

The only Paper in the World that gives a darn about Negaunee

VOLUME XLVII NEGAUNEE, MICHIGAN, FRIDAY, SEPTEMBER 16, 1919. NUMBER 41.

Commission Okays City, School Loans

Applications for public borrowings by Negaunee school district No. 3, and the City of Negaunee were approved Wednesday by the state municipal finance commission.

The school district had requested approval of a \$50,000 loan to... to defray expenses of erecting and furnishing a new elementary school and gymnasium. The proposal to bond the city for this amount was approved by taxpayers at the annual school election held in July.

With the approval of the loan, a tentative meeting of the school board has been set for Monday night to make plans for the next step - advertising of the bonds in the Michigan Bond Bureau. In addition to advertising the bonds in the investment magazine, the board plans to draw up a prospectus of the city including information concerning municipal valuation and tax collection here. It is now planned to mail the prospectus to approximately 200 bond houses in an attempt to obtain the lowest interest rate possible.

The \$50,000 in tax anticipation warrants approved by the finance commission offer sale by the City of Negaunee will be used to carry operating costs of the city during the remainder of the year. City funds were exhausted in the month of August and at that time the council made application for the approval of the sale of the tax warrants.

City Attorney Michael DePant and yesterday the next step in obtaining funds to alleviate the city's financial condition would be publication of the notice of sale in the Michigan Investor and the Negaunee Iron Herald. Bids will be accepted up to Wednesday, Sept. 28. A special meeting of the council will be held that day to go over the bids and, according to DePant, it will be possible to obtain a loan after the bids have been opened.

Auxiliary Will Install 1949-50 Officers Tuesday

Officers to serve during the 1949-50 year will be installed by the American Legion auxiliary at a meeting scheduled for Tuesday night in the Legion club. Mrs. Emily Griffin, a past president of the unit, will act as the installation officer.

Preceding the meeting a pot-luck supper will be served for the members at 6:15 p. m. Honorary members will be Pearl Bralley, chairman, Jean Anderson, Louise Corbin, Vivian DeChaloux, Alice Tomlinson, Angeline Johnson, Hattie Nykosen and Mildred Wolford. Coffee, cream and sugar will be provided by the auxiliary.

The business session will be held following the supper. Mary Ann Sedlock and Danna Barnum, the two girls sent to the president to Girls State in Ann Arbor in June, will report on their experiences.

Officers who will be installed are as follows: President, Rose Collins; first vice-president, Florence Langholz; second vice-president, Helen Stilly; recording secretary, Andrew Wagoner; treasurer, Marie Scabin; chaplain,

Elks Initiate 21 Candidates

Twenty-one candidates for membership in Negaunee Lodge H. P. No. 2118 were initiated at a ceremony held in the lodge rooms Wednesday night.

The class was one of the largest in recent years and it is hoped to initiate a similar number here this fall. The goal of the club is to now number 30 in size in order to be eligible for membership which has been celebrated.

The candidates were welcomed to the lodge by G. Mason, warden, and a response on behalf of the candidates was given by Mayor Alvin C. Hanson. Following the ceremony a roast buffet lunch was served.

Members of the class were as follows: Fred St. Arnaud, Edgar Daniels, Thomas Feltow, James Dunsinger, Alvin Hampton, Barney Foose, Sheldon Collins, Raymond Sundberg, Albert Hendrick, Valerio Santolunghi, Lloyd Anderson, Tony Nagromi, Richard Parrish, Matt Mann, Joseph Pezary, Ben Pascoe, Marco Sobeloff, Harry Laitinen, Walter Klevin G. Warren and Orvo Keit.

Marquette County Minutes Vote in Favor of Strike

At a meeting of the Marquette county members of the U. M. Steelworkers of America approved of a walkout in support of demands for a pension and insurance fund of a local section held last Saturday. The total vote in the county was 162 in favor of the walkout and 97 opposed it.

The margin on the Marquette range was considerably smaller than that established in Marquette and Wisconsin. On the Marquette range the count was 897 in favor of the walkout with 325 against it. However, the vote in the county was 1572-306 and 372 opposed.

According to Jack Powell, district representative for the Steelworkers, the vote was nearly 2 to 1 in favor of a strike in the upper Peninsula.

The board discussed also other phases of the Reavis report regarding the curriculum and concurred in the superintendency of all school districts that work by retaining at once an inventory of all curriculum books preparatory to setting up a central school library, and that integration of work in

BPA Leader To Attend Straits Conference At Blaney Park Sunday

President Lesley J. Cory was named by members of the Negaunee Band and Literary Association at their September meeting the day might to represent the A. M. district on an Upper Peninsula wide conference on the transportation problem at the Straits of Mackinac which will be held Sunday at Blaney Park.

