ALUMNI RETURN FOR 50th REUNION

Jub. Homecoming Expected To Be Largest Ever

Wildcats Tangle With Ferris Bulldogs In Saturday Night Game

A pep session planned for 3 o'clock on Thursday, October 28th, will touch off the Homecoming festivities. This year being the Golden Jubilee year at Northern, the students and faculty expect this homecoming to surpass any of the past.

Saturday afternoon at 2 o'clock the annual parade will be held so that all the students, faculty, alumni and townspeople may have a chance to witness the event without interfering with the game.

Following the parade, a tea will be held in the foyer from 3:30 to 4:30. Here is a chance for the alumnae and faculty to get together. At 5 o'clock, the annual banquet, with Coach Hedgcock as Toastmaster, will be held in the College Cafeteria.

Immediately following the Ferris vs. Northern Homecoming football game on Oct. 30, 1948, the Business Administration Club will sponsor a dance featuring Paul's Vets. Many unusual activities are scheduled to take place during the dancing program.

This is all the information the committee will divulge. They want to keep the program's activities secret.

It is the sincere wish of the faculty, the Student Girls' League and the Men's Union that all students will remain on the campus this weekend to help celebrate our Golden Jubilee Homecoming.

GOLDEN JUBILEE GRIDDERS

WINOVETS GREET NEW MEMBERS AT EVENING SOCIAL

In an autumn setting at the Federated Women's club last Thursday evening, the Winovets welcomed the wives of many new Northern student veterans into their organization and extended a cordial invitation to join to others who, because of the conflict of the tea with the Northern-Central football game, could not be present.

The purpose of the Wives of Northern Veterans organization—to acquaint student veterans' wives with each other, and with Marquette—was explained by Mrs. Norbert Libby, president, who also called upon each girl in turn for a personal introduction.

The Wives of Northern Veterans organization was organized in the spring of 1947 and have since that time held meetings the second Thursday of each month in the Federated club-house, Ridge street. At the next meeting, Nov. 11, it is planned to have a slip-covering lesson, to be presented by Mrs. Jayne Nord, county home demonstration agent.

Centerpiece for the tea table, at which Mrs. Oswald Vecellio and Mrs. Libby presided, was a colorful harvest arrangement of maple leaves, apples and a pumpkin. Each girl also wore a colored maple leaf introduction card.

Hostesses were Mesdames Emmett Levy, William Mitchell, Peter Ghilardi, James Pompo, Stephen Mindock, Robert Hanson, Joseph Rousseau, William Amelin, Russell Erickson, Raymond, Libby, and Van Orman.

Northern's Golden Jubilee owes much to you, who established her traditions in the past. May all of us advance to greater heights in the years to come!

Pierce Students Present Comedy

The John D. Pierce Seniors will present a three act comedy entitled "Two Gentlemen And Verona" in the college auditorium at 8 P. M., November 3.

It is a story of struggling young actresses and actors trying to succeed in the theatre. In attempting to impress a talent scout, they put on a play which proves to be somewhat of a failure although success is attained by a few. The various problems that come up coupled with their trying to impress the scout should prove to be very entertaining.

The cast will be as follows: Charlie Adams—Robert Money; Mike Turner—(Frank Tramp); Clyde Colby—James Nebel; Verona Wood—Janelle Anderson; Mary O'Reilly—Lorraine Sommers; Sarah (Brownie) Brown—Maxine Smith; Nella Lansing—Joan Levine; Flo Anderson—Joan Lindholm; Mrs. Maud Doolittle—Patricia Hytinen; Mrs. Hattie Buxton—Janice Khoury; Bill Kennedy—Norman Thomas; Milton J. Sweezy—Donald Hurst.

ART DEPT. DESIGNS FOR MAIN OFFICE ANNIVERSARY SEAL

The Art Club is devoting its meetings, as well as considerable time each day for art work for Northern in behalf of the Golden Jubilee.

