

Many Game Law Violations Bring Big Revenue To City During The Past Few Days

Various Charges Brought By Vigilant Conservation Officers In Area

Justice of the Peace W. G. Stephens is having a field day in municipal court these days with the usual deluge of game violators brought in by vigilant conservation officers patrolling this area.

Judge Stephens reported Thursday afternoon that he had taken in 11 violators in fines and costs since noon Thursday, and the figures are expected to pyramid in the remaining 13 days of the annual deer hunting season.

Most of the violators were handled in justice court that of Carl Henry and Arthur English, both of Jackson, who were arraigned Thursday afternoon.

At least one other violator, a loaded gun in a car, was fined \$30 and \$5.00 costs, and Henry, charged with transporting a loaded gun, was fined \$25 and \$5.00 costs. The two were arrested Wednesday in Gormfark township.

New Haven Man Jailed

Robert Eckert, of New Haven, Mich., was fined \$57 and \$5.50 costs and sentenced to five days in jail at his arraignment Tuesday on a charge of illegal killing of deer. He also was deprived of the privilege of obtaining a hunting license for three years, including 1949. He was arrested in Seney township Monday.

William Stead and Clem Vallat, of Flint, arrested in Seney township Nov. 12, each paid \$25 and \$5.00 costs for "having in possession in an automobile a 20-30 Stevens rifle loaded in both barrels and magazines." Lloyd Agosta, of Seney, arrested in Hawatha township Nov. 10 for having a shotgun loaded with buckshot during the five days preceding the opening of the deer season, and Richard Hale, of lower Michigan, arrested in Seney township on the same charge Nov. 13, paid a total of \$52 in fines and costs.

Other violators include Fred Jones, of Elmer, Jenour of Manistique, and R. J. Hruska, of Menominee. Jenour was charged with illegal possession of mustard and pepper of \$25 and \$5.00 costs, and fine of \$25 and \$5.00 costs, and fine of \$25 and \$5.00 costs.

INLAND CALLS 140 MEN BACK TO THEIR JOBS

Settlement Of Steel Strike Friday Restores Shipping At Port Inland

A total of 140 men, laid off by the Inland Line and Stone company several weeks ago because of the steel strike, were called back to work Monday following settlement of the 42-day strike of 15,000 workers in Inland Steel company's Indiana Harbor and Chicago Heights plants.

A. W. Heitman, general superintendent of the Inland Line and Stone company, Saturday sent notices to all 140 to return to work Monday. He also reached an agreement on a welfare plan with the United Steelworkers of America which is unique in that it provides for two pension plans, one for the individual workers and another for his right to choose between them. The plans are not competitive, but supplement each other.

The "Pension Plan," a company-pay-all plan based on the Bethlehem pension formula, and as agreed to by the union, is called the "Pension Plan." The other plan is called the "Optional Pension Plan," a voluntary contributory plan which the company has had in effect since 1935. An agreement on this plan was reached with the bargaining committee of Local Unions 1010 and 64.

Both plans offer \$100 minimum pensions after 25 years of service, and both provide pensions of \$50 minimum per month for totally disabled employees with 15 years of service.

The agreement also covers group insurance which is jointly paid for by the company and the workers. Bots began moving out of Toledo Friday night and arrived at Port Inland, shipping company, at 10:30 a. m. Monday.

Resumption of operations at the Manistique Pulp and Paper company, scheduled for Monday morning, will be delayed by mechanical difficulties for 24 hours, but production will get underway Tuesday morning at 8 o'clock. The pulp mill will start up at midnight Monday.

A total of 150 employees of the mill, returned to work.

Report On Polio Fund Made Here

Cost For Care Of Three Local Patients Over \$2,000; Drive In January

Fred H. Hahn, chairman of the Schoolcraft county chapter of the National Foundation for Infantile Paralysis, reported Wednesday that nursing and hospital care for three young polio victims during this county, two of whom died, amounted to \$2,193.36. The nursing costs were \$1,474 and the hospital bill was \$719.36.

Hahn reported there is only about \$1,200 in the local chapter's fund at the present time, and points to the need for a county-wide response to the polio fund drive which the Manistique Women's club will carry on in January.

Persons wishing to contribute early to the campaign may send their donations to Mrs. Carl Ayer, chairman, Manistique avenue, who is chairman of the 1950 drive.

DETROIT MAN HURT, THREE HUNTERS LOST

George Bianco, 24, Shot by Companion; Two Local Teen-Agers Lost

The first hunting accident of the deer season in this area occurred at 8:30 a. m. Wednesday near Goid City.

George Bianco, 24, was treated at the Shaw hospital here for an injury to his left forearm and his left thigh, but neither injury was serious. Bianco was shot by a companion, John D. Harcourt, also of Detroit.

The accident occurred as Harcourt was ejecting shells from his gun prior to getting in his car. Bianco was picking them up and was directly in the line of fire when the gun went off.

