ALGERIA, NO. AFRICA

Have been receiving the News regularly, - and believe me it surely is welcome in these war years.

Have run into only one Northern grad here in Algeria in the past 15 months. Where in hell are all those men o' Northern? Undoubtedly they're on the fighting front in Italy. 1st Lt. Marvin Olson of Marquette is the one person I've met. We were in Doc Halverson's geography class together. I have ^{not} seen him September. I imagine he's a Captain by this time, and serving in Italy.

Greetings to all members of the News staff - and to the 'hell born faculty! Is the Tri-Mu open or closed?
