## SHORT BOWLING SCHEDULE OPENS MONDAY NIGHT

MARBLE-CARD TEAM HAS UNDISPUTED POSSESSION OF LEAD IN WINTER SCHEDULE

## KEEP RECORD ON ALL GAMES

A 16-game schedule has been arranged by Walter Vanderweghe for the Community Bowling league starting next Monday night when the Veneer Mill meets the Saw Mill team. The short schedule, independent of the bowling to date, was decided upon last week when the members of the various teams discussed the game following a fine banquet served at the Community gym.

A new schedule was decided upon because the record in games played during the winter had not been kept. Starting Monday night, Mr. Vanderweghe will keep all individual and team records.

Organized for Next Year  
Attorney G. E. Empton, presided at the program that followed the banquet for the bowlers. He called for expressions of opinion relative to an organization for next year, and this was favored. E. J. Noreus was elected president, Walter Vanderweghe treasurer and J. A. Sturgeson, secretary.

The following is the schedule arranged by Mr. Vanderweghe and which opens Monday night next:

- First Week:
- March 30—Veneer and Saw Mills
  - March 31—Legion and Flooring Mill
  - April 1—Office and Rotarians
  - April 2—Soo Line and Marble-Card
- Second Week:
- April 5—Veneer Mill and Soo Line
  - April 6—Legion and Office
  - April 7—Rotarians and Flooring Mill
  - April 8—Marble-Card and Saw Mill
- Third Week:
- April 12—Veneer Mill and Marble-Card
  - April 13—Legion and Soo Line
  - April 14—Office and Flooring Mill
  - April 15—Rotarians and Saw Mill
- Fourth Week:
- April 19—Veneer Mill and Office
  - April 20—Rotarians and Legion
  - April 21—Flooring Mill and Marble-Card
  - April 22—Soo Line and Saw Mill

Lost Only Two Games  
In the winter schedule that was closed this week, the Marble-Card team took first place and established an enviable record, winning 15 and losing but two games. The standings:

Marble Card	15	2	575
Soo Line	11	6	582
Flooring Mill	10	5	660
Rotarians	11	4	583
Office	9	6	594
Veneer Mill	8	8	500
Legion	6	11	348
Saw Mill	2	13	133

Ladies Close Schedule  
The schedule for the women bowlers was closed with the games this week. The Rosenblum team went through the schedule without one defeat. The other five teams were closely bunched in percentage.

## SATURDAY MARCH 28 LAST DAY TO REGISTER

Tomorrow, March 28, is the last day on which residents of Gladstone may register. The city clerk's office will be open from 8 to noon and registrations may be made during that period. Only those not already registered at their present addresses need to register for the April 5 election. To date there have been only a few scattering applicants for registration.

## SURPLUS H. S. CALENDARS ARE FOR SALE

The Class of '25 have a limited supply of H. S. Calendars which are to be sold to the general public. The calendars are of heavy grey cardboard with pink tassel. They have a very fine picture of the Senior High School Building, a poem in memory of school days and the class motto, "Finished yet beginning." These calendars were made primarily for the Senior Class. There is, however, a small surplus which will be sold to the general public. The price of the calendar is ten cents.

## STATE TAX LIST IS IN THIS PAPER

Appearing in this issue of the Delta Reporter is the list of lands which will be sold by the state for delinquent taxes on the first Tuesday in May of this year. The list is for all taxes delinquent for the year 1922. The State Tax list will be published in this paper for five consecutive weeks.

## TO KEEP BUDGET TO LOW 1924 RATE

COMMISSIONERS DISCUSS PROJECTS AT MEETING HELD MONDAY NIGHT

That the budget for 1925 for city expenses would be kept to the low level of last year was indicated Monday night at the meeting of the city commissioners with City Manager F. R. Buchner, Mayor Pro-Tem. H. J. Haskins presided and Commissioners, Matson, Call and Stephenson were present.

The city charter limits the tax for city purposes to one and a half per cent, or \$15.00 per thousand. The assessment last year was cut to \$14.50 per thousand and \$3,110 was raised for city purposes. This amount was made to cover all city expenses and when the fiscal year ends March 31, the probability is that approximately \$5,000 will remain. The City Manager is already busy at preparing the data for next year's budget and the subject was taken up informally Monday night in order to determine what public improvements might be undertaken this year. Items that would necessarily have to be taken into consideration in the preparation of the budget.

A petition for a concrete pavement for Michigan avenue, from Central avenue to 14th street was filed last week. The hope was that the work would be undertaken early this year, but the city's share of the cost, due to the location on that stretch of school and church property, is so high that the job may be put over for a longer period. There was also some action started for the paving of So. Ninth, from Wisconsin to Dakota, but this too will probably be deferred. The city undertook a large program of public improvements last year and the intention is to continue such projects as fast as possible, but not to an extent to exceed the amounts available through the regular taxes.

## FLAT ROCK PROPERTY SOLD BY A. J. BERCKMAN

A piece of property that for many years has stood in the Flat Rock settlement in Escanaba township changed hands recently. A. J. Berckman sold his store, residence and other buildings that stood just a half mile this side of the Holy Family church, to the Maringer Bros., who will conduct a general store and garage business.

The buildings were put up in the year 1899 by Mr. Berckman. For many years it was the busiest spot in the settlement. Several years ago Mrs. Berckman was taken ill and since her death more than a year ago the buildings have been but little occupied.

Mr. Berckman will leave early next month for a trip to Europe. He has relatives in Belgium.

## MISS MYRTLE SHIPMAN TO REPRESENT HIGH SCHOOL

Miss Myrtle Shipman was first place in the contest against Reno Payne, star ninth grade declaimer, held in the High School assembly room. Her declamation was, "Tonia Uge. Miss Payne gave, "A Man Called by God," by Thurston.

The judges were Messrs. Teague, Strickland, Wagner, and Quarntain, and Miss Huesman.

## Advance Agent Stuff

## WHAT DO GLADSTONE FANS WANT DONE?

Dear Sir:

The third annual spring meeting of the Upper Peninsula Baseball Association will be held in Marquette, Sunday, April 5.

If the baseball association in your city has not yet been organized, it is hoped that plans will be made at once to perfect its organization so that you may choose delegates to represent your club and that they be given authority to vote on the following matters and any other questions that may come up at the proposed conference:

1. Election of officers.
2. Adoption of the National code of baseball rules.
3. The advisability of electing a baseball commissioner whose duties would be to settle all disputes arising among member clubs.
4. Arranging schedules for the coming season.
5. Posting of forfeit money.
6. Whether Memorial Day should be selected as the date for the opening games of the association schedule.

Should you have any other ideas in mind, which in your belief, would work for a better functioning of the association, come prepared to present them at this meeting.

Officials of the association desire to perfect all plans for the coming season at the meeting of April 5th. If, for any reason, you have severed connection with the baseball club of your city this season, you would help the U. P. body by placing this letter in the proper hands for immediate action.

Hoping that your city will again become a member of the association, and looking forward for an early reply, I am,

Yours very truly,  
EUGENE SHERT, Sec'y.  
Upper Peninsula Baseball Ass'n.

## POLICE RAID HOME OF JOS. LEROUX

The Joseph Leroux home has been under suspicion by the local authorities for some time. The climax of the situation was reached on Wednesday morning when officers T. Xellerson and Brick Lindahl entered the premises.

Their find consisted of 30 gallons of corn mash, and six of whiskey moonshine. The still was in operation. Mr. and Mrs. Leroux were charged with the manufacture of moon and the keeping of a vice. They waived examination, and were bound over to circuit court on a bond of \$500 each.

## ROSENBLUM STYLE SHOW TO ATTRACT

LATEST OF SPRING STYLES TO BE DISPLAYED BY MODELS AT STORE TONIGHT

The Second Annual Style Show given by the Rosenblum Department Store will be held tonight, beginning at 8 o'clock at that place.

The latest modes in spring styles including party dresses, coats and street outfits will be displayed. The following will act as models for women: Mrs. Joe Louis, Mrs. Ed. Miller, Misses Alice Caron, Blanche Olson, Blanche Mathison, Anita Rosenblum, Ruth Noreus, Margaret Blodgett and Mary Jenky.

