THE operations of our fleets have conclusively proven that this coun-try is painfully short on the class of war vessels known as the armored cruiser. In this class the speed of the cruiser is coupled with the hea armor and armament of the battle armor and armament of the battle-ship. Four of the Spanish vessels shut up in Santiago harbor are of this class. They have a speed of 20 knots and are equipped with 10 and 11 inch breech loading rifles beside beavy batteries of 6 inch and smallor rapid fire guns. The New York and Brooklyn are the only cruisers and Brooklyn are the only cruisers in the American navy that compare with them and their heaviest guns are 8 incl. rifles. Everything con-sidered, the Spanish Cape Verde fleet is more than a match for all the are 8 linels, rifles. Exerything considered, the Spanish Cape Verbel fleet is more than a match for all the crubers in our mary, inasamela sthey carry heavier guns, are heavier armored and have equal speed. But Cammodore Schley has nothing to four from this fleet, powerful asit is. It has some of the cruek heattleships of the American nary with him-and while they are not speedy, they are importants to the projectiles fired from the guns earried by anylof the cruisers. Memorial bay had its origin in the weeth, and was first proposed by Mrs. Mary A. Williams, without of a soldier of the Mexicon and eight wars, Maj. Charles J. Williams, of Columbas, Gn. The first observance, 1888 was due largely to the agitation of the subject by the late Albert Launar, at that time cellfor of the Columbas is mad to John Martin, then in charge of the Columba Enquirier. The date was first of on the 20th day of April and called Decoration Day. This date has been generally observed since its inauguration in the more southern states, while Virginia and Kentucky and the more northern states observe May 10, as their flowers are not alumbant earlier. Mrc the southern people had observed the day for two or three years the easten was deptied by the people of the northern states, and May 20 fixed as Memorial Day. The day is observed withing at 10 purp and correction was for the south of the column of the pomp and ceremony at all national cene teries in the south.

Athlets Exercise of Foer Sort. Circumstances connected with the issuing of a liquor license have brought out the fact that an "athletic club" in Philadelphia consumes twenty-five harrels of beer a month. The process of disposing of that quantity of beer glass by glass, necessarily involves a good deal of physical exercise, but it was not exercise of that description that brought Gladstone to his 50 years. ways by young I you cate to the second profile of the specified.
