy, Higlass immediately picked up the injured boy and rushed him to a local hospital, later reporting the accident to the police department. After an investigation, police officials exonerated Higlass from any blame.

Fourteen Women Own Kentucky's Derby Nominees

Louisville, Ky. (AP)—Horse racing, the sport of kings, shows signs of going feminine in the twentieth century.

Fourteen sportswomen have nominated candidates for the \$50,000 Kentucky Derby May 16. Already three feminine owners have had derby winners.

Elwood was the first woman-owned mount to win. That was in 1904, and the owner was Mrs. Lasca Durnell. Mrs. R. M. Hoots' Black Gold won twenty years later. In 1928 Reigh Count, carrying the colors of Mrs. John D. Hertz, was given the big floral horseshoe.

This year Mrs. Payne Whitney has among other candidates Twenty Grand, Surf Board and Anchors Weigh. Mrs. Charles M. Amory's stable has a quintet of candidates, including War and Backgammon.

Other woman owners are, Mrs. Mary L. Crawford, Mrs. J. N. Crofton, Mrs. Olive Curtis, Mrs. T. M. Doyle, Mrs. K. E. Hitt, Mrs. E. J. Hodgson, Mrs. William Ziegler, Mrs. T. J. Regan, Mrs. H. E. Thomas, Mrs. H. C. Phipps, Mrs. R. T. Wilson and Mrs. J. T. Chawck.

"SIGN" OF THE TIMES

Calcutta—Even in the interior of dense India the airplane has made its way. A sure sign of this is a novel air mile-post erected near the airport of Karachi. It probably is the only one in existence that shows distances of over 1000 miles, and points the way to London, Bagdad, Bombay, Quetta and Delphi. It shows London to be 4095 miles away.

COMPULSORY MARKERS

Annapolis, Md.—If a bill introduced in the state assembly is passed, it will be compulsory for all towns in the state having a population of 2000 or more to provide same signs for airplane guidance. The bill provides that the signs shall be placed in a convenient spot and painted with letters large enough to be readily seen from the air.

Oshins Second In Oratorical Contest

Robert Oshins, of the Escanaba high school, placed second in the district oratorical contest at Munsing last evening. His oration was entitled, "Lesson of the Ages." Roger Goodman of Menominee won the right to represent the upper peninsula in oratory by winning the meet with his oration, "Star in the East."

First place in declamation was won by Fahey Flynn of Iron River, who presented "Man With the Muck Rake." Gertrude McNulty, of Menominee, was second with her declamation "I Am Innocent of This Blood."

James Holmes, of Rapid River, Dies

James Holmes, 59, a resident of Rapid River for the past 40 years, passed away at a local hospital last evening. Death was caused by complications.

He is survived by his wife, one daughter, Veri, of Green Bay, and five sisters: Mrs. W. M. Larabee and Mrs. John Rentschler, of Rapid River, Mrs. Frank Barnhart, of Escanaba, and Mrs. Harry Neff, of Gladstone.

The body was taken to the Allo funeral home, but no funeral arrangements have been made.

THE MELODY GIRL

(By NEA Service) By RUTH DEWEY GROVES

BEGIN HERE TODAY

BERYL BORDEN discovers that her half-sister, IRENE EVEETT, is planning to elope with TOMMY WILSON.

CHAPTER III

"GOING fishing with your uncle," Mrs. Hoffman asked Tommy.

Tommy had his choice, or thought he had, and he certainly wasn't going on any picnic that was personally conducted by Beryl Borden.

"I'm going with Uncle George," he shouted down to his aunt, and slammed his door, which move prevented him from hearing her exclamation of bewilderment.

HE dressed hurriedly, thinking he might escape both invitations, but his uncle, guessing his intention, cornered him as he was trying to leave the house and dragged him into the kitchen.

His aunt fed him with special care. "The poor boy looks all fagged out," she remarked sympathetically to no one in particular.

"Wouldn't you like some spiced pears, Tommy? I've got a jar or two left from last year." Spiced pears Tommy liked especially.

"Hmp, it don't look like it. Come on, it's time to go."

Looking Backward

Throughout the northern portion of the lake district it snowed yesterday, May 1.

Edward Bittner yesterday closed a deal with his father, Herman Bittner for the purchase of the Palace Meat Market where he has been serving as manager since the market was opened some time ago.

Louis Archibald and Henry Leberg of Powers left Sunday for Foster, City where they have secured work.

Mrs. Lu Smith of Powers, formerly of this city, has returned from a three months' visit at points in the east.

Charles Bisdée, druggist at Wells, is confined to his home with a severely sprained ankle which he sustained Saturday night.

J. J. Cox, president of the board of trustees for the Carnegie Library, one of the most active figures in building up that institution to its present state of usefulness calls the public's attention to its practical uses to which the library has been put.