There will be a fine assortment of children's styles displayed by Mary Krueger, Dorothy Papisana, Mary Glenn Jackson and June Rosenblum. The Gladstone Orchestra will furnish the music.

## HEALTH CONDITIONS IF ARE FAVORABLE

SCHOOL NURSE DECLARES NEED FOR CO-OPERATION OF PARENTS

In interviewing Mrs. Kaney, the school nurse on the health situation in Gladstone at the present time, she states that conditions are for the most part favorable.

German measles, mumps and whooping cough are prevalent among the children. Although these in themselves are not serious, their contagion is. Whooping cough is especially dangerous to younger children. Mrs. Kaney asks that parents who have children suffering from any of the diseases named, keep them entirely isolated. If they are kept out of school, they should not be allowed to go to business places, other people's homes, or any place where they will come in contact with others and thus spread the malady.

A great deal of the work lies with all children must sooner or later have, and therefore do not take any special pains to prevent them. This is not true. These diseases are in no way beneficial and often times prove very detrimental by serious after effects such as poor weight, deafness, and a general weakened condition. Many children would never have these if proper precaution were taken by their parents, and also by the parents of other children who are suffering from them, thus preventing their spread.

## TO HOLD SPECIAL LENT SERVICES AT METHODIST

Rev. H. W. Colesco has announced that beginning Monday, March 30, and for two weeks, special Lenten service will be held each night at the Alice Memorial M. E. church. During the services which will continue until Easter Sunday, the pastor will speak on the "Fundamentals of the Christian Church."

## LYCEUM NUMBER TUESDAY MAR. 31

C. M. SANFORD, VOCATIONAL LECTURER, COMES HERE SECOND TIME

The difficult problem, "what shall I do in the world" is made much easier by the lectures of Chester Milton Sanford, widely known educator, and vocational expert. Each of us is better for one kind of work than another.

Mr. Sanford is well equipped for work in his chosen field having studied psychology in Cornell University under Doctors, De Garmo, Titchener and Whipple. With this thorough training, he did not go into his study, but went directly to the young people to work with them. An principal of a large academy, as city superintendent of schools, and as professor in a teachers college, he has gained first hand knowledge of the needs of young Americans.

His great ambition has been to get alone to industry. He has been with miners at their work in the mines. He has spent days in steel mills, blast factories, textile mills, both in the north and south. He has had hundreds of conferences with railroad officials, superintendents of mills and mines, department store managers, and heads of industrial concerns. He approaches his subject from every possible angle.

More than 200,000 words from Mr. Sanford's pen have appeared in the leading educational magazines of America. His text books are used in many leading cities of the country, including Chicago.

It will be recalled by many people who attend the Lyceum Numbers that Mr. Sanford lectured here two years ago. At that time, he pleased a large audience and many people are looking forward with pleasure to his reappearance.

## TEACHERS EXAMINATIONS AT ESCANABA NEXT WEEK

The Teachers Exams will be conducted at Escanaba on April 30, May 1 and 2. So far, the following Senior have decided to take the examinations in Gladstone at the present time, they are being instructed by Mr. Teague: Alice Smulding, Wallace Cameron, Keith Campbell, Bernard DeHooghe, and Earl Raiche.

Some general information is regarding these examinations is given below:

1. A part of the questions for all grades of certificates in the teachers' examination for April will be based on the State Teachers' Reading Circle books for 1924-25.
2. The State Teacher's Reading Circle books for the year are: Thorndike, psychology of arithmetic, MacMillan Co. Mace, Method in History, Rand McNally and Company.
3. Practical problems of the school—R. H. Canboro & Co.
3. Questions in reading for the April examinations will be based on The Sketch Book by Irving.
- Five questions in Arithmetic will be based on the Reading Circle, book, Psychology of Arithmetic.
- Three questions in history will be based on the Reading Circle book, Method in History.
- Three questions in course of study will be based on the reading circle book, Practical Problems of the School.
- The books named have been sent for, and will be available at the Public Library very soon.

Miss Gertrude Schusterich is expected to return to her work at the city hall next week after an extended illness.

## DESERTED CHILD STILL UNCLAIMED AT LAPONT HOME

MRS. LAPONT SAYS SHE EXPECTS PARENTS TO RETURN FOR BABY BOY

## MIGHT HAVE BEEN STOLEN

A mystery has attached itself to the thirteen month old child recently left at the home of Mr. and Mrs. Paul LaPoint, 155 Minnesota avenue. The baby was left there, by a woman in a Ford Touring car, to be taken care of for a few hours while the mother rushed her husband to St. Francis hospital last week Thursday. That was the story hurriedly told Mrs. LaPoint.

Will Baby Be Claimed?

There is a great deal of comment as to the final outcome of this situation. Mrs. LaPoint has expressed heretofore, the hope that she might not set to the effect that she does not think sufficient time has elapsed to come to a decision. In the capacity of a nurse, she has been in a position to meet with many people and she is still convinced that the parents or some friends of the child will turn up. The person who left the baby may have done so trusting implicitly in her care, and expecting to return soon but has not been able to do so because of the mentioned illness in the family. In the dim twilight, it would have been impossible to recognize any one.

The condition of the roads at the present time is this vicinity points to the fact that he child must be at least from Delta County, as it would have been impractical last week to get in here from a great distance.

May Be Girl's Baby

Mrs. Kaney, the School Nurse, has suggested that the baby may have been taken from the parents of wealthy people, and is being held for ransom by the party who left the child at its present home. It is an evident fact that the baby has been well cared for, and appears to have come from a well bred family. Apparently, he has not known the care of a mother. The word, mother, awakens no interest whatever in his mind. "Daddy" is his only cry. He shows a great concern for Ford Touring Cars, that bear the kind in which he was brought to the LaPoint home.

Some people are of the opinion that the baby was not left by a woman but a man disguised as such. Should it be a case of cross holding the child for ransom, that might have been the case.

## BEAVER LAD BLOWS OFF LEFT HAND, INJURES RIGHT

Arman Toussaint, age 10 years, blew off his left hand Sunday morning while playing with a dynamite cap. He was in the company of several boys in the vicinity of the Beaver School house. The lad first used the cap for a whistle. He then placed the end of it with a pin. In so doing, it exploded and completely mutilated his left hand and injured the right.

He was rushed to St. Francis hospital where it was found necessary to amputate his left hand. The doctors in charge expect to be able to save the right hand.

## Man Killed at Chemical And Iron Company

Dave Boon, a colored man, who has been employed by the Delta Chemical and Iron Company met his death just before six o'clock Sunday morning. He was shoveling iron ore at the time. A very heavy chunk of ore fell from above striking him with its full force. The ambulance was sent for to rush him to medical attention. Death came fifteen minutes after the accident before Escanaba was reached. Mr. Boon is from Louisiana. He has been employed by the Delta Chemical and Iron Company for some time past. He was blowing his home at Escanaba.

## TRANSFER MODERN WOODMEN CAMP

RAPID RIVER MEMBERS WILL BE ASSIGNED TO ARBUSUS CAMP NO. 3020

Permission has been secured from central headquarters of the Modern Woodmen of America for the transfer of Popular Camp No. 457 of Rapid River to Arbusus Camp No. 3020 of Gladstone. George E. Shorey, clerk of the local camp, has announced that the transfer will be effected April 1 with payment of March dues to the lodge here.

The discontinuance of Popular Camp marks the end of a fraternal organization that was active in the life of the community in the earlier days. In 1907, there were 89 Modern Woodmen in Rapid River, and the fraternity was connected with the social life of the village. Transfers

and deaths have resulted in a dwindling membership, there being 18 members left for transfer to the Gladstone camp.

Mr. Shorey's decision to ask for the transfer was the result of his uncertainty of being able to continue to take care of the work. It takes considerable time to attend to all the details and this he did while he had the opportunity.

The transfer of the Woodmen camp does not affect the Royal Neighbor lodge here.

## PICTURESQUE PAGEANT TO DEPICT EARLY DAYS

A historical pageant is to be staged in connection with the convention of the Michigan Pioneer and Historical Society to be held at Benton Harbor June 4th and 5th.

