

# Negaunee Iron Head

The only Paper in the World that gives a darn about Negaunee

THE CLEANEST CITY OF ITS SIZE IN AMERICA

Volume LXXXII

NEGAUNEE, MICHIGAN FRIDAY, SEPTEMBER 16, 1955

NUMBER 41

## Stars With "Tammies"

Pictured above is one of America's most outstanding folk dancers, Steve Kovacs from Kenosha, Wis. He appears with the Duquesne Tambritzans.

## Tambritzans Give New Show at Memorial Gym Saturday Night

Another capably crowd is expected at Negaunee's Memorial Gymnasium, when the famous Duquesne University Tambritzans appear here for the fourth consecutive year. The performance is sponsored by the Negaunee Veterans of Foreign Wars Post 2185.

The group is being sponsored for the fourth successive year by the Veterans of Foreign Wars of Negaunee. Each year has brought a larger audience, as those who have seen the group once bring their friends to the next appearance.

Made up of 20 young men and women from Duquesne University in Pittsburgh, the Tambritzans specialize in the sparkling folk dances and music of the Slavic peoples. The musical company takes its unusual name from a stringed instrument called the tamburitz.

Used for over 1600 years by the shepherds of the Carpathian mountains, the tamburitz is generally thought of as the ancestor of all stringed instruments. The Tambritzans put the ancient instrument to active use in their concerts.

Each year the colorfully costumed group gives 150 performances in the United States and Canada. Several appearances in Carnegie Hall and on national television have brought the young performers high critical praise. The Tambritzans, as they are popularly called, also have made two very successful European tours. The group has been widely hailed as one of the nation's foremost collegiate musical organizations.

Formed at Duquesne University some 13 years ago, the group is drawn from the richly varied national background of the Slavic City. Although Slavic nationalistic sentiments are rampant among French and Irish descent are found in the Tambritzans. On the recent European tour, some touching scenes were enacted as grandparents and their American-born grandchildren for the first time, though the Tambritzans are a strictly

musical group, most of its members are studying education and administrative administration of the university.

The turning expansion of the Tambritzans is taken care of by Duquesne University and an energetic Citizens Committee in Pittsburgh. Proceeds from the organization's concerts go into a scholarship fund for its members.

Because it is made up only of students, its membership experience is complete turnover every four years. Each year auditions are given to musically gifted young people who are interested in replacing the Tambritzans who will graduate.

Membership in the Tambritzans may also include scholarship privileges at Duquesne. Young people can apply for the auditions after each concert.

Quits have praised the authenticity of the Tambritzans' programs. Because of the research and precision that go into them the choreography and settings of the national dances and melodies is reported flawless. The same thing can be said for the music.

Recently several members of the group's staff have traveled widely in the Eastern states in the interest of old features and bring news to the group in a glossy brochure. The group is offering folk dances before seen by American audiences.

Each summer the group returns to Northern Wisconsin where they put together the year's program. For six weeks on Lake Superior and in the young people rehearsal. Practice and more practice, under the direction of Walter Schar and his staff, all former Tambritzans, bring the group into a glossy brochure. The folk dances and ancient melodies of the Slavonic, Polish, Poles, Russians and Scandinavians highlight the program.

The accordion, tamburitz, and marimbas are treely used. Choral singing is also interspersed with the dancing.

Tickets are being sold in most Negaunee stores and are available at several Marquette business establishments.

## Camp Fire Opens Drive For Members

Seeking a multitude of new members, an all-out membership campaign will be launched here next week by the Negaunee Camp Fire Girls. The drive for girl members and adult volunteers will continue through Nov. 30, Mrs. A. E. Sundine revealed today.

"We're friendly—Make Friends—Join the Camp Fire Girls!" is the theme of the nation-wide drive, which aims at recruiting enough adult workers to extend the program to hundreds of girls eager to avail themselves of the joys of Camp Fire.

"We can promise sound returns from each investment in Camp Fire Girls," Mrs. Sundine said. "The future of our country and our country will be in better hands because of the training for citizenship and leadership given these girls today.

"The scope of their activities, at times depends on the number of men and women who will give their time and talents to Camp Fire." Mrs. Sundine added. "Here in Negaunee we have been most fortunate in having the continued loyalty and support of outstanding citizens. We need more are needed as the bumper crop of school children reach Camp Fire age."

Mrs. Sundine pointed out that there is a wide variety of capacities in which volunteers can help. Camp Fire girls who are needed as group leaders and experts on homemaking activities, while men can contribute their special skills as sponsors and committeemen. Both can give service as members of the local council.

Highlighting the impending drive will be Camp Fire activities, geared to the 1955 year-round slogan, "Let Freedom Ring."

In addition to citizenship programs in honor of the current theme, members are continuing their camping, handicraft and community activities. The Camp Fire's program of fun and friendship prizes still on offering interest on all ages. Three groups are served by the current season, Blue Birds from 7 to 10, Camp Fire Girls, 10 to 15, and the Club on the high school level.

Here is one of the few civic drives which asks no monetary contribution," Mrs. Sundine stated. It asks for something even more precious, Your Time and Your Interest.

## Public School Enrollment Shows Gain

Initial enrollment reports for three Negaunee principals for the 1954-55 year show a 10 per cent increase in the number of students in two buildings and a decrease in the third.