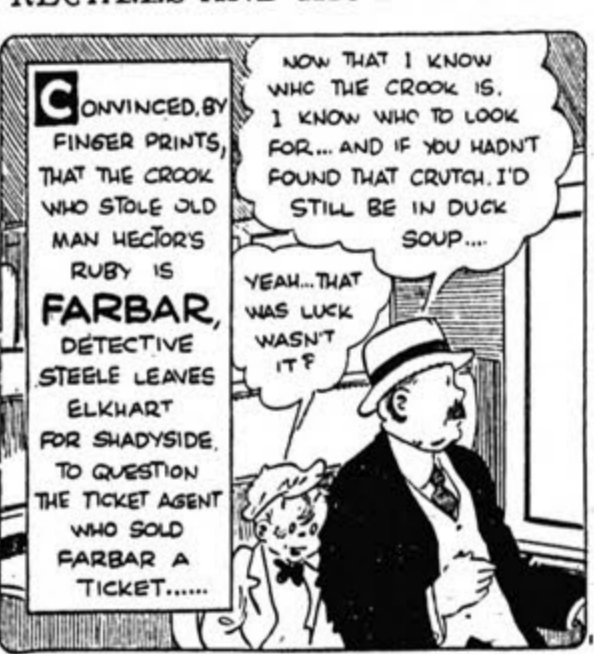

Ernie Bourke, of Toronto, Canada, who has been signed by the Escanaba baseball club to hold down one of the outfield positions for the local baseball team this season, arrived in Escanaba yesterday.

Almost all women now know that strict adherence to a suitable diet will cause a reduction in weight.

The other type of obesity is that in which the glands of internal secretion fail to function as usual.

Few people realize that weight reduction without proper attention to securing the correct proteins, carbohydrates and fats may be a serious matter in actually producing malnutrition or deficiency diseases.

It is possible to cause one to lose weight satisfactorily at the rate of one pound a week. It is generally recognized that a loss of weight of more than two pounds a week may be a serious matter.

In cases in which the action of the thyroid gland is deficient, a physician will prescribe regular doses of thyroid gland which can be taken by mouth, and this pro-

Such control of human reactions represents the highest form of modern medical science, including accurate measurement of the physiologic activities, the application of substances to take care of deficiencies and new measurements to establish finally the fact that results have been secured.

Parent Funeral Today
 Iron Mountain—Funeral services for Charles E. Parent, president of the U. S. National bank and pioneer resident of this city, who died early Tuesday morning at his home 912 Carter avenue, will be held at 2:30 o'clock Saturday afternoon at the home, with interment in Cemetery park.

The Rev. N. U. McConaughy, pastor of the First Presbyterian church, will officiate at the services at the home and officers of the Masonic lodge, of this city, will have charge of the ceremony at the grave.

Pallbearers will be Claude Millman, Russell J. Bath, G. A. Gustafson, W. J. Cudlip and Charles D. Symonds, of this city, and Charles Tesseyman, of Norway.

Legality Questioned
 Menominee—Because of the confusion it would create in the border twin cities the Retail Division of the Chamber of Commerce last night was not inclined to adopt Michigan's new "legal" time in Menominee. Constitutionality of the act of the legislature in establishing "legal" time is also questioned.

It is declared that standard time is legal time by Act of Congress, March 19, 1918, and that authority to readjust the boundary lines between the time zones is lodged with the interstate commerce commission, not with the state legislatures.

Road Projects Approved
 Menominee—Seven road improvement projects in the county and one in the city, to furnish considerable employment during the spring and summer months, were approved Wednesday by the county road commission. Approximately \$15,000 will be put into road work in the county exclusive of the 3,200 feet of 20-foot concrete to be laid on North Broadway. This, too, does not take into consideration the three and a half-mile paving contract north of the city now under way by Carlson and Lundin, nor the rebuild of the first four miles of the State road north of the city which is also underway.

Included in the approved jobs was the adoption by the commission of three township roads in to the county highway system. These roads are:

Birch Creek west two and one-half miles to State road.

Range line road between Ingallston and Menominee townships, one and one-half miles.

Two miles of new location near Eustas in Harris, to be cleared and grubbed this year. This road connects up with the county system of roads.

Jobs to be advertised for construction first are:

Road 557 in Harris south of Wilson in the vicinity of Hill 47, one and one-half miles.

Jam Dam north on county road 551 in Gourley, two and one-half miles.

Nathan west to Nathan bridge at river, four miles.

Long Swamp on Shakey Lakes road in Stephenson and Lake.

Woman Seeks Fortune
 Sault Ste. Marie—Although realizing that there is but small chance of inheriting a part of the \$50,000,000 estate of William Buchanan, first cousin of James Buchanan, fifteenth president of the United States, Mrs. Lydia Schrader, 930 Ashmun street, is looking into the various branches of her family tree to determine whether the fact that she is a second cousin to the former president will be sufficient to base a claim to a share of the enormous estate.

Upon learning the La D. Buchanan, of Houston, Texas, great grandson of William Buchanan was setting the estate, she corresponded with her brother, Frank Buchanan, of Green Bay, Wis., who in a letter to Mrs. Schrader, said he had communicated with L. D. Buchanan at Houston.

Will Move Hall
 Sault Ste. Marie—The executive committee of Pine Grove Grange was expected to accept the state's offer of \$1,000 for moving the Grange Hall 100 feet west from the highway.