The pageant will be given in the new Benton Harbor high school stadium, and will represent the first 100 years of the history of the St. Joseph River valley. Supt. S. C. Mitchell is busy gathering data from all parts of the valley for the picturesque episodes which will be portrayed.

The Benton Harbor Chamber of Commerce is backing the event, and the civic committee has mapped out an advertising program that will bring thousands of visitors from all parts of the Mississippi valley to the twin cities and to Michigan. It is proposed to advertise the pageant liberally through the various tourist associations.

## MAD DOG GETS AWAY FROM ARMED POSSES

Residents of the community were given another scare Wednesday forenoon when warning was sounded that another mad dog had been seen at large. Several men with guns came to the assistance of Ozzie Fred Smith but after a long search, no further trace of the diseased canine was found. Mr. Smith saw the dog, frothing at the mouth, just as he was getting into his car Wednesday forenoon. He hurried into the house to get his gun but when he came out again the dog was beyond shooting distance. Others were called out to help and a search was made, without result. Several of the men stood watch along the road at noon when the children were going between the school and their homes.

## Little Newslets

Mrs. Schultz who has been ailing through the winter months, is now reported to be getting along better.

Carl Stenlund, who broke up his camp at Trout Lake last week, returned to Rapid last Friday.

George Bergman and family visited Sunday with Ed. Johnson at Maple Ridge. From there they motored around to Little Lake and found the roads in good condition.

The McElwain refrigerator at the Peterson & Bergman market was connected up on Monday in preparation for the warming up of the weather.

Ed Lind and Otto Olson returned Tuesday from Iron Mountain where they attended the Auto Show.

Mr. and Mrs. B. J. Viny were in Rapid Monday night.

George Bergman was in Escanaba in business Wednesday.

Hugh Harris has suffered another setback from his operation of several weeks ago and has been compelled to give up his work at the mill.

Fr. Guertin was in Escanaba for a short time on Tuesday.

Alvin Berg started to work Wednesday at the Rapid River Co-Op cranberry.

Mr. and Mrs. N. E. Hall spent the week end at Stephenson with the latter's parents, Mr. and Mrs. Peterson.

Mrs. Harry Norden, and her children, of Perkins, are visiting her mother, Mrs. R. C. Young.

Miss Gertrude Darrow visited friends here Sunday.

Mrs. Levi M. Barboe of Ensign spent the week end here with her mother, Mrs. Nels Lagerquist.

Miss Agnes Kirch, who teaches at Winters, spent the week end with her parents, Mr. and Mrs. C. E. Kirch.

Mr. and Mrs. Herman Stenlund visited in Osgood Sunday.

Rev. Fr. Schaul of Spaulding was here Tuesday visiting old friends.

Mrs. P. N. Halgren and son Roy visited Mrs. Halgren's mother, Mrs. Schultz, Sunday.

Bruno LaViolette spent Tuesday with his aunt here, Mrs. E. L. LaViolette.

Mrs. John Birch, Ensign, visited friends here Sunday.

Mrs. Grace Minor and Mrs. N. E. Hall visited Tuesday with Mrs. Henry Lueter in Gladstone.

Nels Westling was in Gladstone Wednesday.

B. G. Gustafson of Osgood spent Monday with his daughter, Mrs. Stenlund, in the village.

Mrs. Grace Minor and children will spend the week end at the home of the former's brother, Bert Ames of Gladstone.

Miss Cecelia Decker of Escanaba was here Sunday visiting Emma Schultz.

Joe Curry, who suffered a stroke of paralysis on March 16 rallied again on Wednesday and some hope is being entertained for his recovery. Mr. Curry is in his eighties.

## LIGHT COMPANY TO PUT UP NEW LINE

The stockholders of the Rapid River Light & Power company met Tuesday night to talk over their plans for the installation of a new power line. The plans now are to connect with 4000 volt line back of Kipling, and to change the poles that are now coming through the swamp, to the side of the main highway, thus providing service for residents along the way.

The new connection will also give to the local company more than enough power to supply all present and future demands. Just now there are many requests for connections which it was impossible to grant due to the fact that the available power is being used to the limit. If the plans are gone through with, Rapid River will be getting its current directly from the power plant at Flat Rock, instead of through the Gladstone circuit with the present connection at Kipling.

In order to make the change, it will be necessary to put in several new poles from the present connection to the heavy volt line back of Kipling. As soon as the frost gets out of the ground, the company intends to put in the new poles along the highway between here and the point south of Fishers' Corner where the present line is taken into Rapid through the swamp.

The company is anxious to provide a better service and the changes are to be made at considerable expense in order to better take care of the needs of the community.

## COLLEGE TO PLANT 3-ACRE TRACT ON ROUTE M-15

County Agent Joe Turner was in Rapid Wednesday in connection with the work of selecting a three-acre tract of land, upon which the Michigan Agricultural college will plant white pine trees. The intention is to select the tract along route 15 east of here. The trees will be looked after by the college as a forest preserve.

## ELECTRIC PUMP PUT INTO USE ON MONDAY

The electric pump for the water supply at the Rapid River school, purchased some time ago by the board of education, was installed over the week end by George E. Shorey, Monday morning found it ready for operation. John P. Mallon did the electrical work.

The new pump is a Fairbanks Morse motor driven air pump. It keeps 100 pounds of pressure in an air tank which provides the pressure for the water supply. The old pump was driven by a gas engine. This was installed 14 or 15 years ago and the constant service had worn it down to a point where but little service was left in it.

## SPECIAL RAIL RATES FOR JUNE HEAD CAMP

One and one-half fare rates will be in force in all parts of the United States, except New England, for the Modern Woodmen of America Head Camp.

Deputy Fire and Game Warden Jack Vizona of Munising and Thoron of Negaunee, paid a visit at Rapid on Wednesday.

Mrs. Archie Bodah went to Iron Mountain Wednesday to visit her sister, Mrs. Duncan McDonald.

Miss Loretta Siman of Spaulding visited friends here Tuesday.

Camp to be held in Milwaukee next June. This concession has been granted not only for delegates, but for members generally and their families. The certificate plan of identification will be used. Sufficient time will be allowed before and after the meeting to allow for traveling, the rates being effective in most sections for about two weeks. Those coming from New England will have the advantage of rates from the New York state line and those from Canada from the international boundary. From Pacific coast points tourist rates to the east will be in force throughout the summer.

## NOTICE OF DISSOLUTION OF COPARTNERSHIP

NOTICE IS HEREBY GIVEN, that the copartnership heretofore subsisting between Carl Stenlund, Albert P. Peterson and George Bergman, all of Rapid River, Michigan, under the firm name and style of Peterson and Bergman, in the meat and grocery business, was dissolved, by mutual consent, on the 23rd day of February, A. D. 1925, so far as relates to said Carl Stenlund, who retires from said copartnership.

All debts due to said copartnership, and those due by them, will be settled with and by the remaining partners, who will continue the business under the firm name of Peterson and Bergman.

Dated February 25th, 1925.  
CARL STENLUND,  
P. A. PETERSON,  
G. A. BERGMAN.

## CHEVROLET TRUCK SALES TO GO UPWARD

During 1924 the Chevrolet Motor company was the third largest truck manufacturing concern in the world, being surpassed in the number of trucks sold by only two other automobile companies. Plans are now being formulated which, it is expected, will greatly increase truck sales during the present year and may place Chevrolet in second position for 1925.

There were nearly 24,000 Chevrolet trucks sold last year. These included both the commercial chassis and utility express types, the greater portion sold, however, being of the latter styles.

An analysis of 1924 sales, R. H. Grant, vice-president and general sales manager asserts, shows that farmers, dairymen, stock raisers, oil dealers and urban business requiring medium weight delivery cars were among the larger buyers of the utility express. A considerable number also were used for school buses.

## 3 FINED FOR DRIVING WITHOUT LICENSE PLATES

Three were fined Tuesday by Justice of the Peace L. R. Messenger for driving without proper licenses, charges brought by Constable Fred Smith. The three young men, Ira Elliot, Ben Laraby and Matt Majestic, pleaded guilty and were each fined \$10.00 and costs of \$6.50. They maintained that they had been unable to secure license plates because they had not been provided with certificates of title at the time the cars were purchased. One of the men stated afterward that he had purchased his car from Mr. Messenger and had asked repeatedly for the title.

