WHITE PINE, MICHIGAN 49971

VOL IV NO 20 - WEDNESDAY, MAY 19, 1976

NINE TOWNSHIPS APPEAL TAX FACTOR TO STATE TRIBUNAL

Ontonagon County Township supervisors told the Ontonagon County Board on June 1st that nine of the eleven townships in the county have appealed to the Michigan State Tax Tribunal the factors placed on the townships.

Only Ontonagon and Carp Lake Townships have not appealed. Leslie Curtis, Interior Township supervisor, said an attempt will be made to ask both those townships to change their minds and to join the appeal.

The supervisors association will also ask the state to hear the townships' appeals at one time in order to save money.

The Ontonagon County Board of Commissioners on a split vote, accepted the state equalized valuation, when they found that one township would be penalized if they did not. Clarence Maloney said the board was pressured by former Equalization Director Knecht, who was subsequently fired, to accept the state figures, and should have appealed in the first place.

The commissioners restated previous positions, that they felt the sales study on which the valuations were based was unfairly made. Matchwood Township supervisor Harvey Miller said his township has been raised 50% in valuation in four years.

The supervisors said they would ask the county to assist financially in the appeal and that more information would be forthcoming.

In other action at the meeting the county board decided to look for a comptroller. CETA funds would be used to pay for that position. The board added that a comptroller must have administrative experience and a degree in accounting and salary will be commensurate with capabilities.

The CETA positions extended are court house janitor, clerk, forerster aid and equalization director-traine. The board voted 5-1 on the comptroller issue with Commissioner allocation of the other CETA positions being tabled.

Following a discussion with township supervisors the board allocated on a per capita basis 50 cents to each township for its Bicentennial activities. Townships must apply for the funds and explain how they will be disbursed. Rockland Township Supervisor Robert Stenson objected to the per capita method of allotment. He said that Rockland, with a small population, has the only nationally recognized Bicentennial observance in the county and has planned an enormous celebration compared to its size. He emphasized the age of the Rockland settlement and the type of celebration slated. Stenson asked that other townships not planning celebrations give their allotment to Rockland, as Rockland is inviting the entire county to take part in its celebration.

In other board action the commissioners awarded the right to tear down structures on the courthouse site to Joseph Moskwa, who will pay the county \$10.50 to dismantle the structures and also tabled a request by Gogebic County to vote on the combination of the probate courts for the two counties.

Employees of Ontonagon County will be getting the raise which was authorized months ago and then frozen due to the county's uncertain economic climate. At the time of the White Pine layoffs the county froze all but 5% of the raises and agreed to reconsider them in June. On a unanimous vote the raises were put into effect, according to the earlier schedule.

Harold Amos of the administration committee reported that Syl's Country Kitchen is now preparing meals for the prisoners at the county jail, and that discussions with jail inspectors revealed that a change in the law now permits food to be served in disposable containers. The

commission will also ask the prosecuting attorney to rule on who has authority to use the jail kitchen.

The commission appointed representatives to the Western U. P. Planning and Development Region as follows: Clifford Loivisto, Joseph Moskwa, Leslie Curtis, Pat Kitzman, John Suffron, Bill Chabot and Daniel Piper. The appointments are for one year terms.

CANCER SOCIETY POLICIES EXPLAINED

Through a policy established by the Ontonagon County Unit of the American Cancer Society, and approved by its Board of Directors, the following services are available alone or in any combination, to eligible Ontonagon County residents. To apply for any of the services, simply fill out an application form available from the local unit Secretary-Treasurer (below) or any Board member. Have the form completed and signed by your local attending physician and return it to the Secretary of the Ontonagon County Unit. Each application must be presented to the Board of Directors at one of its monthly meetings for consideration and action. Applications, naturally, are kept confidential, and each is acted upon individually. A report of the decision of the Board will then be made to the patient or family.

SERVICES AVAILABLE: 1) Free use of Loan Closet Equipment (bedpans, urinals, hospital beds, etc.); 2) Information and Counseling Service - assisting the patient and family to make use of available community medical and social resources; 3) Transportation Service - providing transportation to and from physician's office, hospital, laboratory, etc.; 4) Financial Aid - intended to help defray those expenses not covered by or eligible for coverage by insurance or government assistance programs. Items covered are: Medications prescribed by physician for treatment of Cancer; Dressings or devices; X-ray treatments (recharge charge); Nursing and rehabilitation service; Mileage reimbursement (to and from physician, hospital, etc.)

