

Sunday Evening March 12
Fayetteville N.C. 1865

Fear Brother having a few
minutes time I write to let you know
that I am still among the living
but it has been the toughest march that
any army ever had to go through in
this war day after tomorrow we start
for Goldsboro N.C. I have not time
to write you any news until we
come to a halt then we will have
free communication with the east then
I will expect to get some letter
when you next write direct your
letters to ~~the~~ 4th division ambulance
corps 15 A.C. where I am now & if
I have not to say any more the
first opportunity I will write again