The conference is being called by the Upper Peninsula Development Bureau on invitation of Upper Peninsula groups as a result of the lack of adequate transportation facilities between the two peninsulas, particularly with restricting the flow of tourist loadings, and commercial goods between Northern and Southern Michigan.

In connection with the development of the Straits of Mackinac, Thomas Holloway, secretary, pointed out that several solutions to the transportation problem have been proposed, including additional boats at the Straits, establishment of ferry service between various other points in the two peninsulas, extension of a tunnel, and reconstruction of a tunnel at the Straits.

The purpose of the Blaney Park conference according to George K. Bishop, superintendent-manager of the Development Bureau, is to obtain a number if crystallized resolutions and to appoint a committee of 25 members, one from each county in the Upper Peninsula, to study the various phases of the preliminary reports to the Interstate Commission. Communications from all counties should be submitted in writing in Iron Mountain on Wednesday.

Chambers of Commerce, Lions club, Rotary club, Keweenaw club, Negaunee club, and various other organizations and resort associations have been invited to send delegations to the Blaney Park conference will open at 10 a. m. every day for a non-lunch and reception following the luncheon.

Plans were made by the NHPA also for sponsoring the annual Halloween costume parade and an appropriation of not to exceed \$50 for the parade. The contest will be given winners in the parade and an appropriation of not to exceed \$25 for the contest. The contest will be given winners in the parade and an appropriation of not to exceed \$25 for the contest.

Cory appointed a committee consisting of John P. McMenamin, Donald Levine, Francis Kennedy, and Thomas Holloway to make arrangements for the contest. The contest will be given winners in the parade and an appropriation of not to exceed \$25 for the contest.

A preliminary discussion was had regarding plans for the annual Halloween Costume parade to be held by the Association, but it was decided to postpone definite plans until the next meeting on the 23rd of October. The NHPA president requested members attend the meeting to discuss the parade and see if they have any suggestions for the parade. Plans for the Carnival at the October session.

Sportsmen Planning For Convention At Newberry Sept. 25

The 29th annual convention of the Michigan Game and Inland Fish Club should be undertaken as soon as possible. A study will be made at once as to the advisability of all school districts that work by retaining at once an inventory of all curriculum books preparatory to setting up a central school library, and that integration of work in

Board Seeks Use of Gym In Ishpeming

Acting in accordance with suggestions by Dr. W. C. Heavis, chairman of the committee on child services, department of education, University of Chicago, and a recommendation by its citizens advisory committee, the Negaunee board of education at its meeting Monday night authorized Supt. Glenn K. Kelly to negotiate with the Ishpeming school board for the rental of the Ishpeming high school during the 1949-50 season as a site for Negaunee High School home basketball games.

Dr. Heavis in a report to the board of education following his survey of the local school system favored the expansion of a "basketball" and in view of his survey the citizens advisory committee recommended to the board that efforts be made to obtain the Ishpeming court, if possible, for the Malze and Blue clubs during the coming year.

Kelly reported that after conferring with Supt. Opden John on there appears to be only three possibilities on the schedule. Ishpeming having two home games scheduled at home in December and one in February on the same dates that the Minors have home games booked. However, Kelly is of the opinion that the committee can be worked out by Negaunee switching dates for the games.

The board discussed also other phases of the Reavis report regarding the curriculum and concurred in the superintendency of all school districts that work by retaining at once an inventory of all curriculum books preparatory to setting up a central school library, and that integration of work in

Following the meeting cards will be played and prizes awarded to the winning 200 and senior winners.

Members are reminded that the 1949-50 dues are now payable.

Radio Telephones Installed On Four State Ferries

Radio telephones have been installed on the four State Highway Department ferries operating on the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City.

Although the telephones have a range that will permit ferry crews to contact other ships as far away as 100 miles, the installation of the new equipment was carried out primarily for use in the area of the Straits, so that State vessels can keep in close contact with each other during the busy season.

Lower Traffic Fatality Rate Again Reported

The downward trend in Michigan traffic deaths continued for the fourth consecutive month in July. According to the State Police monthly statistical report 112 persons were killed, a reduction of 10 per cent, as compared with the same month a year ago.

Ferry Schedule At Straits Will Change Sept. 13

The fall schedule of the Mackinac State Ferry operating across the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City, on the Straits of Mackinac between St. Ignace and Mackinaw City.

The schedule is effective through November 6, 1949. It will provide 12 hourly departures from Mackinaw City between 6:00 a. m. and 11:30 p. m. with additional departures at 1:30 a. m. and 4:30 a. m. There will be 11 hourly departures from St. Ignace between 6:00 a. m. and 11:30 p. m. with additional departures at 1:30 a. m. and 4:30 a. m.