Expenses not covered include hospital room and service charges, surgeon's fees, consultation fees, or doctors' visits in the hospital or in the office. Understandably, a maximum limit must be set for individual assistance, and this is done annually following tabulation of the Cancer Drive proceeds which provide the money for financial aid.

To obtain an application form or for any further information write or call: Clarice Strong, Chairman, 735 Parker Avenue, Ontonagon, Mi., 49953 - Phone 884-4771.

TENT CATERPILLAR RETURN TO AREA FOR REPEAT PERFORMANCE

Defoliation of aspen trees by the Forest Tent Caterpillar has started along the Greenland Road according to Ottawa National Forest District Ranger, Owen Gusler. This is the same insect that defoliated approximately 69,000 acres last year along the Greenland Road and in the Norwich county.

Egg mass surveys were made by Forest Service Entomologists last fall and it is anticipated that the defoliation may cover a slightly larger area this summer. Normal outbreaks of the Tent Caterpillars last about two to four years, then subside due to natural control factors such as disease, parasites, predators and weather. The last serious outbreak of the Forest Tent Caterpillar in the Upper Peninsula occurred in 1948 through 1952, when about one million acres were defoliated.

The caterpillars feed on leaves and buds during June and may completely strip trees of their foliage. However, most of the trees will leaf out again in July. Very little tree mortality is anticipated and no control measures are

planned by the Forest Service.

The adult Forest Tent Caterpillar is about one-and-one-half to two inches long and has a pale blue band along each side with a row of white, keyhole-shaped dots along its back. Egg masses laid by adult moths during July overwinter, and in late April or May the eggs hatch and the young caterpillars feed on buds and leaves. Aspen, sugar maple, basswood, birch and willow are the preferred species, but other tree species may be defoliated when high insect infestations occur.

The Tent Caterpillar may be a nuisance to home owners. For control information, contact your local County Extension Office. In Ontonagon County, contact Allan Slye, 522 River St., Ontonagon.

CITIZENS JOIN BOTTLE BILL PETITION DRIVE

Michigan citizens are incensed over the wholesale littering of the state's countryside with throwaway containers and want to do something about it.

Those sentiments have been voiced repeatedly in letters sent to the Michigan United Conservation Clubs offices in Lansing by persons throughout the state requesting petitions to circulate calling for a referendum on the throwaway issue in November's election.

MUCC is in charge of the petition drive to give Michigan a law similar to the Oregon "bottle bill" that is credited with having greatly reduced the number of beer and soft drink containers strewn along highways. The statewide conservation organization is aiming at obtaining 300,000 petition signatures by June 1 to have the question of nonreturnables put before voters in Michigan in November.

MUCC officers decided to undertake the costly petition effort after the Legislature failed to act on a bottle bill. A measure to provide for a deposit on bottles and cans and to ban pull tabs on cans has been bottled up in the House Appropriations Committee since last November.

Supporters of the bill claim it will reduce litter, conserve energy used in the manufacture of disposable bottles and cans and prolong the reserves of metallic minerals used in producing the containers.

Opponents maintain the bill will cost jobs while failing to achieve a substantial reduction in the volume of litter.

Whatever the outcome, literally hundreds of persons are requesting petitions to circulate and many of them express indignation over litter and enthusiasm for the bottle bill crusade.

REPORT ON BICENTENNIAL PLANS FOR WHITE PINE CELEBRATION UPDATED

Booster Buttons are on sale reports the Carp Lake Township Bicentennial Committee. Paula Symons, Booster Button Chairman, reports that buttons have been distributed to various organizations and places of business.

Buttons are sold by the Celebration Committee to help defray the expenses of the event. Any surplus is deposited in a fund for next year's program.

Buttons this year are numbered serially and a drawing will be held on July 5th. Prizes are a 10-speed bicycle, a \$100.00 and a \$75.00 savings bond.

Those persons selling buttons should turn in their proceeds to Paula Symons as soon as possible.

Another group has announced a special activity for the celebration on the 5th. The White Pine Women's Club will hold a "Silly Auction."

It has been announced that Phil La Pointe will serve as Grand Marshall for the Parade to be held on that day.

2022.15.21

RECEIVING CONGRATULATIONS FOR HER SERVICE TO THE HOSPITAL DURING THE PAST YEAR IS LAURIE IVEY, DAUGHTER OF MR. & MRS. LARRY IVEY, WHITE PINE. MRS. MARY ANN PAOLI, RN AT LACROIX HOSPITAL, PRESENTED THE AWARD.