Auxiliary Served Lunch  
The Ladies Auxiliary and American Legion members met Wednesday night at the Scout room. A fine social evening was enjoyed and lunch was served by the ladies.

## The Judge:

KEEPING AMATEUR ATHLETICS UNSULLIED—BY M. B.

**RAPID RIVER NEWS**

**LEGION RECEIVES CAPS ALSO TO GET RIFLES**

Members of the local post of the American Legion have received caps which will be worn on all public occasions when the former service men turn out in a body. The caps are of the overseas style, blue color, and very attractive. Cartridge belts have also been received and within a short time rifles will come from the Rock Island arsenal. These will be for a firing squad to do duty on occasions when military rites are called for.

**RUF JOHNSON GETS A BUGLE, DIDN'T LIKE IT**

For a long time the local Legion post has been wanting a bugle. C. R. Johnson, local druggist, was to be called upon to serve as the official bugler. The Legionnaires arranged to provide a horn this week, but somehow, Ruf was not entirely satisfied, and the post is still without. The boys got together in an effort to satisfy the desire for the famous army noise maker. A few days after being told that a bugle had been ordered, Mr. Johnson received notice that a package addressed to him was received at the local post office. "Ah," thought he, "the bugle at last." Accordingly he paid the "charges" got the package over to his store and opened it. A nice little toy horn was revealed. Ruf wasn't quite ready to accept that.

**SPRICK TO BE BOUND TO CIRCUIT COURT**

Richard Sprick, arrested last Saturday night by Sheriff Joe Carney and two deputies, was arraigned Monday forenoon in Justice Phil Hupp's court at Gladstone, on a charge of possessing intoxicants and keeping a place for its sale. He waived examination and was bound over to circuit court under bonds of \$500. With Sheriff Carney in the raid there were Underheriff Elmer Swanson and Deputy Clem Tordure.

**Osier Man Has Eye Injured By Cow's Horn**

William Hobbs, mail carrier of Osier, suffered an injury to an eye on Sunday, when the horn of a cow which he was passing struck his face just on the side of the eye. He came to Dr. Miller's office here on Wednesday, accompanied by his son, Ralph Hobbs and Ted Minor, to have the injury attended to. Mr. Hobbs' face is badly swollen and the seriousness of the injury will not be determined until later.

**Taxi Go's In Ditch**

A taxi belonging to the Wm. Heipig garage of Gladstone, went into the ditch early Tuesday afternoon near Day's river between here and Gladstone. A rod on the steering apparatus let go. The car was driven by Tat Heipig and there was one passenger. It was just starting out after letting off one passenger, and the car veered slowly into the ditch without much damage being done.

**Memories--Rapid River**

**20 YEARS AGO**

(Rapid River Local, March 15, 1905.) Oscar Westerback a young svede employed at Johnson's camp this winter went insane this week, and was taken to Escanaba Tuesday. He was considered bright, but it is said strong coffee unsettled his mind.

A party of her friends surprised Mrs. James McPherson Tuesday, it being her anniversary. She was presented among other gifts, with a chocolate set.

Eugene Hanson, John Sandstrom and the Misses Margaret Sandstrom and Teekla Tengblum of Gladstone visited friends here Wednesday.

A number of friends of Miss Edna Christenson surprised her Monday on the occasion of her birthday. They all had a nice time.

Louis Tobean lost a mare Monday. The animal was found dead in her stall which she tried to wreck.

J. A. Caswell is building a fifty

FIRST PHOTO OF VISIT OF GEN. PERSHING TO CUBA, WHERE THE FORMER C. I. C. IS NOW ILL.

foot barn on his lot. He also meditates running for highway commissioner to keep busy.

Mrs. Wm. Reis died at Brampton Wednesday after eleven weeks illness of consumption. She leaves two children.

Oscar Larson had another portion of his foot removed this week. John Bergman is getting better.

A basket social will be held Saturday at Wikstrom's. Some people from Gladstone are expected.

William Martin failed to break camp this week, as he expected. He was down Wednesday.

Moses Buchman went to Escanaba Tuesday to turn in the taxes collected in this township.

Mrs. Eugene Etker of Negaunee came Saturday to visit her mother Mrs. Roberts.

Napoleon Venne hurt himself quite badly in the woods this week.

J. W. Bell returned Tuesday from Indiana where he spent the winter.

Born, Sunday, to Mr. and Mrs. Fred Ackley, a large sized son.

Born Tuesday, to Mr. and Mrs. William Laing a daughter.

August Goodman and Miss Lotti attended the concert at the mission church in Gladstone last Friday.

Miss May Farrel spent a few days in Gladstone lately, returning Tuesday.

Miss Annie Desmond was out of school this week, because of the gripe.

Napoleon Boudah moved down Sunday from the woods.

Alex Latromboise broke camp, and came down Monday.

Fr. Legovan visited Fr. Deschamps here Wednesday.

E. W. Kaney moved to Gladstone last week.

T. P. Cullinan visited his family here Wednesday.

(Rapid River, March 25, 1905) A son was born this week to Mr. and Mrs. Gus Roberts.

Frank Gravelle returned on Monday from Big Rapids.

John Cavill hurt himself Monday while lifting.

Mrs. Jesse Rushford is very ill.

August Goodman went to Escanaba Wednesday night on business.

Miss Adeline Venne of Iron Mountain is visiting her brother Napoleon. Delore Venne his cousin from Dakota, stopped with him a few days this week.

Levi Barbeau is reopening his camp. He will commence vigorous operation about the first of April.

Levi Bahideau moved down from Francis' camp Thursday. His friends did not recognize him for his beard.

**CARD OF THANKS**

We wish to express our appreciation to friends and relatives who assisted us at the time of the illness and death of our wife and mother.

J. L. BLANSTROM and FAMILY

By Peter Katgan Special Correspondent for the Delta Reporter

**PRESIDENT COOLIDGE** has at last succeeded in getting a whole Cabinet together, though it was doubtful for a time if he was going to be able to do it. The last Cabinet officer to be sworn in was the Attorney General, John G. Sargent—a neighbor of the Coolidges back in Vermont and an old family friend. It was quite a surprise to Sargent when Coolidge summoned him to Washington and he hasn't got over it yet, giving, however, every indication of maintaining the higher traditions of the Attorney Generalship. He is over six feet tall and with a weather-beaten countenance testifying to long days in the open in the Vermont hills.

**FOUR OF THE** ten members of the Cabinet are now of the President's own choosing, but the others are there at his invitation. His personal appointees, besides Sargent, are Kellogg in the State Department, Wilbur at the Navy and Jardine of Agriculture. Hoover, Weeks, Davis and Mellon were in the original Harding Cabinet, Work came in as Postmaster General when Will Hayes quit, and was transferred to the Interior when Senator New was made head of the Postoffice Department. The understanding is that Mellon, Davis and Hoover will remain for another four years, but Weeks is reported to be planning to leave the War Department within a few months.

**SECRETARY JARDINE'S** first important official act after he assumed control of the Department of Agriculture was to order a comprehensive

investigation of the grain gamblers. It was only a few weeks ago that he was living in the midst of the Kansas wheat growers who are the ones that suffer when the bottom drops out of wheat in Chicago. The recent fluctuations of wheat on the Chicago Board of Trade aroused Jardine's curiosity and likewise his ire, the next step being an official inquiry under the federal law which prohibits price manipulations. The law was written by Senator Arthur Capper of Kansas, one of the men who was influential in getting Jardine into the Cabinet.

**THE SIXTY-EIGHTH** Congress came to an end without taking any definite action on the Muscle Shoals problem aside from leaving it to the President to name a commission to study the question during the summer and to make a report to the 69th congress in December. In the meantime, the Muscle Shoals power plant will be operated by the Government, but there will be no extensive manufacture of fertilizer, which will be one of the chief domestic uses of the Alabama properties when they are developed to their fullest efficiency. In defeating the so-called Underwood Bill, the Government-ownership crowd in Congress prevented the Muscle Shoals property from going into private hands.