Two Manistique teen-agers and a 56-year-old hunter from Eau Claire, Michigan, were lost in the woods Tuesday night but all three came out unharmed at daylight Wednesday morning.

Junior Gray, 17 and Jerry Burns, 16, of Manistique, left at 6 o'clock Tuesday afternoon for duck hunting parties in the Duck Creek area, north of Manistique, but failing to reach their destination by nightfall, parked their car and remained in it all night.

The Eau Claire hunter, Ferris Layman, was lost between Parkington and the Green school district, but found his own way out at daybreak.

Ziegler Not Hopeful About Use Of Causeway At Straits Despite Pressure From U.P.

Highway Head Says Temporary Dock Would Be Uneconomical, Impractical

Construction of a temporary dock at the St. Ignace causeway would be uneconomical and impractical, it was stated Saturday by Charles M. Ziegler, Michigan state highway commissioner, in a speech at the dedication of a new bridge near Pickford.

He said that a temporary dock on the causeway would cost approximately \$2,000,000, and this, he said, would be a waste of money because it would have to be torn down when the bridge was built.

The state highway commissioner's talk was apparently in answer to efforts to have a 15-man upper peninsula committee which was organized at Blaney Park in September in an effort to get immediate action to solve the Straits of Mackinac traffic "bottleneck."

E. E. Cookson, of Manistique, is chairman of this committee.

Study Is Urged

Representatives of this committee, including the chairman, conferred with Ziegler Saturday morning in St. Ignace, and urged that a study be made of the causeway to determine if it might be used for a temporary dock during heavy summer traffic congestion.

Use of the causeway, the committee has pointed out, would reduce the ferry distance between the upper and lower peninsula from around nine miles to about three and one-half miles. The causeway was originally designed to be used as a temporary dock, and if it could be used for this purpose it would solve the summer traffic congestion problem at the Straits for many years.

At the Blaney Park meeting in September approximately 60 representatives from the various upper peninsula counties went on record as favoring a study of the causeway as a dock. This group expressed the belief that a no time in the foreseeable future would the bridge be constructed.

In his talk at Pickford, Ziegler said that he favored the construction of a new dock at the Straits of Mackinac, which would reduce the present ferry run about one mile.

DEBATERS WILL GO TO IRON MOUNTAIN

Manistique Teams Competing In Preliminary Tournament Saturday

Manistique high school debaters will go to Iron Mountain for the preliminary tournament of the season Saturday. Fifteen schools from the upper peninsula will participate.

The question for debate this year is "Resolved: That the president of the United States be elected by a direct vote of the people." Representing Manistique are Richard Sheehan and Margo Vieveger, on the affirmative team, and Lael Richards and Dan Van Eyk, on the negative, with William Corson as moderator.

A freshman debating squad, recently organized, includes Mary Nelson, Laura Pizalis, Robert Krenow, and Hugh and Marvin Frederickson in the preliminary tournament.

PROGRAM PLANNED FOR GIRL SCOUTS

City-wide Play Day Will Be Held Dec. 10; Name Nominating Committee

Plans for a city-wide play day Saturday, Dec. 10, where-in all Girl Scout troops will meet together for a few hours of play, songs and dances, was announced at the Manistique Girl Scout Council last week by Miss Winifred Orr, program chairman. It is planned to hold the rally at 8 o'clock in the afternoon from 2 until 4 and light refreshments will be served.

Mrs. Earl H. LeBrasseur, Girl Scout commissioner, announced the following nominating committee for the annual meeting in January: Mrs. Lottie Woodford, chairman; Mrs. T. H. Reque and Miss Winifred Orr. It was also voted to make the annual meeting a joint upper meeting with the Leaders' Association.

Mrs. LeBrasseur reported on the former Fall Association meeting recently held in Marquette and also announced the election of Mrs. Therese Reque as secretary, which has existed on the local council for two years.

The "Little House" committee chairman, Mrs. J. L. LeDuc, reported on the inspection tour of the "Little House" site and recommendations of the committee for its development.

The council also discussed the future policy of purchasing equipment for individual troops.

Mrs. W. J. Stead, extended committee to meet at the Leaders' Association to meet at her home on Monday, Dec. 5 at which time the council registrar, Mrs. J. L. W. will be present to distribute registration blanks and girls' record cards.

Russell Watson, of Detroit, is spending two weeks of the hunting season in this vicinity.

BLANEY PARK IS ON HUNTER TABOO LIST

No Trespass Signs Up; Drastic Action To Be Taken Against Violators

During this year's deer hunting season, Blaney Park Resort again has patrolmen on all fences for the protection of their game. All lines have been placarded with No Trespass signs and over 70 miles of fences have been repaired.