LA CROIX HOSPITAL HONORS STRIPERS La Croix Hospital saluted its youth volunteers at a banquet at the Konteka in White Pine recently. Sixteen of the 28 "candy strippers" attended the affair, with Lori Ivey receiving the award for most hours worked, 69, during the past year.

Attending the banquet on behalf of the hospital were Mary Ann Paoli, RN, the adult leader; hospital administrator Roger Pakonen; and George Jones, director of industrial relations for White Pine Copper Company.

Volunteers for the 1975-76 school year were: Karlene Aho, Gwen Anderson, Penny Anderson, Virginia Bekkala, Nancy Hilden, Jean Hill, Darlene Jarvela, Tammy Kowaleski, Kim Leveque, Judy Manninen, Mary Jo Meneguzzo, Doris Moilanen, Chris Nelson, Carrie Heil, Lorrie Ivey, Robin Mick, Wendy Kowaleski, Judy Spolarich, Laura Talvensaari, Crystal Rivard, Laura Parker, Michelle Sybeldon, Marjorie Johns, Jean Kusz, Nancy Golden, Laura Gougeon, Maria Thaler and Gloria Simmons.

EASTER SEAL SOCIETY TO OFFER CAMP

The Easter Seal Society for crippled children and adults of Michigan is conducting its second annual camp program for physically handicapped adults this summer from Aug. 11 through Aug. 18th.

Applications are now being accepted from Ontonagon County for the program. Information and applications can be secured by contacting Mrs. Verna Johnson at 884-4485 or by contacting the Upper Peninsula Regional Office at 220 Harlow Building, Marquette at 226-7434.

Purpose of the one week camp program, which will be conducted in Marquette County, is to provide a camping experience involving social, recreational, and leisure time activities for physically handicapped adults between the ages of 18 and 50. To provide the physically handicapped an opportunity to participate in activities (Arts and Crafts, Swimming, Recreational Activities) that because of his handicap, are unavailable in his everyday living.

The number of applicants is limited. Therefore, it is important that applications be completed and returned no later than July 2nd, 1976.

AWARDS PRESENTED TO NUMBER OF WHITE PINE GRADUATES AT CEREMONY

Awards were presented to a number of seniors during the White Pine High School annual Commencement program, held June 3, 1976.

Certificates of recognition for the State of Michigan Competitive Scholarship program were presented to:

Richard Bergman, Nancy Bingham, Rick Blom, Sheila Burgess, Daniel Calhoun, David Charles, Mark Condon, Douglas Golden, Nancy Hilden, Gary Koistinen, Jon Nissen, Catherine Parker and Robert Tiberg.

Honor Awards were given to the top five seniors: Randall Olson, Nancy Hilden, Robert Tiberg, Rick Blom and David Charles.

Other awards presented were: White Pine Lion's Club College Scholarship - Dan Calhoun and Gary Koistinen; White Pine Lion's Club Vocational Scholarship - Judy Kinnunen and Julie Niemela; Porcupine Mountain Conservation & Sportsmen's Club - Joe Banaszak and Mary Jo Meneguzzo; White Pine Women's Club College Scholarship - Robert Tiberg and Rick Blom; White Pine Women's Club Vocational Scholarship - Joe Banaszak and Nancy Hilden.

Other awards presented included: White

Pine Women's Club Scholarship - Christine Bengry; Candy Strippers Scholarship - Mary Jo Meneguzzo; Student Council College Scholarship - Nancy Bingham; Student Council Vocational Scholarship - Joe Davis; White Pine Girl Athlete Scholarship - Christine Bengry; E.E. Helakoski Outstanding Senior Female Student Athlete - Sheila Burgess; E.E. Helakoski Outstanding Senior Male Student Athlete - Rick Blom; John Philip Sousa Award - Penny Anderson; Louis Armstrong Jazz Award - Richard Bergman; National School Choral Award - Catherine Parker.

SET CHARISMATIC MEET JUNE 25TH-27TH

Father Peter Minelli will conduct the charismatic retreat scheduled for the weekend of June 25-27 at Marygrove. This retreat is open to both men and women, married and single, of high school age or older.

Father Minelli is the director of the Department of Worship and Ministry in the Diocese of Marquette. He will fly directly to the retreat from a week at the National Charismatic Conference for Priests in Steubenville, Ohio.

The weekend will begin on Friday at 7:30 p.m. and will close on Sunday at 1 p.m. To register, one may write Marygrove, Garden, Mi.