The first project completed is a design created to be used in the machine which stamps all letters leaving the general office. Besides the official three cent stamp mark, there is space in the machine for a seal, insignia or bit of advertising.

Designs to fit this space were created on a cooperative basis by upper class members of the Art Department under the guidance of Miss Cleo Harrison, head of the Art Department.

Mrs. Ruth Koskinen did the design which was selected as being most appropriate and selected for use. Incidentally, her husband, Art Koskinen, had the honor of being the runner-up. His design was judged as next best.

When the design is returned from the engravers, both designs will be exhibited and before long all mail leaving the general office will bear a Golden Jubilee insignia.

NORTHERN CLUBS ACTIVE DURING EDUCATION WEEK

The various clubs at Northern will take an active part in the programs to be sponsored during Education Week (Nov. 8-14). Their part will be to show by demonstration or by talks the evolution of the content and method of teaching of a particular subject over the past fifty-years.

Art—Miss Harrison; Childhood Education—Miss Curvey; College Country Life—Miss Mehnert; Modern Language—Mrs. Rubin Novahoma—Miss Bemis; Social Science—Mrs. Starr; Physical Education—Mr. Hedgcock; Cambium—Dr. West; Business Administration—Mr. Van Tassel; Commercial—Mr. Wiggins; Atheneum—Dr. Magers; Mathematics—Dr. Boynton; Industrial Arts—Mr. Ferns.

SCHOOL OFFICIALS ATTEND MEETING HELD AT FREMONT

President Tape, Mr. Gant and Dr. Allen were at Fremont, Michigan, October 19 to attend a series of administrative meetings. The object of the meeting was to get more uniformity in the programs of the state institutions and to give administrative officers an opportunity to discuss common problems.

Dr. Tape attended the regular meeting of the State Board of Education and Council of Teachers College Presidents. Mr. Gant met with the business managers of the other three colleges. Dr. Allen conferred with the directors of the in-service education programs, consisting of Messrs. W. C. Smith and J. D. Marcus of Central, Otto Yntema of Western, and Carl Hood of Ypsilanti.

Dr. Allen, as director of instruction, has been asked by President Tape to take charge of the in-service education program at Northern as rapidly as his schedule will permit. During the rest of this semester it will be conducted jointly by Mr. Gant and Dr. Allen.

Former Pigskin Heroes Gather At Alma Mater

Football Alumni Feted At Informal School Banquet

One of the high-light features of Homecoming will be the banquet sponsored for the Alumni lettermen in football, and the many members of the faculty. This banquet is not a formal affair, but rather a friendly get together where gridiron tales of the past are the topic for discussion.

Letters of invitations have been mailed to the four corners of the world, Africa, South America, Alaska, Europe, just to mention a few; and also to the various states throughout our country. Because of geographic location, it will be impossible for many alumni to attend. Many in the vicinity have accepted the invitations and are looking forward to celebrating this Golden Anniversary Homecoming.

The college cafeteria was the original place where the banquet was to be held, but due to circumstances beyond control, it was necessary to procure a new location. The St. Mark's Lutheran Church, Ridge Street, has been secured for the banquet.

The banquet will be held at 5 P. M. The main course of the dinner will consist of Virginia Baked Ham with all the trimmings, fruit salad, and apple-pie ala mode for dessert, coffee and rolls. A tasty meal for ex-gridironers.

There will be a limited program because the football game will start at 7 P. M. Mr. C. B. Hedgcock will be toastmaster. President Tape will give the welcoming address. Former coaches of Northern will be called upon, in order of service, for comments. Mr. Hedgcock, 25 years service; Mr. Hurst, 22 years service; and Mr. C. V. Money, 2 years. If time permits, the Alumni will be called upon for comments.