Trucks were up 21 or two per cent, for a total of 4,077 and accidents reported totaled 11,613 an increase of 84, or nine per cent. The fatality record was about the same for rural and urban areas, a reflection of the fact that, contrary to recent trends or 10 per cent, as compared with the same month a year ago. In fact on county roads.

OBITUARY

MRS. MARY HANSEN
Mrs. Mary Hansen, a resident of this city for nearly 70 years, who died Tuesday morning, will be buried at one o'clock this afternoon from her residence, 392 W. Clark Street, with the Rev. Luther G. Knack, pastor of the Bethany Lutheran church, officiating at the service.

She was a member of the St. Mary's Lutheran church and the 12 line Aid society of that church. Survivors include four daughters, Mrs. Peter Davis, Coral Gaulton, Mrs. Edna Paulsen and Mrs. Mary Jandron, Detroit, and Mrs. Olga Mann, Grand Rapids; two sons, Alfred and Carl, both of Minneapolis, 10 grandchildren and 11 great grandchildren.

Funeral services will be held at 10:30 a. m. at the funeral home of J. J. Harkins, 1000 W. Main Street, Grand Rapids. Burial will be made in the Neegaunee cemetery.

Cinnamon Coffee Cake

Those who like cinnamon toast will enjoy this quick coffee cake with apple cinnamon mixture spread generously between layers and over the top.

Easy does it when you make a quick coffee cake, for lanchon or for breakfast. It needs only mixing and spreading the batter in the pan, with no rising or leavening. For this cinnamon-filled coffee cake, first spread half the batter in the pan. Sprinkle half the crumbly apple cinnamon-sugar and shortening mixture over it. Then cover the saucy filling with the remainder of the batter and bake. The flavorful cinnamon filling also serves as topping, as there's nothing to make the coffee cakes made with enriched flour stop up the food value of a week, for they are thrifty sources of B-vitamin, iron, and food energy. First, this coffee cake is so ready at the same time as the rest of the meal, for it is best when served warm. The quick coffee cake base can be adapted to other fillings and toppings. Try a crusty orange mixture. Combine one tablespoon melted butter or margarine, three tablespoons sugar, and two tablespoons grated orange rind, then add one-half cup chopped nuts and mix well.

CINNAMON COFFEE CAKE

Filling and Topping Mixture 1/2 cup sugar 1/2 tablespoon cinnamon 1/2 tablespoon enriched flour 2 tablespoons shortening

Batter 1 egg well enriched flour 1/2 cup sugar 1/2 cup milk 1/2 cup shortening 1/2 cup milk 1/2 cup sugar 1/2 cup milk 1/2 cup shortening

Sift together flour, baking powder and salt; completely aerated... that can sit all night in the heaviest downpour yet start up instantly!

pan. Sprinkle half the filling and topping mixture over the batter. Cover with remaining batter and sprinkle with rest of topping. Bake in moderate oven (375 degrees) for 30 minutes. Makes one coffee cake.

Dorene Worth Bride Of Flint Resident

A wedding of interest took place at St. Paul's Methodist Church in Detroit last Saturday evening when Miss Dorene Worth became the bride of Curtis Hocken of Flint, Michigan. They will make their home at 2213 Boulevard De Flint, upon the E. return from Canada and Thousand Island.

Miss Marilyn Barbee of Negaunee and Miss Jenn Worth of Detroit, cousin of the bride were her bridesmaids. Margaret Worth, sister of the bride was maid of honor and little Marilyn Worth was her sister's flower girl.

Rev. W. Leslie William, pastor of the Trinity church, officiated. Lawrence Worth, uncle of the bride of Lennox, Mich, officiated at the ceremony before 200 guests.

Mr. and Mrs. Fred Ward, Detroit, parents of the bride are former Negaunee residents. Those from Negaunee attending included Wm. Worth, Mrs. Fred Barbee, Mr. and Mrs. Chas. Barbee and Mrs. Wm. Kempthorne.

Former residents of Negaunee attending were Mrs. and Mrs. Harry Worth, Mrs. and Mrs. Melvie Bath, Mrs. Helen Hill, Miss Gladys Roberts, Milton Hill and the Rev. Lawrence Worth.

Presto, Change! Blouses Provide New Wardrobe

This fall will be a blouse season, the fashion experts predict. The wide variety of styles, colors, and fabrics in the new blouses will permit millinery to choose a complete blouse wardrobe that will combine with skirts, suit, jackets, and accessories to carry her through the season prepared to go anywhere.