NOTICE

The Annual School Election will be held in Carp Lake Township on Monday, June 14, 1976 with the polls open from 7:00 a.m. until 8 p.m.

Precinct No. 2 will vote at the Township Hall in Green, while Precincts No. 1 and 3 vote in the music room of the White Pine High School.

There are three candidates vying for the two available positions on the White Pine School Board: M. June Aho, Leon Brocklesby and Clemens Skoviak.

INCREASED PROMOTION OF U. P. LEADS TO DEFICIT

At a board meeting in Escanaba last month directors of the Upper Peninsula Travel & Recreation Association (UPTRA) were informed that the success of the association in promoting tourism and recreation in the Upper Peninsula had created a deficit in association funds.

According to UPTRA executive manager Robert Helwig, UPTRA advertising programs have been producing a record number of in-

PUBLIC ACT NO. 53

Effective April 1, 1975

Public Act 53, which became effective April 1, 1975, requires that all utilities and municipalities which maintain underground facilities be part of an underground locate and stake system. The purpose of this act is to reduce damage to underground facilities and the resulting injury and cost. An "800" number has been established for contractors and others who are excavating with power tools to call for underground stake and locate service. Participating utilities and municipalities are notified through the "one number" system in advance of all "digs."

If you plan to dig, blast, or drill, the act states that you must notify all utilities involved in that area, in writing or by telephone, at least 48 hours in advance. If an area-wide reporting system is in effect this notification can be done by that organization to all utilities in the affected township, but must be done 48 hours in advance also.

The act further states:

"Any person who willfully violates any provision of this act may be fined not more than \$1,000. for each offense. An officer, agent, representative, servant, or employee of any person or public agency who willfully causes, aids, or assists or participates in any wilful violation of this act is guilty of a misdemeanor and shall be fined not more than \$1,000. for each offense or imprisoned for not more than 90 days, or both. These penalties are in addition to any civil liability. A person who willfully removes or otherwise destroys the stakes or other physical markings used by a public utility to mark the approximate location of underground facilities is guilty of a misdemeanor."

Effective March 1, 1976 the Upper Peninsula became a part of the "Miss Dig" program. The toll-free number to call is 800-482-7171. Whether you are a large contractor or only a citizen getting ready to set fence posts, you are now legally bound to report your proposed activity.

THE ONTONAGON COUNTY TELEPHONE COMPANY

quiries from people interested in vacationing in the U. P. Increased costs of postage to answer these inquiries plus the increased number of pieces of promotional literature sent to prospective travelers have produced a sharp increase in costs to the association during the past two years.

Increased costs plus the cutback of \$5,000 in state matching funds and the lack of a \$5,000 grant from the Upper Great Lakes Regional Commission caused UPTRA to take action to avoid a possible \$20,000 deficit.

The board of directors outlined a plan to reduce the projected deficit before the close of the fiscal year June 30. Directors from the 15 counties in the Upper Peninsula were challenged by UPTRA president R. J. Beach of Newberry to return to their counties and solicit \$1,500 each in new memberships during the next six weeks. This additional revenue, coupled with a reduction in expenses during the coming weeks could leave the association with a balanced budget by the end of June, Beach said.

SWIMMING - Beginning Monday, June 14, 1976 there will be open swimming from 1 to 3, Monday through Friday for Carp Lake Township residents in the high school pool. Regular fees apply - 25¢. There will be no swimming during the evening.

M. JUNE AHO

(Pd. Pol. Ad.)

Geraldine Sue Soule, daughter of Mr. & Mrs. Marvin Soule, Ubyly, Mi., and David Dean Kinnunen, son of Mr. & Mrs. Gilbert Kinnunen, White Pine, were united in marriage in a candlelight ceremony performed on May 29th at the United Methodist Church, Ubyly, the Rev. Maynard Kent officiating.

The bride was given in marriage by her father. She wore a dacron organza gown trimmed with Venice lace and seed pearls, and carried a bouquet of yellow roses, carnations and baby breath. Music was offered by Mrs. M. Kent, and a duet was sung by Mrs. Lola Brown and Mrs. MaryLou Gebaski. The former Miss Soule was attended by a cousin, Miss May Englehardt, maid of honor; attendants were Miss Nancy Soule, sister of the bride, Miss Sue Buttenhof, a friend. Flower girl was Laurie Lapp.

Attendants for the groom were Mike Goetz, the best man; Jeff Dillon and Craig Kinnunen.