"This year," said Stewart Earle, owner of Blaney Park, "we are forced to take drastic action against all those who trespass. Hunters from downstate have paid a lot of attention to our property lines. Hunters from some of the nearby towns have killed deer on our reserve and sold them to downtown hunters. They have bargained about this. Our immediate neighbors have respected our lines because they know that we are building up better shooting areas by surrounding territory. We are going to be pretty hardboiled about trespassers this year and anyone found inside our fences will be arrested. It may spoil vacations for some people, but Blaney Park is private property and must be recognized as such."

Blaney Park has been one of the outstanding examples of conservation in the upper peninsula. The owners have fed the deer herd through the winter and they are now over 2,000 acres of refuted playing fundamentalists for the propagation of wild-fowl and wildlife, and, in addition, employ paid game wardens to maintain the game resources for the entire region.

HIGH SCHOOL CAGE SQUAD ANNOUNCED

Emeralds Play Opener At Sault Dec. 2

Manistique high school's new basketball coach, Robert Husey, has announced that 16 players are candidates for the varsity basketball squad for the 1949-50 season which opens at Sault Ste. Marie Dec. 2.

The varsity squad will be composed of 12 players. The present staff consists of Everett E. Robert Carlsson, Dick Anderson, Eugene Schneider, Dick Burns, Norman Jahn, Donald Quick, Larry Ekahl, Ed Lanoucar, Jack Minor, Gerald Poupou, Lloyd Goud, Russell Demars, George Hough, Bob Weber and George Macfarlane.

A total of 75 responded to the opening call for practice Oct. 26, and this number was later cut to 22 players. Initial practices will be held at 7:30 p. m. and continue two weeks in both offensive and defensive play.

The Emeralds have a 16-game season. The first home game is against Gladstone Dec. 9.

Norman Robertson, of Hazel Park, Mich., is spending a few days hunting here and visiting with his parents, Mr. and Mrs. Alex Robertson, Manistique.

Churchill And Roosevelt Great Diplomats, Says Club Speaker

Seven newspapermen in the family made it possible for Mrs. Judith W. Lowe to meet and know many world personalities whom she mentioned in her address to the Women's Club Tuesday afternoon.

"There never were two greater diplomats who led two greater nations than were Churchill and Roosevelt," said Mrs. Lowe at a luncheon meeting at Casablanca where were laid the first stones for the United Nations.

"Alfonso of Spain was a morally, physically, spiritually, and mentally superior man," Mrs. Lowe said in discussing political events in Spain, especially the birth and death of the new Republic which she witnessed.

"Franco, first and always a Fascist, Spain for Hitler," Mrs. Lowe pointed out in explaining why the people of Spain is not a free democratic republic.

In discussing the present situation in Spain, Mrs. Lowe stated that Spain is added to the United Nations, it is because of a strategic position and because Spain has historical and other material.

Saw French Parade

"One can understand why leaders are not met," said Mrs. Lowe in discussing the betrayal of France. Mrs. Lowe was present at the great Bastille Day parade and shows before the war and said that at that time it seemed incredible that war and its destruction should follow as it did.

A discussion of succeeding events which brought about the present situation in France, Mrs. Lowe said, showed that Communists believed there by bringing food, clothing, and coal to the hungry and cold.

The King and Queen of England, and the head of the land, and Cripps, the head of the British government, were included among the truly great personalities of Mrs. Lowe's met.

"The modesty and humility were evident with them, as they were with all truly great people," Mrs. Lowe said in describing the press conference where 60 were present.

RATINGS AVAILABLE IN NATIONAL GUARD

World War II Veterans Told About Opportunities In Unit Here

World War II veterans contemplating joining the Schoolcraft county unit of the Michigan National Guard, which meets for a two-hour meeting at 8 o'clock this week that 23 ratings are still open.

These ratings go either to World War II veterans or to new men who enlist as recruits and work up to them, Capt. E. J. Doyle, local company commander, announced.

The ratings are in the grade of corporal or better; the present ratings of corporal being equivalent to the World War II ratings for World War II veterans with ratings who can enlist in the grade held at time of their discharge. The vacancies are in the unit, Capt. Doyle said.

"We have many vacancies at the Schoolcraft county company. Our present strength is 124. We are authorized to enlist up to 124, and of those 56 vacancies are emphasized.

The vacancies are: six corporal construction equipment operators, three corporal demolition specialists, three sergeant heavy construction carpenters, one sergeant rigger, and one sergeant rigger."

American Impact On Europe Tremendous, Speaker Says

An exceedingly industrious people, he said, and always appeared to be busy. He indicated that there was a tremendous impact on the Finns.

Train Stopped

Mrs. Watson told of a train trip through Finland, where the train was stopped by Russian soldiers, the windows blacked out, and the train, a Russian locomotive was hooked to the train and pulled it through the Russian area, he stated "When I finally saw that the Russian soldiers would arrest it was one used here on the Soo Line about 50 years ago. It certainly was antiquated and battered," he said.

Watson, following the meeting in Finland, Sweden, Germany, Belgium and the Netherlands. He spent a short time in England.