The offer was made this morning at Pine Grove Grange meeting. W. H. Carroll of Escanaba represented the State Highway Department which is purchasing private property for the new US-2 right-of-way.

A survey as to the feasibility of moving the Grange hall was made yesterday.

The Grange's committee included Richard Lake, John Osborn, Clarence Walker, Fred Surman, Harold Osborn, master of the Grange, and Lawrence Osborn, secretary of the Grange.

Miniature Golf Course
 Norway—Norway is to have a miniature golf course. Work has been started on its construction on the Nelson property west of the Nelson gas station on highway US-2.

Escanaba Coal Man To Be Chosen for U. S. Organization

Washington, D. C.—It became known today that officers of the National Retail Coal Merchants' Association were tabulating the votes recently made by officers of sectional and state associations and representative coal operators and wholesalers for the selection of a coal man from Escanaba to serve in the capacity of a councillor to the national organization.

Developments are coming so fast in the retail coal industry that it is felt necessary to have a key man in each city of over five thousand population to more promptly put information into the hands of the local coal merchants.

Those voting were asked to make their nomination for National Councillor on the basis of leadership, willingness to cooperate and ability to get things done.

Information for the benefit of the local coal merchants and coal consumers is in the process of compilation at the office of Harry Turner at Topeka, Kansas, who is chairman of the committee.

Gilbert Honored
 Ironwood—Arthur M. Gilbert of Wakefield, former mayor and present postmaster of that city, has been reappointed as a member of the soldiers relief commission of Goegebie county, probate Judge Harry K. Bay announced today. Mr. Gilbert is a veteran of the World War who saw service in France. He was reappointed for a three year term.

In addition to aiding widows and orphans of soldiers, the commission during the last year has aided many in citizenship matters, by securing funeral expenses, and in many other ways.

The commission now includes Mr. Gilbert, Henry Hoffman of Bessemer, a veteran of the Spanish American war, and Oden Hogan, welfare officer of the Ironwood post of the American Legion. The commission will meet some time in the near future to reorganize for the ensuing year.

Would Honor McLain
 Houghton—A movement has been inaugurated to name the new state park at Bear Lake near the Portage Lake Ship Canal, in honor of the late Frederick J. McLain, chairman of the Houghton county road commission and official of the Quincy Mining company, the Hancock Chamber of Commerce was informed Wednesday at its weekly noon luncheon at the Hotel Scott.

N. J. Brodeur, who returned this week from a trip to lower Michigan, told the Chamber that he brought the proposal to name the park for Mr. McLain to the attention of Conservation Director Hogarth, who expressed himself in full sympathy with the plan. Mr. Hogarth said that the conservation commission will meet on May 8 and he assured Mr. Brodeur that he would recommend that the park be named for Mr. McLain. Endorsement of the proposal by the Chamber as well as other Houghton county organizations was asked by Mr. Brodeur and these will be forwarded to the commission before its meeting.

Athletic Banquet
 Houghton—The annual athletic banquet at Michigan Tech will be held the second week following spring vacation, it was announced Thursday by U. J. Noblet, athletic director. At that time letters will be given out to the varsity football, hockey, basketball, and track squad members, numerals will be awarded to members of the frosh football, basketball and hockey squads, and monograms will be presented to the members of Tech's R-O-T-C rifle team.

Coaches Tennis Team
 Bessemer—Donald MacFarlane, son of Mr. and Mrs. D. D. MacFarlane of Bessemer, has been appointed coach of the freshmen tennis team at the University of Michigan, according to word received here. MacFarlane is a junior.

Jurors for Year Selected; June 8 Is Next Session

Out of the list of men and women who voted at the spring election, Delta county officials yesterday drew the names of those who will serve on circuit court juries here during the next year. The names were drawn by the probate judge, sheriff, county clerk and county treasurer. Ten were taken from each precinct and each township poll list.

The first jury to be drawn from the new list will be for the circuit term which opens June 8. Ordinarily this is a non-jury session, but several cases now pending will require jury action at that time, and a jury has been ordered by Judge Frank A. Bell.

THE NEW SEWAGE PLANT

(Continued from Page One) sludge and how much will be produced at the new sewage treatment plant?

ANSWER: Your letter requesting an answer to the above question has been called to our attention. The proposed sewage treatment plant includes the handling of sewage sludge by the method known as "Separate Sludge Digestion," that is, all of the organic matter produced in removing it from the sewage in the various processes of sedimentation and aeration will be pumped to separate totally enclosed tank (called digester) where it will be decomposed (digested) to a state where the remaining residue becomes an inert, odorless, black humus, which after drying resembles loam.