400 guests attended a reception for the young couple at the Minden City Hall following the ceremony.

The bride is a graduate of Ubyly Community School in 1975 and will be a sophomore at NMU next fall.

Mr. Kinnunen is a 1974 graduate of White Pine High School and will begin his junior year at NMU next fall.

MRS. DAVID DEAN KINNUNEN

For the summer months the couple are both employed by the University. Following a wedding trip to Northern Michigan and Canada, they will make their home at 610 Wright St., Marquette, Mi.

Out-of-town guests attending the wedding were from White Pine, Warren, Roseville, Richmond, Birmingham, Deckerville, Sandusky, Detroit, Algonac, Mt. Clemens, Hazel Park, Minden City Palms, Carsonville, Anchorville, Caro, Reese, Harbor Beach, Bad Axe and Wisconsin.

Meetings

BICENTENNIAL COMMITTEE IN WHITE PINE MEETS TO DISCUSS ANNUAL EVENT

The Carp Lake Township Bicentennial Committee met on June 2nd at the Konteka. Co-Chairman Paul Saladin presided. Various details of the July 5th program were discussed. Phil LaPointe has been confirmed as grand marshal of the parade and Bill Born is to assist in parade formation. The parade is to assemble in the High School parking lot although the actual parade route is still dependent on the number of units entering. Kiddies are reminded to start planning their costumes and decorations.

Ernie Deason reported that details of the Ecumenical Service and Flag Raising are being worked out. Paula Symons reported that booster buttons have been distributed and a fair number already sold.

Layout of the midway has started and Mary Deason made a request for items for the "Silly Auction." Larry Chabot reported planning of "Anything Goes" is well underway. Gene Mattila discussed details of the Fish Tank and Steve Mukavitz reported on the progress the teens have made in planning games and their concession stand.

Additional parade and midway entries were discussed and an invitation made to anyone wishing to participate. Contact any Committee member with your idea.

The VFW AUXILIARY to POST 4359 of White Pine will hold their regular monthly meeting on Wednesday, June 9th at the club rooms in White Pine.

The Auxiliary plans for the 4th of July will be discussed, so please make every effort to be there.

The WHITE PINE AMERICAN LEGION will hold a meeting on Tuesday, June 8th, at 8 p.m. New officers will assume their duties. Attendance is urged!

The STONE HEAD LAP & MINERAL CLUB will hold their regular monthly meeting at the Clubrooms in White Pine on Wednes-

CARP LAKE TOWNSHIP LIBRARY SETS NEW HOURS FOR SUMMER

The Carp Lake Township Library hours are now set for 12:30 to 4:30, Monday, thru Friday.

Also, the librarian requests that all overdue books - adult, teenage, grade school and preschool - be returned at once please.

New books recently received at the library are: Fiction - The Deep by Benchley; Millennium, a novel about people and politics in the year 1999, by Bova; Stranger at Wildings by Brent; The Tide of Life by Cookson; Eaters of the Dead by Crichton; Missouri Blue by Finley; The Peacock Spring by Godden; The Hostage Heart by Green; Agent in Place by MacInnes; The West End Horror by Meyer; Hang for Treason by Peck; A Stranger in the Mirror by Sheldon; The Space Vampires by Wilson.

In Non-Fiction - Violence and Aggression by Bailey; Friendly Fire by Bryan; Michigan - a bicentennial History by Catton; The Rockefellers by Collier; Yesterday, Today and Forever by Dixon; An Introduction to Electrical Wiring by Doyle; Birds of Prey by Everett; Kids' Clothes by Gladstone; The Evaders by Heaps; Getting Skilled - a guide to private trade and technical schools by Hebert; The Royal Victorians by

Hibbert; The Persians by Hicks; Catfish - The Three Million Dollar Pitcher by Libby; Motor Truck Repair Manual; Now Needlepoint by Orr; The Wolverines - a story of Michigan's Football by Perry; Getting Through to the Wonderful You by Shedd; Algir Hiss, the true story by Smith; Tisha, the story of a young teacher in the Alaska Wilderness by Specht; The Spartans a story of Michigan State Football by Stabley; Miracles of the gods; a new look at the supernatural, by Von Daniken; A Soldier Reports by Westmoreland; The Loggers by Williams; The Final Days by Woodward.

One Wish

If I could have one wish, and only one,
For you, my little girl, it would be
That you learn early, by comparison,
That beauty dwells in sweet simplicity.