A good blouse wardrobe can go anywhere, the fashionists say. A blouse can dress a suit or skirt or

Suggests Modern Furniture For Practical Buyer

If you are thinking of buying furniture, here are some practical suggestions from Dorothy Wast, born, home furnishing authority at Michigan State College, East Lansing. She suggests a few considerations before you buy since furniture is a long time investment.

Are you going to buy furniture to suit your family's needs or are you going to buy the long wearing, furniture without flexibility in the keynote of modern furnish-

ing? Modern art sense appeals to those who furnish accordingly or down is the case may warrant four or five blouses of different colors and styles and with skirts and blouses can provide an abundant wardrobe for school girl or career girl. A different blouse provides the necessary freshening note that allows her to wear a suit or skirt over and over again without tiring of it. Colors like ecru, solids, stripes and colorful printed patterns, and whites can give a simple outfit any number of new faces.

There are a few important things to keep in mind when selecting a shirt wardrobe, the designers point out. First, be sure of the fit. Make certain that the shoulders set right when the collar, if it is convertible, buttons close to the throat; and that the sleeve length is not out of line. Quality is an important consideration, for blouses must fit in and last out of the closet frequently without changing color or shape. Fine fabrics and fine details are a check on the list of things to look for. Turn the blouse inside out to see whether or not the construction is really even and finished in a professional manner. Then look for outside details such as French cuffs, gathered pockets, neat buttonholes, etc., that indicate workmanship.

Make a list of the present and future needs of your family. Then select the pieces that fit best the most. In many cases you will find the high priced will serve best of course. Modern furniture is the most durable and it is available in every furniture in popularity. Furniture sales people say that it is the conservative buyer, who are furnishing their homes for the future, that buy the period furniture.

Michigan has some of the most renowned furniture designers in the United States designing modern furniture. They are working on moderate priced furniture and the new few young will produce much more well designed modern furniture.

Even conservative furniture companies are beginning to look at modern design for it is needed to our age and way of living.

Griddle Cake Breakfast

Start cool days with a platter of tempting hot cakes enhanced by hot Med blueberry and peach slices.

The brisker the morning, the heartier the appetite. That's why griddle cakes are top favorites for fall and winter breakfasts. Give hot cakes extra glamor for a special affair by serving them with broiled pineapple, apricots, or peaches. Such flavorful meats as sausage, bacon, ham, or lunch kielbasa are especially preferred to round out a griddle cake meal.

Besides pleasing the family, griddle cakes can be relied on for much good food value. Enriched flour is a good source of essential vitamins and iron, plus protein and food energy to keep muscle-tight "lean ones" may add more liquid to the batter. In any case, the rule for light tender pancakes is the same as for other quick-cook-salt-free cakes: better only until ingredients are thoroughly mixed.

GRIDDLE CAKES

2 cups sifted enriched flour
4 teaspoon baking powder
1 teaspoon salt

1 egg
2 1/2 cups milk
1 1/2 cup melted shortening

Sift together flour, baking powder and salt. Beat egg, milk and 1/2 cup milk. Add to flour mixture, stirring until flour is moistened. Add shortening. Bake on ungreased hot griddle. Makes about 30 four-inch cakes.

Housewives Can Demand Labels On Merchandise

Overcoming the lack of labels on yard goods or ready-to-wear garments will accomplish more by directing their complaints to the right place. Labels should contain, when fasten, sewing supplies and the kind of fiber are expensive to the manufacturer and require a great deal of laboratory testing. They, through complaints made directly to a union will the manufacturers know when the housewife wants in the way of information about her purchases and label them accordingly.

Home economists at Michigan State College say that the housewife is interested in fiber content, color fastness, shrinkage, wearing time life, special finishes, care, and trade name. The same information she wants for draperies, record size. These end count is an indication of wearing quality.

A label about color fastness will refer to laundering and dry-cleaning. If launderable, the label will state whether color fast, to hand wash, or commercial laundry; water-temperature and mild or strong soap. If fast color, it should be first to be washed.

General terms as "pre-shrunk" or "shrinkproof" are not a guarantee against further shrinkage. Any shrinkage process should give a percentage guarantee of further shrinkage of 10 percent.

U-M Professor Says Newspaper Advertising Best

Newspaper advertising is probably the most actual type of advertising for the small manufacturer, with lead radio, direct mail and poster serving local markets also, a University of Michigan specialist in marketing believes.

J. Howard Westing, associate professor of marketing, stresses means of customer advertising for the small manufacturer in an article published in the Michigan Business Review. The Review is a bimonthly publication of the University's Bureau of Business Research.

"The outstanding advantage of the newspaper for a small manufacturer is that its coverage can reach more than any per cent. This advantage would affect the manufacturer's advertising quality."

Labels should indicate whether such is permanent, if permanent to dry cleaning only, or washing only, or life of fabric.

