NEGAUNEE, MICHIGAN FRIDAY, NOVEMBER 18, 1955

NUMBER 51

## BORN ACCEPTS BOARD OFFER FOR NEW TWO YEAR CONTRACT HERE

E. W. Born, Negaunee school board, Monday night accepted a new two year contract as superintendent offered him by the Negaunee Board of Education. The agreement becomes effective July 1, 1956, when Supt. Born's present contract expires. One of members at a previous special session approved the new contract, but delayed action on setting the amount of reimbursement in the form of salary and expense account because of the absence of one member, until such time as a full board was present.

Monday night with all five members attending the school board granted the superintendent a two-year contract providing for the salary increase and expense account which he had requested.

In accepting the Negaunee offer, the superintendent returned the contract tendered him by a Wisconsin school system for a similar position that would have been effective Jan. 1, 1956.

Board members accepted three applications for an elementary teaching position, when will open with the start of the second semester. The board at its previous meetings, the report of its standing committee on the subject of "raising and account" totaling \$24,860.

Claims paid included all those for which licensed bills had been received. This marks the first time in several years that the board has been able to pay out on a monthly basis throughout the calendar year, a feat made possible, according to the superintendent, because of a change in the system of payments of state aids to schools. Whereas, in previous years there was always a considerable lapse between payments, funds are now received at more frequent intervals.

## Final Rites Held Tuesday for Well Known Local Woman

Funeral services were held at 2 p. m. Tuesday in St. John's Episcopal Church, Ben F. Melner, lay minister, officiating, for Mrs. Elizabeth Sundberg, 914 Park street, well known Negaunee woman, who died at 2 p. m. Saturday in St. Mary's Hospital in Marquette, following a six-month illness.

Mrs. Sundberg who was 52 years old at the time of her death, was born June 9, 1903, in Negaunee and was a life-long resident of the community. She was the daughter of the late Mr. and Mrs. John M. Perkins. Her father was engaged in business in the city for more than a quarter of a century, operating Perkins Drug Store.

She was a graduate of Northern Michigan College, Marquette and Kemper Hall, Kenosha, Wis., and was a member of the Women's Auxiliary of St. John's Church.

Survivors include her husband three sons, George C. Clark, Jasper, John F., Negaunee,

## PRELIMINARY PLANS FOR NINTH ANNUAL CHRISTMAS CARNIVAL ARE COMPLETED

Tentative arrangements regarding the 1955 Negaunee Christmas Carnival were completed this week at a meeting of the retail merchandising committee of the Negaunee Business and Professional Association held Wednesday morning.

Preliminary plans call for the ninth Carnival to open on Monday night, Nov. 29, with Santa Claus on hand for the occasion. Formal opening of Santa Claus Lane, at which time streets in the business district will be trimmed with holiday attire and litigated, is scheduled for Friday night, Dec. 9.

## 1st National Splits Annual Yule Melon

Slightly more than \$100,000, a record breaking total, will be mailed out in the form of Christmas Club checks to local residents Monday, Nov. 21, when the bank splits its annual Yule Melon.

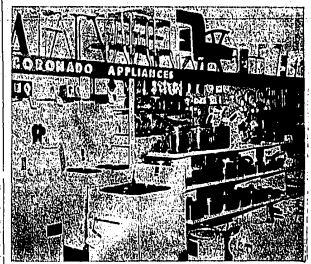

This year's total, which exceeds the amount mailed out a year ago by approximately 10 per cent, is the largest amount in the 30 year history of the Christmas Club program of the First National, according to Roy (Dorland) (Fourth Page)

St. Nicholas to date is slated for three appearances — the opening night of the Carnival, in connection with the opening of Santa Claus Lane and again on Friday night, Dec. 18. Other notable details, which are now being completed, will be worked during these three occasions.

Merchants participating in the Carnival will be offered special awards to Christmas shoppers.

Stores will be open on Monday night, Nov. 29, and each succeeding Friday night during the shopping season, starting Friday night, Dec. 16, and continuing through Friday night, Dec. 23, merchants will remain open each evening.