Make sure your reaching heart finds happiness
In little things: the muted call of birds,
The echo of a step, the soft caress
Of loving hands, the magic of kind words.

Seek joy in flowers, autumn leaves, a hymn,
The symphony that light and shadows blend.
Hold high a faith in God that none can dim,
And you shall know contentment in the end.

LAST DAY OF SALE ... SATURDAY, JUNE 12TH

PICTURED AT LEFT - THIS YEAR'S HELAKOSKI AWARD WINNERS FROM WHITE PINE HIGH SCHOOL, Rick Blom, Mrs. Eleanor Helakoski (center), Sheila Burgess. At right, Mr. Ted Kearly, Athletic Director at MTU, the guest speaker at the 1976 Athletic Banquet held June 2nd.

NEW THEME EMPHASIZED AT WHITE PINE ATHLETIC BANQUET

What started out to be a typical athletic banquet... with the usual opening comments, accompanied by the familiar athletic jokes... ended up as a very moving and most rewarding affair.

Of course the guest speaker, Ted Kearly, did present the usual pep talk to the athletes, which reflected upon winning and winners along with the basic characteristics necessary. But, in the closing minutes of Mr Kearly's speech, the Michigan Tech athletic director seemed to turn from the usual "jock talk" and filled the banquet room at the Konteka with a special aura. A hush filled the audience as they devoted all their attention to what Ted Kearly was emphasizing.

The atmosphere changed as our guest speaker presented to us what he thought was of primary importance in being a winner, and that... dear readers... is belief and trust in God. What a refreshing experience this was for me. It seems that all too often in the area of athletic competition, little emphasis is put on faith in God as well as trust. Where an athlete is proud, he should rather be thankful. When reaching for goals, his thankfulness for being able to just participate will serve to humble and make him or her a truly outstanding individual.

Mr. Kearly mentioned the importance of prayer and how it gives him a feeling of special closeness when he shares a moment of prayer

with his men. I could not detect a single superfluous movement in the audience; it was as if a veil had been lifted and allowed the light to come shining forth.

The room seemed filled with a magnetism that surely was an indication that the power displayed 2,000 years ago by a man named Jesus Christ has not diminished one iota. When the mere speech of a man mentioning his closeness to God can affect a room of several hundred people, it is easier to realize that surely there is that region in every man's heart... where dwelleth the Lord.

Another outstanding moment was when Mrs. Helakoski took her turn at the podium immediately following Mr. Kearly's speech. One could certainly detect the honor and sincerity she projected for it was written on her smiling face and reached the audience along with her words. I will long remember the very appropriate line Mrs. Helakoski delivered. "If God was at any athletic banquet he was at this one today!" The closing prayer presented by Fr Wayne Marcotte was also very inspirational. A prayer that fit in perfectly with the previous material covered. In effect Fr. Marcotte said that we ask the Lord for the spirit or the desire to be winners -- not just in passing a crown from head to head, but winners in the long run. And to me, that means seeking the kingdom of God. Truly an inspirational athletic banquet that touched that special region of the heart.

Congratulations to Rick Blom, Outstanding Senior Student Male Athlete, and Sheila Burgess, Outstanding Senior Student Female Athlete, for 1975-76... for the honors bestowed upon you.

LAKE TROUT ASSESSMENT BY MICHIGAN DEPARTMENT OF NATURAL RESOURCES BEING CONDUCTED OFF ONTONAGON

During the week of June 7 - 11, the Michigan Department of Natural Resources will be conducting a netting program to assess the condition of the lake trout stocks in the western portion of Lake Superior between Fourteen Mile Pt. and Union Bay. The major objective of the program is to determine the status of the lake trout rehabilitation program and the effectiveness of the sea lamprey control program in this portion of Lake Superior. Both of these programs were initiated and have been continuously conducted in this area since the early 1960's.

This type of assessment work has not been conducted in the area since the fall of 1971. In the interim period, the Department utilized catch information furnished by cooperating sport fishermen, which, although very useful for measuring some facets of the rehabilitation program, has failed to yield comparative figures from year to year on the effectiveness of the lamprey control program.

Assessment data prior to 1971 had indicated a relatively high sea lamprey activity in this area compared to other areas of the Michigan waters. This sampling program should provide evidence of whether or not the recent intensification of the sea lamprey control program has had a beneficial effect on the trout stocks, as well as provide information on the survival of the planted fish and reestablishment of native trout stocks.