R. C. Richards, Negaunee High School principal, reports an initial enrollment at the high school building totaling 989 in grades

## Radio Auction To Raise Funds For Band Trip Scheduled September 28

Seeking a goal of at least \$1,000, the Negaunee Business and Professional Association, with cooperation of Radio Station WJPD, Ishpeming, will sponsor a radio auction with the broadcast emanating from the Negaunee High School Auditorium on Thursday night, September 28.

Temporary plans for the benefit auction were worked out at a meeting of the NBPA committee, Walter J. Delp, Negaunee High School band director, and station officials Tuesday night. Purpose of the affair is to help raise funds necessary to send the school band to Ann Arbor in October.

## Mary Shurtleff Author of Book On Cross Village

Off the press is a new booklet, "Old Astra Crocus," a history of Cross Village, her home community, written by Miss Shurtleff, Negaunee High School Latin and English teacher.

The 46 page booklet covers the history of Cross village from the time Ottawa Indians first settled in the region up through the disastrous fire of 1918.

It contains condensations of accounts written by Alexander Henry and John Tanner, early traders, as well as those of missionaries including Fr. Charles Richard, Fr. Ignatius Mraz and Bishop Baraga.

Mrs. Shurtleff was taken from the name given the Ottawa settlement, "La Astra Crocus," by white traders who because of a tall crooked tree on a bluff a few miles north of the village that was used as a landmark by passing canoes.

## Roger Grov Will Speak at NBPA Luncheon Monday

Members of the Negaunee Business and Professional Association will hold their September luncheon meeting Monday noon at Gurewicz's restaurant. Guest speaker at the luncheon will be Roger Grov, new Negaunee High School football manager.

A report will be given at the meeting on plans for the radio auction which the organization will sponsor with cooperation of Radio Station WJPD, Ishpeming, on Wednesday, Sept. 28. Attempts to raise funds required to send the Negaunee Ivan School Band to Ann Arbor in October for the annual University of Michigan Band Day.

Members will decide on whether to continue the program of noon luncheons during the winter months or to hold instead evening dinner meetings.

seventy three years. It compares with 972 last year. We can still expect a low late comers, and it is not probable we will increase to the 700 mark in our building this year," Mr. Richards said.

Larger enrollment is in grade 10, where there are 137 students, while ranking second grade 110, 122, there are 114 seniors, 104 freshmen, 102 eighth graders and 111 students in the seventh grade.

Four teams of solicitors have been appointed by Dorris Toos, NBPA president, to solicit merchandise in the main business district on Iron street. Members of the teams will be Carl Levitt and Dominic Dighera, Pete Child and W. L. Tumbly, Francis Russo and Robert Koskey, Earl Mckel and Suzee Perata.

In charge of solicitations among professional men and insurance agents will be C. J. Tamblin. In charge of solicitations among concerns, while Lloyd Anderson and Turro Sandwell will canvass.

Paul Ranseth, well known auctioneer has volunteered his services for the occasion. Larry Larson's Radio and TV Sales are donating a sound car for the parade which will precede the parade.

The radio auction will be in the event the radio auction fails to produce the required amount, a concert has been tentatively planned by the committee including a community-wide sing and a community concert by the school band and orchestra.

## Protestant Churches Plan Conferences

A series of widely known church leaders will visit the Upper Peninsula Sept. 26-30, conducting a series of five conferences with Protestant leaders and resources" with one of the meetings to be held in Negaunee on Tuesday, Sept. 27.

Leaders of the group will be Dr. Kenneth Nelson, president of the Michigan Council of Churches, and chief executive of the Presbyterian Synod of Michigan. Other members include Dr. G. Merrill Limes, executive director of the Michigan and Detroit Councils of Churches, R. Rev. Herman Page, D.D., Bishop of the Episcopal Diocese of Northern Michigan; Mrs. Ben R. Donaldson, president of United Methodist Church of Michigan; Rev. Charles Wolfe, district superintendent for the Marquette District, Methodist Church; Dr. J. W. Hadden, president of Michigan Synod of the United Lutheran Church of America; Rev. J. W. Hadden, president of Christian Education of the Michigan Council of Churches; and Rev. Raleigh E. Smith, district superintendent.

# Board of Supervisors Official Proceedings COUNTY OF MARQUETTE

Continued From Last Week

The following report of the Special Law Library Finance Committee was read. Supervisor Wiseman moved it be adopted. Supported by Supervisor Conroy and carried by the following Yeas and Nays vote:

Yea: Aho, Allen, Allobello, Anderson, Beckland, Beaudry, Bellison, Brewer, Carlson, Clifton, Clouston, Eric Cristoffersen, Domieris, Dwyer, Ewina, Ghafari, Hoenig, Hiebel, Hooper, Johnson, D., Johnson, E. W., Kivonen, Kivela, Kivliman, LaChance, Larson, Ollila, Pearce, Taulio, Rose, Sandstrom, Schwem, Strickman, Swanson, Tuominen, Valenti, VanElzacker, Willey, Wiseman, York.