**SENATOR BORAH'S** definition of a "radical" is a "man who believes in the constitution of the United States." The Idaho Senator ventured this remark during the stormy debate in the Senate over the nomination of Charles E. Warren as Attorney General—the name of "radical" having been applied with some heat by pro-Coolidge newspapers to those Republican Senators who refused to go along with the Administration in supporting Warren. Borah would not be turned, however, from his determination to oppose Warren and his fiery speech opposing the Michigan man was one of the reasons for Warren's final rejection in the face of insistent White House demands for his confirmation.

**SALARY INCREASES** granted Senators and Congressmen—from \$7,500 to \$10,000 a year—are expected to have the result of increasing apartment rentals in Washington, despite the fact that Congress turned down many proposals for pay increases for thousands of lesser Government employees. The rents will be boosted by apartment owners with the expectation that the Congressmen will be easily able to pay them, and the other employees will be the ones to suffer because they will not be able to meet the new scale. The big salary increase that Congress granted, outside of its own pay, is for postal employees. More than 300,000 Postoffice workers throughout the country will profit, parcel post rates being moved up to cover the additional federal expenditure.

Love, adventure, mystery. The elements that combine to make a story worth reading. You get these in "The Truant Soul," a story written by Victor Rousseau for readers of The Delta Reporter.

**ALL WORN OUT?**

So Was Mrs. Balangia Who Tells Her Experience

Are you tired all the time; wornout night and day? Does your back ache as if it would break? Do you suffer dizziness, headaches, rheumatic twinges or distressing urinary disorders? You have good cause, then, to be alarmed about your kidneys. Do as many of your townfolk recommend. Use Doan's Pills—a stimulant diuretic to the kidneys. This Gladstone case is convincing:

Mrs. Joseph Balangia, 630 Voorhis Ave., says: "I had a severe cold. Kidney trouble came on me and I suffered with a dull ache through the small of my back. When I straightened up or turned quickly, sharp stabbing pain started across my kidneys. My kidneys were weak and acted far too often. I felt worn out and had no ambition to get about my housework. After using Doan's Pills from Dehlin's Drug Store, I was cured."

**SMALL BLAZE AT COOPERAGE PLANT**

The Fire Department was called to the Buckeye yards Saturday to put out a small blaze in the roof of a shed there. The employees of the company had the fire well under control when the firemen arrived. No damage resulted.

Intensely interesting  
Dorcas—And the dinner table was illuminated by 26 candles.  
Phillips—Thirty-six scandals! Tell me about them.

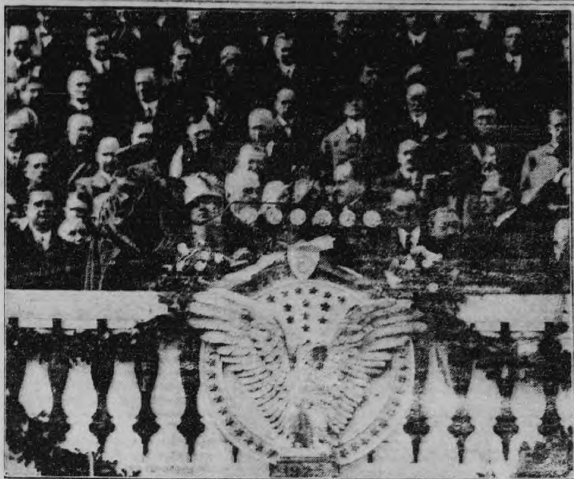

**Want Column**

**WANTED**—To hear from owners having farm for sale near Gladstone Warren McRae, Logansport, Ind. 1160-47-41.

**SELLING OUT**, Paints, varnishes, Wallpaper and tools sold cheap. Mrs. K. J. Olson, 815 Michigan. 1099-49-21.

**WANTED**—Housecleaning work by two women. Inquire Mrs. Prince, 612 No. 5th St. 1165-50-11.

**FOR SALE**—Combination book case and writing desk. Call 1223 Michigan. 1104-5016.

**COOLIDGE TAKES THE OATH OF OFFICE**

President Coolidge taking the oath of office from a stand at the Capitol, becoming the thirtieth President of the United States. Chief Justice Taft swearing him in with cotables grouped about and thousands in the Capitol plaza witnessing. Left to right are: Senator Lee Dreyman, Everett Sanders, seated, Center Chief Justice Taft, Mrs. Coolidge, President Coolidge, Colonel John Coolidge, Senator Charles Curtis, chairman of the inaugural committee.

**SOREN JOHNSON'S BUILDING IS SOLD**

**IRON MOUNTAIN MAN WILL OPEN NEW RESTAURANT IN GLADSTONE**

A deal was closed late last week by which Anton Fliris of Iron Mountain becomes the owner of the Soren Johnson property at the corner of Delta avenue and Ninth street. Mr. Fliris has been in the restaurant business at Iron Mountain, and this was sold recently. In looking over various locations in the peninsula, he decided on Gladstone.

The work of remodeling the building for a restaurant will be undertaken starting about April 13. The new business will be ready for its opening in a few weeks. It is Mr. Fliris' plan to make it up-to-date in every respect.

**FOUR CARS FIGURE IN TWO COLLISIONS**

Two separate collisions were recorded Wednesday evening within a short time. At 7:35 p. m. a car driving south on 9th street by William Heslip and another turning in from Superior and driven by Tea Oulen, came together with a crash and they were stopped up with the Ohlin car up against the gas tank in front of the H. J. Norton Ford garage. Neither driver was hurt, the Ohlin Ford coupe was damaged on one side and the

Heslip taxi was damaged in the front. Later in the evening when Miss Juanita Kanney, teacher at Rapid River, came from the south on 4th street and attempted to turn left on Delta, a closed car from Escanaba cut in front and some damage was done to both cars. The front wheels of Miss Kanney's car were bent out of place and the left rear wheel and side of the other car was bumped.

**VAN MAKES THE GRADE**  
Many have predicted as they watched Walter Vanderweghe at his bowling, that he would hit a perfect mark before the end of the season. He did it Tuesday night, getting the 13 strikes in a row. The 300 score is seldom reached. It never was reported here or at Escanaba.

**PREPARES FOR NEW BUILDING**  
W. J. Micks had a crew of workmen busy this week clearing up the lot just around the corner on Central avenue, next to Green's hardware. Mr. Micks is thinking of putting up another modern building at that location.

**SURE SIGN OF SPRING**  
Among the signs of spring, was the taking down of the storm shed at the fire hall. Gus Peidt and Bill Marshall decided that the cold north blasts were of the past.

**GOES TO FERRIS INSTITUTE**  
Miss Grace Smith left this morning for Big Rapids where she will attend Ferris Institute. She is a graduate of Gladstone High, Class of 1924.

**ADD TO CITY COM STORY 1**  
The city contemplate repairing the east end of Delta avenue, and laying concrete pavement over the block in front of the city hall.

**You Buy But One Furnace In a Lifetime**

**Why not buy a good one?**

The Waterbury Seamless Furnace is a good furnace. Installed in the Waterbury way it is the cleanest, most healthful, most economical heating system for any home, at any price.

**For Cozy Home Comfort Install a Waterbury**

Come in and see this wonderful furnace displayed at my store.

**MIT CALL**  
"Call on Call"

Central Ave. Phone 249

**Gladstone Program Over Escanaba Radio**

Sunday night is to be Gladstone night from Station WRAC of Escanaba. The program will be started at 8:30 o'clock. The entertainment will consist of the following numbers: Gladstone Orchestra—Selections. Vocal Solo—Mrs. Lucier accompanied by Mrs. Gervais. Gladstone Holy Name Quartette—Selections. Violin Selections—Robert Pare accompanied by Viola Poster. Piano Selections—Miss Astor Skoquist.

There is a great deal of interest in this program. It is the first in which Gladstone has participated. Undoubtedly many Gladstone radio fans will be listening in on this program.

"The Best Place to Trade After All"  
PHONE 48

**START RELIEF FUND AT LOCAL BANKS**

Gladstone residents disposed to contribute towards the fund for the relief of the people in southern Illinois stricken by a tornado last week, may leave their contributions at either of the local banks. Both Mr. Noreus of the First National and Mr. Olson of the State Bank arranged yesterday to make these collections and forward them to the relief organizations. Over 500 were killed and thousands were injured and left without homes by the terrible storm.

