STUDENTS PARADE CONVENTION EVE

CAMBIANS RECEIVE CHARTER SOON, SAYS SUMMERSETT

Club Affiliates With Junior Academy Of Science, Arts and Letters

At the last meeting of the Cambium Club President Summersett announced to the members that affiliation with the Junior Academy of Science, Arts and Letters is now completed and that a Charter will soon be received.

To facilitate affiliation with the Junior Academy, which has many high school clubs, the constitution of the Cambium Club was revised as follows:

1. Active membership shall describe the status of all students and faculty members of John D. Pierce High School who attend regular meetings and participate in programs of the organization.

2. Active membership of the Cambium Club shall become members of the Junior Academy of Science, Arts, and Letters by virtue of the Cambium Club's affiliation with the Junior Academy and payment of academy fees.

Activity leading to affiliation began with a special meeting on December 9, 1947, at which Mrs. Bingham, Dr. West, and Dr. Schaefer presented the advantages of affiliating with a state organization. Mrs. Bingham told the members that a few days before the meeting she had received a letter from Dr. G. W. Prescott, Professor at Michigan State College, telling her of the leadership which Northern could exercise in the organization. As the Michigan Junior Academy has been established but a short time, our college may well serve as a nucleus for a northern branch in the Upper Peninsula.

A few weeks later the application of the Cambium Club was approved by the Junior Academy council, a governing board which is composed of club sponsors elected by representatives of the clubs which make up the Academy.

One advantage of affiliating is that our students may gain recognition by preparing articles for publication in the Academy Journal and by appearing on the program at the annual meeting.

The purpose of the Junior Academy is to encourage scientific spirit, cooperation, and scholarly achievement among young people in Michigan.

Its objectives are to encourage the formation of new clubs, to furnish useful information and materials for club programs, to facilitate the exchange of information, and to foster interest in Club Activities. The pin of the Junior Academy is a two colored map of the state of Michigan including the Upper Peninsula.

NMCE STUDENTS DEMONSTRATE NEW MACHINES

A demonstration of business machines was given to the instructors of the high schools by students that are now attending Northern. Students participating in the demonstration, which included the showing of calculators, comptometer, photo-copy machine and a bookkeeping machine, were Dorothy Hillberg, Georgia Anderson, Adele Mars, Yvonne Nord, Theresa Wagner, and Robert Kanerwa.

Summarization of group discussions and the persons in charge were on the following: Typewriting, Miss Weideman; shorthand, Miss Melson; cooperative education, J. Milton Gustafson; accounting, Leo Van Tassel. All except Miss Melson are members of Northern's commercial department.

Beginning at 4:00 P. M. the commercial club of the college served tea and coffee to the visiting teachers. The foyer was transformed into a living room scene. Soft chairs and rugs were placed around the foyer to make it a comfortable looking room. In the center of the foyer the tea table was placed, which Lorraine Rath, and Miss Diana Hancock, past and present secretaries of the commercial club, prepared. The green and gold theme was once again carried out at the tea. Mrs. Dorothy Libby and Mr. Toivo Hendrickson, past and present presidents of the club, had charge of the arrangements for the day. Mr. and Mrs. John Richardson, Mr. and Mrs. Allan Kriesche, Albert Hakala, assisted in the preparations for the tea. Mrs. Daurity Anderson filled the capacity of cook very effectively.

A BIRD STUDY HIKER

Northern's Conservation Lab. Opens June 21 for Summer Term

The Munuscong Conservation Laboratory conducted by Northern Michigan College of Education in cooperation with the Michigan State Department of Conservation will again be conducted this summer. The six weeks session begins June 21st and the three weeks session opens on August 2nd.

Munuscong Camp is located in Chippewa County, twenty-five miles south of Sault Ste. Marie. The buildings and immediate site of approximately sixty acres are under the jurisdiction of the Parks and Recreation Division of the Department of Conservation. The Group Camp is located within the boundaries of the Munuscong State Forest which contains 3,756 acres with six and one half miles of frontage on Munuscong Lake.

