THE CLEANEST CITY OF ITS SIZE IN AMERICA

Volume LXXXII

NEGAUNEE, MICHIGAN FRIDAY, SEPTEMBER 9, 1955

NUMBER 40

It's "Back to School" in Turkey, Too!

It is time to go back to school in Turkey, too. The "little red schoolhouse" is likely to be white, but like American youngsters, they can look forward to a good education—even though they live in a tiny village. The Turks believe in "education for democracy." That's why they have a public school system that is free from kindergarten through college. Determined to raise the educational level of the country even further, they have more than doubled the allotment for education in the last five years. When the school bells ring this year, almost two million children will answer them—a record number for Turkey.

Mailing of City Report Begins Monday

Negaunee residents will receive next week the annual report of the city manager for 1954. Mailing of the 40 page book is scheduled to get underway Monday.

With Council approval, City Manager George E. Mehellik Jr. placed an order for 2,600 copies of the report, an amount sufficient to provide every home in the community with a book, plus leaving an ample supply for mailing to other municipalities.

Entries in the annual national contest for reports by managers and making copies available as reference material to high school government classes.

Featured on the red and white covers of the report is a picture of the trophy won by Negaunee following designation as the "Cleanest City of Its Size in America," which has been superimposed on a picture of the office of municipal seal.

Reserved for the center two pages of the report is an 8 by 10 photograph showing an aerial view of the city. This report contains numerous other pictures illustrating activities of various departments in 1954.

Graphs in the book show how to run a city. Figures are given on various operations, break down of total income, expenditure figures, a glance at Negaunee's financial condition, chronology of the tax rate, sale of electric power and amount of water consumed.

Other features of the report are a chronology of City Council agenda highlights, questions and answers arising from Student Government Day, and listing of a questionnaire by which Negaunee High School senior students as a sociology project rates the community as a place to live.

Purpose Of Schools To Create Better Way Of Life, Bagwell Claims

Schools are instruments of society, created by society, for the purpose of creating a better way of life, Professor Paul Bagwell stated at an orientation banquet Wednesday night in the Central Grade School, which minimized the "Work A Day Institute" for faculty members.

Professor Bagwell traced the growth of education with the progress made by society in constructing a higher standard of living during the past century. Affecting vital education for better schools, he pointed out, were the extension of affluence, the need that industry and commerce were growing and there was a greater need for people who could read and write, expansion of the frontier, and an increase in immigration.

Councilmen Give Budget Attention

Meeting in regular session that night, the Negaunee City Council was scheduled to hold a preliminary discussion on the 1955 municipal budget and pass a resolution setting a case for a special hearing on proposed expenditures.

In accordance with charter provisions, date for public hearing on the budget is set by Council resolution. City Manager George Mehellik Jr., was scheduled to recommend to the Council that the hearing be held on Thursday, Sept. 22.

Other items on the routine agenda included presentation of departmental reports, the manager's accounting concerning municipal finances, and consideration of a request for a liquor license transfer.

The instant demand for better schools accompanying these factors was radically increased, emphasized, by the important part the schools played in the progress of civilization in two world wide conflicts.

Bagwell cited national statistics to show that today and in the immediate future there is an ever increasing need for expansion of education facilities, the curricula of our teachers, and the necessary increase in the amount of money that will be required to obtain these improvements.

According to his statistics, since January 1, of the current year, there have been 1,100 babies born every 24 hours in this country, as compared with 600 babies being born a net gain of 7,000 in population. Figures show there is also a gain in the number of automobiles. It is estimated that by 1975 the United States will have a population of 221 million.

Tamburitzans Preparing For Fourth Appearance in Negaunee

Arrangements have been completed by Negaunee Post 3165, Veterans of Foreign Wars, to sponsor for the fourth consecutive year a performance on Sept. 11 at Memorial Gymnasium by the famed Duquesne University Tamburitzans.