Nowhere did he have any difficulty, he said, and the food was plentiful in the places where the group ate. He said the people in Europe are working hard, and will work hard, and you think you can go to Europe, and get back.

Welfare Movie Scheduled For Tuesday, Nov. 22

"Stablemates" starring Wallace Berry and Jackie Cooper, will be shown at the Okla. theatre next Tuesday afternoon, Nov. 22, at 4 o'clock as the annual Manistique Women's club project for welfare work.

The film is sponsored by the Women's club welfare committee and shown with the cooperation of Mrs. J. L. LeDuc, theatre owner. Admission is free for a wide range of welfare services which her committee carries on throughout the year.

No Snow Here, But L'Anse Fall Makes Woods Traffic Tough

Fields and woods in the Manistique area are still snowless; but this front page item from this week's L'Anse Sentinel:

"The heavy snowfall Monday of Nov. 14 to 15 inches and continued throughout Tuesday greatly hampered the vast army of deer hunters in the county. Nearly ten inches of wet snow fell Monday night, practically paralyzing traffic in the woods. Even street jams were common Monday."

Yes, Manistique has its soft spots to many other upper peninsula towns.

Plan Union Service For Thanksgiving At Bethel Baptist

The Manistique Ministerial association completed arrangements this week for the traditional union Thanksgiving service to be held at the Bethel Baptist church. The service is at 7:30 next Wednesday evening.

The Rev. William H. Schobert, pastor of the First Baptist church, will preach the sermon. His topic will be "Practical Atheism." There will be special music by the Bethel Baptist choir and a free will offering will be taken.

The public is invited to attend.

Mystery Drama At Theatrum Friday

Masquers Presenting Thrilling Entertainment. Curtain Time 8:30

The Manistique high school theatrical club, the "Masquers," will present "A Mystery Has Been Unraveled" Friday at 8:30 p. m. at the high school auditorium. The play, with one exception, is composed of dramatic characters who have attained membership in the National Theatrical Association in honor group for high school students.

The characters in the order of their appearance are: Mrs. Edith Kristoffer, Mrs. Groves-Edith Kristoffer, Mrs. Carolyn Anderson, Mrs. Wragg-Gal Lundstrom, Mrs. North-Lorne Lundstrom, Mrs. Jasper-Jean Sheehan, Mrs. Albert, her mother, Mrs. Vi Verger, Mrs. Charles Jasper - Bruce Verger, Mrs. Mullen - Dan Van Eyk, Mrs. Joyce McNamara.

The play is one of absorbing interest and is the first effort of the club to do a serious drama. Tickets went on sale early this week.

Charles Malloch was a recent visitor to St. Ignace at the guest of Mrs. Malloch and her sister-in-law, Mrs. James Malloch. A graduate of Manistique high school in Malloch recently was transferred from the army to the 1st Army Air Base, Denver, Colo., as the rank of sergeant.

Mrs. Jack Wickwire and daughter, Linda, left last week for Walkerville, Mich. Joe Brunet of Manistique was a dinner guest at the home of his sister, Stella Brunet Paul, on Saturday, Nov. 12.

The addition of Mrs. Lee Chiles, a patient at the Shaw hospital in Manistique, is somewhat better. Rev. Father Kihak of Engadine was a caller in the village Saturday.

The Gulliver community ice rink will be maintained this winter by the cooperative efforts of the Gulliver Recreation Club, the township board of education, the Latter Day Saints church and skating enthusiasts who will provide the necessary labor. They have already begun to lay tile underground for a new water system for the rink as the hose system used last winter was inefficient and costly. Plans to raise funds to purchase a tractor snow plow have been discussed. It is hoped that sufficient interest in

this plan will result in the promotion of a fund-raising campaign by the recreation club. Mrs. Muriel Barker of Detroit visited her daughter and son-in-law, Mr. and Mrs. Edward Bjorkman, over the week end. Frank Himmler, Jr., of Farmington, Mich., is spending the hunting season in the area of the Old Venice Grounds.

Thomas Murk and Oscar Mattison of Twin Lakes, Mich., also Merton Thompson of Muskegon Heights, arrived here on Saturday to spend hunting season at Lip-perts' Landing on McDonald Lake. Mrs. Vernon Johnson, Jr., will spend the winter at the home of her parents, Mr. and Mrs. Alvin Hodge, Vernon Johnson, Jr., is with the U. S. army and was recently sent overseas for duty.

Janet Dixner and her accomodation will be featured on the entertainment for the church luncheon given by Our Lady of Lourdes parish at the Engadine high school and gym on Sunday, Nov. 20. The sight of snow gladdened the hearts of the hunters on Tuesday, the opening day of the season.

Mrs. Laura Martin of Detroit is visiting her daughter, Audrey, at her home here.