DR. WEST FINISHES INSECT RESEARCH

Dr. Luther West, head of Northern's department of Biology, presented the results of his research on formerly undescribed insects to the Zoology Section of the Michigan Academy of Science, Arts, and Letters. The 52nd Annual Meeting of the organization was held at Ann Arbor, April 1, 2 and 3.

Preceding his work at Northern, Dr. West worked for some time at Cornell University on the material contained in his recent paper. During the course of his investigation he discovered 40 species new to science. These insects are of high economic importance since their larvae are external parasites of such pests as army worms, and tent caterpillars. In his paper Dr. West classified these insects. This will greatly implement further study by others in the same field.

The paper was illustrated with lantern slides made from Dr. West's original drawings. Fifteen of the drawings are of a species originally described by Dr. West and for which no illustrations have ever been published. Dr. West's paper will be published in the 1948 volume of the Papers of the Michigan Academy of Science, Arts, and Letters.

Parliamentarians Discuss Convention Rules With Professor Roberts

Monday, April 19th at 7:00 P. M. a group of Mock Convention Parliamentarians met in Room 209 with Prof. Roberts to discuss the problems of conducting Mock Convention business from the Convention Chairman and in committee meetings. The Parliamentarians are Dan Anderson, Bill Pruett, and William Sorum.

Other students attending the meeting were Stanley Lund, Jim Luckman, Bill Carlson, Bill Niemi, and Don Swellander. Robert's Rules of Order, as they apply to Convention procedures, were studied, and the order of business in the Convention was discussed. Each type of Convention business was carefully considered to determine what problems might arise under each detail of business. Time limits as specified under the Rules of the Convention, for speeches from the Convention Floor were also discussed. A second meeting of the Parliamentarians is planned for the near future.

There is one large lodge with mess hall, class room, and sleeping quarters; three cabins, and one building with showers and lavatories.

All buildings have electricity. The Laboratory will be equipped with reference books and equipment.

The purpose of the course is to give instruction to elementary and secondary school teachers in the important facts and principles of the out-of-doors, and to help them develop suitable plans for teaching outdoor activities and conservation. Field trips will be taken to the various habitats of forest, fields, and water to study soil, plants and animals.

Specialists from the State Department of Conservation and the U. S. Soil Conservation Service will give lectures and conduct discussions during the summer.

Courses offered will be: Conservation 4025. Plant Study. Three hours credit. Conservation 4028. Animal Study. Three hours credit.

Mr. George S. Butler, Professor of Agriculture and Plant Ecology will be on the staff at the Laboratory this summer.

BUSINESS AD CLUB MEETS FOR PARTY FRIDAY, APRIL 30

The Marquette Veteran's Building has been chosen as the place for the first Annual Business Administration Club party to be held on Friday evening, April 30.

The party which is to start at 8 P. M. will feature dance music by "PAUL'S VETS", comic antics on the screen; card playing; a late supper snack plus other "surprises".

This party will climax the first year's activities of the Business Administration Club. Organized early in February of this year, the club has gained wide publicity, not only for its participation in school activities but also for the novel way in which its monthly meetings are held.

A regular feature of the meetings is a full seven-course dinner prepared by the able cafeteria staff. Other features have included dinner music by "PAUL'S VETS"; comedy songs; movies; barbershop singing and notable speakers from the community.

The success of the club has been largely due to the efforts of Mr. Leo Van Tassel, head of the Business Administration Curriculum.

Tickets are now on sale for the spring party and may be obtained from Mr. Van Tassel or other members of the club.

ART DEPT. POSTS B. PASCOE'S WORK

The new art exhibit on the third floor which succeeds that of Mr. Mahowski is by Beth Pascoe. Mrs. Pascoe's exhibit consists primarily of work done in her sketches and design classes. Perhaps the most interesting part of her exhibit is her chalk drawings which are interpretations of poems through the medium of design. These pieces are really exercises which teach the art student to execute properly the fundamentals of design through the experimental arrangement of shape, line, color and form. Also of interest are the realistic sketches and shaded drawings of Northern students. A senior, Miss Pascoe plans to graduate next February and enter the American Academy of Art in Chicago.