Nays: None.  
August 18, 1955  
Honorable Chairman and Chairman of the Marquette County Board of Supervisors Marquette, Michigan

Your Special Committee appointed to study the financing of the County Law Library has studied this matter and wish to report as follows:

Unpaid Law Library obligations are approximately \$800.00 at this time. The annual allocation of \$750.00 from main fines is not sufficient to maintain the library being its publications up to date and retire the indebtedness. Your Committee recommends that the Board of Supervisors appropriate the sum of \$600.00 from the General Fund at this time to apply towards the operation of the County Law Library.

Your Committee has withheld this report pending a determination of the legality of such appropriation by the Prosecuting Attorney, Mr. George Hill, Prosecutor, has now informed Your Committee that it has been determined no legal barrier exists to prevent such an appropriation if the Board of Supervisors concurs in your committee's recommendation.

Respectfully submitted  
Special Law Library Finance Committee  
By A. W. Hooper, Chairman  
Arthur L. Hiebel  
C. Donald Johnson  
Carl W. Cornelissen

The following report of the Budget & Executive Committee was read. Supervisor Ewing moved the Board concur in its recommendation. Supported by Supervisor Allobello and carried.

August 16, 1955  
Honorable Chairman and Members of the Marquette County Board of Supervisors Marquette, Michigan

Consent: At the August 15, 1955 meeting of your Budget and Executive Committee, the financial affairs of the Welfare Department were discussed with Director James Semmler. The Direct Relief Fund has been reduced to \$11,818.81 of July 31, 1955 and this is not sufficient to pay the August obligations. Your Committee recommends that \$14,000.00 of the State Welfare Physical Account be transferred to the Direct Relief Fund. It is expected that this transfer will cover Direct Relief obligations for at least three months since the case load is declining.

Respectfully submitted,  
Budget & Executive Committee  
Axel Carlson  
W. J. Riese  
Albin T. Bellstrom  
John Ghafari Sr.  
Leonard S. M. Allobello  
Emil Aho  
Carl Cornelissen  
J. A. Sandstrom  
Eva P. Allen  
Howard J. Larson  
Charles T. Beaudry

The following report of the Special Law Library Finance Committee was read. Supervisor Wiseman moved it be accepted. Supported by Supervisor Conroy or Kivela and carried.

Marquette, Michigan August 22, 1955  
Honorable Chairman and Members of the Marquette County Board of Supervisors Marquette, Michigan

Your Special Health Contact Committee met with the Board of Trustees of Morgan Heights Sanatorium with a view to securing the cause of the substantial drop in patient load which reduced the county income a considerable amount. We were pleased to learn that cases requiring treatment have been sought out and that at present the sanatorium is operating at capacity. This ultimately results in a smaller expenditure of county funds for hospitalization.

Your committee has no corrective recommendations to make and desires to report on the affairs of Morgan Heights Sanatorium as being administratively sound and efficiently.

Respectfully submitted  
Morgan Heights Contact Comm.  
By Sol Wiseman, Chairman  
John Tuominen  
David Larson  
John W. Kivela Sr.  
Carl Cornelissen  
George Willey  
M. J. Larson  
Charles T. Beaudry  
The following reports of county departments were read and approved by the Chairman.  
DEPT. OF SOCIAL WELFARE

Impending, Mich.  
Marquette County Board of Supervisors  
Marquette, Michigan

Genltemen: We are submitting herewith the Marquette County Social Welfare Board monthly report for July, 1955 per detailed statement attached.

The commitment report for the month is as follows:  
Direct Relief Fund -- \$1,082.23  
Social Welfare Fund -- \$12,847.03  
Total ----- \$23,929.26  
The Direct Relief commitment for July 1955 amounts to \$400.00 and the Social Welfare commitments at the end of July, 1955 are \$9,483 over June. The comparative statement for the corresponding month (July, 1954) represents an increase of \$1,849.02 or 8.65 per cent.

Very truly yours,  
Dept. of Social Welfare  
Marquette County Board of Supervisors  
James B. Scanlon, Director  
VETERANS' MARQUETTE AGENCY  
Marquette, Mich.  
Honorable Chairman and Members of Marquette County Board of Supervisors, Marquette County, Mich.  
Dear Sirs: We herewith submit the report of part time work done in Veterans' Relief Agency during July, 1955.

On ex-service men visited the office during the month. All but one were of World War II, and the one was for help in emergency food orders. One for transportation, one for request in completing form for hospitaliza-

tion, and four were seeking information regarding the filing of claims for compensation.

For the emergent needs, referrals were made to the Michigan Veterans Trust Fund, and later to the Department of Social Welfare. Other referrals were made to the American Legion, C. O. and the Catholic Social Service Society, they having been referred to the families previously.

Mr. Ernest Benoit, Field Service Officer for the V. F. W., interviewed veterans in the office on July 12, 1955. He noted climas and general information was needed in most of the cases. None has been secured.

Two meetings of the Michigan Veterans' Trust Fund Committee were held and the Director of Veterans' Affairs, Michigan.

Very truly yours,  
Ruth F. Zerbel, Director of Veterans' Affairs, Michigan

**MINE INSPECTOR REPORT**  
Impending, Mich.  
August 20, 1955  
Mr. Lloyd LeVasseur, County Clerk  
Board of Supervisors, Marquette County  
Genltemen: As Mine Inspector for the County of Marquette, I wish to report my activities for the period of July 15 thru August 20, 1955.