AMUSEMENTS

AT THE MICHIGAN
 Marion Davies' new starring film, "It's a Wise Child," which will open today at the Michigan Theatre, is said to be the most mirth-provoking picture of this popular comedienne's career.
 "It's a Wise Child" was purchased for Miss Davies' use because film executives believed that this long-run Broadway stage hit would provide the screen star with an ideal vehicle. After the purchase of the stage play, Laurence E. Johnson, author of the play, was engaged to prepare the cinema adaptation.
 "It's a Wise Child" was a David Belasco stage production and a stand-out hit during its engagement at the Belasco Theatre in New York. This story of the embarrassing and uproarious effects caused by gossip in a small town has been praised by dramatic critics as one of the best farce-comedies of the theatre. Those who have seen the picture declare that it is even funnier.

Trampling by Horse Is Found Accidental

Investigating the killing of Bert Healy, 51 year old Garden farmer, the coroner and the Delta county sheriff's department found that the death was wholly accidental, and that Mr. Healy had been trampled to death by a horse. Whether he had fallen under the horse or had been struck down by the animal's hoofs could not be determined.
 Coroner George Bjorkman of Gladstone conducted the inquest with the local officers.

Mutton and Vegetable Stew
Two pounds mutton, 2 onions, 4 slices breakfast bacon, 1 teaspoon salt, 1-2 teaspoon pepper, 2 small firm heads lettuce, 2 cups green peas, 4 tablespoons butter, 1-2 cup water, 2 cups cooked macaroni.
Put mutton, bacon and onions through food chopper. Season with salt and pepper. Cut lettuce into shreds and add to meat. Melt butter in stew pan, add water and when butter is melted add meat and lettuce. Cover closely and simmer for one hour. Add peas and cook 30 minutes longer. The mixture also can be cooked in a fireless cooker or large double-boiler for two or three hours. Serve in a deep platter in a border of macaroni. Fresh or canned peas can be used.
Ham and spinach timbale makes a delicious luncheon or supper dish.

Personal News

Mrs. Dell Taylor, sons, James and Delmar, of Conway, Mich., and Mr. and Mrs. William Healy of Boyne City, Mich., who were called here by the death of their niece, Rachel Ardith Hicks, left yesterday for their respective homes. They were accompanied by Mr. and Mrs. Earl C. Hicks and daughter, Charlotte, who will spend the week-end among relatives at Alanson, Potosi and other points in the lower peninsula. During the absence of Mr. and Mrs. Hicks, Mrs. F. E. Campbell of Iron Mountain will remain at the Hicks home, Washington avenue. Mrs. Terrence Douglas and little daughter, Julianne, arrived Friday morning from Milwaukee for a month's visit in Escanaba, with Mrs. Douglas' parents, Mr. and Mrs. Albert Moreau, 311 South Ninth street, and in Niagara, Wis., with Mr. Douglas' people. Mrs. Douglas will be remembered as the former Miss Helen Moreau of this city. Miss Alice Uren left Friday for Chicago where she is a student at the National Academy of Art, after a visit with friends here. Miss Uren will stop in Milwaukee for a week-end visit with her brother, R. F. Uren. Rev. J. E. Wedin of Minneapolis, is the guest here during the week-end of Rev. and Mrs. Oscar P. Dahlberg, 524 South Fourteenth street. Rev. Mr. Wedin is an old friend of the Escanaba pastor. Mr. and Mrs. C. A. Bowers and Miss Mabel Bowers, 305 North Thirteenth street, have left Long Beach, Cal., where they have been spending the winter, on their return to Escanaba. George Adolphson, who has been engaged in construction work here, left Thursday night for Minneapolis where he will be located for the next few months. The Misses Lena and Anna Graham have left by automobile to spend a few days at the home of their parents at Sault Ste. Marie. Kevin Murphy left Friday for Milwaukee for a visit with his brother, Dr. Albin Murphy. Mrs. William Babeau and daughter, Bernadine, of Manistique visited with friends in Escanaba Friday.

National Mother's Day Observance Dates from 1914

Mother's Day was made an occasion for national observance in 1914, when congress designated the second Sunday in May as Mother's Day and authorized and requested the president to issue a proclamation calling upon government officials to display the flag on public buildings. Such a proclamation was issued by President Wilson, May 9, asking the people to similarly display flags at their homes as "a public expression of our love and reverence for the mothers of our country." The idea for Mother's Day originated with Miss Anna Jarvis of Philadelphia, and was first observed in that city in May, 1907. She selected the carnation as an emblem of its sweetness, purity and endurance. This year the observance of the day is to have an added factor of practical usefulness, with public-spirited men and women everywhere joining to emphasize the fact that 10,000 of the 16,000 mothers who die each year from child-birth causes need not die, if they are given adequate maternity care. The mortality rate from maternity causes in the United States is the highest in the civilized world. This need not be the case, and Mother's Day is an occasion to draw attention to the deplorable situation. With the endorsement of Surgeon-General Cummings of the U. S. Public Health Service, and Grace Abbott of the Children's Bureau, this new national observance has been organized by Mrs. John Sloan, president of the Maternity Center Association of New York City.

Favorite Recipe

Betty Ann Another recipe from a busy Gladstone matron which Betty Ann readers will welcome is this morning's for graham cookies: Graham Cookies 2 cups brown sugar. One cup butter and lard, half of each. 3 eggs (fresh). One cup rich buttermilk. One teaspoon of soda. One teaspoon nutmeg. Graham flour mixed real soft. White flour for board. Follow usual method. Mrs. A. E. Kleinfield, Gladstone.