## Two Day Grand Opening Planned By Gamble Store

Patience Mahor, a native of Rapid River and graduate of Rapid River High School, is the granddaughter Mr. Mahor's 32-year son in service with the U. S. Air Force as a meteorologist. Opening Friday and Saturday.

In connection with its Grand Opening the firm will present special gifts to all visitors on Friday and Saturday. Ladies will be given silk and pepper checker sets, men will receive windshield scrapers and there will be balloons for youngsters.

A complete list of appliances, hardware, toys, radios, TV sets, electronic parts and equipment will be featured at the new Gamble store.

Proprietor of the firm is Law-

rence Mahor, a native of Rapid River and graduate of Rapid River High School, is the granddaughter Mr. Mahor's 32-year son in service with the U. S. Air Force as a meteorologist. After receiving his discharge from the Air Force, he was employed by the Chicago and North Western Railway prior to becoming associated with the Gamble Store in Gladwin, where he was located until moving to Negaunee.

Mahor is married and his wife, who attended Northern Michigan College of Education at Marquette is presently employed as an elementary teacher at the public schools at Escanaba, where she will remain until the end of the first semester.

Among Negaunee residents honored at the recent CCI safety dinner was William Bennett, pictured above. C. W. Allen, right, vice-president in charge of mining, lands and lumbering for the Cleveland-Cliffs, congratulates Mr. Bennett on his receipt of CCI stock certificate.

## Richmond Township Residents Will Circulate Petitions In Favor Of M-35 Improvement

In support of action taken by the Negaunee City Council at its November meeting on last Thursday night, petitions will be circulated among residents of Richmond Township asking the state highway department to take steps to improve Highway M-35.

Council authorized mailing to Highway Commissioner Charles Ziegler a letter signed by members of the municipal governing body asking immediate action on M-35.

Although Council indicated it is interested in seeing the thoroughfare improved north of Rock, its primary concern is the stretch from Gwin to Negaunee which is traveled daily by most motorists at times in the tapering Negaunee area, and is used extensively by residents having cottages at numerous lakes in the Gwin district.

Preparation of the letter was authorized by the council at a special meeting the last week in October, following receipt of a letter from Gwin to Negaunee, acting route location engineer for the highway department. A communication had been directed to the department requesting that it take action to improve the bad railroad crossing just inside the city limits near the Rusting farm on M-35, and in his reply Mayor wrote that he had no knowledge of where the crossing near the Rusting property was located.

The council letter to Commissioner Ziegler follows: "With the availability of additional funds for Michigan's road building program, the council of this city respectfully directs your attention once again to the urgent need for immediate action regarding M-35 between Negaunee and Gwin."

Nearly three years ago, in February 1952, at the highway safety conference in Escanaba, delegates from this council were given some assurance that relief and improvement work would be undertaken in the 100 to 200 foot extent there. Since that time, an ineffective state program was instituted, and within a few weeks the construction had been pushed to the side of the road by the heavy traffic, and M-35 be-

came the same rough bumpy stretch it always had been.

"Yet this most hazardous highway carries an annually five to six million of traffic. Hundreds of men and women, and children, are employed in the area, and the highway is a main artery in Negaunee and is important to the area and from work. The hundreds of cottages owned in the Gwin area make frequent use of this road as they pass through the deer hunting season."

"And this heavy traffic is deepened by a massive, substantial increase in traffic, when the K. I. Sawyer Air Force Base is activated and when the Straits Bridge is completed, the Negaunee-Gwin stretch of M-35, which is already previously burdened, will be totally unable to handle the great increase in traffic that is imminent. It is a safety hazard to the public, and already heavy accident toll on this road will soon considerably increase."

"We realize that because of mining operations and difficulties to certain, your department is confronted with a major problem in the area of administration and travel between Gwin and Negaunee, but must be considered. Their roads are well known and planned for substantial improvement of the road in question should be included in your road building program for the coming year."

"Please advise us as to a committee to be appointed by your department to meet with us concerning this problem. To point out in question should be included in our city council a re each, individually sign this letter."