UPPER PENINSULA WAS IN
AGAIN THIS WEEK.
The hunting army consisted of
hundreds, colorfully clad in
red and many hues sport

garments, bound for the "north
country" on an annual deer hunt-
ing expedition.
The automobile congestion at
the Straits of Mackinac, the trans-
portation bottleneck between the
two peninsulas, again brought into
focus increased demand for some
immediate solution to this traffic
problem. The 1949 legislature see-
sided an appropriation of 4 1/2 mil-
lion dollars for a new ferry boat
to speed up transport of tourists
and automobiles across the straits.
Now difficulties have developed as
to suitable dockage at St. Ignace,
and additional cost of over 1 mil-
lion dollars may have to be incur-
red before the new boat could be
put into practical use upon its
completion.

Invariably the Straits bridge
idea is revived during an election
campaign, and 1950 may see new
political agitation in favor of a
bridge or tunnel to be financed in
part by government money or
self-liquidating bonds.
The Upper Peninsula always
welcomes the arrival of sports-
men and summer tourists. Recre-
ation has become big business in
this vast area stretching more
than 300 miles from Ironwood at
the west to Saull Ste. Marie at
the east. To the north of the
Sault lies the vast wilderness
in Canada.

The Upper Peninsula is the re-
gion of by-gone glory in lumber-
ing and a recent decline in copper
and iron mining. In the "copper
country" the copper mines have
reached depths at which copper-
mining can be maintained only by
a very protective high price, such
as has prevailed during years of
through federal subsidy. Michigan
copper mines cannot compete
profitably with high-priced copper
from other regions of the United
States and the world.

As for the future of Michigan
iron minus a traveler in the Lake
Superior region is always impres-
sioned with the vast potentials of
low-grade iron ore. While reserves
of high-grade ore are sufficiently
adequate to accommodate needs of
steel makers for many years to
come, the four billion four hundred
million capital investment of the
Great Lakes steel industry is such
that steelmen are looking ahead
for a substitute supply of ore
when present high-grade is de-
pleted.
Demands of World War I and
World War II depleted the Michi-
gan and Minnesota ranges of
many millions of tons of high-
grade iron ore.

A recent issue of Business
Week pointed out that production

in the Gogebic Range has been
slipping since 1942, that the lower
part of the Menominee Range
which straddles the Michigan-
Wisconsin state line, is well ex-
hausted; and that the Marquette
Range contains mostly under-
ground ore of which high produc-
tion is needed to operate mines
economically. Business Week puts
an expectancy on the Mesabi
Range of 27 years; Marquette
Range, 25; Menominee Range, 20;
and the Gogebic Range, 15 years.
Utilization of the low-grade
taconite iron ore is the future hope
of the Michigan iron country.

A revival of lumbering in Michi-
gan is also a favorable possi-
bility. More than 300 houses, pre-cut
from pine lumber, were fabricat-
ed and sold last year by a single
cabin company in St. Ignace. Of
the 30 million acres of land in
Michigan, foresters state that 20
million acres are unquestionably
land never to be used for anything
else than growing trees. This fits
well into the north Michigan area,
now the scene of the perennial
deer hunting season.
The deer hunter is more than a
welcome visitor. He is the symbol
of the growing recreational in-
dustry in Michigan's North Coun-
try.

GO ALL-ELECTRIC

the Modern Way

FOR EFFICIENCY FOR ECONOMY

PEOPLE EVERYWHERE are wisely choosing complete electrification...
and rapidly, too!
Within a short time, most everyone will be using electricity not
merely for lighting, but for the big time-and-energy consuming jobs like
Refrigeration, Cooking, Water Heating, Laundering, Cleaning and
Water Pumping.
The reason is this: Electricity does all the jobs better... and cheaper.
It's more convenient, quicker, safer, cleaner and more efficient. It saves
time, energy, labor... increases farm product value.
**GO ALL-ELECTRIC: The cost of electricity is low... and it drops much
lower when you use it freely.**

THE MORE YOU USE - THE LOWER THE PRICE

1950 FORD

IT'S HERE FRIDAY AND 50 WAYS NEW!

WITH THE EXCLUSIVE NEW 100 H.P. FORD

V8

ITS QUIET WHISPERS QUALITY
It's the quiet of new super-fitted pistons, new "husha"
timing gear, new fan designed for better cooling of
clower, quieter speeds. And what power! It's a full
100-hp. V-8 that delivers more power than any other
car anywhere near Ford's low price and sells for less
than most conventional "sixes." And Ford offers a
Six, too—an advanced Six with 95 horsepower.

NEW speed conditioning
New "hard conditioning" in
floor, doors and body panels
keeps your "ride" quiet and
smooth. Body panels and
doors, more extensive
padding in it gives more
cushion to your quietness
and protection.

NEW "husha" ride
Ford's famous "Mid Ship"
ride is now so quiet you can
talk in whisper at highway
speeds. So smooth with its
great "flex" "Ford-Coll"
and "Pave-Flex" Springs
that it's a real "husha" ride.