Pressure Groups and Campaign Managers Adopt Policy

At a meeting with a group of representative campaign managers and Pressure Group leaders, the following policy was adopted concerning campaign activities connected with the Mock Political Convention.

1. The bulletin board on the first floor of Longyear Hall is available for posters, pictures, pamphlets, etc. (west hall).
2. The balustrade around the second floor of the foyer may be used for hanging posters and banners. Please do not use the third floor.
3. Wires are strung around the walls in the Cafeteria to be used for hanging campaign material.
4. Bulletin boards and blackboards in classrooms may be used with the consent of the instructors concerned or with the consent of the heads of departments. White chalk is recommended, since colored chalk is difficult to remove.
5. Students should refrain from attaching posters by any method to the bare walls of the building.
6. Trees, outside walls, or any other part of the outside of the school buildings should not be posted with campaign material.
7. Rooms can be made available for political rallies, meetings, etc. Students who are interested in reserving rooms should see Dean Cary, Mr. Gent, or Mrs. Starr.

8. Campaign speeches may be made in the school building when there are no classes in session and in the Cafeteria during regular hours.

9. Letters to high schools by campaign managers or Pressure Group leaders should not be written on NMCC stationery and should not in any way imply that the college is sponsoring a particular candidate.

It is expected that the student body will bear in mind that this college is public property and as such deserves the respect and consideration given to one's own home or church. The promiscuous use of thumb tacks and scotch tape leads to unnecessary damage to walls and woodwork. With cooperation and common sense we can have both a successful Convention and a clean and presentable school.

10. Campaign speeches may be made in the school building when there are no classes in session and in the Cafeteria during regular hours.

11. Letters to high schools by campaign managers or Pressure Group leaders should not be written on NMCC stationery and should not in any way imply that the college is sponsoring a particular candidate.

It is expected that the student body will bear in mind that this college is public property and as such deserves the respect and consideration given to one's own home or church. The promiscuous use of thumb tacks and scotch tape leads to unnecessary damage to walls and woodwork. With cooperation and common sense we can have both a successful Convention and a clean and presentable school.

12. Campaign speeches may be made in the school building when there are no classes in session and in the Cafeteria during regular hours.

13. Letters to high schools by campaign managers or Pressure Group leaders should not be written on NMCC stationery and should not in any way imply that the college is sponsoring a particular candidate.

It is expected that the student body will bear in mind that this college is public property and as such deserves the respect and consideration given to one's own home or church. The promiscuous use of thumb tacks and scotch tape leads to unnecessary damage to walls and woodwork. With cooperation and common sense we can have both a successful Convention and a clean and presentable school.

H. SCHAEFER GETS GRANT-IN-AID

H. Schaefer was awarded a \$150.00 grant in aid of research by the Michigan Academy of Science, Arts, and Letters. Dr. Schaefer is the first member of Northern's faculty to receive such an award. This award is given annually by the American Association for the Advancement of Science through the Michigan Academy of Science, Arts, and Letters. Dr. Schaefer will use this grant to further his work on the study of the skin during the molting process of snakes. The total project will last about one year and cost approximately \$400.00.

Dr. Schaefer was elected vice chairman of the Zoology section of the Academy for 1948-49. Other members of Northern's faculty have also received appointments by the Academy. Dr. Halverson serves on the Academy's Committee on Conservation of this year. Dr. West is active on the membership committee. Mrs. Marjorie Bingham was appointed to the Committee for the Preservation of the Natural Area.

Thirteen members of Northern's faculty hold membership in the Academy, four of whom attended the Ann Arbor meetings April 1, 2, and 3 of this year. Dr. Luther West, Mrs. Marjorie Bingham, Dr. Walter Schaefer, and Mr. Rollin K. Thoren. Mrs. Rollin K. Thoren is a member of the Fine Arts Section of the Academy. Privileges of membership includes affiliation with this organization which represents scientific, cultural, and scholarly interest in the state of Michigan and an opportunity to present at the annual meetings the result of ones original investigations and to publish these researches in the Papers of the Michigan Academy of Science, Arts, and Letters. Membership in the Academy is open to all adults who are interested in the Arts and Sciences.