First and foremost a scholarship group, the main purpose of the Tamburitzans is to enable talented students, regardless of nationality, to pursue a full-time university program that will lead to a degree of distinction. This objective is accomplished by putting to use the aged instrument of the Soudier, Slavie people, the tamburitzan. In addition to playing the stringed forerunner of the modern guitar, the tamburitzan plays the colligata, a small, five stringed, multi-toned instrument.

Each student that comes into the organization is screened on the following basis: (1) standing; (2) character; (3) talent. When accepted, the student may enter the school of his or her choice, whether it is education, music, business or science. Upon completion of their four-year course, students are recruited by incoming students. Thus the group over a four-year period has a complete cycle of personnel.

Growing popularity of the Tamburitzans have attracted their appearances in the United States, Canada and Europe. Joint concert programming, colorful membership and support organizations are qualities which have become traditions with these artists and earned them the distinction of being rated America's most colorful collegiate musical organization.

Director Walter Kolar has been associated with the music and dancing unit since 1936, when he was a student at Duquesne's prep school.

During the intervening period, he has toured Europe twice with the "Tamburitzans" and has also expanded them on several occa-

country trips of the United States and Canada.

Kolar served at Duquesne in the field of business education, but his college days were limited by confinement in the U. S. Air Force. Following four years of service, during which he was decorated with the Distinguished Flying Cross and Purple Heart, he returned to Duquesne to earn his bachelor of education degree in 1939.

Highly Rated

On the 1955-56 year for which the Tamburitzans are now rehearsing, Kolar will present 20 singers, players and dancers whose talents are considered equal to those of professional artists. Kolar's arrangements and direction of the group have been rated highly by critics wherever the unit has appeared.

Familiarity with all of the tamburitzan instruments enable him to conduct in Slavie music. On a recent trip abroad, the director gathered a new set of music compositions for his dancers, to be presented for the first time during the coming season.

Old Resident Of Negaunee Dies Sunday

Final rites were held at 2 p.m. Wednesday in the Mitchell Methodist church, Rev. Glenn Kjellevig officiating, for William H. Hampton, a resident of this community for three decades.

Mr. Hampton died at 11:58 p.m. Sunday in Fremont A. Bell Memorial Hospital, Ishpeming, following a two weeks illness.

City Sends Delegates To League Meet

Negaunee will be represented at the 57th annual convention of the Municipal League, scheduled in Detroit and Saturday at Mackinac Island, by Mayor Fred Herrick and Councilman Richard Caron.

Advance registrations indicate that nearly 1,000 municipalities and their wives will attend the sessions.

Mayor Allan C. Thompson, Jackson, Miss., President of the American Municipal Association, the national organization of cities and villages, will speak at the annual banquet tonight. Mayor Bruce D. Garbutt, of Ferndale, President of the Municipal League, will present honorary life memberships and special awards of merit to selected municipal officials at this time.

Principal theme running through the entire program is establishment of municipal policy on important problems deserving legislative attention at either state or federal level. Particular attention will be devoted to the need for an expanded highway program and revision of the state highway program and the inclusion of the state highway laws to better meet city and village street problems.

white gladioli. Miss Jeanne Harjo played the nuptial music and Ray Kuri sang "On Promise Me" and "The Lord's Prayer." The couple was attended by Miss Marjorie Hemaria as bridesmaid and Gerald Champion, cousin of the groom, as best man. The bride was given away by her brother-in-law, Robert Royce.

The bride chose a street length dress of multicolor. Her only jewelry was a pearl necklace and earrings, gift of the groom. Miss Hemaria wore a street length dress of blue green. Both had corsages and handbonds of red roses.

Mrs. Benson chose a gray floral print dress with black accessories for her daughter's wedding. Mrs. Champion wore a gray print dress with pink accessories.

A reception at the V.F.W. hall in Ishpeming followed the ceremony. Music was furnished by the "Delmet Trio."