Presbyterial Societies End Meeting Friday

Officers of the Woman's and Young People's Presbyterial Societies for Missions of the Lake Superior Presbytery, were re-elected, with two exceptions at the morning session of the twelfth annual meeting which came to a close Friday afternoon after its two-day sessions at the First Presbyterial church. The officers are: Mrs. John E. Ellison, Marquette, president. Mrs. S. C. Armstrong, Marquette, honorary president. Mrs. J. Ver Straata, Sault Ste. Marie, first vice president and secretary for stewardship. Mrs. E. C. Voght, Escanaba, second vice president and secretary for missionary letters and world service group. Mrs. Charles Spangler, Escanaba, recording secretary. Mrs. J. H. Young, Marquette, corresponding secretary. Mrs. Thomas Broad, Stambaugh, treasurer. Mrs. O. E. Ody, Sault Ste. Marie, secretary for literature. Mrs. Etta McKinnon, secretary for mission education. Mrs. H. I. Davies, secretary for associate members. Mrs. J. F. Efinger, Calumet, secretary for home missions and overseas sewing. Mrs. F. W. Monroe, Manistique, secretary for young people. Mrs. M. F. Ames, Laurium, secretary for intermediate senior group. Mrs. R. K. Durland, Ishpeming, secretary for children under twelve years of age. Mrs. J. E. Ellison, Marquette, and Mrs. J. H. Young, Marquette, were elected delegates to the Synodical at Grand Rapids. Closing Meeting The Presbyterial meeting closed Friday afternoon following two splendidly enthusiastic meetings, one a morning and one an afternoon session. Business of the Presbyterial was given attention during the morning meeting, and there was a talk on "National Missions," by Mrs. Alfred G. Wilson. The afternoon meeting was featured by a talk by Mrs. George Schwab on "Savages Versus Christians," and an illustrated address by Fredrick Thorne. A number of delegates left by automobile for their homes immediately after adjournment, while others are leaving this morning. Registrations of visitors completed Friday, included the following names not listed previously: Fredrick R. Thorne, New York; Mrs. R. K. Durland, Ishpeming; Rev. and Mrs. Broughall, of Munising, who with a group of young people motored here for the Thursday evening meeting; Mrs. J. K. Mitchell, Detroit; Mrs. Alfred G. Wilson, Rochester, Mich.; Mrs. F. E. Bay, Calumet; Mrs. S. C. Armstrong, Marquette; Mrs. C. E. Langdon, Mrs. S. Hocking, Mrs. Fred Johnson and Mrs. L. Parish, St. Ignace; Mrs. D. S. West, Houghton; Mrs. M. Gimmell, West Wier, Calumet; Mrs. H. F. Ames, Laurium; Mrs. H. B. Markham and Mrs. Fred Hoar, Marquette; Mrs. E. F. Brown, Mrs. Evan Lloyd, Iron Mountain; Mrs. Thomas Broad, Stambaugh; Miss Emma Wallace, Mrs. W. C. Tate, Munising; Mrs.

J. E. Ellison, Marquette; Mrs. Etta McKinnon, Calumet; Mrs. J. H. Young, and Mrs. Sheldon, Marquette. Meeting Successful The entire meeting was marked by a fine spirit of co-operation and enthusiasm. Credit for the smooth running order of its arrangements is due in no small measure to Mrs. E. C. Voght, general chairman, and her associate committee chairmen, Mmes. Charles Spangler, Carl E. Berger, William Long, A. N. Wilson, L. K. Edwards, D. H. Ray, O. M. Mickelson, F. M. Fernstrom and R. E. Olson.

Church Events

May Festival An interesting program will be given tonight at 7:30 o'clock at the Salvation Army hall, 106 North Fifteenth street. Among those taking part in the program will be Major and Mrs. C. Soderstrom, divisional officer of the Scandinavian department for the central states, and Captain G. Perry, all of Chicago. Some of the numbers on the program are as follows: Song—"Ladies' Quartet. Piano Solo—Miss Astrid Skogquist. Vocal Solo—Captain Perry. Address—Major Soderstrom. Vocal Duet—Mrs. Captain Anderson and Cadet Oberg. Piano Solo—Miss Astrid Skogquist. Address—Captain Perry. Vocal Solo—Mrs. Soderstrom. Major Soderstrom will be chairman of the meeting. The public is cordially invited to attend.

Visiting Pastor Will Speak Sunday

Rev. J. E. Wedin of Minneapolis will preach in the Swedish Mission church, Fourteenth street and First avenue south, at the Sunday evening service at 7:30 o'clock. The visiting pastor will also speak in Gladstone at the Swedish Mission church, occupying the pulpit there at the morning service.

EASY HEM. When putting a hem in a dress, if you turn the raw edge up a quarter of an inch and stitch it all around before making the dress the length you want it, you can shorten or lengthen it later with little trouble.