## Elks to Entertain District Deputy Exalted Ruler

Plans are being made by Negaunee Elks to entertain District Deputy Grand Exalted Ruler Carl Backlund, Marquette, who will make an official inspection of the local lodge Saturday night, Dec. 8.

In connection with the visit of the deputy, there will be a banquet at 6:30 p. m. at the Masonic Lodge rooms, following which a

## Committees Appointed To Make Arrangements For Christmas Concert

Charles Ruhmen, city engineer, has been appointed acting manager of Negaunee for the purpose of signing vouchers and wage checks, it was announced Tuesday.

Two signatures are required to make vouchers and checks valid, those of the manager and city Clerk Jacob Anderson.

The interim appointment of Ruhmen will cover approximately 15 days as Earl Wargow, successor to George Wargow, Jr., is scheduled to arrive here from Wauzata, Minn., on Dec. 1. Council at its regular October 11 meeting approved a request for the transfer of a liquor license from the Beau Chateau in Jahn and Katherine Haupt, and agreed to engage John D. Morone, of Marquette, to make the 1955 audit of municipal funds abolished the School Election Class.

City Attorney Aaron Lowenstein reported that a new ordinance was being drawn up covering a gas franchise, and the governing body needed a communication from E. W. Born, superintendent of schools regarding policies established by the council which the Negaunee Board of Education must observe in its special advisory role on the annexation proposal Dec. 5.

"The school board acknowledges with gratitude the city engineer, and the board will comply with election regulations as established by the council at its meeting of Oct. 25," Supt. Born wrote. "Cooperation such as yours serves to create fertile ground for mutual understanding, and we appreciate your help."

Elin M. Finckel, Register of Probate.

## More Students Needed in Night School Classes

There is still room for additional students in the majority of classes in the 1955-56 Negaunee Adult Education program, R. K. Richards, Negaunee High School principal and director of adult education announced this week.

Mr. Richards revealed that in some cases it will be necessary to obtain more students or discontinue the course. If presented a detailed adult enrollment report by classes as follows:

**Woodwork:** Matt Vanni and Kenneth Light, instructors. Twenty adults are enrolled, and there is room for 20 more. If sufficient interest is shown, more information of another section to meet on Thursday.

**Machinist Shop and Welding:** Joseph Daly, instructor. Welding classes are filled to capacity with names on the waiting list. Two or three more students can be accommodated in the Monday night

section of machine shop, and an additional floor, if a second section is opened on Thursday.

**Swing:** Mrs. Edna Laurila, instructor. 15 persons are enrolled with room for more.

**Red Cross First Aid:** Vori Willis, instructor. 12 enrolled with room for more.

**Typing:** Mrs. Annabelle Sorral, instructor. Seven students are enrolled. Five or six more are needed to assure continuance of the course. Beginners are invited.

**Libra's Training:** Charles White, instructor. 18 adults are enrolled. No additional students can be accepted, and there are now six names on the waiting list.

**Oil Painting:** Salvatore Andrichi, instructor. 12 students are enrolled and at least three additional can be accommodated.

**Spanish:** This is a new course, with instructor Victor Keith. He has taught hitherto with leather for over 30 years in New Mexico. Only five students are enrolled, and at least five more are needed to assure continuance of the class.

## MICHIGAN ENGINEER NAMED ACTING CITY MANAGER BY COUNCIL

Mrs. Wallace Wicklund, president of the Negaunee Women's Choral Club, has appointed the committee chairman and committees to make arrangements for the club's annual Commemorative Christmas Concert, which will be held Sunday, Dec. 4.

Appointments made by the president are as follows:  
Officers, Mrs. Robert Ellis.

Program, Mrs. Al Whitford and Mrs. N. J. Stansway, Jr.  
Collections, Mrs. Robert Weste, chairman, Mrs. C. Harold Hoppe, Mrs. Peter Ghirardi and Mrs. R.E. Handolph.

Decorations, Mrs. Werner Tulas, chairman, Mrs. Peter Nora, Mrs.