After the couple cut their wedding cake, it was served by Mrs. Robert Royce, sister of the bride. Miss Donna Champion and Miss Julia Monze poured. Mrs. Daniel Kozel registered guests. Mrs. Gerald Champion, Miss Marlene Bodini and Mrs. Evelyn Erickson were in charge of the gift table.

The bride is attending Northern Michigan College of Education, and the groom is employed by Jones and Laughlin.

The couple will reside on Cherry St.

Out of town relatives and guests were present from Detroit, Minnetonka, Atlantic Mine, Milwaukee, Palmer, and Marquette.

Negaunee Forty Years Ago

The Negaunee baseball team is booked for a weekend series of two games this week with the strong Escanaba team and intends to give the Delta club two good battles for the championship.

Gerald Flynn arrived home this morning from Grand Island where he has been employed for the past two months and after spending a few days with his parents Mr. and Mrs. T. J. Flynn will return to his studies at Notre Dame University.

The Negaunee City Band returned Wednesday morning from Muskegon where the boys spent three days providing music for the Order of the Moose.

The families of E. J. Townsend and Kenneth Fellow spent the fore part of the week in

camp at Little Lake. Miss Ruth Miller has gone to Cheboygan, where she has accepted a position as critic teacher in the county normal school. Dr. J. H. Andrus and family spent the weekend at their summer cottage near Swanzy station.

Mrs. J. M. Perkins and Dr. A. W. Haidle won the prizes in the handcap flag tournament at the Wawwasaw Golf club grounds Monday afternoon.

Walter Sterling returned home Saturday from Rummley, where he has been assisting in civil engineering work for the Cleveland Cliffs Co. for several days.

Three Negaunee hunters had the unenviable distinction of being the first to run afoul of cer-

tain provisions of the new game laws and the experience cost them \$41 each. The law prohibits hunting, poisoning, worrying or killing water fowl or birds from any floating device or from an automobile.

Arrangements have been completed for the appearance of the Royal Gwent Welsh Shmears at the high school auditorium in this city on Saturday, Sept. 21. It took Oral J. LaCombe and Edward Bernard just two hours to make the walking trip to and from Palmer last Tuesday morning.

The raspberry and blueberry crops this year were among the poorest seen in this section.

Charles Leaf has taken a position with the Marquette County Gas and Electric Co.

Robert Crisp of the Negaunee police force is enjoying a week's vacation from his official duties

Boosting Michigan

Michigan delegates to the national convention of the Junior Chamber of Commerce at Atlanta, Ga., were traveling advertisements for the State and for its products. Their uniforms advertised Michigan on shirt backs and on cap fronts. Each of the 20 Michigan-made Plymouth cars in which they traveled were plastered with Michigan advertising. The cars were all specially painted green and white, colors of Michigan State University, which is this year celebrating its one-hundredth anniversary. Above Mrs. William Kitchey, of Lansing, displays the Michigan booster material.

Band Benefit Dance Set For Tonight

Sponsored by the Negaunee High School Band, a community dance will be held from 9 p.m. to mid-night in Memorial Gymnasium, the first in a series of special events scheduled for the next four weeks in an attempt to raise funds to help defray expenses of a trip which the organization will make to Ann Arbor.

The Negaunee band has accepted an invitation by the University of Michigan music department to participate in High School Band Day, which will be held in connection with the Michigan-Northwestern football game in October.

High School Band Day is an annual affair at the university. Musicians from participating high schools form a massed band, which performs before the game, and a special half-time ceremony under the direction of University of Michigan conductors.

Alumni and other local residents and pupils from high schools in the area are invited to attend the community dance. Music will be provided by two units, the Negaunee High School Dance Band directed by Daley, and the DeMeo Dixieland Five.

Daley estimates that a minimum of \$2,000 will be required to cover expenses of the Ann Arbor trip, which includes bus travel, lodging for two nights, and meals for the 70-piece unit for three days.