NEW quality features
New quality is easy to find in
this 50-way-new Ford. You find
it in the new crash-bar door
handles, in the new rotary door
lock that needs only a button-
touch to open and close
securely. You find it in the new
sparkling upholstery colors.

NEW driving comfort
Not only does the 1950 Ford
offer you more leg and shoulder
room than any other car in its
field—it offers you the long-
used driver's control of a new
team rubber front seat cushion
over new seat-tilt springs.
You drive relaxed.

But see it for yourself.
Drive it so you can feel and
know the difference.
And price it and see how much
less it costs than
any other really fine car.

FEDERAL BENEFITS \$4,624 LAST MONTH

Figures On Old-Age And Survivors Insurance For County Announced

Monthly benefits of \$4,624 were paid to 255 residents of Schoecraft county in federal Old-Age and Survivors Insurance payments last month, Carl L. Johnson, manager of the Escanaba Social Security administration field office has announced.

The monthly benefits are distributed as follows: 119 retired workers, age 65 or over, receiving \$2,713; 32 retired worker's wives, age 65 or over, receiving \$300; 20 widows, age 65 or over, of insured workers, receiving \$414; 15 widows of deceased insured workers, with children under age 18 in their care, receiving \$250; 68 children, under age 18, of retired or deceased workers, receiving \$837; and one dependent parent of deceased workers receiving \$10.

"Many people are eligible to receive social security payments are not getting them, simply because they fail to fill out the necessary application forms," Johnson said. He emphasized the fact that payments are not automatic although there appears to be a widespread belief that they start automatically when an insured worker retires or dies.

"When a worker reaches 65, he should inquire at the nearest Social Security office about his rights, whether he continues working or not. Once a worker reaches 65 and is fully insured in the system, he is entitled to benefits for any month he is ill, unemployed or taking an extended vacation. When an insured worker dies at any age, his family should inquire immediately, Doley in filing an application promptly is quite likely to result in lost benefits, since they can be made retroactive for only 3 months," Johnson said.

Mr. and Mrs. W. G. Stephens left Tuesday for Potoski, where Mrs. Stephens entered the Little Traverse hospital. Mr. Stephens returned Wednesday.

Half Of Peninsula People In 29 Towns

More than half of Upper Michigan's population, generally considered to be well scattered over an area more than 300 miles long and 140 miles wide, actually is concentrated in 29 communities of 1,000 or more residents each.

per cent of the Peninsula's population at that time. There is reason to believe that any change in the coming years will have increased the urban figure slightly.

REPORT OF THE CONDITION OF THE FIRST NATIONAL BANK AT MANISTIQUE

In the State of Michigan, At the Close of Business On Nov. 15, 1949, Published in Response To Call Made By Comptroller of the Currency, Under Section 5211, U. S. Revised Statutes.

Table with columns for ASSETS and LIABILITIES. Assets include cash balances, U.S. Government obligations, Federal Reserve Bank, etc. Liabilities include demand deposits, U.S. Government deposits, etc. Total Assets: 2,235,873.22. Total Liabilities and Capital Accounts: 2,235,873.22.

MEMORANDA: Assets pledged or assigned to secure liabilities and for other purposes as shown above are after deduction of reserves of the State of Michigan (included in Item 16) 25,000.00. Roy E. Anderson, Cashier. Geo. A. Shaw, J. Mauritz Carlson, R. L. Frise, Directors.

Manistique In Former Days

50 Years Ago: A gentleman residing in this vicinity has become engaged, through the aid of the matrimonial paper, to a handsome, vivacious and wealthy lady.

Mr. John Oberg who is operating in cedar in Germantown township was in the city Sunday. He has 35 men at work in his camp. Angus McLeod is getting the ice rink in readiness for freezing weather.

Mr. Abell, who has for several years held the position of clerk of the Hiawatha hotel, will have sole charge of the hotel on and after January 1st. Mr. Abell is a first-class buff and will no doubt be the means of making the Hiawatha hotel more popular than ever.

A bloodless duel was fought between two of Manistique's young sports last week. The lady, on account of which the duel was fought, should catch hold of one of its hind legs. This he promptly did, and for his efforts he received a vicious kick from the infuriated animal that temporarily put him out of business.

The Manistique brewers have decided to raise the price of slaves to fifteen cents. Haircuts will remain at the old price. Norbert Mithaupt informed a Pioneer-Tribune reporter Monday afternoon that just fifty years ago that day he arrived in the United States from Westfalen, Prussia.

He has followed the trade of shoemaker for nearly that length of time and thinks that he deserves a respite from labor. A good one is told on Peter Zimmerman. He and John Loosé drove to Garden last week. En route, John killed a partridge, and gave same to Peter, as he had promised a friend that he would present him with the ingredients for a partridge feast.

At Garden the partridge was carefully wrapped in paper and placed in an ice box for the night. During the night an old hat was substituted for the bird without Peter's knowledge.