The Negaunee schedule which includes five conference games is as follows:

Sept. 5, at Stambaugh; Sept. 10, at Keweenaw; Sept. 17, Marquette; Sept. 24, at Marquette; Oct. 1, Marquette; Oct. 8, Marquette; Oct. 15, Marquette; Oct. 21, Columbus; home.

be made to approximately equal the market for the product. Professor Westing explains, "One reason that radio is equally local advertising, but the radio remains that most desirable of the newspaper as the latter is a writing medium. This view of attitude is particularly important to a small manufacturer because his brand can well withstand the competition of well-known brands only if the dealer shows them active local support."

Radio has made tremendous progress as an advertising medium but it is most successful for products which are bought frequently, at a fairly low price, and without a great amount of advance planning on the part of the buyer. Professor Westing points out that this reason radio is still out-rivalled by newspaper and other types of direct advertising for enterprises requiring anything but the briefest selling campaign.

Direct advertising and outdoor posters are fine for a small businessman. Westing says, because they can be tailored to fit any need.

Negaunee Forty Years Ago

ITEMS REPRODUCED FROM

Negaunee Iron Herald

The annual training season for athletes of the Negaunee has opened and each day the members of this year's team are out for practice. The local team will not be as strong as last season, or as heavy.

A force of men is employed in putting together and installing new lines for the electric transmission lines to be installed at the new mine by the Cleveland Iron Company and good headway is being made in the construction work. Several towers have been set up between here and Ishpeming and weather permitting, it is expected that practically all of the towers, which are to be installed between here and the Cleveland Lake country at Ishpeming will be in position no later than November first.

Last Sunday the Negaunee ladies defeated the Marquette team on their home grounds by a score of 4 to 0 in a seven inning game and there's no telling how much more the score would have been in the Negaunee's favor had the contest gone the limits, for the boys were hitting "Hay" Scholtes, Marquette pitcher, quite freely, in the seventh inning Marquette objected to an umpire's decision and left the field, which was undecided for.

A nine game high school football schedule has been arranged which calls for each of the three schools in the county to play each other three times. The league will begin Sept. 20 and end Nov. 20.

Miss Marion Pellow left Tuesday evening to resume her schooling at Boston.

Abel Levine arrived home Sunday morning from a business trip to Chicago.

Mrs. William Piper, who has been here on an extended visit with her father, sisters and brothers, departed Sunday evening for her return to Birmingham, Ala.

John Loell, who recently served as catcher for the Negaunee has acted but appeared and each day the members of this year's team are out for practice. The local team will not be as strong as last season, or as heavy.

Mrs. R. G. Jackson and daughter Louise, left Tuesday morning for Marquette, where they took the train from here left for Salt Lake City, Utah, where he has secured a position with the University of Utah as football and basketball coach.

Fred Dougherty, editor of the Iron Herald, is spending the week in Chicago, in company with the father, J. C. Dougherty, of Marquette.

Conductor Patrick Lavelle and sister, Mary Lavelle were present here Saturday to Cleveland, Ohio, where they went to attend the funeral of an aunt.

Miss Pauline Adams and Miss Norma Jacobson will leave Sunday

early train yesterday morning for Detroit to attend the M. E. Conference. He was accompanied by his son, Phillip, a member of last year's graduating class of the Negaunee high school, who will enter Oliver College in Cleveland.

Earl Bell, of the Michigan Inspection Bureau, left Tuesday on a visit to his parents in Seattle, Wash. He was accompanied by Mrs. Bell and daughter, Louise, and will be absent a month or six weeks.

W. D. Treidder of this city won the sweepstake prize for the best dove children exhibited at the Marquette County fair last week - a handsome silver cup which has been exhibited at J. E. O'Rourke's for the past few days.

Thomas Pascoe and bride are home from their honeymoon trip, arriving here Wednesday.

Miss Pauline Adams and Miss Norma Jacobson will leave Sunday

evening for Lake Park, where they will attend school this year. Arthur Moll of Kenton has resumed his studies at the Negaunee high school.

Miss Virginia MacIntyre is visiting a few days with her sister, Mrs. William Walton, at Coleraine, Minn.

Mrs. C. Quinn and daughter, Norma, arrived from Sunday morning from a visit of several days in Chicago and Wisconsin towns.

The new residence being built by Thomas P. Kirkwood on Main street is now in the hands of the plasterer.

Mr. and Mrs. John Allen, who reside on Snow street, are expecting the arrival of a help girl at their home.

John Treibbeck, of Ishpeming and Miss Rose Monaghan of the Detroit office, were united in marriage last

Sunday evening, Rev. A. L. Atkinson of the First Methodist Episcopal church performing the ceremony. The happy couple have taken up their residence in Ishpeming.