A special committee appointed by Doris Ross, president of the Negaunee Business and Professional Association, already is working out plans for a radio auction, which will be held with cooperation of Station WJPD, Ishpeming, with proceeds to be used to help finance the band trip.

Evangelistic Effort Set By Local Church

Preparations are underway by the Commission on Evangelism, the Mitchell Methodist church, for an intensive evangelistic effort in which all church organizations will participate from Sunday, October 9, through Sunday, Oct. 23, according to Rev. Glenn Kistler, pastor.

It is expected that the program, which has been in the planning stage since spring, will be the largest conducted in local church history.

The preparation period is now underway with a series of cottage and church prayer meetings. The prayer emphasis at sessions of various organizations, plus on Sunday afternoon, Oct. 2, a group prayer conference will be held at the Mitchell church with other churches in the area sharing in the program, and with special emphasis on evangelism by a representative of the Methodist Board of Evangelism of Nashville, who will also speak at the initial evening service.

From Monday, Oct. 3, through Friday, Oct. 23, the guest evangelist will be the Rev. Charles Cook, M.D.

Ingham, pastor of St. Paul's Methodist church, Highland Park, Mich. Daily radio programs will be presented and opportunities provided for personal counselling. Special services, including a massed chorus, will be a feature of the services.

Youth visitation will be carried out by members of the Methodist Youth Fellowship, working with their counselors. A film, "Four To Go," presented by the Board of Evangelism, will be shown Thursday, Oct. 6, and the actual visitation of youth by youth will be carried on from Oct. 11 to Oct. 14.

Honor Mrs. Robbins At Surprise Party

Guest of honor at a recent surprise party marking her 82nd birthday was Mrs. Bessie Robbins, Kansas City, Mo., who was visiting at the home of Mr. and Mrs. William Dunstan.

The guest of honor was the recipient of a purse of moneys, other gifts and telegrams, and the party was termed a success by those attending.

Lunch was served by Mrs. William Dunstan and Mrs. Marvin helped Mrs. Robbins upon her visit.

Out of town friends present were from Iron Mountain, Ishpeming, Escanaba, and Kansas City, Mo.

Mr. and Mrs. Lett Erickson, and Michael, of Lansing, visited last week with Mr. and Mrs. Milwaukee following a home with Richard Pelow.

Mr. Erickson's mother, Mrs. Pauline Erickson over the Labor Day weekend.

Mr. and Mrs. William Laurila and Mrs. Robert Pelow will return this weekend from a visit with relatives in the eastern and children, Sandra's states.

Preachers should preach only one sermon or so a year. People are against sin anyway, so why harp on it.

Traffic Lights should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

Teachers no need to review lessons. Tell the children just once and they'll never forget.

Highway Police stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

Out Of Towners that advertise in the local paper and mail order firms that send out catalogs are wasting their money. Everyone knows what is sold in the stores in town and they'll all shop at home.

Hilltoppers Shade Miners In Football Opener 14-7

Stambaugh, appearing by Frank Colver. Shepleh, an outstanding sophomore fullback, capitalized on his lone second half scoring opportunity, while Negaunee didn't. That was the difference last Saturday night at Nelson Field, Stambaugh, as the Hilltoppers defeated the Miners 14-7 in the opening game for both clubs on their 1955 schedules.

Shepleh scored the first Stambaugh touchdown after three minutes of play in the second quarter and set up the winning marker with a dazzling run of 40 yards near the end of the third period. Negaunee, hampered by injuries, failed to display a sustained offense until the final quarter. Then the Miners, trailing 14-7, marched from their own 40 to the Stambaugh 10 and were within one stride of a scoring opportunity as Rogers Jennings picked off a pass from Tom Hares on second down, but was a step out of the end zone when he caught the ball.

Stambaugh, winning the toss, elected to receive, and the Hilltoppers rolled from their own 32 to the Negaunee 10 on the running of Shepleh and a pass from Hughes to Richards.