Helen Savain, Mrs. Richard Heide.  
Gown, Mrs. W. J. Tambling.  
Miss "Ruby" Trushon, Mrs. Richard Yellan and Mrs. Joseph Mikoski were named members of a committee to study the office agencies in the county with Miss Trushon as chairman.

The Christmas concert, traditionally a charity presentation with all proceeds being donated to the church, is being given by the group. The committee has been extended to choral groups and church choirs in the community to participate.

Mrs. Werner Tulas has been appointed by the president to fill the office of secretary and Mrs. Richard Weste has been a member of the group.

Plans are being made by the Choral Club to present a concert at the church choir in the community during the holiday season.

### EVERYTHING YOU DO!

FROM THE MOMENT you awaken until you go to bed, almost everything you do is closely dependent upon the operation of trucks. In fact, even while you're asleep, trucks are working for you. (Be sure by truck, too, of course.)

Without trucks, your favorite food market would have empty shelves. Without trucks you wouldn't find gas stations located conveniently almost everywhere you turn. Without trucks, the building of new homes, factories and stores would slow to a walk and businesses of all kinds everywhere would suffer.

Sooner or later, everything you eat, wear, or use depends on trucks for transportation. Essentially, everything has to get to you—the consumer. So when you consider that trucks haul three times the tonnage handled by all the other forms of transportation combined, you realize how very important they are to you!

**EVER THINK** about extension telephones as Christmas gifts? Almost anyone on your list would appreciate these unusual gifts—they make things so much easier around the home. And they will be appreciated every day of the year. They make unique gifts—most likely to be duplicated by others. An extension phone costs just \$1.21 a month including tax, plus a one-time installation charge. We'll install them just before Christmas or we'll attractively gift wrap them—free of charge—to place under the Christmas tree, to be installed after Christmas. To order your gift telephones, call our Business Office.

**30 YEARS OF RESEARCH** at the Bell Telephone Laboratories have resulted in a new type of cable that is actually a copper spring coiled into a flexible conveyor. The new cable is called a "wave guide" and it can be run upright or down and be bent around corners. Its most remarkable feature is the number of Long Distance conversations it can carry. In the future we may have "wave guides" so thicker than a fountain pen that will carry tens of thousands of Long Distance calls and many television programs at one time! Research such as this keeps Long Distance rates low. Call tonight and see!

**THE OTHER DAY** we heard of a little girl who wanted to call and invite a playmate to come over. But Mary wasn't home, so she called June. She wasn't home either, so her mother suggested calling Phyllis. "Yes," said the little girl, "but first I'll wait a while because somebody else on the line might want to make a call."

Isn't it surprising how wonderful kids can be!

## Negaunee Forty Years Ago

Paul Lake froze over. The rain of yesterday turned into snow last night and about four inches had fallen by morning.

Charles J. Muck has purchased the Sheehan home on Case Street.

The Jackson and Teal Lake football teams played another match game Saturday and the former was victorious by a score of 26 to 12.

Dr. P. S. Wilson, Felix Delarue, F. A. Bell, A. F. Mattland, W. M. Sterling, Dr. B. J. Miller, E. B. Raymond and F. C. Jenks returned yesterday from their deer hunting lodge north of Clowry, but failed to bring in any venison.

Al Dyer, Gerhart Gregerson, H. C. Johnson and Charles Johnson returned Saturday with 3 deer, which they shot in the woods near Cascade Junction. They had the honor of bringing the first deer back to town.

The postoffice department of this city is complaining that some persons have been mutilating the outside of mail boxes and the mail collection time

cards thereon. Those who have been doing this are warned that the United States Government provides for a fine of \$1,000 or three years imprisonment for anyone who tampers with mail boxes, locks or contents.

Albert Colling has returned to Iron River after spending a few days in Negaunee with his mother.

Attorney Bernard Baraan, who came here on a business mission last Friday, left Sunday evening on his return to Chicago.