I have inspected the following properties:  
Greenwood Mine - South Greenwood  
Michigan Gold Mine - North Cliffs Shaft - Impending  
Excelsior Mine - North Lake  
Lloyd Mine - North Lake  
Cambria - Jackson Mine - Negaunee  
Maz Mine - Negaunee  
Section C Cave - Impending  
Champoigne Mine (surface) - Champlain  
Republic Mine - Republic  
Abandoned Properties - Republic area and Saguway area (SW of Impending)  
Thank You,  
Henry L. Scaratz, Mine Inspector

**ROAD COMMISSION**  
REPORT FOR THE MONTH OF JULY, 1955  
The total rainfall for the month was 4.69 inches. Mile Trunk Lines:

Maintenance on the State Trunk Lines was completed. Use of 728 tons of blacktop for road surface patching, the repaving of 108 lineal feet and the painting of 759 lineal feet of guard rails. The moving of 20 miles of shoulders and the weeding of 6,000 yards of roadside tangle.

**County Roads**  
Construction  
On road 400 in Chocoley and Sands Township, 442 tons of blacktop, 14,650 gallons of asphalt prime coat, 8,520 gallons of asphalt tack coat and 4,250 tons of bituminous aggregate surfacing were placed in constructing 4.4 miles of road surface, in addition 1,478 cubic yards of earth excavation were moved in constructing road ditches.

Construction work on road 500 in Chocoley and Sands Township, 442 tons of blacktop, 14,650 gallons of asphalt prime coat, 8,520 gallons of asphalt tack coat and 4,250 tons of bituminous aggregate surfacing were placed in constructing 3.0 miles of road and street surface.

This work was carried out in cooperation with Chocoley Township. 132 cubic yards of gravel, 515 cubic yards of sand, 1,478 cubic yards of bituminous aggregate surfacing were placed in constructing 3.0 miles of road and street surface. This work was carried out in cooperation with Chocoley Township. 132 cubic yards of gravel, 514 tons of crushed gravel and 51

tons of calcium chloride were placed on the streets of the Township. Work Sub-Division in preparation for bituminous aggregate surfacing construction, project to be carried out in cooperation with Marquette Township.

On road 50M, located in Wells Township, 20 feet of 18-inch and 32 feet of 24-inch curb pipe were placed in preparation for gravel surface construction, project to be carried out in cooperation with Wells Township.

On various other projects, road and street construction accounted for the placing of 1,649 cubic yards of gravel in road life, 500 cubic yards of gravel in road life, 500 cubic yards of gravel in road life, 500 cubic yards of gravel in road life.

During the month the blacktop plant produced 12,620 tons of bituminous material and the crushing plants produced 15,221 tons of crushed gravel. Maintenance 170 tons of calcium chloride and 2,600 gallons of fuel oil were placed on the dusty roads. This service was performed at a cost of the amount amounting to \$7,500.00.

Surface and shoulder patching operations required the placing of 411 cubic yards of gravel, 64 tons of crushed gravel and 17 tons of blacktop, 20 miles of road.

## Sunday School History Written for Anniversary

(Editor's Note: In connection with the 65th anniversary of the Immanuel Lutheran Church Sunday school, which will be observed on Saturday, Sept. 23, a history of the church and school has been written by Mrs. Althea Willman. History that is divided into two parts, the first covering the era from 1885 to 1925, and the second the period from 1925 to the present. The review for the first period follows.)

It was back on Sept. 14, 1885 that a Sunday School was established at the Finnish Evangelical Lutheran church in the formation of the department resulting from a suggestion by Rev. K. L. Tolonen, who was at that time pastor of the Lutheran parish, and also served the Neegaunee congregation.

Teachers in the original Sunday school included Messrs. E. Blomster, H. Holmstrom, P. Lammason, and J. Swolin. Mrs. K. Metopala and Mrs. Edstrom. Teaching was carried on in the Finnish language with instructors working under Miss Lohjonen, who was probably the first superintendent.

The first church was a two-story, wooden school building, which the City of Neegaunee acquired in 1887, and which was bid in for the congregation by Abram Bostka and John Mitchell. This structure was moved to a lot on Mitchell Avenue, which had been purchased by the church from the Cleveland Cliffs Iron Co.

The names of Heikki Tuovijarvi and Mrs. Josefina Yanti stand out in the early history of the Sunday School. Tuovijarvi served as superintendent from the early 1900's until 1925, and thereafter, until his death, continued to attend meetings of teachers and give advice as called upon.

Mrs. Yanti served as assistant superintendent and has the record of continuous service in the Sunday school. She retired in October, 1941, after 30 years, and would have continued there in the Sunday school, but for the fact that teaching had completely changed to the English language.

A Finnish Bible will be presented

to the church by the Sunday school in connection with the banquet, which will be one of the highlights of the anniversary observance. This Bible will be presented in memory of Tuovijarvi and Mrs. Yanti by Rev. Otto Siadain, who served from 1931 to 1934 as the first resident pastor of the parish. He was followed by Rev. E. V. Saarason, 1934 to 1937; Rev. F. V. Kava, 1937 to 1939, and Rev. E. Varva, Matilola, 1939-50.