Negaunee took over when fourth down passes from Hughes to Kunkowski was incomplete, but one play later the Hilltoppers, had possession of the pigskin again as Carouco fumbled after picking up nine yards.

Hughes on an end sweep picked up five and passed to Kunkowski on the Hares and Blue 10, but again the Miners, aided by a Stambaugh offense penalty, lightened their defense. After four plays the Hilltoppers were back on the Negaunee 45-yard line as first Jennings and then Roberts dropped Hughes for long losses while the TD drive was being made. The team was attempting to find a pass re-

Negaunee picked up only two yards in three attempts before Hares kicked to the Stambaugh 40 yard stripe. Nordling, on pylon strike, Hughes, went 30 yards to the Negaunee 30 yard line as the quarter ended.

Opening the second quarter, the Hilltoppers, with Shepleh and Nordling alternating in carrying the ball, rolled to the Negaunee five from where Shepleh went over right guard for the TD. Nordling's underachievement, split the uprisings for the extra point and Stambaugh 7-0.

In approximately four minutes the Miners were back in the ball game. Koddio brought the Stambaugh kickoff back to the Negaunee 45 and when three plays failed to produce the yardage necessary for a first down, Hares punted to Nordling. The Stambaugh safety man fumbled on his 10 yard strip, and Rogers Jennings, down fast to cover the kick, scooped up the ball and ran over the goal line. Hares ran his right end for the extra point to leave the score tied at 7-all at the intermission.

Throughout the first three-quarters of the third period neither team could gain consistently. With Negaunee stopped on its own 40, Hares kicked to Nordling, who returned the boot 20 yards to the Stambaugh 40. Negaunee was penalized five yards for offside on the first play, and with the ball on the 45, Shepleh took it back and wasn't downed until he hit the Negaunee 15. Hughes picked up two over center and Shepleh his right guard for six yards, on a hand down. LaBarge took a pitch out from Hughes and skirted his way down for a touchdown. Nordling added the extra points from placement and the Hilltoppers were tied in front to stay, 14-7.

The TD drive was the only time the Hilltoppers were in Negaunee

territory during the second half, but the opportunity was not enough to extend their string of consecutive victories over Negaunee to 10 games.

Midway in the final quarter Nordling kicked to the Negaunee 40, and the Miners started the drive that narrowly missed another marker. Hares punted to Bond for five yards and after Harry failed to gain, he flipped another aerial to Koddio, who was downed on the Stambaugh 40. Barry hit the center of the line for six yards and Bond went off tackle for a first down on the Stambaugh eight. After one running play, which lost a yard, the Miners decided to keep the air lanes. The first toss to Jennings was complete, but the big end was a step out of the end zone, and the next two tosses by Hares were broken up by the Stambaugh secondary.

With time running out the Hilltoppers elected to stay on the ground and moved from the 10 to their own 40 before the final gun sounded.

Stambaugh held a 10-3 edge in first downs, picking up five of them in the first half and completed three. Hares, in 13 passing attempts, completed five. Only five violations were called during the game with Stambaugh suffering 23 yards in penalties and negaunee 10.

Hotel Bar Cops Softball Title For Second Year

Hotel Bar successfully defended its Negaunee City softball championship by defeating Palmer 4-2 to win the title for the second consecutive year.

Palmer led off in scoring with a single by Harold Trewella, but for the batsman, Jack Johnson walked. Jerry Erickson singled, Bill White tripled and Jim Hall doubled for a two run lead. In the

third, Trewella singled, advanced to third and scored on a double by Ken Hewitt's single to leave the lead in the bottom of the inning. Lowell Johnson tripled and scored on an error.

Line score:
Palmer 101 000 0-2 7 3
Hotel Bar 001 000 0-4 0 2
Wakkuri and Johns; Stromquist and J. Johnson.