League of Women Voters Brings Movie "Wilson" To Nordic Theatre Here

The Women's League of Voters will bring the film "Wilson" to the Nordic Theater Tuesday, May 4th in the hope that all Northern students participating in the Mock Convention will see the picture. The scene in the movie showing the Democratic Convention of 1916 when William Jennings Bryan was the leading contender for the nomination are excellent and will be of great value for students to see.

The movie is open to the public. Admission is twenty-five cents per person.

Walker & Company Give "State Of The Union" On Nights of May 26-27

Mr. Walker, of the speech department, announced that rehearsals for the stage play "State of the Union" are progressing very satisfactorily. The play will be presented on the nights of May 26th and 27th in the college auditorium. Mr. Walker announced one major change in the cast. David Colman will portray the part of James Canover replacing Charles Koskela who was unable to continue rehearsals. The technical aspects of the play will be under the supervision of Mr. Haake of the English Department. The play which proved very popular on Broadway, and throughout the country, promises to provide a full evening's entertainment.

At the conclusion of the meeting a light lunch of coffee and doughnuts were served.

DANCE AND PARADE SET STAGE FOR MOCK CONVENTION

Student Girls' League And Men's Union Sponsor Activities, Mon., May 10

The Men's Union and the Student Girls' League will sponsor a big parade and dance the night before the Convention, Monday, May 10th. The parade is tentatively planned to begin at 7:30 and the dance at 8:30.

All pressure groups, state delegations are urged to participate in the parade by making floats supporting a candidate or a platform plank. Sororities and fraternities can help to make the parade a success by supporting a certain candidate or a platform plank and building a float.

Those students who do not have a regular Convention job can live up things by marching in the parade and by staging impromptu demonstrations at the dance.

The details of the parade and dance will be announced in the next issue of the News. Be thinking of some novel idea for a float that will put your candidate or platform plank across. A successful parade and dance will drum up the needed enthusiasm for the big day, May 11th.

U. P. HIGH SCHOOLS SEND DELEGATES TO CONVENTION

There has been a great deal of correspondence between Northern and U.P. high schools on Convention matters in the past two weeks. At present 17 high schools have announced that they will send official delegates and alternates to participate in the Mock Convention on May 11th. Seven high schools are planning to send spectators only. Still other high schools, however, will send spectators as well as delegates and alternates. These schools are, for example, will send 11 spectators in addition to its delegation.

Fifteen high schools in the Peninsula will send Pressure Groups. The favorite topics for high school Pressure Groups are: Universal Military Training, Vote for 18 year olds, St. Lawrence Waterway, Admittance of territories as states, and changing the method of electing the President of the U. S. Some of the high schools are sending two or three Pressure Groups to the Mock Convention.

Further planning in conjunction with the high schools is in progress, and still greater participation of U. P. high schools is expected at the Mock Convention.

PIERCE SENIORS PRESENT COMEDY THURSDAY, APRIL 29

Brother Goose, a comedy in three acts by William Davidson, will be presented Thursday evening in the college auditorium by members of the Senior Class of John D. Pierce. Miss Lucille Payne is the director.

The action centers around Jeff Adams, a personable young architect who plays "brother goose" to his sisters and brother. Carol, Haycinth and Wes. Things look black until Peggy comes to the rescue, manages the household and wins Jeff's affection. The play abounds in amusing situations and promises a good evening of entertainment.

The public is invited and the admission price is a nominal one.