Mrs. John Berk's, hand-made quilt of her own making, took a first prize at the county fair last week.

Chumney went, Mrs. Braham is a busy man the 4 days. That is in- it should be.

From where I sit... by Joe Marsh

Sure You Haven't A "Blind Spot"?

As I was driving down Main Street last Saturday, another car swung out right in front of me. It turned out to be Buck Blake. He was driving to Cleveland, Ohio, where he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming in his mind. He sort of gets a "blind spot" to what's going on about him!

Now, kids of normally consider, as folks have this "blind spots."

It could be anything from day-dreaming while driving a car to humming out loud at the movies. From where I sit, it's mighty important to be on guard against your own "blind spots." The other fellow has a right to his "share of the road," too—whether it's having a taste for a temperate glass of sparkling beer or a desire to listen to some classical music if he wants to.

Joe Marsh

OBITUARY

MRS. HONETTA CHAPMAN

Funeral services for Mrs. Honetta Chapman, who died at 6:57 p.m. Friday night in St. Luke's hospital, Marquette, were held at 2:30 Thursday afternoon in Episcopal funeral home, Rev. Sumner Leland, pastor of St. John's Episcopal church, officiating.

Mrs. Chapman had been a patient in St. Luke's for two weeks preceding her death. She was born on Jan. 25, 1868, in Denmark, an married to Nogaunee 49 years ago, residing here for 51 years.

Survivors include her husband, W. Hiram J.; two daughters, Mrs. Ruth Phillips and Mrs. Joseph Windland; Nogaunee three sons, James and Clarence, Nogaunee and Russell, Detroit; two sisters, Mrs. William Lacey, Marquette and Mrs. Man Piper, Detroit; one brother, Edward Samuels, Cleveland, Ohio, and 10 grandchildren. (Call) leaves were James, Russell, and Clarence Chapman, and Ed. James and Francis Phillips. Burial was made in the Nogaunee cemetery.

MRS. ANNA L. ANDERSON

Final rites will be held at 2:30 this afternoon for Mrs. Anna L. Anderson, who died at 7:10 Tuesday morning at the home of her sister-in-law, Mrs. Walter Worman, 1018 Baldwin avenue. The Rev. J. H. Peterson, pastor of the Covenant Mission church, will officiate at the services.

Mrs. Anderson, who had been a resident of this city for 27 years, was born in Varmland, Sweden, November 4, 1832. She was a member of the Covenant Mission

church, the Mary-Martin society, and the Ladies' auxiliary of the church.

Surviving are two daughters, Mrs. Walter Worman, Nogaunee, and Mrs. William W. Peterson, of Lansing; three sons, Clifford C. Willis, S. ring, Marquette, Robert L. Waukena, III, and Arthur M. of this city; a brother, Karl Olson Klumbe, Sault Ste. Marie; and two great grandchildren. Burial will be made in the Nogaunee cemetery.

MRS. RAYMOND MERCER

Funeral services for Mrs. Raymond Mercer, who died Monday afternoon at Des Moines, Iowa, will be held at 9 o'clock this morning in St. Paul Catholic church. Mgr. Joseph P. Dittman, officiating.

Surviving are her husband, a former Nogaunee resident, a daughter, John, and two sisters, Mrs. Howard Lally, Detroit, and Mrs. Olson, Marquette.

Bell hearse will be George Babash, Chas. Connors, Peter Diebold, Francis D'Elmer, D. D. Wood and Michael F. Kelly.

Burial will be made in the Nogaunee cemetery.

ALPHONSO ROYVA

Word was received here Wednesday of the death at 8:11 Tuesday night in Flint of Alphonso Royva, a former Nogaunee resident. Mr. Royva had been a resident of Flint for about the last 30 years.

Survivors include his wife, his mother, Mrs. Louis Royva of Nogaunee, five brothers, Louis, Albert and James of this city, Fred, Detroit, and William, Marquette; and two sisters, Mrs. Ray Callier will be made in the Nogaunee cemetery.

Two developments have taken quite a number of the state legislators out of Lansing which pass Governor G. Menon W. Williams is now familiar with a state executive who seeks more power.

It was the theory of Governor Elin Siger that the people hold the power in government responsible for recalls and that the governor should hold power in proportion to the popular will. Siger's efforts to centralize responsibility and authority in the governor's office were rebuffed by the state legislature. Legislatures disagreed.

Since winning the election, Siger's successor, Williams has sought to strengthen his hand. He has done this largely by partial appointments. A number of these appointments were unsuccessful Democratic candidates for state offices.

Reinforcement of Brig. Gen. Louis A. Kuzick as executive director of the liquor control commission has been ordered by the state civil service commission, of which William Palmer, Democrat, is chairman.