Promptly upon his return to the city Peter presented the "partridge" to the friend, and received many thanks. Later in the day Peter was notified of the contents of the parcel. When Peter time he will not take John Loosé along.

40 Years Ago: Louis Schuster of Little Harbor was in the city Tuesday. Dr. Seller returned from Germantown early in the week. Mr. Fred Carroll joined the host of deer hunters for several days this week.

Dr. Southard has returned from his annual hunt. He secured as many deer as Chas. R. Orr and D. J. Ward usually secure when they go out on a similar mission. Mr. and Mrs. Henry Voisin of Linwood are visiting friends in this city and at Thompson.

They tell a good one on Ed. Kallfleisch. While hunting for deer in the vicinity of Repton, he accidentally wounded a deer. Asks Mr. Gilligan what he should do next, he was informed that he should catch hold of one of its hind legs. This he promptly did, and for his efforts he received a vicious kick from the infuriated animal that temporarily put him out of business.

10 Years Ago: Miss Frances Bauers is visiting with friends in Iron Mountain. Mrs. C. E. Kaye returned Saturday to her home in Escanaba, following a visit here with her parents, Mr. and Mrs. D. J. Ward.

Clinton Goodreau, who attends the Northern State Teachers college at Marquette, spent the week end at the home of his parents, Mr. and Mrs. Lester Goodreau.

Mr. and Mrs. William Morrison, of Manistique, are expecting an eight pound son, born Saturday at the Manistique hospital. The baby has been named Barry Leigh. Mr. Morrison is of the Rev. and Mrs. Morrison, of Gladstone, and Robert Slinging, of this city, are expected to return Friday from a business trip to Chicago.

Church Notices: St. Theresa's church Sunday, Nov. 20—Mass at 10:30 a. m. Grace E. Luther, Sunday school at 3 p. m. church services at 4 p. m. Methodist Sunday school at 10:30 a. m.; church service at 4 p. m.

Hunter's Bazaar: The annual Hunter's Bazaar and Dance will be held Saturday, Nov. 19, at the community building. Fancy work will be sold during the afternoon and at 5:30 the dinner will start to be served. In the evening dancing will start at 9 and later in the evening the drawing will take place for the prizes. A magnificent lunch will also be served. The Twilight Trio of Manistique will furnish the music for the evening.

Mr. and Mrs. Clarence Henry left Wednesday for their home at Vestburg after spending the past ten days at the home of her parents, Mr. and Mrs. Joseph Smith.

Thursday afternoon, son, William, of Bay City arrived here Sunday to spend the hunting season. Mr. and Mrs. Chris Leimanting and Mr. and Mrs. Paul Rollins of Marquette called on friends in town Saturday evening en route from Detroit to their home.

A son, Lloyd Richard, was born to Mr. and Mrs. Lloyd Decker at the Shaw hospital Sunday, Nov. 13. St. Theresa's Guild met at the home of Mrs. Polimir Lawrence Tuesday evening. Routine business was conducted by the newly elected president, Mrs. Alois Miller. Opening prayer was led by Mrs. John Rutherford. A Christmas party was discussed but definite plans will be decided upon at the next meeting which will be held at the home of Mrs. Katharine Shay on Dec. 6.

A. E. Vanschoyck of Ovid arrived here Friday to spend the hunting season at the home of his son, Clifford. The Merry Home Makers extension group met Thursday evening at the community building. Business was conducted by the chairman, Mrs. C. Henry. Discussion followed on who would be the project for the coming year and members voted to help the 4-11 club. Plans were made for a Christmas party which will be held Dec. 4 for members and their husbands. Following the business meeting, the lesson on the Christmas workshop was continued and members were taught to make yarn dolls. At the close of the meeting lunch was served by Mrs. Ruth England and Mrs. Marguerite Christie.

A miscellaneous shower was held in honor of Miss Betty Willson at the home of Mrs. Katharine Shay Wednesday evening. She received many lovely gifts. A delicious lunch was served by the hostesses, Pat Shay, Sonya Wilson and Jacqueline Heath. Those present were Alta Doran, Clara Lytle, Pat Shay, Joyce Nickerson, Clara Talkowski, Virginia Decker, Barbara Losey, Sally Harris, Donna Fritz, Mary Ann Cornell, Mona Skarvitt, Shirley Lawrence, Hope Wilson, Betty Wilson, Sonya Wilson, Jacqueline Heath, Clara Lytle, Pat Shay, Mrs. Ira Vermon Nickerson. Mrs. Eugene Lewandowski and Mrs. Kenneth, are visiting at the home of the former's mother, Mrs. Matilda Lustia.

Get our Buick care and relax!

Now is the time to get ready for getting the most fun, the most use out of your Buick in the months ahead. Quick-trigger starts, that is. A lively, quiet motor—a chassis that rides you in lazy comfort, without squeaks.

