Anybody Want a Black Dress?

A black dress, that wears as long as you wear it, one that is slightly as long as you wear it; that embodies style with quality; a black dress that will require but small outlay to encompass these requisites.

We have them in quantity and in variety, and we are not the only store selling black dress goods, but one of the few that carry such an immense line. Fewer still have the variety, and still less, if any, have the low prices we name.