The cast is as follows:

Jeff, "brother goose" — Don Elzinga
Carol — Virginia Olson
Wes — Jack Peterson
Haycinth — Mary Lou Roberts
Helen, who quits — Ann Luoma
Peggy, who comes to the rescue — Carol
Hilka Lottanen
Eye, a Southern charmer — Bonnie MacLean
Sarah, a color maid — Joan Leo
Lenore, who has "plans" — Joanne Wells
Mrs. Trimmer, of the Wee Blue Inns — Dorothy Lahti
Truck Driver, who is plant maul — Joe Schrandt

Trackmen Open May 8 At Baraga

'CATS THINCLADS DRILL HARD FOR INITIAL ENCOUNTER

Coach C. V. Money is drilling the cinder squad hard in preparation for this week's intramural meet which will open the Track season at Northern. These trials are being run to see how the boys will shape up for their first big meet and official opening of the track season at Baraga, May 8. Good weather conditions are aiding the team into rounding into top condition. It is hard to know how the boys will show up in competition. They will undoubtedly give a good account of themselves.

The team as it shapes up now is led by returning lettermen Burt Gustafson running the 440 and the 220, Ken Case putting the shot and throwing the javelin and discus; and "Raj" Rajala in the broad jump. Other members who have showed much promise so far are Walno Salo, former Eben star, who will team up with Carlson, another new comer in the hurdles. Walno Salo has turned in some creditable performances in the past and will give a good account of himself in competition this year. Cliff Paquette leads the dash men and has been showing up very well in pre-season practices. So far the pole vaulters haven't had too much practice but will be in their holding their town when the season's meets get under way. In the half mile John Dorias is the leading candidate. The high jump department seems to be one of Northern's strongest departments with Sam Minard, Bill Hart, Bill Zigelmeier and "Strech" Elies fighting it out for number one spot. "Gerry" Amalone will carry the Northern banner in the grueling mile and two-mile contests. These men and their team mates will go all out this year to give Northern a successful season so let us, the student body, turn out and support them.

Records

Here are the marks the track men will be trying to better this year.
 100 yds.—10.2—Wilkins (N); Fish (N).
 220 yds.—22.3—Wassberg (N).
 440 yds.—51.7—Slough (N).
 880 yds.—2:04.1—Kitti (T).
 Mile—4:42—Kitti (T).
 120 yd. Hurdles—16.3—Johnson (N).
 220 yd. Lo-hurdles—26.1—Foster (T).
 Shot Put—41'10"—Andriani (T).
 Discus—119.7—Ayrault (T).
 Javelin—176.1—Olson (T).
 Br. Jump—21'9"—Hees (T).
 Hi-Jump—5'11.1"—Olson (N).
 Pole Vault—11'6"—Skelly (T).

MICHIGAN BUSINESS EDUCATORS ELECT ENGSTROM LEADER

Modernization of the commercial curriculum offered by high schools and colleges was suggested by Miss Elizabeth Melson, of the State Teachers College, Whitewater, Wis., in an address to Upper Peninsula business educators attending a conference at the Northern Michigan College of Education Saturday, April 17, 1948.

The conference was held to organize a branch of the Michigan Business Education association in the Upper Peninsula and the following officers were elected:

President—Miss Ruth Engstrom, Kingsford High School and Seventh region representative of the MBEA.
 Vice-President—Miss Geraldine Weideman—N M C E.
 Secretary—Miss Agnes Peterson, Escanaba High School.

Treasurer—Miss Everille Knight, Gogebic Jr. College—Ironwood.
 Speaking at a noon luncheon, Miss Melson said she had found that her high school training was not complete in every detail to prepare her for a position in business life, but "for some reason or other, colleges do not seem to be able to produce much faster workers than do the high schools."

Urging that "tradition is something which we should not rely upon too much because of the fact that the old accepted custom is not always the most efficient way of doing things" she suggested a modern business education curriculum be improved through obtaining recommendation from alumni and fathers of students.

The noon luncheon was presided over by Mr. C. C. Wiggins, head of the business department at Northern. Mrs. J. B. Nicholson, soprano sang two numbers, "Una Voce Poco Fu" from "Barber of Seville" (Rossini) and "Little French Clock" (Kounty). Students from the commercial department at the college served as waiters at the luncheon which was held in the cafeteria. A green and gold color scheme was carried out in the table decorations.