**KIPLING**  
Mrs. J. A. Mannigan  
Representative, Phone 225-J

Misses Selma and Rose Stock were visitors at Perkins Tuesday.

B. H. Micks and P. J. Corbett were business callers at Brampton Thursday.

George Rivers who has been a patient at St. Francis hospital for the past several weeks with injuries sustained to his foot returned to his home here Sunday. He is improving rapidly.

Orin Maki son of Mr. and Mrs. Simon Maki is a patient at the Sanatorium at Powers.

Matt Nelme has left for Powers where he will receive treatment at the sanatorium.

Antone Voelker of Brampton was here on business Monday.

Hazel Pauquin daughter of Mr. and Mrs. Edmund Pauquin is seriously ill with pneumonia at Escanaba.

**Boys Show Interest In New Scout Troop**

About 30 boys answered the call for the organization of a Boy Scout troop Tuesday night. Ray Shaw of Escanaba, Boy Scout executive, was over to assist Sylvester Schram in the organization. The troop is to be sponsored by the local Legion post and several members turned out to help also. The patrol leaders will be named in a later meeting. It being planned to hold regular meetings each Tuesday night, at the Wassa hall.

**Personals**

Louis Louis was the victim of a severe drowning Wednesday when he went through a hole in the ice over Bay de Noc. He managed to pull himself out, none the worse except for the wetting.

Messrs. Emil and Carl Sundling have left for Chicago where they will accept positions.

Mrs. Edyth Jackson who is attending Marquette Normal returned to her home here today to spend her spring vacation.

Mr. and Mrs. O. Sundling and daughter Jewell of Isabella visited over the week end at the home of Mr. and Mrs. D. F. Sundling of this city.

Miss Signey Lindberg will return to Onaway, Mich on Saturday morning where she is teaching school.

Miss Lennea Anderson will return today from Marquette Normal to spend the Spring vacation with her parents here.

Mrs. A. D. Harris is out again after her recent illness.

**'Founder Day' Program**  
The Women's Foreign Missionary society will give a program in observance of "Founders Day" at the M. E. church, Friday, March 27 at 8 o'clock. Living pictures will illustrate the work and growth of the society. A social hour and refreshments will follow the program. A small admission fee will be charged.

**CALLED TO SON'S BEDSIDE**  
Mrs. John E. Johnson left yesterday morning for Neenah, Wis., having received word that her son, Edward, had been taken seriously ill. He hurt his back while at work and fainted away.

**PURCHASE HARRINGTON STORE**  
Mrs. R. Bovin has made arrangements to purchase the store run by Mr. and Mrs. Harrington on the corner of Tenth and Delta. She will open the place of business to trade in a few days.

Read the Delta Reporter for Bargains.

**COMMUNITY THEATRE**

Saturday, March 28

Thursday and Friday, April 2 and 3

**"HIT AND RUN"**

Comedy "Broadway Beauties" Shows 7:30 and 9:00 Admission 10-20c

**SCHOLARLY SQUIBBLES**

**SPRING**

Spring is here. Oh! lovely spring  
The man hunt now is in full swing.  
Those sly seductive little flappers  
Embossed in multi-colored wrappers,  
Have all put out to sea.  
They sail in groups, in pairs and  
single.  
That set my heart and nerves a-tingle  
With smiles and clothes that are so  
daring.  
I blush to think that what they'll be  
wearing.  
When whiny blasts honked round the  
school,  
I said a girl its but a fool.  
But now somehow they seem quite  
tasty.  
I feel I was a bit too hasty.  
In fact, at times they are quite  
handy.  
The other night I copied a dandy  
And somehow what she did or said  
Has gone completely to my head.  
If pirates sweet like her do lay  
Upon the ocean seeking prey  
Then to the ocean travel feet,  
And let me be their easy meat.  
Let hurricanes and typhoons blow,

But to the land I'll never go  
Until a pirate catches me.  
And keeps my heart with her at sea.  
Mid-Nite Oil.

**Logical**

Soren Johnson thought the author,  
Cardinal Newman, was a cement mixer  
because he liked the concrete  
instead of the abstract.

Wait Till Leo Jacobs is President  
of U. S.

Leo Jacobs has advanced the  
"theory" that there should be a fine  
established for all those folks who  
humiliate the birds. As yet, he has  
not many adherents.

**Gladstone Not So Big After All**

Miss Buckman (to Wilbur Sly)—  
"Wilbur, I've had enough of your  
fooling. I don't want any more of that  
small town stuff."

Wilbur—(who recently came here  
from Treary) "That's all right Miss  
Buckman. Maybe I did come from a  
small town, but I can still spit across  
the street."

**MOSES CHOSEN SENATE HEAD**

Senator George H. Moses of New Hampshire, who was yesterday named by Republicans in the Senate to be President pro tempore of the Senate. His nomination is virtually an appointment, as the Republicans have a majority in the new Senate. (New and especially posed portrait of Senator George H. Moses.)

Grace Brown—"I got 99 on my shorthand exam and I had two words wrong that nothing was taken off for."

Marion Hite—"Did you report those two errors? You know George Washington never told a lie."  
Grace—"Yah, but George Washington never took shorthand either."

Popular Sayings of Pedagogues  
Miss Harris—"Yes, don't cha know? Lucile Foster—Now Miss Brosie, that ain't fair to the rest of us."  
Miss Woessner—"Go to the Study Class."

Marie Poulin—"Is it late?"  
Miss Johnson—"100 words a minute on new material today."  
Viola Foster—"Got two pencils?"  
Miss Althaus—"Either throw that gum away or swallow it."  
Mr. Strickland—"I ain't agonna."

A Perfect Example  
A teacher giving a lecture on the rhinoceros found his class was not giving him all the attention it should.

**Sympathy Wanted**

The Juniors are wrecking their brains in an effort to decide on tests and good looking decorations for the Prom. Bob Norvus, Chairman of the Committee, thinks a fairly garben scene will be very attractive.

**Hard Question**

"Are you laughing at me?" demanded the irate professor of his class. "No," came the answer in chorus. "Well," insisted the professor, "What else is there in the room to laugh at."

**KEITH CAMPBELL WINS**

A contest has been conducted among the Senior High Students to procure the best title possible to head the School Department in his paper. A prize of \$2 was offered to the winner.

Out of the many titles suggested, the three following were picked from which the vote of the different home rooms was taken.

Come here and get that light LUNCH, after you have been skating or coasting as it is so refreshing.

We give first class service and our prices are right.

We also have HOT FUDGE, HOT BUTTER, SCOTCH and HOT CARMEL. Try one of these dishes.

**ROUMAN'S Candy Kitchen**

Scholarly Squibbles—Keith Campbell.  
The H. S. Lens—Helen LaFaver.  
The Little Minnowman—John Norton.  
The final result was in favor of "Scholarly Squibbles" by a large majority.

**NEWSPICKUPS**  
The Misses Johnson and Harris expect to get out their Fords soon.

The Freshmen report that their Algebra Class has been disturbed by Seniors of late, and would like to know "where their manners are." How about it?

George Pralls was late for school the other day. Rumor has it that he couldn't get the oatmeal to cooking.

Found—A dark, dark hair on Raymond Sundquist's coat sleeve.

Fire Drill on Monday. No hurry—We get out quicker at noon.

**CLASS C TOURNAMENT**  
A DECIDED SUCCESS

The Class C basketball tournament held at Garden was a decided success in as far as attendance is concerned. At every game the hall was crowded. The expenses were very high and at the present time it is not known whether money was made or lost.

The Garden team was the class of the tournament sweeping everything before it in its march towards first place, defeating Perkins 34 to 4 in the opening game. Rock 16 to 4 in the semi-finals, and Cocks 29 to 4 in the finals. Their defensive work was a wonderful improvement over their work in other games. This can be seen by the scores.

In the semi-finals, Cocks trounced the little fellows from Kipling 34 to 6 although they put up a hard fight. A game between Cocks and Rock would have been a close game as both teams were evenly matched.

Presentation of the trophies were made at the banquet held after the final game. Garden received a loving cup for first place; Cocks a cup for second place and Rock the tournament ball for third place.