Births

Mr. and Mrs. Floyd Cheek of Detroit are the parents of a seven and one-half pound son, born April 23. Mrs. Cheek was formerly Miss Eva Marenger of Flint Rock. A son, Arnold Emil, was born Wednesday at the family home to Mr. and Mrs. Emil Kline of Ford River Switch. An eight pound son was born Wednesday to Mr. and Mrs. Raymond E. Sundquist of Chicago, at Covenant hospital, Chicago. Mrs. Sundquist is the former Miss Dorothy Hodgkins of Pine Ridge.

THE SUNDAY DINNER by Oscar of the Waldorf

Sardine Paste Canape Jellied Chicken Consomme Roasted Hindquarter of Lamb Mint Sauce Broccoli, buttered New Carrots in Cream Tomato and Cucumber Salad (Thousand Island dressing) Rhubarb Jelly Border with Whipped Cream Coffee Roasted Hindquarter of Lamb Select a hindquarter of lamb, trim the bone, fix the lamb in a roasting pan and roast it in a hot oven, basting often with butter; when nearly done sprinkle with breadcrumbs, baste again to brown and sprinkle salt over. When the lamb is cooked put it on a hot dish, surround with a rich gravy, and serve with mint sauce. Rhubarb Jelly Border With Whipped Cream Cut up into pieces three pounds of rhubarb, put them into a preserving pan with an equal quantity of sugar, and pour over a little water to prevent the pieces from sticking to the bottom of burning. Set the pan over a very gentle fire, and stir it well until the fruit is quite soft; then pass it through a fine sieve into a basin, and to each quart of pulp mix in two ounces of dissolved gelatine. Turn the preparation into an ornamental border mould, and let it set firm. Turn it out onto a dish, fill the center with a well-whipped cream, and serve.

Social - Club

Clover Circle Miss Dorothy Cass, 1114 Tenth Avenue South, was hostess to the Clover Circle Wednesday evening at her home. Games were played, with the prize award going to Miss Evelyn Rouse. A delicious lunch was served. Bridal Party Miss Arvilla Tilbert entertained a group of friends at a bridal party in honor of Mr. and Mrs. Basil Tilbert who were recently married. Games and cards were played and followed by a delicious lunch. A large three-layer wedding cake, prepared by the mother of the groom, Mrs. Harry Tilbert, formed the centerpiece of the long table at which the thirty guests were seated. The newlyweds received many beautiful gifts. Engagement Announced Mrs. Della LaFave, of Danforth, announces the engagement of her daughter, Anna, to Mr. Laurence LeMieux, son of Mrs. Louis LeMieux, of Cascade, N. H. Their marriage is to take place on May 16, at Flint, Mich. At 105 She Likes Modernism Portsmouth, England (R)—Mrs. Ann Jewell, who is 105, is pretty well satisfied with the way the world is wagging. She likes modern dancing, approves modern styles and thinks England a much better place than in her early days.

National Health Day Is Observed At St. Joseph's

St. Joseph school observed National Health Day Friday in an elaborate manner. Posters and slogans were posted throughout the building. The theme of the day was "A Pure Soul; a Sound Mind; a Healthy Body." Every class took regular physical exercises in the open. The tennis players gave a demonstration of their skill; the highest jumper, the swiftest runner had an opportunity to show his ability. The boys had a baseball game. Talks were given on correct living. "How to keep healthy; work earnestly; eat wholesome food; play for the sake, not for competition." The Pastour Club of the Sophomore class gave a playlet, "Science Conquers Disease." The Playlet Scene I—The Dance of the Disease Demons. Scene II—Disease Demons at Work. Gold Star Mother To Leave Tonight On Trip to France

Mrs. Nick Dugener, 1920 Second Avenue North, gold star mother, and her daughter-in-law, Mrs. Joseph Dugener, 306 Twentieth street, who will accompany her, are leaving tonight for New York on the first part of a journey which will take them to the grave of Mrs. Dugener's son, Corporal Michael Dugener, who died overseas. They will sail from New York on May 6 aboard the Steamer George Washington, and will go directly to Cherbourg, France, and from there to Paris and to the Suresnes cemetery where Michael was buried. After their stay at the cemetery, Mrs. Dugener and her daughter-in-law will go to Luxembourg to visit with Mrs. Dugener's people. They will return about the middle of June, stopping at Buffalo and at Niagara Falls, N. Y., for a time. Mrs. Nick Dugener will go from there to Detroit where she will visit for some time with a son, John, while Mrs. Joseph Dugener will return to Escanaba. Four-fifths of the automobiles owned in Brazil were bought on time.

SENIOR PLAY IS PLEASING

"All A Mistake," Farce Comedy, Is Good Entertainment

Full of good humor, funny situations and suspense, "All A Mistake," the theatrical production presented last night by the senior class of Gladstone high school, proved fine entertainment for the big crowd which filled the gymnasium.

The play was well cast, every member carrying out their characterizations nicely, the action fast moving and filled with complicated situations. The capable work of Wm. H. Balster, under whose direction the play was staged, was evident throughout the entertainment.