## Mrs. Bertil Agnoli Re-elected Altar Society President

Mrs. Bertil Agnoli was re-elected president of St. Paul's lines meeting of the organization. Mrs. Agnoli was elected president of the Altar Society at the annual bus-

ness. New officers named were Mrs. John Diebel, succeeding Miss Helen Winter as first vice-president, and Mrs. Shorburn Remick, who replaces Mrs. George Mitchell as financial secretary. Re-elected also were Mrs. Jewell Pogoren, second vice-president; Mrs. Wesley Carlson, recording secretary; and Mrs. Martin Ghidrali, treasurer.

From where I sit... by Joe Marsh

### Seen Monk's "Better Half"?

Monk's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple.

Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention.

Now Monk's taken Tex Morgan's old sedan and completely reworked one half of it. One side is as good as new, the other looks like—well, Tex's old car. "Sort of a before-and-after demonstra-

tion." Monk told me, "shows folks the kind of work I do."

From where I sit, some of Monk's ideas may look a little wild sometimes... but I wouldn't want to tell him how to run his business any more than I'd like him to tell me what beverage to enjoy. He always keeps a hot pot of tea in his garage—I'd rather have a cold glass of beer—but respect for each other's opinion is "auto"-matic with us both.

Joe Marsh

# WHAT YOUR NEGAUNEE SCHOOLS ARE DOING

During American Education Week, the Herald photographer made a tour of public school facilities with Supt. E. W. Horn for the purpose of presenting to local residents in pictorial form a report of what goes on in our Negaunee Public Schools.

Results of the tour are as follows: Left, top photo, students sitting to see and operating job process in high school printing class (second photo, Donald Ellis, teacher, gives individual attention to student in the fourth grade at Central Grade School); third photo,

senior English students in class taught by Miss Berlyn Miller; bottom, girls working on garments in high school sewing class.

Top photo at the right shows math students at work under the watchful eye of Robert Norrhy, high school math instructor; the second picture is a view of a discussion in the high school home-making class; in the third photo students are at work in Miss Elsie Tuilberg's art class; while the bottom picture is a view of the "Civics Line" at the Central Grade School cafeteria.

## Bell Manager Cites Dangers of Misdirected Shots by Deer Hunters

Warning was given deer hunters Wednesday by William S. Ryan, Michigan Bell Telephone manager that a careless shot, which strikes a telephone line may remove the only means of summon in an emergency.

"Just one misdirected shot can disrupt communication between cities or to a residence telephone," Ryan said. "The time it takes to summon a repairman, find and correct the trouble may constitute the difference between life and death in a serious situation," he emphasized.

Ryan pointed out that there are two forms of telephone lines which are susceptible to damage by misdirected rifle or shotgun fire. One is lead covered cable, usually about two inches in diameter, which is strung about 20 feet above the ground. The cable may contain anywhere from 10 to 2,000 pairs of wires interconnecting city telephone exchanges or a city exchange with a residential area.

The second form consists of uninsulated copper wires spread over a crossarm, usually about 15 feet above the ground.

"A rifle bullet or shotgun charge can break either type and result in a serious curtailment of service," Ryan explained.

## Rehearsals Begin For Christmas Play at Lakeview

"Christmas in Foreign Lands and Homes" has been selected as the annual Christmas play that will be presented at Lakeview school on Tuesday evening, Dec. 13, Miss Shima Kulvilia, principal announced Wednesday.

This year's production was selected because it provides for a large cast, which will give every child at Lakeview an opportunity to participate, Miss Kulvilia explained.

In addition to the musical selections, which will be sung by the large all-school chorus, individual scenes will be presented by each room and rehearsals are now underway with each teacher responsible for a particular country group.

Lending appeal to the production will be the costumes, which will make it especially colorful, as dresses worn by participants will typify the costumes worn by people living in the country that the group represents.

### 1955 Christmas Club

(Continued From First Page)  
H. Johnson, executive vice-president.

In addition, the number of individual club members increased in 1955 by approximately 10 per cent to more than 1,200, the bank executive revealed.

First National club members had savings ranging all the way from \$5 to \$30, depending on the time they were enrolled in, under the bank Christmas Club program they were enrolled in. Most members will be starting Monday membership in all classes will be accepted in 1956 Christmas Clubs.