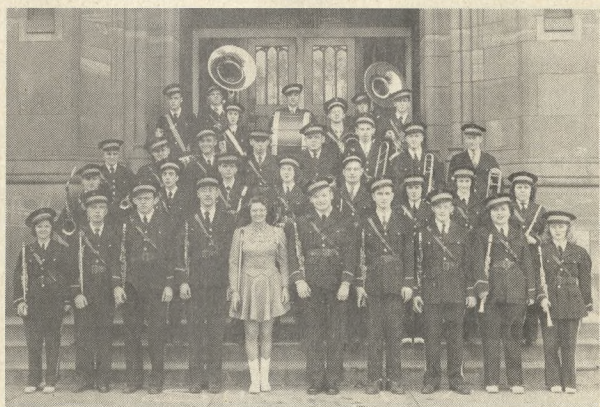

The banquet will come to a close, by presenting all ex-lettermen in football, with complimentary tickets to the game.

Northern Students Vote Convictions

The Northern Michigan College of Education Mock election was conducted Tuesday, October 26, by the League of Women Voters and the Social Science Club. The poll was open from eight in the morning until 11:30 at noon and then from one until 4:25. In general the largest number of students gathered to vote between classes which resembled the similar one at the community polls when workers are free to vote. Not only was this factor one of the human, natural touches to our election, but the fact that many who had not registered for this privilege regretted their failure to do so and asked to vote Tuesday. Similar discrepancies appeared during the day when various states tried to advise others how to vote, when two people would try to vote at the same booth; and when one failed to check on the time the polls were opened and therefore forfeited his right to vote.

Conclusions concerning the general procedures of voting by the students as to their interest and as to their knowledge in the matter, to vote seem to be most similar to those made about the general public. Approximately 46% of the school voted which when considered the fact that the 1946 election polled 59% seems woefully to be quite similar. The fact that there were 13 ruined ballots because of inability to indicate preferences accurately is another factor too often repeated in each election. As one of the faculty remarked "the student and citizens must consider the ballot as sacred as the flag if the election is to prove the valuable, effective instrument of the people."

That the general outcome of the election can be better realized, the following chart has been made from the data compiled by the members of the school science club. The major conclusions from the chart are: 1. Total percentage of women registered is 67.7. 2. Total percentage of men registered is 61.6. 3. Total percentage of women who voted is 45.1. 4. Total percentage of men who voted is 46.8.

WILDCAT GOLDEN JUBILEE BAND

Northern's Golden Jubilee Band is making progress in great fashion. This year officers have been elected and they are as follows:

President—John Kroken. Vice-President—Walt Williams. Secretary—Dan Bergh. Librarian and Equipment Manager—Frank Matina. Student Conductor—William Tonkin. Drum Major—Lois Wilson, Band Formation—Roland Vashaw, Lois Wilson, Ruth Hillia, Bob Henne, Miriam Crawford, William Tonkin.

Mr. Uhlinger has made a survey of bands in the state and has made recommendations for the set up here at Northern to be changed somewhat.

A number of unusual formations have been worked out especially for the homecoming celebration. There will be assisting in the formation for the homecoming game a group of girls including the cheerleaders. The band will also march in the homecoming parade.

SCALESS SNAKE IN BIOLOGY LAB

Did you ever see a hen with teeth? If you have, you haven't seen everything yet. There is still a slight, almost as rare, you should behold—a scaleless snake! The oddity is in captivity, healthy and alive, and caged in the biology laboratory at

The membership of the band this year includes: Dan Bergh, Miriam Crawford, Vera Dahlquist, Mary Davis, William DeRocher, John Dorais, Thomas Gekas, Gordon Gill, Robert Henne, Ruth Hillia, Florence Hulett, Neal Jacobson, John Kroken, Richard LaFave, Russell Larson, William Layne, Ewald Lindeman, William Lyons, Edward Malin, Salvatore Matina, Theodore Mitchell, Eleanor Nelson, Leland Nord, Shirley Nyquist, George Quinnell, Dorothy Regetts, Richard Saari, Viola Salo, James Smeberg, Lou Stratton, George Tampari, Laura Thackman, Gerald Thunander, John Todd, William Tonkin, Roland Vashaw, Donald Valenti, Henry Valli, Lloyd Wertanen, Lois Wilson, Walter Williams, Robert Wilson, and Wayne Yelland.

