### 99999999999999999999 **Paint** Economy

One of the best paint authorities in the world says that paint economy is "the sum total of the cost of the material and its application, divided by the number of times you have to repaint in a given term of years." Pentisable and Shewin-Williams Ready-Mixed Paints gives that sort of economy, You'll also find that your cost of material application of gures out best with these paints.

### ...Vital Questions...

What does the Dotto Prescribe?
What does the Droggist Supply?
Health often balances between these
two questions. Life itself may depend
on the precise filling of a prescription
with drugs of absolute standard strength.
Many druggists who fill prescriptions
carefully are not as careful about the
reliability or potency of the temedicused. We are careful about both. We
see to it that all our drugs have the procise strength they should have, and they
are always compounded with scientificaare always compounded.