## SCHOOL EMPLOYEES TO SHARE EQUALLY IN EXTRA STATE AID

Funds received for salary increases, as a result of action taken by the state legislature at its special session, will be divided equally between Negaunee Public School employees, members of the Negaunee Board of Education decided at their regular November meeting Monday night.

The legislature appropriated 15 and one-half million dollars from the sales tax, school aid fund for salary hikes, stipulating that the money must be used by school districts for increases. Amount of individual pay boosts was left to the discretion of local school boards. Funds will be distributed to districts on the basis of \$9 per pupil; thus some will receive more than others.

Super Born reported to the board that, following the most efficient procedure, staff members had been requested to express their opinions on the manner in

which the special funds that will become available to the Negaunee district should be divided, and they had favored apportioning it equally.

He revealed that on this basis the additional pay will not amount to the suggested figure of \$200 per employee, as Negaunee will receive \$4 for each of its 1,402 pupils or a total of \$5,608. This amount will then be divided by the number of employees.

Board members were informed by the superintendent of provisions of the new law, which will make driver training a mandatory subject in the high school curriculum.

He explained that every student will be required to take 20 hours of classroom instruction and an additional 22 hours of actual driver training; and that school districts will be reimbursed for the expense of the course.

As part of the instructional equipment, it will be necessary for schools to purchase a machine that checks reflexes and vision of students. After hearing the report of Super Born, board members authorized purchase of the necessary equipment.

## Final Rites Held

(Continued from first page) and Richard N. Chicago; two sisters, Mrs. M. A. Finon, Kalamazoo, and Mrs. T. M. Mutton of Pleasant Ridge, and five grandchildren.

Funeral services were held at 10:30 a. m. at the home of Mrs. M. A. Finon, Kalamazoo, Michigan. Burial was made in the family lot in Negaunee cemetery.

## Elks To Entertain

## Board of Education District No. 1 City Of Negaunee

Minutes of a Special Meeting, Board of Education, School District No. 1, City of Negaunee, County of Marquette and State of Michigan, held on Monday, October 17, 1955.

Members present:  
Samuel M. Ford  
Onnie Marjama  
Leslie W. Richards  
Paul Bell  
Thomas L. Collins

**Members absent:** None.  
The meeting was called to order at 7:30 P.M. by President Samuel M. Ford, who stated the purpose of the meeting was for considering annexation of Negaunee Township School District and Richmond Township District to the Negaunee School District and to discuss a resolution for said purpose. It was also called to include any other legal business which may come before the board.

**Motion** by Leslie W. Richards supported by Paul Bell and carried the board authorize R. K. Richards, the high school principal, to participate in a seminar for educators of military institutions and bases.

The board authorized Superintendent Born to investigate the need for additional telephones and to study the control of long distance calls, if other phones were installed.

Approval was given to Miss Kathryn E. Maxwell, Journalist, instructor, to attend a conference at Michigan State University on yearbook and newspaper preparation.

The board tabled until next year a request that Negaunee be represented at a state meeting of the Michigan Library Association. Also tabled a request of three student council members and advisor to the State student Council Conference in Ann Arbor, October 28, 1955.

The board delayed action on the purchase of a new movie projector until its next meeting.

**Motion** by Onnie Marjama supported by Leslie W. Richards and carried the resignation of Mrs. Cox be accepted.

**Motion** by Leslie W. Richards supported by Paul Bell and carried Superintendent Born was authorized to contact the Negaunee City Council on the possibility of an advisory vote on the subject of annexation of Richmond Township School District and Negaunee Township School District with Negaunee City School District. Also to request the City Council to place this item on the December city election ballot, or on a separate ballot at that set time.

**Motion** by Onnie Marjama supported by Samuel M. Ford the meeting be adjourned. Motion carried.

Samuel M. Ford, Pres.  
Thomas L. Collins, Sec'y.

Minutes of a Special Meeting, Board of Education, School District No. 1, City of Negaunee, County of Marquette and State of Michigan, held on Saturday, October 29, 1955.