The duties of the President and Vice-President are to help to make the policy of the organization and to formulate new ideas and recommendations for the band. Northern Michigan College of Education. (As of this date it is still alive and healthy). Of special interest is the fact that it is a local animal, captured recently in the vicinity of Marquette.

This animal was collected, together with reptiles, for research purposes. The unusual animal is a garter snake bearing the scientific name of THAMNOPHIS SIRTALIS. This most unusual snake, a mature specimen, entirely devoid of scales except for a few on the upper and lower lips, lower tail surface, and the ventral scutes normally used in locomotion. The entire upper surface of the body as well as its sides are naked and smooth as velvet; the background color is dark green, almost black, overlaid with a pattern of lighter colors. The side stripes, normally present in this species, are absent; the chin always scaled and white in normal species, is pink. It is entirely possible that this almost scaleless snake is the first of its kind ever to be discovered. Dr. Shafer intends to publish a detailed description in a scientific journal in the near future. His immediate problem is to keep the animal alive and healthy until such

VIENNA CHOIR BOYS

The Vienna Choir Boys, last heard in this country in 1938, will appear here on November 6, at 7:30 P. M. in the course of their first transcontinental tour in ten years. This is the second offering of this year's Community Concert Series which has one of the finest programs that have ever been offered to the public.

The Choir, established in 1488 by imperial decree, was introduced to the U. S. by Impresario S. Hurok in 1932 and thereafter performed here for six consecutive seasons. Consisting of twenty boys, aged eight to twelve years, they arrived in this country last fall (1948), just 450 years after their first group was founded.

Maximilian I, who instituted the Choir, provided for the education as well as the musical training of the choir boys. Lessons in arithmetic, spelling, geography, and history are as much a part of the choir's discipline as harmony and sight singing.

Each year a limited number of new members are accepted to replace those whose voices have changed. Before enrollment, the prospective choir boys must pass a series of rigid scholastic and musical examinations. Because membership is limited to sixty, hundreds of applicants are rejected each year.

In addition to the usual choir repertoire of sacred songs and folk music, the youngsters perform costumed operas of all nations. One of the most popular, "The Apothecary", was written by a former member, Josef Haydn, the famous composer, who was a Vienna choir boy until adolescence.

For Students Only:

Remember the Tri Mu Masquerade on Friday . . . and if everyone comes in costume, don't expect much of a column next week . . . which would be all right, too. (Ouch . . . you don't have to agree that much).

Veterans enrolling in college and universities this fall may not receive their first subsistence checks until the week of November 7. Veterans Administration Branch Office in Columbus (O) said today.

The first checks will include all subsistence payments due from the date of enrollment through the end of October.

In most areas the first payments cannot be made before that date because of the heavy workload the colleges and VA face in processing extremely large enrollments.

Welcome Alumni

Welcome Alumni! Northern's faculty and students take this opportunity to extend their warmest wishes to you who have returned to help celebrate its Golden Jubilee. You can depend on all of us to make your visit to your Alma-Mater a happy one.

The Homecoming Committee has planned outstanding attractions for all returning alumni. There will be a foyer reception and a football letter alumni banquet in the college cafeteria. The Northern and Ferris football game will give all of us an opportunity to go out and cheer for Northern. We're looking forward to seeing all alumni at the homecoming dance after the game.

Returning alumni will find that Northern "ain't" what it used to be. The biggest and most important change is the beautiful girls' dormitory. Alumni are urged to conduct a sight-seeing tour of the dormitory. The cafeteria is a new addition to the college and shouldn't be overlooked on that sight-seeing tour. To those alumni who graduated before and during the war will no doubt be surprised to see the veterans' barracks that mushroomed after the war to house both married and non-married vets.