The plot was laid in an old sea captain's home near a lunatic asylum. George (Hilding Olson), a young lieutenant, and his wife Nell (Betty Mann), newlywed, arrive to visit the captain (Don Richardson) who is George's uncle. They are non-plussed at finding here a friend of theirs, Nellie Huntington (Margaret LaFaver), who has always been the meddling captain's choice of a wife for his nephew and in order to avoid incurring the captain's ire George decides for the time being to pass Nell Huntington off as his wife.

The servant (Gertrude Kee), is also named Nell, as is the captain's old maid sister, Cornelia, played by Angela Mallongree. Similarly of names caused complications, each character believing the other crazy, and leads to wild ideas and schemes and deep plotting.

Cornelia, the old maid, answered a newspaper ad for a wife and is diligently searching everywhere for her "Romeo." He turns out to be Ferdie (Thorwald Ohman), and meets all of the Nells but the right one before Cornelia finally captures him.

Then Richard Hamilton, (George Pettit), a young country gentleman, arrives and after being mistaken for a lunatic thing are unraveled and it is revealed that Nell Huntington is really his fiancée and not George's wife.

The play ends happily as George and his young wife are brought together in reconciliation after many misunderstandings on both sides.

Coat Hangers Are Movers Pet Peeve

Jackson, Mich. (AP)—An inquiring reporter has discovered the moving man's pet peeve. Apropos of May Day moving he went forth to discover what article the moving householder appears to prize most and the answer was—coat hangers.

And coat hangers, declared a spokesman for the industry which thrives on the restlessness of the human race and its desire to get a better and sweeter home at least once a year, are a great grief.

"In my twenty-odd years as a mover of household goods," remarked a veteran, "I venture to say I've carted something like 15,742 cords of those pesky things. The man who invented and the people who manufacture coat hangers must have acquired riches beyond the dreams of John D. Avrice himself, if all the moving men in the country have toted around as many of the contraptions as I have."

"Just why it is that folks collect the things and then carry them around when they move is something I've never been able to fathom. Maybe it's because they're not so handy to get rid of, and, then again, maybe it's the squirrel that seems to be a part of every human being. They just store them up and hoard them, thinking some day they'll be able to do something with them, I guess. But they never do. I'll bet there are coat hangers enough in Jackson homes to take care of 70 or 80 times the average wardrobe."

"I've carried coat hangers in bundles, in bushel baskets, by the truck load and singly and in pairs. They're always under foot and their number increases every day. I have one man on my payroll whom I call 'first vice president in charge of coat hangers,' and his job is to go through the house and clean out the things before we start moving the furniture and other stuff. In that way I save a lot of trouble and keep myself and my men from getting all tangled up in the things."

Landmark Removed—Houghton.—With fond recollections of the "good old days," when bustles and "Merry Widow" hats were in vogue, and Calumet dandies wore peacock feathers in their hats, habitues of the town hall yesterday became reminiscent as a village employee removed a landmark well known to those of a generation ago.

In the days when Forbes Robertson, Joseph Jefferson, Sarah Bernhardt and other stage celebrities graced the stage of the newly-built Calumet theatre, it was considered not improper to politely absent yourself from your lady at the end of the first act. In fact, almost the entire male audience did so, and for what? each considered a good reason. But the lady could almost always be certain that her escort would return before the curtain was arised on the second act. She could also be certain that he

"Tie Up Dogs," Is Warning Issued by Chief Kallerson

"Dogs have got to be tied up or confined when at home and unleashed when on the street," was the statement issued yesterday by Chief of Police Torval Kallerson, following a number of complaints that the animals were running at large about the town, ruining many newly planted gardens and lawns.

"The law specifically provides as to the owners' duties in the control of dogs located within the city limits and if the animals are allowed to run loose, untended, we shall be forced to pick them up and dispose of them," he continued. Dog license fees are also due

JUNE AIR TOUR BEING PLANNED

Pathfinding Planes Visit Escanaba Friday Morning

Four pathfinding planes of the third annual Michigan air tour stopped at the Escanaba airport Friday morning on their return trip to Grand Rapids. The planes are collecting data for the air tour which will take place in June, and while in Escanaba the pathfinder officials conferred with representatives of the city and chamber of commerce.

The group of visiting fliers included: S. B. (Buck) Steers, state inspector of aeronautics, flying a tapered wing Waco biplane, with Wayne J. Sheldon, tour referee and Tom Walsh, manager of the Grand Rapids airport, as passengers; Ronald Pierson, flying a Driggs Skylark, a Michigan-built ship, made at Grand Rapids, carrying as a passenger B. C. Gault, tour manager; Irving Woodhams in a Curtis Robin, with Richard Boulevard as a passenger; and Ted Abrams of the Abrams photographic survey, flying a Waco pathfinder, with Charles B. Sepp of the Grand Rapids Herald as a passenger.

A tiny Buhl "bull-pup" plane which started with the pathfinders, was left behind at St. Ignace as a result of an accident. With Sheldon at the controls, the Buhl nosed over in a bad landing, breaking the propeller and a part of the landing gear.

