Dear Mand and Tom

Thank you for Mand's
fine letter of January 24 assuring
me of Tom's doing everything
he can to help on the white
Pine program in any kind of
way. I have felt 100% sure
that he would do this - in
fact he always has and I
appreciate it. It means a lot
to me as we will need every
possible bit of cooperation
and help of every possible person
in the whole district. There
will be matters of politics
and of labor shortage, hospital
care, cooperation of the
state on roads and other
matters where the people in

Ontonagon and the Chamber
of Commerce and all other
organizations will be and can be
so helpful. They of course will
have our union differentie. It's
a tremendous program and
we will certainly need every bit
of support we can get.

Hope to see you up
there some of these days.

Again so many thanks.

Harriet joins in sending
my best to you both.

Appreciatively and
affectionately,

Frank