The conference was opened Saturday morning, following registration, with a business meeting at which Miss Engstrom was chairman. Dr. H. A. Taps, president of the college, welcomed the group.

"N" CLUB SPONSORS ICE FUND CAMPAIGN

"N" Club—This is a new organization of Northern's campus, being formed by twenty members who have won varsity awards in athletics. The officers of this club for the ensuing term are: Ed Kukuk, President; Jack Refling, Vice-President; Joe Rousseau, Secretary; and George Koskimi, Treasurer.

Under the capable leadership of these officers the club began to function and to take part in the social life at Northern. Several months ago fifteen new members were taken into the "N" club. These were all men who had been active participants in the athletic department during the last year.

At the last meeting plans were made to purchase a banner which will be of the same colors as the college's. It is to have a large yellow "N" on a green pointed shaped background. Also at this meeting it was the unanimous opinion of the members to raise \$100.00 to donate to the Palestra Ice Fund. The members felt it would be a very worth while project since so many college students enjoy skating and would be benefited by this donation. In the past winters many more students would have been able to take part in the group skating if the seasons were lengthened. So feeling that this civic project should have their support the "N" Club is appealing to the faculty, students and other club organizations to donate as soon as possible. The drive has been placed in the

NORTHERN NETMEN BATTLE FOR SIX POSITIONS ON TEAM

The Northern Net Men under the guidance of Coach Hurst started their outdoor workouts this past week. The squad has four lettermen on its roster and should shape up strong enough to be a match for any opponents the Wildcats will face this season. New men on the squad will be given an equal and fair chance to show their ability.

At a meeting, Wednesday, April 21, Coach Hurst explained to the squad the system which will be used to pick the best men on the squad for a match team. The system is called "Tennis Ladder." The lettermen have been sorted in the top four positions with new members ranked below them according to approximate ability. However, no man will be on the squad who cannot prove his ability to stay in the upper six positions on the ladder. Any man on the ladder may challenge the man directly above him to a match which consists of the best two out of three sets. If the challenger beats his opponent he moves up a step.

Men's Intra-Murals

The intramural activity of the college at present constitutes a wide variety of activities.

There is a sixteen man, singles-table tennis tournament in progress and in its second round. Play in the first round indicates a high brand of table tennis will be played throughout the tournament. A Doubles tournament has also been drawn up but to date, no games have been played. Please contact your opponents and proceed with this tourney.

A contest to see who is the best Free-Throw shooter in school has also been started, but so far only seven men have signed up. This is an inadequate number, so anyone interested in testing his ability along this line, is asked to sign the notice on the bulletin-board in the locker room.

A 10 team volley ball league is in action and the play to date has had intense rivalry and spirit. This league has completed three rounds and promises to be a worthwhile venture.

To round out the intramural softball league. A great deal of enthusiasm has been shown so far, with teams from various eating places already tuning up. Managers interested in forming teams are asked to contact C. V. Money in the near future.

C. V. MONEY ISSUES CALL TO GRIDDERS

Spring football sessions will soon be getting underway. Coach Money is handling both football and track this spring so football will wait until the track season has gotten started.

The main concern of Coach Money is to look over all new men who report to work on basic formations which will be used next season. Every man who expects to make next year's squad needs to report for the spring football sessions.

It is possible to be a member of the track team and also the football squad. The 1948 schedule has been improved upon, and it is hoped that the schedules will continue to be enriched each year.

Tentative 1948 Football Schedule:
 Oct. 2—Soo Tech at Marquette. (night)
 Oct. 9—Mich. Normal at Ypsilanti.

Oct. 14-16—Central Mich. at Marquette. (night)
 Oct. 22—Mich. Tech at Houghton

Oct. 30—Ferris at Marquette. (night)
 Nov. 6—Northland at Marquette
 Nov. 12—Detroit Tech at Detroit

CLUBS

Business Adm. Club
The Business Administration Club met April 14th to accept its new constitution. Plans were also discussed regarding an informal dance to be held April 30th, and open to club members and invited guests.