Members present:  
Samuel M. Ford  
Leslie W. Richards  
Paul Bell  
Thomas L. Collins

Register of Probate  
Robert H. Clark, Attorney

# Miners Open Cage Schedule At Ironwood Tuesday Night

That old injury bugaboo, which plagued the Negaunee High School football squad throughout the 1954 campaign, has already affected the Midge and Blue basketball team, Coach Harry Sortal revealed Thursday as he planned possible alterations in his line-up for the Miners opening game Tuesday night at Ironwood.

Sortal has three regulars returning from his starting five of a year ago, which went to the state semi-finals, Roger Jennings, Bob Herman and Dave Ghirdi. As things shaped up on Thursday, however, there is a possibility that two members of the triumvirate, Herman and Ghirdi may not be in the lineup when the starting whistle sounds at Ironwood.

Herman is recovering from a bad ankle sprain, which has required therapy treatments and is not working out regularly, while Ghirdi also is bothered by bad ankles, which require taping each night.

Although his two "cripples" may not be up to par, Sortal conceded that there is nothing bothering Roger Jennings, who is measuring up to what was expected of him. And for "Gloomy Harry" to make an admission of this kind means that other high school coaches had better begin to revise their defenses in an attempt to stop the high scoring pivot man.

Sortal revealed also that Dick Luukkonen has developed very well this year and even managed a smile as he confessed that the brightest spot in the basketball picture to date is the performance in practice sessions of Jim Stolnack.

All of which should be good news for local fans, as Luukkonen looked good in a reserve role the last half of the 1954-55 season, while Stolnack, who grew considerably during the past year, should help replace Ed Mitchell, outstanding rebounder.

ing ace, last by graduation. With Luukkonen and Stolnack joining Jennings in the front line the Midge and Blue forward will average over six feet again this year.

In the remote possibility that Ghirdi and Herman should not be available, Bill Hoyt and Stan Chiseman will fill in at guard posts.

Other members of the second five are Cliff Carter, Fredrickson and Niemi forwards.

Sortal will carry 18 men this year, and, in addition to the first 10, the versatile squad will include Laitala, Lindstrom, Kokko and Lucel. The 18th position is still wide open and will probably not be filled until the traveling team is named Monday.

Following the Ironwood game, the Miners will remain in Gable County to meet Bessemer on Wednesday night, and the following week meet Sirmilauha of the Hilltopper's court. The first game at Memorial gymnasium is not scheduled until Friday.

Dec. 9, when the Midge and Blue encounter Newberry.

Following is the Miners 1955-56 basketball schedule:

Nov. 22 - At Ironwood.

Nov. 23 - At Bessemer.

Dec. 2 - At Sarnabauh

Dec. 9 - Newberry (home).  
Dec. 10 - Sault Ste. Marie (home).  
Dec. 20 - Ontonagon (home).  
Jan. 4 - At Ishpeming.  
Jan. 12 - Munising (home).  
Jan. 20 - Marquette (home).  
Jan. 27 - At Marquette.  
Jan. 28 - At Sault Ste. Marie.  
Feb. 4 - Marquette (home).  
Feb. 4 - Stoughton (home).  
Feb. 12 - At Marquette.  
Feb. 12 - Ishpeming (home).  
Feb. 19 - At Marquette.

## Prudom Shell Whips Don's Corner Despite 26 Points By Rogers

Bob Rogers accounted for 26 points in a losing cause as Don's Corner dropped a 51-44 decision for Prudom's Shell in a City League basketball game.

In other games on the league agenda, Joe D'Ambrasio scored 19 points in leading the Hot Shots to a 40-38 triumph over the Vipers and Negaunee Township shaded the Handi-Service five 49-46.

### LEAGUE STANDINGS

Team	W	L	Pct.
Eagles	5	0	1.000
Prudom Shell	4	2	.667
Don's Corner	3	2	.600
Hot Shots	3	3	.500
Handi-Service	2	3	.400
Vipers	1	3	.250
Independent	0	5	.000

According to statistics compiled by the individual scoring race with 85 points in six games, while Don's Wing is a step back with 94 points in a similar number of starts.