Northern is looking forward to a large turnout of alumni. To make their visit a pleasant one each student should take it upon himself to cooperate in every way possible. The success of Homecoming and the Golden Anniversary rests squarely on our shoulders, but we are confident of the success of any undertaking. Let's all join together and make this year one to remember.

Cats Meet Ferris For Homecoming

Beat Bulldogs Is The Battle Cry At Northern

Northern's Wildcats will meet the Ferris Institute eleven here under the lights at 7 P. M. tomorrow night. After several reversals, the Wildcats will again be out to enter the win column again.

Ferris, whose record thus far is four defeats, is said to have one of the heaviest lines in the circuit. Although Ferris, according to the score comparison, is rated slightly better than Northern by comparison with their mutual opponent, Michigan Tech; by all indications the game tomorrow night should be a turbulent meeting, to give Homecoming an added attraction.

The Bulldogs whose 21-6 defeat is compared with the 44-13 handed Northern by Michigan Tech, were tied by the Wildcats in their encounter last year.

The probable starting line-up for Ferris will be—

Heavy Intramural Program Planned At Northern

Northern's 1948-49 intramural sports program, to include participation in 18 sports, this week was announced by Coach C. V. Money. A championship will be determined in each sport, either as a team or as an individual, the coach said. A standardized system of points and awards is now in the process of being completed and all teams or individuals winning championships last year ("47-'48) will receive their awards as soon as the system is finished. Winners of an intramural championship will receive a certificate and a special I. M. emblem, and individuals who score a designated number of points through intramural participation will receive a special award at the close of this year.

An Intramural Handbook, now being prepared by the coach, will contain rules, regulations, sports calendar and other information governing all intramural and inter-collegiate sports.

"Help make this intramural program a success by participation," Coach Money urged Northern students. "Make sure your team is entered on time, ready to play as scheduled. A playing student body is a happier student body."

LOOKING THINGS OVER With Terry George

A glance at last weeks predictions gives us a batting average of 800; so with added confidence the Crystal Gazer Corp. after long and careful deliberation, has arrived at the following conclusions concerning the Big Nine—

NORTHWESTERN 20-7 OHIO STATE

PURDUE 19-13 MARQUETTE WISCONSIN 20-13 IOWA MINNESOTA 20-6 INDIANA MICHIGAN 41-13 ILLINOIS

A study of the national piskin parade brings the following predictions—

ARMY 40-0 V. P. I. GEORGIA TECH 20-6 DUKE NORTH CAROLINA 28-6 TENNESSEE CALIFORNIA 40-14 SOUTHERN CAL.

NOTRE DAME 40-13 NAVY

Although Ferris, according to the scores, made a better showing with Tech than Northern and the Bulldogs are said to have a heavier line than the Wildcat team; as we focus the crystal ball on the North Woods section, the background is a little blurred but pictures flash by now and then and they are dominated by Wildcats—to the tune of a 14-13 victory over Ferris Institute—to give Homecoming the proper atmosphere.

If one were to study the Northern football roster, one might notice that there are only three seniors listed, with one on the starting line-up. A good many of the boys have seen action this year also. These factors help to indicate a winning team next year.

Although there were still several games on the football schedule, a few of the boys were taking shots at the net-compensated areole—before the call was sent out.

The Northern applause meter shows a marked increase in the students' enthusiasm, over last year's report—Cheerleaders, let's keep this thing going.

Three games remain on Northern's football schedule. Ferris Institute Oct. 30 at Marquette, Northland College Nov. 6, and Detroit Tech Nov. 12 at Detroit. The Northern gridders are out to make it three straight victories.