The entertainment under George Leipart consisted of after-dinner singing, accompanied by Paul Vogelsheim. Bill Engman and Neal Jacobson rendered a few numbers. George Leipart was narrator for a moving picture which showed scenes in and around Munising.

Immediately following the meeting forty members retired to the Elk's bowling alleys for the remainder of the meeting.

Spanish Club

The Spanish club held its annual dinner at the Rancho Thursday evening, April 8, at 5:30. Twenty-two people were seated at the table decorated with four vases of red, white and pink carnations. The menus, written in Spanish and cut in the shape of a Maraca, and the place cards, were made of varicolored paper. The dinner music was furnished by Tito Guizar and Xavier Cugat via electrical transcription.

The M. Cing was done by Howard Karjala. Before the dinner each person was introduced by a short description in Spanish by Ed Joppeli, and Frances Roti gave a short talk on the trials and tribulations of second year Spanish students. Short impromptu after dinner talks were given by Don Pangborn, Bill Ferracca and Ronald Laviolette. Carmen Conte showed a series of colored slides which she took on a recent trip through Mexico. The program wound up with group singing of Spanish songs.

Guests of the evening included Miss Lockwood, Mrs. DeBaldwin and Mr. Jack Richardson.

This was the first major event in the social calendar of the club and those who attended are being forwarded to the picnic which will be held as soon as the weather warms up.

Commercial Club

The regular meeting of the Commercial Club was held Wednesday, April 14, in Room 108. Members of the club were invited to attend the meetings and the noon luncheon of the Michigan Business Education Association. Miss Elizabeth Melson of Whitewater, Wisconsin was the guest speaker at the luncheon at the cafeteria on Saturday, April 17. The Commercial Club was host to the Upper Peninsula teachers attending the meeting at a tea Saturday afternoon.

Novahoma Club

The Novahoma Club held its regular meeting in the Home Economics department on Tuesday, April 13. As guest speaker, Mr. Green representing Tonella and Rupp gave an interesting talk on Home Furnishings and showed the members samples of rug, upholstery and drapery materials. After this, refreshments were served. The committee consisted of Anita Backes, Victoria Saloma and Carol Hulsizer.

L. S. A.

The Lutheran Students' Association held a meeting in the Recreation Rooms on Tuesday, April 19 from 7:30 to 9:30. A new constitution was presented to the club for approval. Its adoption was postponed due to necessary minor changes which must be made. Also, an election of the officers for the ensuing year was held. The following were elected:

President—Bill Helfer.
Vice-President—Luella Latola.
Secretary—Edith Rein.
Treasurer—Evelyn Harmala.
Mission Secretary—Eleanor Oja.
Librarian—Diana Hancock.

Men Get Busy As Prom Date Nears

There is much busy-news these days on the campus centering about plans for the Junior Prom. The men have a sharp critical eye out for the beauties they will escort, and co-eds are doing their best to hang on to their "steadies" until the event is over. Some co-eds are designing their formals and are also busy selecting material and threads for their sewing project. Other co-eds are busy prowling about ladies'-wear stores for that "one-in-a-million" formal. Baby-sitters are being sought by the Vets in Veilville for the big night of the year.

The Junior Prom will be on June 5th, and Tom Temple and Orchestra have already been engaged to give out with music that will make every dancer happy.

Everyone wants to wind up the year right by attending the big event. Being lovely girls, lovely music, and lovely decorations, lovely summer weather is expected to be featured at this dance.

Tickets will be on sale starting May 3rd. Don't wait 'til the last minute, boys. Get your girls, get your tickets, and get the best entertainment of the year at the Junior Prom on June 5th.

Country Life

The regular meeting of the College Country Life Club was held in Miss Melmer's room, April 13. Final arrangements were made for visiting rural schools on the 5th of May. Members are to meet at the College at 8:00 and are asked to bring lunches as it will be an all day visit.