The program will consist of one test netting at each Fourteen Mile Pt., approximately one mile east and one mile west of the Ontonagon River mouth, and at Union Bay, all netting to be done in water depths of between 120 and 200 feet of water. The netting will be done by Mr. James Wiita with his vessel the "Mary Ann" under the direction of Department of Natural Resources personnel.

Department personnel will process the catch for its biological information in Ontonagon and would welcome inquiry at that time from anyone having questions concerning the project. Any questions prior to the start of the project can be directed to Asa Wright, Box 190, Marquette, Mi., 49855 (Phone 226-7505).

ONTONAGON VALLEY LITTLE LEAGUE RESULTS TO DATE IN SEASON

On Tuesday, June 1, in a double-header played at Ewen, it was Trout Creek over Bergland in the first game, 16 to 17! In the second game it was Bruce Crossing over Ewen by a score of 29 to 10. David Abramson led Bruce Crossing with a grand slam in the second inning.

On Friday, June 4th, a game was played in Bruce Crossing which resulted in a final score of 11 to 3, Bruce Crossing over Ewen.

On the same day at Bergland, two other teams did battle and the victor of that contest was Trout Creek, 20, over Bergland's 14.

The remainder of the season's schedule will be all individual games at the various fields. On June 11 - Bruce Crossing at Trout Creek; and Ewen at Bergland. June 15 - Bruce Crossing at Bergland and Ewen at Trout Creek. June 18 - Trout Creek at Ewen and Bergland at Bruce Crossing. June 22 - Trout Creek at Bruce Crossing and Ewen at Bergland. June 25 - Bergland at Ewen and Bruce Crossing at Trout Creek. June 29 - Bruce Crossing at Ewen and Bergland at Trout Creek. July 2 - Ewen at Bruce Crossing and Trout Creek at Bergland. On July 4th, a double-header will be played in the afternoon at Bruce Crossing - Bergland vs Bruce Crossing, and Ewen vs Trout Creek. On July 9 - Trout Creek at Ewen and Bruce Crossing at Bergland. July 13 - Trout Creek at Bruce Crossing and Ewen at Bergland. July 16 - Bruce Crossing at Trout Creek and Bergland at Ewen. July 20 - Ewen at Bruce Crossing and Bergland at Trout Creek. July 23 - Bruce Crossing at Ewen and Trout Creek at Bergland. On July 29 a make-up contest or contests will be played if necessary, or a playoff in case of tie during the regular season.

Work is progressing very well on the "Steamboat Bill" Memorial Little League ballpark and we hope to have a report and pictures in a future issue.

SLOW-PITCH TOURNEY TO BE HELD IN WHITE PINE

The Fourth Annual Bill Pierpont Memorial Slow-Pitch Softball Tourney will be held on July 3, 4 & 5 on the brand new White Pine American Legion Softball field.

This annual event is being held in conjunction with White Pine's popular Old-Fashioned Fourth of July, which is also being staged for the 4th successive year.

The first 24 teams paying their entry fee of \$50 will be accepted and prizes based on 24 teams will be as follows: 1st - \$350; 2nd - \$200; 3rd - \$125; 4th - \$75; and 5th through 8th - \$25 each. Trophies will also be presented to the 1st and 2nd place teams.

Players must be 18 years old or older and cannot be participating in any school sport.

Letters and entry blanks have been sent to area teams, but any team that was overlooked may contact: John Shelky, P.O. Box 856, White Pine, Mi., 49971 or call him at 885-5757. (No collect calls please.)

BASKETBALL CAMP OFFERED TO YOUTH

A basketball camp stressing fundamental basketball will be conducted by Rod Repaal for the weeks of June 21 and June 28. The camp, open to next year's ninth through twelfth grade boys, will be held Monday through Thursday of each week at the basketball court of the athletic field in White Pine. It will begin at 9:30 in the morning and last until approximately 12 noon. Boys interested can sign up in the High School office. There will be a \$2.00 registration fee to pay for awards.

Anyone receiving damaged or incorrect tapes, records or cassettes, ordered from the White Pine band's Record Sale is asked to contact Chris Nelson or Mr. Larry Baker.

BIDS WANTED - BUSTEL PROPERTY

The John Bustel property near Mass, Michigan, is being offered for sale by Elma Lukkarila, General Fiduciary of the Estate of John Victor Bustel, Deceased.

The dwelling is a cabin-type building approximately 16 1/2 feet wide and 30 feet long. It is ready for occupancy and would be ideal as hunting camp property or summer property.