When Rev. Otto Kaarto succeeded him as pastor, he has shown some interest, had been absent in business for some days last week through his inspiration and untiring efforts that the old wooden structure was torn down and a new modern brick church constructed.

During that construction period, Sunday school classes were held at the "Kananankoti" which is presently known as the Kalmari Hall. Instructions were given at 2 o'clock on Sunday afternoons, but when the new church was completed in 1950, the time was changed to 9 a. m., which has remained in effect in the Sunday school hour up to the present time.

## Dr. Wargelin Will Speak at Sunday School Observance

Guest speaker at the banquet Saturday, Sept. 24, marking the 65th anniversary of the beginning of Sunday School classes at Immanuel Lutheran church will be Dr. John Wargelin, former pastor of the local parish, and president emeritus of Suomi Synod.

Dr. Wargelin left the Immanuel Lutheran congregation in December, 1948, to take over the duties of president of Suomi Synod. At the general convention held in Ely, Minn., in June, 1950, Rev. Raymond Wargelin was elected to succeed his father as president of Suomi Synod. Rev. Wargelin will also attend the anniversary banquet in Neegaunee.

Reservations for the banquet should be made immediately with Mrs. Felix Laurila.

## Compliment Departments On Reports

Heads of various municipal departments were complimented for the excellence of their reports, submitted at the September meeting of the municipal governing body last Thursday night.

At the August meeting, a question had been raised regarding one or two reports and the Council recommended that heads of departments be sent additional information. Supervisory personnel was on hand Thursday night, and in offering a motion that the reports be accepted, Councilman G. Vance Hingst said that department heads be complimented for the excellence of their reports.

According to the report of Police Chief J. Symonen, local officers made 10 arrests during August, 19 of which were for violations of laws governing motor vehicles.

In addition, the department investigated 12 automobile accidents, received 73 complaints, answered 178 telephone calls, disposed of six dogs, reported 107 lights that were out, listed 17 doors left unlocked at night at business establishments, gave lodging to four persons at the city jail, and first-aid to one person.

Judge William E. Hingst reported that a total of 28 criminals and three civil cases were tried in justice court during the month. Total costs in these cases amounted to \$201 and fines levied totaled \$203.00.

There were no fire alarms sounded in August, according to the report of Chief Melvin Johnson. First aid was given to one person, with department representative attending the initiation. Replacement of the fire hall roof was completed, the department held one practice session, and 17 members attended the annual Upper Peninsula Firemen's Tournament at Ontonagon.

## Magazine Article Highlights Career of Walter Willman

Walter K. Willman, prominent Neegaunee native and present city manager and Pontiac City Manager is the subject of a feature article appearing in the current issue of "Michigan Architect and Engineer" concerning Pontiac's role in building and Willman's work in making the facility a reality.

Money for the structure, which cost \$2,200,000, was set aside during Willman's administration so that the building, which contains 35,000 square feet and houses all departments except fire, police, municipal courts, is debt-free.

The article regarding the former Neegaunee man, who is the son of A. P. Willman, local resident, follows:

"Among the men who stand out as a prime example in the development of the new Pontiac city manager, though not a native son of Pontiac, his devotion to Pontiac's interests is seldom matched by anyone. He takes pride in the job he is doing for Pontiac's citizenry and he is proud, for it is a good job and the fruits of his labor are showing up all over the city."

"Walter Willman was born in Neegaunee, Michigan just before the turn of the century. His parents, both born in Michigan's Upper Peninsula, settled in Neegaunee, where the senior Willman became superintendent of the Public Works Department.

Walter Willman completed requirements for his civil engineering degree at Michigan State University after his schooling was interrupted by a three-year hitch in the 2nd Light Railway Battalion of the Engineers Corps, during World War.

"His first engineering job was with the Michigan State Highway Department in 1921. Three years later he was superintendent of Michigan Contracting Company. From there, he moved to the job of city manager of Mount Pleasant, in 1927. He moved to a similar position at Fort Huron, and two years later was named city manager of Pontiac.

"In 1948 he was cited by the City

Managers Association for meritorious native and present city manager and Pontiac City Manager is the subject of a feature article appearing in the current issue of "Michigan Architect and Engineer" concerning Pontiac's role in building and Willman's work in making the facility a reality.

"The five years, Walter Willman has shown his wide range talents to the city of Pontiac. The list of projects he has carried that period would take the average public official a lifetime to complete. "A beautiful city hall, free and clear on the job it was opened; a tax rate of \$128.00 per thousand, probably the lowest in Michigan; a capital improvement program, which cost two and one-half million dollars in 1950 alone, and included 17 miles of street reurfacing and drainage gutters, new sidewalks, new bridges, new playgrounds and still reduced the bonded indebtedness of the city by a quarter of a million dollars.

"Under his leadership public housing has been completed, the city has a new library, new sporting basin, and money in the bank for a new court building, a new police and fire building, and a 30 per cent addition to the municipal fire department hospital."

"That is a record any public official in America could well be proud of. Yet, Pontiac can be justly proud, proud of its new City Hall — proud of its city manager."

Public Works Department.

Michigan Contracting Company. From there, he moved to the job of city manager of Mount Pleasant, in 1927. He moved to a similar position at Fort Huron, and two years later was named city manager of Pontiac.