Supervisor Wm. McNally returned on Sunday from a business trip to Minneapolis. He came on the fast train as far as Gladstone and from there came on to Garden along with Attorney Carr and Under Sheriff Swanson.

Mrs. George Larson, daughter of Frank LaCost and wife of this place is down with the flu on board a steamship at the Goodrich port, Ontario, Canada.

Jas. Adams and family have moved from Cocks where the former was working during the winter. They are now making their home at Kate's Bay.

Mrs. Martin Birk entertained a number of her friends at her home at Fayette on Saturday night last. A

pleasant evening was spent at the close of which refreshments were served.

A number of neighbors and friends gathered at the home of Harry Hennessey and wife on Thursday afternoon last. A pleasant social hour was spent after which Mrs. Hennessey served lunch to her guests.

Word has been received that Pat McPhoe and wife of Rochester are making their plans to return to Garden at an early date. For many years they lived at Van's Harbor. The last few years they have made their home in Rochester. They are homesick for home and have decided to get back as soon as they can. Their friends will be glad to welcome them back again.

Leslie Birk and his brother Wallace of Hermanville came over by rail to Cocks on Saturday and down to Fayette by local stage. They spent the week end with their parents there. On Sunday they motored into Garden and on Monday they returned by car to Hermanville.

The Ladies Guild of the Congregational Church held their regular meeting at the parsonage on Wednesday afternoon last. A good number of members and friends were present and worked on a quilt for the organization. Lunch was served later in the afternoon and a pleasant time was spent by those present. The next meeting of the society will be mentioned at a later date.

Ed A. Loux of Fayette was a business caller in town on Thursday last.

Fred Winters and Johnnie Baker, driving one of the Hennessey trucks from Cocks last Tuesday took a bad skid and before they knew it found themselves in a merry go round. When the truck came to a standstill the occupants of the cab scarcely knew where they were getting off at but they managed to crawl out thru a broken wind shield. The first one called out anxiously to his chum inside, afraid lest the voice was stifled, but out number two crawled and the both had something of a shock and shake, nothing serious followed. The Stellwagen truck soon came to their assistance and helped get the unfortunate truck to its base again.

Ed LaMotte made a business trip down to Fayette on Thursday last.

Theodore Hazen and wife, Wm. Winters Sr., and wife spent several days visiting with friends in Escanaba last week, returning home on Thursday.

Much favorable comment has been made in town in reference to the general behavior of the visiting teams taking part in the basketball tournament staged here last Friday and Saturday. Other teams have been criticized for their rough play or for their still rougher language but it is said that these teams behaved as gentlemen, almost to a man. Especially it was noted that the Rock team, so much larger than the Kipling team that they were playing, treated the latter in such a manner that elicited warm words of praise from those who witnessed the game. It is safe to say that any of the teams playing in Friday's and Saturday's tournament will be assured of a cordial welcome whenever they visit the Garden boys again.

Ernest and Eddie Tatrow have commenced fishing on the Lake Shore.

Mrs. Wm. McNally was quite sick and unable to be at her household tasks last week end.

Louis Liendo, Gaston Cousineau and Lawrence Cousineau motored to Fayette on Sunday.

Lewis Covey of Nahma spent several days last week, assembling new Ford cars for the Garden Motor Co.

Jack LaCost and Andy Tatrow spent Sunday with friends at Nahma.

"Whoever become o' Pat Flaherty wot water work here?"

"Poor Pat, he's gone—fall in th' river an' drowned blaseff."

"Faith, but couldn't he swim?"

"Tis th' saddest part of it. Poor Pat was ten feet from shore when the noon whistle blowed."—Legion Weekly.

Broadcasting thrills. Victor Rossen does it in "The Truant Soul," the great mystery story. First chapter in The Delta Reporter, April 10.

Mr. and Mrs. Wm. DeKoyser and Mrs. Leo Plottie spent Friday evening at the A. Johnson home at Gross.

Miss A. Johnson spent Saturday afternoon in Escanaba.

Margaret Mastadge returned to her home Tuesday from Escanaba where she had been operated on for appendicitis.

Jos. Hillwaert is the owner of a Studebaker touring car.

Mrs. A. Field, daughter Erna, and the Misses Plumly and Brennan spent Saturday afternoon in Escanaba.

Rosses and Rosses. Mystery and adventure too. Watch for "The Truant Soul" in The Delta Reporter April 10.

H. Work of Escanaba, who has been employed as salesman for the National Escamot company for many years, is very sick.

Miss Ethel Tucker who recently had her tonsils and adenoids removed and who has been quite ill since, is recovering slowly.

Frank Buchanan of Iron Mountain spent the week end here.

Miss Maud Cripe, who is employed as a teacher in the Perkins School, visited at her home in South Gladstone over the week end.

Mystery and more of it. Victor Rossen provides these thrills in "The Truant Soul" to start in The Delta Reporter April 10.

Mr. and Mrs. George Schrader, who were recently called to Detroit, Mich., because of the death of the former's sister, returned to their home here Monday night.

Alcazar Oil Duplex, "two ranges in one." Burns coal or wood, or kerosene. See it at the Buckeye Store.

Sidney Finlan of Manistique is visiting friends in this city.

Frank Gravelle of Rapid River was a Gladstone business caller Wednesday.

P. R. Lambert of Escanaba was a Gladstone business caller Monday.

Gilbert Henke returned to this city Sunday after a week's visit with relatives in Chicago and Milwaukee.

Mrs. Joseph Lquis returned this week from Concordia, Kansas.

An arch criminal one moment; a skilled physician the next. Read "The Truant Soul" in The Delta Reporter April 10.

William Wright, daughter, Mrs. Ed. Moore and Mr. and Mrs. Henry Moore motored to Escanaba on Sunday.

Men's Easter wearing apparel at The Buckeye Store.

Miss Selma Stock visited in Escanaba Saturday afternoon.

Miss Mae Green was called to her home in Escanaba on Tuesday morning by the serious illness of her brother.

Mr. and Mrs. John Stock visited in Escanaba Wednesday.

Mr. Dillan of the Beechnut Company was in the city Tuesday.

Rose DeMenter who has been on the sick list, has resumed her duties at the Marble Arms.

Mrs. Gordon Page who teaches in the Junior High school, has been unable to take care of her duties there, because of illness.

Ell Eaton, who is in the Rochester hospital is reported to be doing as well as can be expected.

Clifford McGee left Monday morning for Iron Mountain where he has accepted a position.

J. B. Johershek of Minneapolis returned to that city, after visiting at the John Nelson home.

M. E. MacElroy returned from Minneapolis on Monday where he has spent the last few days.

Easter hats of quality and style, priced right at The Buckeye Store.

Geo. Kevian left for Trout Lake Tuesday where he will work.

John Larson returned to Miners Spur Monday after a few days visit at his home in this city.

Robert McCallen returned from Trout Lake Wednesday where he has been working.

Gene Shampoo returned to this city Wednesday from Nahma where he has been employed in the woods.

Louis Louis, Andy Fowla and Carlton Struble visited friends in Rapid River Wednesday.

Gene Goodreau and Sophie Rogers, left Tuesday for Detroit where they will seek employment.

J. P. Richardson left last Saturday on a business trip to Washington, D. C. He is expected back Sunday.

Lee Wheeler of Milwaukee spent Tuesday night at the Sturgeon home.

Mr. and Mrs. Charles Champion left Sunday for Minneapolis where they will visit the former's sister, Mrs. Clarence Waltz, before returning to their home in Milwaukee. Mr. Champion is the son of a former publisher of the Reporter. They visited here with his mother, Mrs. P. J. Ford.

William J. Mottel, who went to the Powers sanatorium last Friday for the rest treatment, was visited by several of his friends over the week end. Bill has several weeks ahead to spend at Powers but he'll seldom be wanting for company. Friends who know him will be mighty glad when he returns to resume his numerous activities.

Mrs. LeClair, daughter Marcella, Mrs. Medill and daughter Mery, will leave for theault on Saturday morning to spend the week end.

Melvin Fox has purchased a new Ford car from the Norton Garage.

Mrs. Ed. LaPorte, who recently underwent an operation at the St. Francis hospital, Escanaba, is reported to be getting along nicely.