The cabin has two rooms and electricity but does not have running water or indoor plumbing; however, there is a sauna on the property, as well as a little house out back. It is located on property described as the NE1/4 of the NE1/4, Section 18, Town 50 North, Range 38 West, Greenland Township, Ontonagon County, Michigan. This is a 40 acre parcel completely covered with woods, but no standing timber. Some parts of the parcel are marshy.

Bids should be submitted to Allen R. Briggs, Attorney for the Estate, 204 River Street, Ontonagon, Michigan, in an envelope plainly marked on front: "BID ON BUSTEL PROPERTY." Bids must be received by 11:00 a.m. on June 25, 1976. The Estate reserves the right to reject any or all bids. For viewing of the premises, contact Elma Lukkarila, Mass, Michigan, Phone (906) 883-3313.

HOME CANNING TOOLS & TECHNIQUES

With the current rise in food prices and the boom in gardening, canning is coming into its own again. If you've never canned, you should start planning well in advance.

Check your supply of jars: Choose only standard jars made for canning. If you plan to can and freeze, buy jars designed for both purposes. Jars are available in half-pint, pint, 1 1/2 pint, quart, and half-gallon sizes. They may be widemouthed, tapered, or regular.

Check your supply of canning equipment: Be sure your water bath canner and/or pressure canner are in perfect condition. Read recipes carefully and check general canning instructions so you're familiar with procedures before you begin.

1) PACKING: There are two methods of packing food in jars: hot pack (cooked) and raw pack (uncooked). Both methods will be given in recipes unless a particular food is best done only one way.

To use the raw pack method, pack the uncooked food into containers. Add the boiling liquid to the desired depth.

To use the hot pack method, partially cook the food before packing it into containers. Then, add boiling liquid, leaving headspace - 1/2 inch for fruits and high-acid vegetables; one inch for low-acid vegetables and meats. Remove all air bubbles. Wipe rims of jars and seal.

2) TO PROCESS FRUITS' FRUIT JUICES AND HIGH-ACID VEGETABLES YOU'LL NEED A WATER BATH CANNER. This can be any tightly covered metal container deep enough for an inch or two of water to cover the tops of jars. You'll need a rack to keep the jars from touching the bottom.

Use either a raw pack or a hot pack. Then follow these general instructions, but also consult your recipe book:

a) Fill canner with four to five inches of water; heat but do not boil.

b) Prepare sugar syrup if it is to be used; keep warm.

c) Prepare the food to be canned following recipe directions.

d) Fill jars. Place filled jars in canner of hot water.

e) Fill the canner with boiling water to cover jars by one to two inches. Cover and heat to a rolling boil.

f) Start counting processing time. Consult recipe for time.

g) Adjust heat so water boils gently during processing time. When time is up, turn off heat; remove jars.

3) USE PRESSURE CANNING FOR PROCESSING FOODS NATURALLY LOW IN ACID - All vegetables except tomatoes, and meat, poultry, and fish. Follow directions as this method is the one that supplies enough heat to destroy botulism-causing organisms which might be present.

The temperature of the food reaches 240 degrees at ten pounds pressure in the canner. The processing time specified in the recipe ensures adequate heat penetration. Follow these instructions in addition to following the specific recipe exactly.

a) Read instructions that come with the pressure canner. Check the spring-dial gauge for accuracy.

b) Assemble canner and basket. Add two to three inches of boiling water to canner on stove. Turn heat to low.

c) Prepare food according to recipe. Fill jars. Place in canner.

d) Cover and lock canner. Turn heat to high. When steam emerges from the pipe, reduce heat so steam flows at a moderate rate for ten minutes.

e) Close vent and bring up the pressure.

f) Turn heat to high. Maintain heat until ten pounds pressure is attained. Adjust heat to maintain a constant pressure.

g) Count processing time from the moment ten pounds pressure is reached. Check recipe for timing.

h) Turn off heat. Allow pressure to return to normal.

i) Remove regulator or open pet cock; unlatch cover.

j) When food stops bubbling, place on a cooling rack.

... After listening to some of the recent political speeches, one would judge that the reason we always have two candidates is that one can explain what the other one says.

LET'S BROWSE IN A BOOKSTORE! Special sales honor the anniversary of the first copyrighted book - The Philadelphia Story by John Barry, 1790.

... Every generation laughs at the old fashions but follows religiously - the new!

Memory is the cabinet of imagination, the treasury of reason, the registry of conscience, and the council chamber of thought.