Earlier, Hotel Bar had eliminated Marquette's Bar, 8-0, as Stromquist scattered four hits. Jack Johnson doubled and scored on outs in the first and Joe Baldini reached base safely and bounced on outs in the second.

Marquette's Bar 000 000 0-4 2
Hotel Bar 112 101 0-4 11 7
Barrau and LaForte; Stromquist and Johnson.
Palmer had outted Negaunee Township 4-0. The winners were out-hit 7-5, but jumped into the lead in the first as Bob Glasco singled. At Wakkuri doubled and Hewitt singled. Township threatened in the fourth and fifth, as Byron Hewitt walked and later scored on errors. Then John Stevens reached base on a force play and later scored on Alex Pratt's single, but Palmer enlisted it in the sixth when Ken Hewitt reached first on a safety and scored on an out.

Township 000 110 0-2 7 0
Palmer 201 001 0-4 2 0
Kilve and Thompson, Wakkuri and Johns.

Moral Values Important, Says Treloar

Teachers today must emphasize moral values as a basis for action in preparing students for citizenship as citizens in an industrial democracy, W. H. Treloar, lead faculty member Tuesday afternoon in a keynote address marking opening of the two day "Work-A-Day Institute"

Treloar concluded that a teacher can demand standards of work without being unkind and that it is warm and wholesome interest in the child that does not detract from demand for acceptable performance.

"The student, who is graduated thinking he can earn reward for poor work has little sense of justice; his integrity is impaired if he does not understand the importance of keeping to a task," Treloar said.

"Many material success," he added, "must be based on a moral philosophy that can best be interpreted in such old-fashioned terms as 'an honest day's work' and 'the joy of a task well done.'"

"The teacher," he told his audience, "in the essence of the educational system, it is the individual of heart and soul, and warm human effort that counts; not the building of brick, steel and stone."

Delegation From Eagles To Attend District Meeting

Negaunee Aerie 1944 will be represented by a large delegation Sunday at Calumet when Calumet Aerie 352, Fraternal Order of Eagles, plays host to the annual fall district meeting of the order.

Principal speakers at the conference will be Robert Hansen, Milwaukee, past national president of the order, and Ralph Bird, Ann Arbor, state secretary.

A reception for the past national president will be held at 9 p. m. Saturday. The business session has been scheduled for 1:00 p. m. Sunday, and the district conference dinner is scheduled at 5:00 p. m. Sunday.

Mr. and Mrs. Eino Keltala have returned to Saultbury, Canada after visiting at the home of Mrs. Allison Erickson and Mr. and Mrs. William Gilgren.

Mrs. K. C. Pellow returned home Tuesday from a visit with relatives in Escanaba.

WELL-MANAGED, pleasantly deplorable and well-kept by his teammates, handsome, conversational Raymond Oles is one of the "mound-builders" of the Tigers today as he was right after he was traded to Detroit, during those bleak early days of 1933.

Oles will stick by my statement in an earlier story of 1933, a player alone is responsible for lifting the Tigers from the basement to first place in 1933, but more than any other player Ray kept the Tigers going during those dark days.

Sometimes, when he was driving in one winning run after another, it sure seemed like he was doing the job single-handedly.

But of course Harvey Krumm contributed considerably to the upsurge and so did Steve Gronck and others, and now we have the added punch of fellows like Al Kaline, but Steve and Gronck keeps on going like Old Man River.

Caught Up With Pack — Despite early season injuries and a hitting slump, Ray has caught up with the pack and is well up there in hitting runs batted in and other departments. And he is as popular as ever with Tiger fans.

Strangely, none of this was the case at Cleveland, where frequently Ray was routinely booed by patrons of Municipal Stadium and was the target of abuse from the press.

As a consequence, his hitting suffered and he dropped from a high of 201 and 58 runs batted in in 1932 to 243 and 27 runs in the time of his trade in 1933.