Northern Loses Third Straight Against Tech

Unable to respond to a terrific scoring burst in the first few minutes of play Northern went down to its third defeat of the season at Houghton, Saturday, Oct. 23, 44-13. Playing before a capacity crowd of homecoming Engineers Tech scored on the first play of the game. Osterman went 65 yards on an off-tackle smash for the first touchdown. A few minutes later the power-laden Huskies drove to the one yard line where Peterson lugged it over making the score 14-0 with but 3 1/2 minutes played. Unable to gather momentum plus a few costly penalties which hurt Northern, Tech continued its scoring spurge with three more touchdowns in the second period—making a half time score of 32-0. In the second half Northern improved its play out-scoring Tech 13 to 12 but the first half margin built up by Tech proved too much for the Wildcats.

Opening kickoff was returned by Tech to their own 35 yard line. On the very first play Osterman, Tech fullback went off tackle to score. Conversion good Tech 7, Northern 0. Northern received and failing to gain kicked to Tech's 45 yard line. Tech chalked up two first down to Northern's 25 yard line, Osterman lugged it to the two and Nettel to the one. Peterson made it 13-0. Winkle's point after was good, 14-0. Puckett returned kickoff to own 33. Failing to gain on the next play Hart smashed 11 1/2 yards for Northern's first down on their own 44. McKindies and Hart combined to make it a first down on Tech's 46 yard line. After belated thrust was halted Northern kicked out of bounds on Tech's 28. Tech failed to gain and punted out on their own 43. Hart picked up 9 1/2 yards on first play and after an incomplete pass Johnson made it first down on Tech's 45. Engle ran from 7 yd. to 37 yard line after Hart was held to no gain. A fourth down pass to Gustafson was good for a first down on the Tech 27. Puckett's first down pass to Gustafson on the next play was nullified by a Northern offside making it first and 15 for Northern. Hart picked up three yards and lost four on the next play, a pass fell incomplete. On fourth down Freeman on a fake punt lugged the ball 13 yards but not enough for a first down. Tech took over on its own 18. On the first play Nettel carried 18 yards for a first down. Nettel grabbed a pass from Stenson and raced down the sidelines for a touchdown. Conversion missed 20-0 Tech. Northern returned kickoff to their own 30 yard line and failed to gain. Hart punted out of bounds on Tech 38 yard line. Osterman picked up four yards and then ran for a first down on Northern's 45. After a loss of two yards Nettel raced to Northern's 13 and a first down. After being held to no gain Peterson lugged it to the 1 yard line for another first down. On next play Stenson lugged it over for Tech's fourth touchdown. Try for point was blocked by Gustafson. Score Tech 26 Northern 0. Northern again returned the kickoff to own 30 yard line. Whitman on first play tossed to Puckett for a first down on the Tech 41 yard line. Pass to Minard was good for 5 yards. Hart carried seven yards and a first down on 29. Puckett picked up 2 1/2 yards and then ran for a first down on the 19. Three passes failed, resulted in a 7 yard loss and Tech took over. On second down Pettie ran to Northern's 3 yard line. Pettie carried it over for another touchdown. Try for point missed, making it Tech 32-0. Northern returned the kickoff to the 33 yard line and after picking up a first down punted to Tech's 39 yard line. Shortly before the half Freeman intercepted a pass on Northern's 37 yard line. Northern drove

to the Tech 28 when the half ended. Score Tech 32 Northern 0. Opening the second half Northern received and returned to their own 34 after failing to pick up a first down punted out of bounds on Tech's 19 yard line. Tech picked up two first downs bringing the ball to the Northern 15 yard line. Peterson drove to the three yard line and on fourth down Peterson lugged it across. Try for point was no good. Tech 38-0. Johnson returned the kick to his own 32. On second down Whitman to Puckett pass was good to the Tech 8 yard line. After Hart drove to the one foot line a bad pass from center sent them back on the 12 yard line. Hart picked up 7 yards. On fourth down Puckett aerialized to Gustafson for Northern's first touchdown. Try for point missed. Score 38-6. Tech returned kickoff to own 39 yard line and after a series of first downs Puckett intercepted a Tech pass on the 3 yard line and raced to the Tech 38 where he was hauled down from behind. After failing to gain Hart punted to the 15. A Tech pass was completed.