Kuzick was fired by two Democrats, Mrs. Thomas Collis, Nogaunee, and Mrs. Emma Johns of Baynor.

The body will arrive here at 2:30 this afternoon and will be taken to the Koskey funeral home where services will be held at 4 o'clock Saturday afternoon. Burial will be made in the Nogaunee cemetery.

general, and the department of administration on which is legal rights.

Siger, who was recalled last April, promptly charged Williams with wanting to take away his authority at power regardless of the efforts of the legislature to improve the purchasing system has had the support of the legislature. State agreements and former attorneys general for 25 years.

Behind the charges of politics between the Republicans and the Democrats is the prospect that the recall would be used by opponents as must come from the State Supreme Court itself. For example, it was argued at the civil service commission hearing on the Kuzick case that the liquor control commission and authority to abolish any post even though the post had been created by the civil service commission.

George J. Burke, member of the civil service commission, replied: "Do you mean that the authority of civil service ends with the creation of a new position? What would stop any other department from following the precedent you are attempting to set here?"

In the highway department case the attorney general's ruling is challenged by a state-elected official, the state highway commissioner.

The state constitutional questions made in order for the State Supreme Court.

In the meanwhile they serve to further centralize the authority of the Michigan governor, whether he be Republican Kim Siger, or Democrat G. W. Williams, with respect to responsibility and power.

Miners Seek Initial Grid Win

Coach Oscar Wassberg's Negaunee High School gridlers will make their first home appearance of the 1940 season before local fans Saturday night, when the Miners entertain Manistique at the Negaunee Athletic Field at 7:45.

In making their debut at home, the Mazie and Blue will be seeking their initial victory of the season. To date the Miners' record shows two games on the wrong side of the ledger in two varsity losses having been suffered at the hands of Sambaugh 26 to 6 and Newberry, 7 to 6.

Manistique, playing its first season under Coach John Verveger, former University of Michigan lineman, should be rated as a favorite on the basis of season's records. The Stique eleven, however, has not shown how much the way of offensive strength, and the Mazie and Blue, despite two losses, have shown more scoring power than the Schoolcrafters. In their opening game against Ishpeming, marred by a steady down pour, the Manistique boys dropped a 6-0 decision, while last week they ailed by Stephenson 6-0.

Wasberg probably will rely on the same starters that he used at Sambaugh and Newberry, this aggregation consisting of Thompson and Mattson at ends, Jacta and Niemi, tackles, Lindstrom and Jennings at the guard posts, Juntala or Hogerton at center, Rivers in the signal calling spot, Rasmussen and Holgren, halves, and Wittiel at fullback.

UP Pheasant Season Will Open Oct. 1

Max Wolkman, Regional Game Supervisor, Department of Conservation, Marquette, reports that 200 pheasants will be shipped to Stephenson, Menominee County on September 28. These birds will be released in various parts of Menominee County by District Supervisor of Game, Ivan Thompson—prior to opening of the pheasant season in that county on October 1.

Original plantings of 100 pheasants were made in each county of Upper Michigan in 1929. Wolkman reports that Menominee county is the only one in Upper Michigan in which the birds have survived to a limited extent. Birds in Baraga county from the original stocking hung on a little until a few years ago, but have since disappeared.

Since the original planting in Menominee county eggs have been shipped and hatched and the birds released. Five hundred eggs were shipped to farmers and sportsmen in 1941, 1942 and 1943.

Wolkman states that the opening of the season on pheasants again next year will depend on the number of birds killed this fall and the kind of mating season the birds have next spring.

The pheasant season will open on October 1 and run through it October 15. The daily bag limit is one male pheasant with two allowed in possession after the first day, and a total of three the second take for the season. Shooting hours begin at 10 a. m. E. S. T. and end at 6 p. m. E. S. T. each day of the season.

All hunters are urged to report their kill to conservation officers Carmel McLary of Menominee, and Clarence Lisma of Stephenson.

OBITUARY

RICHARD BURROWS

Richard H. Burrows, 644 Lake street, died at 5:35 Wednesday night at his home following an illness of seven months.

Mr. Burrows, who was born Nov. 10, 1874, in England, came to Negaunee at the age of three, and he resided here since that time. He was a master mechanic at the Macy Charlotte mine until it closed and later was employed as a machinist at the Brownstone, retiring in 1927.

Surviving are his wife, Ellen, five daughters, Mrs. Pearl Yelland Marquette, Mrs. Mildred Tupper, Flint, Miss Marion Burrows, Mrs. Margaret Delargey and Mrs. Mabel DuBois, of Negaunee; two sons, Wilkam of this city and Richard, of Marquette; two sisters, Mrs. Jane Argall and Mrs. Sarah Carter, of Ishpeming; one brother William J. of Lansing and nine grandchildren.