## Municipal Finances in Good Shape

City of Negaunee finances are in better shape than a year ago with the municipality having a bank balance of \$136,311.76 at Sept. 1, an increase of approximately \$5,000 over the corresponding date in 1954. City Manager George E. Meholick, Jr., informed the Council at its regular Sept. meeting last Thursday night.

During the past two years, the city has ended the 12 month period in the black after recovering from a deficit of approximately \$100,000 at the time the present council-manager form of government was instituted here in 1950.

Meholick pointed out that municipal deposits in August amounted to \$57,751.36 with a major share of the revenue coming from the State of Michigan. State payments to the city treasury included \$15,028.43 in sales tax diversion, \$9,043.23 in intangible tax, and a return of \$19,674.72 in gas and weight taxes.

"Our netural bank balance at the first of the month is \$136,311.76 more than a year ago," Meholick said, "but we have outstanding bill of about \$10,000, which includes the new Walters truck unit, leaving us approximately \$1,000 ahead of the corresponding period in 1954."

Council approved transfer of a Class C and SDM license licenses from William and Elsie Tobolski to Sulo and Tyrone Kivela, subject to approval by the Michigan Motor Commission.

In other business on the agenda, the Council set Thursday, Sept. 22, as the date for a public hearing on the 1956 municipal budget, and approved purchase of a new power steering unit for the Sea-Go from the FWD Company at the low bid of \$355.

Barbara Sundberg Becomes Bride of Donald Brunswick

Before an altar decorated with white gladioli, Miss Barbara Sundberg became the bride of Donald Brunswick at the Mitchell Methodist church, Rev. Glen Kjelberg officiating at the ceremony.

The daughter of Mr. and Mrs. Gust W. Sundberg, 1021 Pine Street, wore a floor-length gown of imported Chantilly lace over ice blue satin. It was fashioned with a fitted bodice and a choice length train. Seed pearls decorated the cap which held her finger-wedding. Her jewelry was an heirloom necklace and earrings set of gold, which was worn by her great-grandmother on her wedding day. She carried a Bible covered in a white corded. Her father gave her "In marriage."

Miss Jean Harvey was maid of honor and Mrs. Gerald Olson and Mrs. William Sundberg were bridesmaids. Margie Gie is a cousin of the bride, was junior bridesmaid. Their gowns were identically-fashioned of Mary blue rayon net and tulle with fitted bodices and buoyant waltz-length skirts. They carried colonial bouquets of pink roses and white carnations.

Eugene Eberhart of Chicago was best man and Donald Mahlin, Detroit, and Walter Sundberg, brother of the bride, were groomsmen.

Beverly Kecker Weds Oiva Harju

Announcement has been made by Mr. and Mrs. Glenn Kecker, Palmer, of the marriage of their daughter, Beverly, to Oiva Harju, son of Mr. and Mrs. William Harju, midway.

ANDERSON - RUELL

Thomas Anderson announces the marriage of his daughter, Helen to Albert J. Ruell, of Helden, in the Rev. William P. Russell officiated at the nuptial high mass in St. Paul's church on August 29.

Alphonse Peterson Re-elected Head of Rod and Gun Club

Alphonse Peterson was re-elected president of the Negaunee Rod and Gun Club at the annual business meeting of the organization.

Delegates for the convention were chosen as follows: Salmonson, Ugg, Richard Jochenheim, J.P., Charles Glotto, Elmer Savola, Roland Juchenheim, Sr., Albert Garreano, Olson, Dominic Jacobowitz, Mr. and Mrs. Harju will reside and "Porky" Alraud.

A resolution from the Iron County Board of Supervisors relative to designation of emergency discussion routes was read. No discussion it was ordered filed by the Chairman.

A resolution from the Houghton County Board of Supervisors relative to a law forbidding restraints on hunting on all lands in the resolution. Supporting attached hand notes posted "No Hunting" was read. Supervisors Crocker were moved to file. Supported by Supervisor Larson

Robert H. DeRoche, Controller and Carro. There being no further business, on motion of Supervisor Allen supported by Supervisor Altolleho and carried the meeting adjourned until Wednesday, the 21st day of September, A.D. 1953 at 2 o'clock p.m. Carl W. Connors, Chairman Lloyd Lovassor, Clerk.

Others officers named for the convention were: J. J. Salmonson, J.P., vice-president; Wm. Salmonson, secretary; Jerry Olin, treasurer; J. J. Salmonson, J.P., vice-president; Wm. Salmonson, secretary; Jerry Olin, treasurer; J. J. Salmonson, J.P., vice-president; Wm. Salmonson, secretary; Jerry Olin, treasurer; J. J. Salmonson, J.P., vice-president; Wm. Salmonson, secretary; Jerry Olin, treasurer.

# Jittery Miners Drop 2nd Grid Tilt To Newberry 26-0

Losing its pole as a result of a pass interception on the first play from scrimmage, an inexperienced Negamine 11th School football team suffered a 26-0 defeat at the hands of Newberry in the second game on the Maize and Blue 1935 schedule at Newberry Saturday afternoon.

When the Miners gambled on a pass on the first play from scrimmage in the opening quarter and lost, they were demoralized until during the initial two periods in which Newberry rolled to a 26-0 lead.