Showing just how much a change of climate can mean to a player, Boone scored up the 1933 season

with a 312 leading total and 83 RBIs with Detroit. Moreover, he hit 22 home runs. It more than makes up for in any season with Cleveland.

"I always figured I was good for at least 20 homers a year," Ray said.

Changed Direction

Last year he hit an even 20 and this season, with 19 as of the writing, he's hoping to repeat again. In addition, his 80 RBIs as I write this goes anything he's ever done in the majors, but the line is a good chance of breaking 100.

Boone's explanation for his remarkable increase in hitting ability is his change in hitting direction coupled with the friendly reception of Detroit fans. Where formerly he hit ball after ball center field for a straight line, he now batters into low pulls the ball into left field for doubles down the foul line and homers into electric stands.

Ray considers the trade that brought him to Detroit one of the best trades of his baseball career. He classifies it in importance with his conversion from a catcher to a shortstop by the Cleveland management because of a shortage of infielders in the Indians' farm system.

Ray had been spent nowhere as a catcher, but in his first year as an infielder with Oshkosh City, a Cleveland farm, he batted .355 and was called up by the Indians

in the middle of the '33 season. When Ray came to us, Manager Fred Hutchinson moved him to third only because a fellow named Koehn was doing pretty good with the Hickey and Storebald at shortstop.

Grove Gridders Travel To Newberry For Conference Tilt

Hoping to get off on the right foot in their conquest for a Great Lakes Conference grid title, which they missed by a eyelash last fall, Cocona Fingers of the Negaunee High School gridders leave Saturday evening for Newberry where they will open their league schedule with the Indians Saturday afternoon.

Last fall, the Maize and Blue ended their conference schedule with a record of four wins and one defeat, a half game behind Gladstone, which capped the title with five consecutive victories. Spectators of the Maize championship hopes were the Indians who pinned them to a 20 all tie.

Bill Jennings, coach of the Negaunee club and one of Newaukee's all time grid greats would like neither better than to whip his alma mater and put an end to its championship as a pirations early this fall.

Negaunee's advantage of one official game under its belt will be more than offset by the fact that Jennings has complete information on the Miners as a result of his scouting trip to Sismung Saturday evening during which he compiled voluminous notes regarding the Negaunee offensive and defensive systems.

Jennings also took advantage of the ruling permitting one pre-season scrimmage with another school and arranged a workout with Big Inance in order to give his charges experience against foreign opposition.

In his second year as varsity coach, Jennings has eight lettermen, plus seven junior varsity award winners returning from 1934. Lettermen include Dave McLean, Don Bryers, Jerry Zurek, Len Brown, and Mrs. Henry Heiser.

Bucky Hillman, Clyde Tobin, and Don Reitek. Up from the junior varsity are Matt Surrall, Tom (Another) Villeneuve, Don Bidwell, Dick Brand, Melville Inoppe, Dennis Geary and Jim Dzielaw.

According to the Newberry mentor, his club will be slightly heavier than a year ago, but the line will be green and inexperienced.

All Negaunee practices sessions this week. Cocon Hoyer Grove visited several boys at alternate positions to fill gaps resulting from practice and Sismung game injuries.

Grove worked the first three days of the week with a benefit field unit in which Louis Chiri occupied the fullback spot, replacing Billy Hoyer, suffering from torn ligaments in his right knee.

Chiri, who weighs in at an even 100 pounds is the fastest man on the squad, and Grove was of the opinion his weight and speed would add power to the Negaunee ground game.

However, in practice Wednesday afternoon, Chiri incurred an ankle and it is doubtful if he will be available

able for duty Saturday. This means that freshman Marvin Henry will go both ways — on offense and defense — in the fullback spot.

Other members of the ball stringing unit will remain the same with Tom Hares in the signal calling post, Jim Garecuo and Bill Kokko at half backs.

The starting line will remain the same as in the Sismung game with exception of a replacement for Chiri, who was used as an offensive tackle and defensive end.