Veterans in the Negaunee basketball camp as the Miners prepare to open their season at Ironwood Tuesday night include Harry Sewal, upper left, who is starting his fourth year as head coach of the Midge and Blue; Dave Ghirdi, upper right, beginning his third campaign as a member of the venerable Roger Jennings, lower left, regular pivot man last year, and Bob Herman, lower right, regular guard, who has won two basketball letters.

## Negaunee End Named on Two Mythical 11's

In recognition of one of the most successful efforts by an end in Upper Peninsula grid history, Roger Jennings, Negaunee High flanker was honored twice during the past week, when his selection as a member of the Great Lakes Conference All-Senior Team and the All-UP P. eleven was announced.

Although statistics are not available, Jennings probably scored one of the highest assist-point totals ever compiled by Peninsula end, when he made eight touchdowns and three points after touchdown for 31 points.

Selecting the Great Lakes Conference All-Senior team were league coaches, who were permitted to vote for players other than those on their own squads.

Joining Jennings on the Conference team was Tom Hares, who threw all seven of the TD passes that Jennings caught, plus the three assists accounting for extra points. Hares was named a member of the Confer-

## Emeralds Play at National Mine in Cage Curtain Raiser

Under the direction of a new mentor, Dick Pollow, the St. Paul Emeralds are scheduled to open an 18 game 1955-56 campaign next Tuesday night at National Mine.

Two squad units have been made since the opening of practice and the new coach is now working with a 12-man aggregation.

His principal problem will be to replace Don Reaume, one of the outstanding players in St. Paul open history, plus two other graduates, both of whom were members of the starting five a year ago, Bob Johnson and Ted Pugin.

Lettermen who greeted Pollow's return, to the Emerald coaching post after an absence of several years were seniors Tony Millour, Dick Jandron, Pete Alraudi and Gerald (Red) Lequin and junior Phil Campain. Also working out now are Dick Moriotti and Jandron, Tony Bogatto, Byr Racine, James Maine, Francis Lisa and David Bertucci.

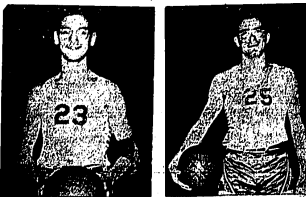

Racine, who at 6-2 is the only six-footer in the squad, will be ineligible for interscholastic competition until the start of the second semester. He is a transfer student from Ishpeming.

Pollow, who succeeded Matt Yanni as coach, knows the 1955-56 Emerald varsity will have trouble equalling last year's 12-8 record (12-7 with tournament results). "But, despite our lack of height, we'll be tough for all of them," he said.

ence senior team backfield, while Bruce Collins received honorable mention as a guard.

The All-UP team was chosen by a vote of members of the Upper Peninsula Sports Writers Association of their fall meeting at Marquette, Jennings in being selected at an end post was one of the leading vote getters among the candidates. Hares received honorable mention. Hares was back from the sports writers.

## St. Paul Veterans

When the St. Paul Emeralds open their 1955-56 basketball schedule at National Mine next Wednesday night, there will be two members of last year's initial five, Dick Jandron, left, and Tony Millour, right, ready to go for the Selma.

The St. Paul touch was far from devoted on the lineup. He pointed out that eight or nine players, all about the same height, are showing the same amount of ability, speed and smart making it difficult to select a starting quintet.

St. Paul will play two games away from home before meeting a very strong team from L'Anse aux Lacs Dec. 1.

The schedule:

Nov. 23—At National Mine.

Jan. 1—Champion.

Dec. 7—L'Anse (home).

Dec. 14—Ebon (home).

Dec. 18—Ebon (home).

Dec. 21—At Ouelin.

Jan. 4—At Marquette Baraga (home).

Jan. 10—At Pesh.

Jan. 25—At Rock.

Jan. 27—Gwin (home).

Feb. 1—Chassel (home).

Feb. 10—At Ebon.

Feb. 22—Republie (home).

Feb. 24—Marquette Baraga (home).

Feb. 29—At Marquette Pierce.

March 2—Mishigamme (home).