Coach Rogers' intermission talk calmed his charges' jittery, and they came back to play the Indiana on even terms during the third quarter, but were dominated play in the final period, yet by that time the damage was completed.

Newberry used (with considerable success) long kicks, which were hard to handle, and Bill Kokko was able to return the opening boot only as far as the 30-yard line. Tommy Hares decided to gamble on a long pass as the first play from scrimmage, but he was throwing against a strong wind, and his loss intended for Jennings was intercepted by Gary Tuttle on the Negamine 22.

Four plays later Newberry had the first tally. Tuttle went eighty yards up the middle, Loren Brown sliced off the right tackle for 12 yards and Tuttle hit left guard for four yards. With the ball on the two foot line, Brown went for the TD. A jump pass from Buckley Hillman to Dave McLean was good for the extra point and Newberry led, 7-0.

Newberry kicked to Billy Band, who was downed on the Negamine 19. The Miners poked up eight yards in three attempts, and Hares kicked to the Newberry 48. On the first play Hillman passed to Tom Villamuro, who reached the Negamine 12 before he was knocked out of bounds by Bill Kokko.

Hillman poked up seven yards over left guard and Mel Rogers, a replacement back, swept left and ran a first down on the Maize and Blue 10. The Indiana drove to the two, but Newberry was penalized five yards for baselined in motion. Villamuro lost two yards on a pitchout, putting the playback back on the 13 yard line. Roger Brooks, another reserve back, then took a pitchout and went wide around left end for the second touch down as two Negamine linemen missed clean shots at him. Hillman hit

center for the extra point. The Miners staged their first first down after halting Newberry on the Negamine 32 yard line. A pass from Hares to Kokko was good for 100 yards. Hares poked up three more on a quarter back sneak, and Marvin Harry showed up another first down at midfield, as he carried the center of the Newberry line for 12 yards.

In three plays, the Miners gained only three yards, but with a fourth down and seven to go situation, Kokko ran at although he romped to the Newberry 22. Two line plays failed to gain, and passes by Hares to Kokko and Harry were both short, Newberry taking over on its 20.

On the first play, Hillman broke off tackle and was caught from behind by Larson on the Negamine 30. After a pass by Villamuro was incomplete, Brown, on a west side reverse, went to the Negamine 10. A Newberry fumble was recovered by Lass and with 39 seconds remaining in the half, Villamuro passed to McLean for the third Brown touchdown. The try for the extra point from placement was blocked by Fredrickson. Score: Newberry 26, Negamine 0.

Three times in the second half Negamine appeared on its way to pay dirt, but each time the attack bogged down, the drives ending on the Newberry 22, 19 and 23 yard lines.

When Kokko fumbled to end the third march Hillman's first down pass was incomplete. On a 6 o'clock down, Brown went to the middle,

cut to his right, and went 77 yards for the final TD. A line back by Hillman for the extra point failed. Score: Newberry 26, Negamine 0.

Hares returned the Newberry kickoff to the Negamine 37, and pitched three to successive passes to Jennings as the Miners advanced to the Indiana 37. Bond on a handoff reached the Newberry 22. Hares, back to pass, was muffed for a 15 yard loss, but on the next play a pass interference ruling gave Negamine a first down on the 15. Kokko hit right tackle for four and Hares poked up four more on a quarterback sneak to the Newberry eight yard line as the game ended.

Newberry had nine first downs, and raked up 255 yards by rushing, 53 through the air. The Indiana attempted 8 o'clock passes, completing three, and intercepting three Negamine passes. Negamine, rolling up 10 first downs, had 146 yards by rushing, and 74 via the aerial route. Hares completed 19 passes completing eight, with a similar number broken up, in addition to the three Newberry interceptions.

## Tigers Take First In Wawonwin Golf Club Twilight Loop

First place in the Wawonwin Women's Golf League was won by the Tigers with 35 points, one more than the second place Glens, according to the final league standings announced this afternoon by Mrs. Earl Matcote, league secretary.

In third place were the Braves with 31 points, while the Yankees,

with a 27 point total, wound up in the league cellar.

Members of the championship team were Lois Lovino, captain, Pauline Erickson, Helen Burns, Rose Germit and Gladys Curtis. The champion will receive individual trophies.

Prior to the final week of match play were awarded to Sally Abandine, Marcelin Makiels and Helen Pierce for the most 9's and 8's in the nine-hole round.

## Conservation Pin-Awarded Former Negamine Resident

Among the 64 old timers in the Michigan Conservationist Department, who were honored at a recent recognition dinner in the Michigan Conservationist Department, was Frederick J. Hodges, son of Mr. and Mrs. James T. Hodges, Negamine.

Receiving pins and certificates in recognition of long service in public conservation of natural resources, the "old timers" each had 25 years or more with the department.

Hodges, a graduate of Negamine High School with the class of 1923 and Michigan State University, has been a member of the conservation department personnel for 28 years. The former Negamine resident at present is in charge of the department nursery program and appears bi-weekly on radio and TV programs over Michigan State University stations. He will participate at 5:30 p.m. on Saturday, Sept. 15, in a special forestry program, which is being broadcast by Radio Station WLS, Chicago.