And remember that with the Buick getting shorter you'll want your lights bright and "on the beam." Roads will be wetter—so be sure your tires have good safe treads, and your brakes are adjusted for smooth gentle stopping.

Skilled in the special care of Buicks as we are, knowing your Buick and the factory-engineered methods of keeping it always at its best, we can give you all this surely and inexpensively.

Drive in this week. Time's coming when we'll be crowded with rush orders—and it's easier to give you the best service in a hurry when our schedule is open. Just tell us you want our quick but thoroughgoing checkup on all the points listed below. Leave your Buick in our hands, and our special brand of Buick care will relieve you of any car-worries in the coming winter months!

- IGNITION-ELECTRICAL: Clean, adjust distributor points. Tune ignition for peak performance. Clean and reset spark plugs. Check battery—fill—clean off corrosion, cool terminals. Check generator brushes, charging rate. Check headlight alignment and brightness.
- ENGINE: Clean, adjust tappet clearance. Clean and re-oil air cleaner. Check oil filter element. Adjust carburetor for best economy. Tighten cylinder head. Drain, flush cooling system. Inspect all hoses, light joints. Determine antifreeze requirements.
- 3-way Preparedness checkup NOW

GULLIVER WOMAN DIES IN HOSPITAL

Mrs. Lee Chiles, 53, Passes Away; Funeral Services To Be Saturday

Mrs. Lee Chiles, 53, of Gulliver, passed away at 6:10 p. m. Wednesday at the Shaw hospital, where she had been a patient for several months.

Mrs. Chiles, who was Mary Virginia LaVelle before her marriage, was born in Youngstown, Ohio, on August 18, 1886, and lived in Lombard, Ill., before moving to Gulliver two years ago.

She was a member of St. Francis de Sales church, and the American Legion Auxiliary of Lombard.

Survivors are her husband, two daughters, Mrs. Ben Barnes, of Chicago, and Mrs. Lee Belick of Gulliver; two sisters, Miss Josephine LaVelle, of Chicago, and Mrs. Harold Diener, of Gulliver, and two grandchildren. Her mother, Mrs. John LaVelle, died six weeks ago.

Funeral services will be held Saturday morning at eight o'clock at St. Francis de Sales church. The Rev. E. H. Berendsen officiating. Burial will be in Fairview cemetery under the direction of the Kevoy and Jackson funeral home.

American Impact On Europe Tremendous, Speaker Says

(Continued from page one)

"Prices appear just as high as they are here."

Europe appears to be recovering rapidly from the effects of the war, the speaker said. He said that he expected to find the towns of England and the rest of Europe in rubble, but was astounded at the scanty evidence of bomb damage.

"Little Damage Visible"

"From the stories I had heard I expected to see demolished buildings all over London," he said. "London is a vast, sprawling city, and I actually had to hire a taxi to take me to a place where I could see the damage. This was along the Thames where a whole area was virtually destroyed. But the rest, the larger part of London escaped," he added.

The same was true in Germany, despite all the stories he had heard about destruction, he said. Some of the larger industrial cities were hit hard, but hundreds of smaller towns didn't have a scratch, he said.

Mr. Watson was particularly impressed with the impact of the United States on Europe. "Whether we like it or not, we are now the dominant nation of the earth, and the European look to us," he said. "Evidence of American influence are everywhere, he stated. "People there are astonished at our vastness, and they still can't figure out how we could fight a vast global war, with powerful armies and fleets all over the earth," he stated.

He said he was amazed in both Finland and Sweden about naive questions about American Indians. "After seeing western movies and reading western magazines, it is little wonder that they believe the Indians still wear feathers and war-paint in this country," he said.

Mr. Watson showed slides he had taken in various parts of Europe, explaining them as they were flashed on the screen.

Robert Carlson On Third Grid Team Of U. P. Sportswriters

Robert Carlson, Manistique high school football tackle, won a place on the third team chosen by the Upper Peninsula Sportswriters' association following the annual poll of coaches, officials, players and writers. Selections were announced Thursday.

Honorable mention was achieved by Howard Hartman, star back for Manistique, and Eugene Schneider, Manistique, and Eugene Schneider, Manistique, was selected as first string halfback on the Great Lakes conference team by the Marquette Mining Journal.

Mr. Kenneth Olson has returned to her home in Town of Lake Wis., following a visit at Indian Lake with her parents, Mr. and Mrs. Hans Hansen, and Mr. and Mrs. Robert Olson, and Mrs. Robert Olson, Stauben street.

Surprise Party

Mrs. William Barker was the guest of honor at a surprise party Tuesday evening arranged by her Birthday Club in observance of her birthday anniversary. Following a 6:30 pot luck supper, three tables of bridge were in play, honors going to Mrs. Norman Martin, high; Mrs. Victor Schuster, second, and Mrs. Harold McNamera, low. Mrs. Fred Gordon won the special prize. Lunch