Mr. Burrows was one of the oldest members of the Knights of Pythias' lodge of Ishpeming, having been a member of that order for 53 years.

Funeral services will be held on Sunday from the family residence, Rev. Samuel Elliott, pastor of St. John's Episcopal church officiating.

By TOM FELLOW

Coach Owen Wiselberg will be conducting the hitting pit. There will be some time in between as a result of a lot of master-instructors at the ballfield last Saturday afternoon. With Negunee leading in the spring rounds of the game by a 7-0 count, the team finally managed to push over a touch-down to make the score 7-0. Young Clarence Rivers decided on a place kick for the point after the touchdown, with little chance of the hosting side. In an attempt to tie the ball game. An attempt from placement did not seem too successful in practice sessions. "Fashe" decided to alter the decision made by the quarterback, and hurriedly sent a sub on the field with the necessary instructions. Meanwhile, the Mines officials of the fact that a substitute was being made went through with the original play and Rivers' kick sent the spiritus—only it failed to count as Negunee had 10 men on the field. Following a five yard penalty the succeeding play failed also and Newbery walked off the field with a one-point win.

Junior Phyllis Interfered with the deciding game in the 1948-49 league championship playoffs between Negunee and Cowan at Cowan last Sunday. The two teams will try again this Sunday on the Model Town circuit. The flowers, who have

WHY THE MISOURI PACIFIC RAILROAD STRIKE?

Over twenty years ago, the Congress of the United States passed the Railway Labor Act. It was hailed by union leaders as a model for the settlement of labor disputes.

THE LEADERS of the Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, Order of Railway Conductors, and the Brotherhood of Railroad Trainmen of the Missouri Pacific Railroad have refused to avail themselves of the peaceful means provided by this Act for settling their disputes. They insist that they be the sole umpire of their own disputes over the meaning of contracts.

There is no Need for Strikes

With all of the available methods for the interpretation of contracts, there is no need for a strike or even a threat of one, but the leaders of these railroad unions have ignored the ordinary procedure established by the law and insist on imposing their own interpretations of their contracts by means of a strike. The unions have stopped rolling on the Missouri Pacific. They may stop rolling on other railroads at any time. Recently the Washburn Railroad was forced to discontinue operation for several days under similar circumstances.

What are These Strikes About?

These strikes and strike threats are not about wage rates or hours. They result from disputes over the meaning of existing contracts. They cover claims for a full day's pay for less than a day's work, or for payments for services performed by others who were fully paid for the work done.

President Truman's Board
Condemns Strike

There is an established legal method for handling disputes involving existing written contracts—just as there is such a method of settling any contract dispute which you may have in your daily life. The President of the United States appoints a Fact Finding Board to investigate and adjust the Missouri Pacific dispute. This Board reported, in part, as follows:

"... It is with a deep sense of regret that we are obliged to report the failure of our mission. It seems inconceivable to us that a coercive strike should occur on one of the nation's major transportation systems, with all of the losses and hardships that would follow. In view of the fact that the Railway Labor Act provides an orderly, efficient and expeditious remedy for the fair and just settlement of the matters in dispute. Creation of the committee here under discussion is so unnecessary and, in fact, frequent occurrence on all railroads that the general adoption of the policy prescribed by the organization in this case would seem to result in the complete nullification of the Railway Labor Act..."

Obviously the railroads cannot be run

efficiently or economically if the leaders of the unions ignore agreements or laws.

Provisions of the Law which are Disregarded

There are five ways under the Railway Labor Act to settle disputes over the meaning of contracts:

- 1—Decision by National Railroad Adjustment Board.
- 2—Decision by System Adjustment Board for the specific railroad.
- 3—Decision by arbitration.
- 4—Decision by neutral referee.
- 5—Decision by courts.

The Missouri Pacific Railroad has been and is entirely willing to have these dispute settled in accordance with the requirements of the Railway Labor Act. Regardless of this fact, the union leaders have shut down that railroad!

Innocent bystanders Suffer Losses and Hardships

There are about 6,000 engineers, firemen, conductors and trainmen on the Missouri Pacific. They are known as "operating" employees, and are the most highly paid of all employees on the nation's railroads, but their strike action has resulted in the loss of work to 25,000 other employees of the Missouri Pacific. In addition, they have imposed their own transportation and hand-slip upon the public and the communities served by that railroad.

The Railway Labor Act was designed to protect the public interest just such incursions as these.

"If these men will not comply with the provisions of the law in the settlement of such disputes, then all thinking Americans must face the question, 'What is the next step?'"