Ladies' Spring Coats, stylish, well made and at popular prices at The Buckeye Store.

Andy Pulvin returned to this city Wednesday from Winters where he has been employed.

## SENATE APPROVES BILL GIVING WAYNE TWO MORE SEATS

### BOHN PRIMARY SCHOOL FUND AID TO POOR DISTRICTS PASSES SENATE 25-3

(Farm Bureau Report)

The past week saw more apparent legislative progress than any other week thus far this session. The Senate kept the ball rolling Monday eve by considering 26 bills in 40 minutes—some of a record in legislative activity. When the bills have been carefully considered in committee and the members have made up their minds regarding them, it doesn't take long to go through the formalities of passing them, either in committee of the whole or on third reading. Often they are "considered read" and then some member moves that the affirmative roll call be attached. If there is no objection to this motion, all those present are recorded as voting for the bill, the clerk announces the result of the ballot and the presiding officer declares the bill passed. A few seconds suffices to pass the bill.

#### Pass Road Bills

The final enactment of both the Atwood and Ming trunk line bills practically completes the contemplated highway program agreed upon by the administration and senate and House leaders. The Ming bill provides that on and after January 1, 1926 the state will take over the construction and maintenance of Michigan's entire trunk line system and relieve the counties from any responsibility, financial or otherwise, in connection with trunk lines. This bill passed the House by a big majority and was endorsed by the Senate 23 to 5, being opposed by the five Wayne county senators and Senator Charles Herrick of Fenwick.

The Atwood bill authorizes the laying out of 500 miles of additional trunk line highways, the routes to be designated by the State Highway Commissioner and the State Administrative Board.

The Bohn bill, which represents a mild form of the so-called Escanaba plan of redistributing the primary school fund, has been speeded through the Senate to the tune of 25 to 3, being opposed by only Senator Condon, Wood and Woodruff, all of Wayne county. It would leave 85 % of the fund to be distributed as at present, but would provide for distributing the remaining 5 % to the more needy school districts according to a carefully worked out plan which is intended to insure some measure of educational opportunity to Michigan boys and girls.

#### Restricting Big Issue

Forsaking its accustomed calm, the Senate allowed itself to become quite excited when the reapportionment bill to give Wayne county seven senators instead of five came up for final passage. For nearly two hours the battle raged back and forth. Proposals looking toward eight or ten seats for Wayne were decisively defeated. Somewhat conflicting opinions from the Attorney General were presented. Decisions of the Supreme Court were quoted. The debates were interjected with parliamentary tangles. Motions were passed only to be after a recess in which things were talked over in words of one syllable, the bill passed 18 to 12.

This bill now goes to the House, which has troubles of its own in the shape of Rep. Culver's bill to give Wayne 25 instead of 14 members of that body.

#### Seek Safety at Crossings

In an effort to cut down the appalling loss of life resulting from traffic accidents at grade crossings, the House after extended debate passed the Richardson bill by a vote of 82 to 12. Under the provisions of this bill the Public Utilities Commission would be empowered to designate especially dangerous crossings and to require the railroads to install specified stop signs to warn automobilists and drivers of other vehicles. Upon approaching a crossing so marked, the driver of any vehicle would be required to bring such vehicle to a complete stop and to listen and look in both directions before crossing the railroad track.

In the debate on this bill, figures were submitted to show that hundreds of persons are killed or injured at grade crossings in Michigan each year. It was pointed out that trunk line highways are designated as stop streets and it was much more reasonable and necessary to have such restrictions apply to dangerous railroad crossings than even to trunk line highways.

Makers and sellers of livestock tonics, condition powders, etc., will

find little consolation in a bill introduced by Senator Frank L. Young of Lansing to require the licensing and registration of such dealers and to provide for labeling, inspection and analysis of such products. Remedies coming under the provisions of this bill would have to be sold on the

basis of a definite guarantee as to ingredients and in printing any analysis, the English rather than the Latin terms would be required. In order to properly control manufacturers and dealers in such remedies, they would be subject to license and stiff penalties for violating any of the provisions of the bill.

Senator Burney Brower of Jackson has introduced a bill providing an appropriation of \$75,000 for the Michigan State Fair at Detroit for each of the next two years. Out of this amount \$25,000 would go for maintenance and operating expenses and \$50,000 for premiums annually during the coming two years.

**BROTHER DIES IN ESCANABA.**  
James A. Herrick was called to Escanaba Wednesday night by the death of his brother, L. I. Herrick, 64 years of age, after a week's illness. Deceased leaves his widow, his aged mother in Pennsylvania, and his brother in this city. Funeral services will be in charge of the Odd Fellow lodge in Escanaba and burial will be in Fernwood cemetery of Gladstone.

Architectural Lines of Colonial Type Appeal to Home Owners

First Floor Plan.

Second Floor Plan.

By WILLIAM A. RADFORD

Mr. William A. Radford will answer questions and give advice FREE OF COST on all problems pertaining to the subject of building for the readers of this paper. On account of his wide experience as Editor, Author and Manufacturer, he is, without doubt, the highest authority on the subject. Address all inquiries to William A. Radford, No. 1827 Prairie Avenue, Chicago, Ill., and only inclose two-cent stamp for reply.

The appeal of the colonial house is great. As proof of this assertion, one only has to observe the new homes that are being constructed. Even bungalows follow the simple colonial lines, with the central entrance door and balanced windows that mark this type of architecture.

Colonial houses are now constructed of all the different building materials. The original colonials were of lumber, many of them with shingled side walls. They, of course, were constructed along the New England coast and Long Island sound. The action of the ocean winds with their abundance of salt and iodine turned the walls and roofs of these homes to a beautiful silver gray, that now is artificially secured by treating shingles.

Thus can home owners in various parts of the country secure the exterior appearance of their homes that required many, many years to produce along the sea coast.

Then again, there is another advantage in building the new home after the colonial design. That is decreased cost of construction. It will be noted by the example of the shingled colonial house that is shown in the illustration, that the walls are straight lines. There are only two gables. The construction of the house is simple. There are no expensive jogs and angles in either the foundation or upper walls that are expensive in time and material. At the same time the maximum amount of room is secured in houses such as this.

The house shown is not large, although it appears to be. It is 30 feet long and 28 feet 6 inches in depth. It contains six good rooms, three on each floor, besides a sun porch at the back and a sleeping porch above. The arrangement follows the colonial style. The entrance door is at the center of the house, and leads into a vestibule. At the right is a large living room, extending the depth of the house. It is 15 feet wide and 23 feet 6 inches deep. In it is a large, open fireplace. To the left of the reception hall is the dining room, also a front and corner room, 12 by 15 feet.

At the rear of the dining room is the kitchen, 10 by 11 feet. The floor plans show the arrangement of these rooms and the pantry, lavatory, etc., that make this an exceptionally well designed house.

A colonial stairway, that turns gracefully, leads to the second floor out of the reception hall and ends in a central hall of the second floor. Three bedrooms and bath are shown on the plan. One room is the same size as the living room, large for a bedroom, but a room in which the best of light and ventilation are secured. Opening off the hall at the front is the bath-room, and at the back a large sleeping porch, the latter being 8 feet 6 inches wide and 19 feet long.

The house is of frame construction on a concrete foundation with a basement the same size as the house.

Prospective home builders in studying plans for their new houses will do well to give just consideration of the colonial home design. For in it the greatest amount of room is secured for the cost of construction and the home will be one of which the owner may well be proud.

**Chimney Should Extend Above Ridges of Roof**

Tops of chimneys should extend at least three feet above flat roofs and two feet above the ridges of peak roofs and should be properly capped. The fine lining should project at least four inches above the chimney top to allow for a two-inch wash and a two-inch projection. This prevents disintegration of the chimney by freezing and thawing, as there is no chance for water to collect and remain around the top of the flue and in the crevices between the mortar and masonry.

The wash or splash should be formed of a cement mortar. The draft would be improved if this surface was concave wherever practical.

**Color Important**

The first sensation which a guest has upon entering a room she has never visited before is one of color. How important then becomes the question of selecting just the right design and coloring that will not clash with the other articles in the room.

**Plan Winter Building**

Architects and builders report a large volume of building being planned for execution through the winter months.
