Dear Brother

I Received

a Letter from

you yesterday but you
said nothing about farther
getting a letter from me
so it has not come yet
it seems that things are
going up in Dixon but
when they get up as high
as they are in Corinth
th you might talk
for poor ranced Butter
40 cts and Apples 5 cts ap
rice about one half of the
soldiers in the regiment
have sent home to share

friends for something they can
relish I expected to have ^{money} to pay the taxes with
got some pay from government and you take a copy of
before now but the officers of the receipt and then
tell me they dont expect send it to me and then
any pay untill congress if he can get boards
meets so I have give ^(up) and posts and fix the
pecting any money for six fence also for glass and
weeks to come if you Locks & for the house
could get what I wanted let him let him buy
on tick I would have the stuff on tick and
you send me something pay when he gets the
good to eat but if not money that will be the
I shall have to go without your best way for him to
you spoke about Taylor get the house fixt up
having some money soon does not the town give any
as his boys send him some thing towards the soldiers
that wont be before you families now I know that
you see that he raises before I left they talked
money enough come big of what they would

This st
and still
policiam
ong the
gehuyalo
makes the
ng sick at
heart the
pripelo
believe in
myahing
they thing
through
and be with
gone with
it I will
noya los
I have
you sent
my gary to
and hope to
Em
C. H. Hatch

do we got five new recruits
from I have so they got most
a hundred dollars bounty
before they came here
besides the government boun-
nty they will get if they
live as nigh as I can find
out the old soldiers families
dont fare so well as the
new ones but it is no time
now to grumble after your
neck is in the yoke but
let the old soldiers families
live on patristonds no m-
ater if they can only live
to git home there is lots
of soldiers here that wo-
uld give all of there gou-
ment pay to get home once
more they are getting tired of
the war