Abrams is the man who mapped Isle Royale for the air, and participated in tours of 1929 and 1930. Buck Steers is also a veteran of air tours, both state and national, and he has been checking conditions at airports visited to determine whether or not they can accommodate the 50 or more planes expected on the tour. The Escanaba airport, he said, was a little narrow for a large group of fliers, some of which will be novices not accustomed to conditions in this part of the country.

The itinerary of the June tour will be announced later after information gathered by the pathfinders has been checked and local committees have made reception arrangements.

Breaks Arm in Car Mishap At Garden

Henry G. Olson, 706 South Tenth street, is a patient at St. Francis hospital where he was taken after fracturing his arm about the elbow in an automobile accident which occurred near Garden, Wednesday.

Mr. Olson was enroute to Garden when his car was struck by another machine. The car went into the ditch and Mr. Olson became unconscious. He was found some time later by Garden residents who were driving in that direction. They took the injured man to Garden where Dr. John Lown treated him and a message was sent here to Mr. Olson who left immediately by automobile and took her husband home.

Mr. Olson does not recall what kind of car it was that struck his automobile.

The arm was fractured above the elbow just a little below a fracture which he sustained on Christmas Day when he fell down the basement stairs at his home.

BUOYS IN PLACE

The Steamer Hyacinth of the U. S. Lighthouse service fleet was in the local port yesterday setting out buoys in Bay de Noc. Immediately after placing the buoys the vessel left for other ports on a similar mission.

Aviator Saved In Burning Parachute

A Selfridge Field Army plane, flying low, caught fire and crashed near Six Mile and Greenfield roads, Detroit, at 10:15 a. m. Wednesday. The pilot, Lieut. Ernest K. Warburton, who was with the Selfridge Field "Arctic Patrol" on its winter visit to Escanaba in 1930, jumped from the plane about 300 feet from the ground, but his parachute which had opened, was in flames as he landed safely. He was taken to the hospital in a serious condition with severe burns about the face and hands.

Persons watching the maneuvers of the plane said Warburton's plane burst into flames and saw the pilot emerge from the mass of fire. Great crowds immediately gathered at the scene and it was necessary to establish police lines.

There were 50 planes in four squadrons of the pursuit group, led by Capt. Ross H. Hoyt. They were working out group assembly problems in preparation for their participation in coast defense exercises to be held in the east, starting from Dayton, Ohio, May 21.

Lieut. Warburton is a member of the 17th Pursuit Squadron. He is regarded as one of the best of the stunt fliers of Selfridge and with Lieuts. Robert W. Burns and Hanson H. Vanauken formed the start-triangular of the air circus last November, when they were dubbed "The Three Musketeers."

Blacktail Deer Spurns "Charity"

Glacier Park, Mont.—Why the wild white tail deer eagerly accepts dole in the form of tame hay and the blacktail or mule deer won't take the same "hand out," is a matter of psychology that puzzles Superintendent Scoyen and his staff of rangers in Glacier Park.

Superintendent Scoyen reports 500 wild deer (actual count) came to the various park feed grounds during the winter. He says:

"It was interesting to note that all of these 'beggars' were white tail deer. Though a black tail deer has been known to walk across one of the hay-feeding grounds maintained by the government to take a lick at the salt block, the animal absolutely disinclined to accept any dole in the form of food. After getting the desired ration of salt this black-tail promptly went back into the forest to find the food that nature has provided. Deer are tame around park headquarters where several will feed from the hand. Practically all residents put out scraps of lettuce, bread, cake, and potato peelings for these back-door beggars. Again the special in white-tail, and Mr. Mule Deer refuses even to consider a beggar's life."

"This is interesting to me, for I can remember that the situation was completely reversed when I was a boy in Yellowstone. The aristocrat then was Mr. White-tail who considered it below his dignity to accept doles or to give the slightest impression that gifts thrown from the back door might be acceptable. His brothers of the other species were always to be found on the feed ground, and, as beggars, were possessed of a colossal amount of nerve; in fact, their actions were frequently impudent. Even in later years when the white-tail became more friendly, they were always more timid than the other species."

St. Francis Hospital

Miss Ellen Carlson, of Foster City, Miss Bernice Swanson, 611 Minnesota Avenue, Gladstone, Miss Mildred Palar, 412 North Sixteenth street, submitted to operations for relief from appendicitis and are as well as can be expected. These patients are not allowed visitors for several days.

Bed Patient Leaves County Poor Farm

Archie King, who has been a patient at the Delta county poor farm for 17 years and bedridden for 29 years, will be taken to the state hospital at Newberry today.

Mr. King was recently examined by physicians and found insane, and was committed to the state institution by Probate Judge Judd Yelland. As soon as accommodations were available at Newberry, hospital officials notified local authorities, and arrangements have been made to leave with the patient this morning.

Flowers for the Sick

Send flowers or a blooming plant to the sick. Nothing cheers up a patient more than a beautiful bouquet of freshly cut flowers or a plant in bloom—in fact they are a wonderful tonic in themselves—especially if they are from Wickert's. We cut them fresh every morning.