## Grove Club Plays First Home Grid Game Tonight

Coach Roger Grove unveils the 1955 grid edition of the Negaunee Miners before the home-down fans in a "kick" tonight, when the Miners and the Miners' Mainline High at the playground, and Grove is hoping the debut will prove to be more auspicious than Negaunee's two previous starts on foreign fields.

Local football fans have high hopes that tonight's tilt will result in the first Minze and Blue win of the 1955 season, for the Mainline High Miners encounter a club that is on a par with Negaunee as far as experienced talent is concerned.

Like Negaunee, where the first letterman returning from the 1954 varsity was Tommy Hives, the Emeralds lineup includes only Dave Cook from the club that was on the field for the opposite whistle against the Miners' year ago.

Both teams have dropped their first two games, the Miners losing 14-7 at Stambaugh and taking a firming hit Saturday at Newberry, while Mainline bowed to Ishpeming in its opener 37-0, and then succumbed to Stephenson 34-9 Saturday.

And the parallel continues in regard to injuries. Coach Roger Grove will miss the services of three boys, who exerted in the Stambaugh tilt, Jim Garneau, Bill Hrye and Louie Chiel, but will probably have available for duty Ed Vanni, who has been sidelined for two weeks with a broken nose. Dick Bonifis, Emerald grid chief has two members of his starting unit out with injuries, Conrad Hoholik, center and Phil Olson, guard.

Grove's principal losses have occurred among the ball carriers. The Minze and Blue members has only four available, Tom Hares, Bill Kokko, Bill Bond and

Marvin Harry.

"If we suffer any more injuries among the backs, we'll have to reach down and pick up a couple from the B squad," he said Thursday.

The starting line for the Miners will consist of Jennings and Frederickson, ends; Tubera and Grove; center Larson and Collins; guards, and McDonald at center.

### CHURCH LEADERS

Continued From Page One of research and planning for the Detroit Council.

The program will begin with a luncheon at which brief talks will be given by Mrs. Donaldson, Rev. Wolfe, and Rev. Lord. All members of the team will be introduced. An early afternoon session will consist of an audio-visual presentation of vital facts and figures regarding the strength and condition of Protestantism in the Upper Peninsula.

This part of the program will be followed by two seminars, one led by Mrs. Donaldson on the work of the United Church Women, Dr. Lenox will lead the other discussion on steps to be taken to advance the work of the churches in the Upper Peninsula. A plenary session at which Dr. Lenox will give the address will close the afternoon meeting.

Following a period of relaxation and fellowship, there will be a dinner meeting at which Dr. Hrye will address the evening session will include two discussion groups. Dr. Lenox will conduct an open discussion on the inter-denominational work on a world, national, state and local level, with special emphasis on the state of Michigan. A Council of Churches and the co-operative work in local com-

munities. Rev. Lord will conduct a group focusing attention on what is happening to Michigan's children. Audio-visuals will be used in the presentation.

Local committees in this area consist of Den P. Holmer, St. John's Episcopal Church, general chairman; Rev. David A. Peterson, Mission Covenant Church, Ishpeming, developmental chairman; Mrs. George Collins Bethany Lutheran Church, Ne-

### On Injured List

JIM GARNEAU

BILL HRYE

gawee, chairman of registration. All pastors, lay leaders, youth leaders, teachers in Sunday and vacation church schools, and all

other persons interested in the affairs of the church in the Upper Peninsula are invited to attend the conferences.

### INEQUITY OF HUNTING LAWS

In the first of a series of meetings between sportsmen and Michigan farmers preceding the 1955 hunting season considerable complaining was heard from both factions relative to that highly controversial subject, Sunday hunting.

One might expect to hear this kind of talk from hunters whose week end planning during the season must be fashioned around wide-spread differences in county hunting regulations. But little white came from the farmer contingent, too! The hard working members of the "backbone-of-our-nation" clan asserted that they, too, were mighty fond of hunting, but that farm chores kept them busy from dawn 'til dark most days except Sunday. Come a day off and the law says "NO HUNTING," even on their own lands, on Sunday. And so they were forced to hike themselves many miles away, into the most county, to enjoy a sport which they might have found right in their own back yard.

Conservationists who have been even worse, said these farmers who happened to live in counties open to Sunday hunting, the non-uniform law results in surges of hunters from the closed sections, overcrowding available hunting lands, and oversteering the game populations. These farmers were

not urging universal Sunday hunting, nor were they suggesting a general ban on hunting on the Sabbath. They are pleading for more equitable hunting laws, assuring an even spread of hunters, and equal shooting rights for all.

Difficult to Realize  
This may be a different concept to write into our regulations, since hunters are so active in many counties. If a covering Sunday hunting law were passed, it would mean all hunting, simply because the minority group in favor is so strongly entrenched. Wide organized sportsman battle in favor of Sunday hunting; they represent only one out of every six hunters.

Williamson Felt Seaman  
The State's Department plan calling for a union of adjoining farmers and subsequent issuing of numbered hunting permits on a per-acre allocation seems to be a promising move. Conservation department supervision of the plan makes it still more attractive—but the problem of agreement between all farm owners involved remains the big stumbling block. One thing remains sure: The number of hunters is skyrocketing every year. The amount of available hunting land is actually decreasing. Borrowing from the lyrics of a popular song, "Something gotta give!"