Tentative plans for a picnic on May 15 were discussed. Lenore Phipps, Max Johnson, Ruth Hanson, and Joyce Hubbard volunteered to be on the food committee.

in the Navy, and he was so impressed by Warren's fine management of California government that he grabbed for the chance to support Warren when Convention planning got under way. "Guy" says, "Warren's a liberal—and has 'good sense'. If you want a good President, nominate our sun-kissed candidate from California."

Ted Groleau and Willis Sarkela are "pushing" the Michigan candidate, Vandenberg, in the Mock Political Convention. To date they have contacted the County and State Republican Headquarters and are receiving co-operation from both. Ted and Willis, like other campaign managers of the Mock Convention, have hung posters in the foyer and have talked to many delegates in an effort to win Vandenberg support. They expect a great battle in the candidacy "race" at the Mock Convention, but Ted and Willis have high hopes for Michigan's native son and expect him to come out on top.

are potential fires . . . Is there a fireman in the house???

Escanaba school kids will be seeing double next year . . . the twins will do a sister act over that way in the fall . . . are there any more at home like you???

Who takes you home?? The sister that sits with the baby-sitter? Or the baby-sitter that sits with the baby-sitter's sister? . . . to clear up the confusion . . . check with Marion Richards and Chick Martell.

If Nat Cole's "Nature Boy" is popular at Houghton Tech . . . it is because Babs Fassbender couldn't remember the melody of said song . . . embarrassing . . . too. Nora and Carol had fun . . . the Military Ball, you know.

Women's League Holds Tea In Recreation Rooms

The League of Women Voters held a tea in the Recreation Rooms on Wednesday, April 21, from 7:30 to 8:30. Miss LaRue Pascoe entertained the group with a vocal selection accompanied by D. Reggotts. After this, Miss Donna Traphagen, faculty adviser, spoke to the group about the benefits and functions of the League. Mrs. Betta, Mrs. Artilla, and Miss Carey talked about some of the activities in which the city League had participated. Joan Bambeck read a letter she had received from St. Catherine's regarding the activities of the League there.

The table, covered with a lace tablecloth, had a centerpiece of bright red and white flowers, and was flanked with red candles. Coffee and cookies were served.

The girls who attended and expressed an interest in joining the League of Women Voters were: Dorothy Libby, Shirley Husby, Heidi Bakka, Roxie Bills, Dorothy Dolf, Margaret Ann LaBonte, Martha Van Stratzen, Laura Thackham, Helen Wils, Germaine Redeker, Anita Himpela, Dorothy Brown, Janet Yelp, Thomasine Connors, Ruth Hanson, Dorothy Reggotts, La Rue Pascoe, Joan Bambeck.

Mrs. Starr proposed that the group sponsor the technicolor film "Wilson" to be shown at the Delft Theater for the special benefit of those students who are participating in the Mock Political Convention.

The girls of the Home Practice house at 333 W. Crescent street entertained at a 6 o'clock dinner, April 15. The guests were Miss Ruth Freegard, chief of the State Vocational Homemaking Education Department of Michigan, Miss Ethel Bertadato, Miss Ethel Griswald, and Mrs. Elizabeth Wentala, all from the Northern Michigan College of Education.

A three course dinner was served. The duties of the girls living at the house rotate weekly. Miss Ruby Richey is the faculty adviser who resides at the house with the students. The girls will remain at the house until May 15th, a period of six weeks.

The Winovets held an informal tea for the faculty women in the classrooms of the federated Women's Club, Thursday, April 8th. The table decorations arranged by Mrs. Clyde Roberts, consisted of a floral centerpiece of tulips surrounding a life-like Japanese doll brought from Japan by her husband, Mrs. Peter Raymond, President, and Mrs. Keith Butler, Vice-president, poured.

The next meeting will be held on May 13th when officers will be elected for the coming year. Mrs. Jayne Nord, Marquette County Home Economics Specialist will be the speaker for the evening.

ular at Houghton Tech . . . it is because Babs Fassbender couldn't remember the melody of said song . . . embarrassing . . . too. Nora and Carol had fun . . . the Military Ball, you know.
