I do further return that I did lay out a highway as above described said highway being a distance of (46) forty <sup>one</sup> rods due south on (1/4) quarter Section line from said quarter stake.

I do further certify that I have this day filed with Township Clerk the application given me by above named furholders, a copy of notices served, a plat of road as laid out and an affidavit and minutes of proceedings in regard to said highway. Dated this 11th day of April, 1902.

Herbert Engebretson,

Commissioner of Highways.

May 14, 1902. Postal notices for letting of road job on Engebretson road, called to be viewed and job to be let on May 24, 1902.

L. Hursch Commissioner.

May 24, 1902. The following bids were received, to wit: Peter Johnson, \$430.00; Wm. Widmer, \$496.00; L. E. Williams, \$494.00; Herbert Engebretson, \$490.00; and Victor Harie, \$290.00. As the notices called for good and sufficient security to accompany bids and as such security did not accompany the bid of Victor Harie, the job was given to Herbert Engebretson, he being the next lowest bidder. The following contract was made between Herbert Engebretson principal and John Patterson, surety of the first part and David Hursch, Commissioner of the second part, as follows; to wit:

This agreement made this 26th day of May, 1902, by and between Herbert Engebretson of Thompson, County of Schoolcraft, State of Michigan and John Patterson of same place of the first part, and David Hursch, Commissioner of Highways in the Twp. of Thompson, County of Schoolcraft, of the second part, witnesseth as follows:

Said party of the second part having this day let to said Herbert Engebretson at public vendue the job of building a public highway or road in said Township of Thompson according to specifications hereto annexed, which specifications are made a part of this agreement, at and for the price named in said specifications, to be paid as therein stipulated, and the above named John Patterson having agreed to become surety for the faithful performance of said work by the said Herbert Engebretson, in consideration of

the premises said parties of the first part do hereby jointly and severally agree that the said Herbert Eng-ebritsen shall well and faithfully do and perform said work according to said specifications and fully complete and finish the same on or before June 25th, 1902. And the said party of the second part, in consideration of said promise, hereby agrees that upon the full performance and completion of each part of the said job, as stipulated in said specifications, he will as Commissioner of Highway duly certify the completion thereof, and will pay for the same the price named in said specifications, by drawing and debiting to said Herbert Eng-ebritsen, or to said surety or sureties entitled thereto, his order or orders therefor upon the Treasurer of said Township, payable out of any funds in his hands belonging to the road district or districts in which such job shall be situated. It is mutually agreed by all parties hereto, that if said Herbert Eng-ebritsen shall fail to perform the work aforesaid within the time limited by this agreement, or to do the same in a manner satisfactory to said party of the second part, said party of the second part may, by notice in writing to be served upon the parties either in person or by leaving a copy of same at their respective places of residence, terminate said agreement as to said Herbert Eng-ebritsen and thereupon said surety may enter upon and complete said job within a period proportionate to the time fixed for the entire work, and become and be vested with all the rights of said Herbert Eng-ebritsen under this agreement save only those to the price for the work that had already been completed.

Specifications:

Commencing on Eng-ebritsen road at end of road bed built last year, thence south or nearly so as designated by Commissioner, 52 rods. Said distance

or part of road to be stumped and cleared out 30 feet wide; filled with dirt to 16 ft. wide on top of grade. Grade to be raised to two feet high in lowest places and carried on a level the 52 rods. A ditch to be dug on both sides of said grade and not more than 15 ft. from center of grade. Ditches to be 4 feet wide on top and not less than 2 1/2 ft. wide in bottom and deep enough to make a good fall toward culverts. Three culverts to be put in at places designated by Commissioner. Culverts to be built of good sound timber and plank. Plank to be furnished by Township. Then commencing at south end of 52 rod grade and running south or nearly so, as designated by Commissioner, 30 rods, to the town road opposite Eng-ebritsen farm. Said piece of road to be cut and stumped 30 ft. wide and then plowed and scraped so as to make a good turnpike road. All timber on both pieces of road to be piled outside of grade. Center of said road to be on line designated by Commissioner. Upon the completion of said job and acceptance of same by Commissioner, payment shall be made of the amount of three hundred forty nine dollars to Herbert Eng-ebritsen, provided that he shall have performed all of said work, and in case that the surety shall have performed a part of said job, then each shall receive their respective share of said amount according to the amount of work performed by each, and not more than three hundred forty nine dollars in all, as such is the amount of the bid presented by said Herbert Eng-ebritsen. Witness the hands of the parties this 26th day of May, 1902.

Witness: Hugh D. Dull, Commissioner,  
Herbert Eng-ebritsen, Contractor,  
John Patterson, Surety.

May 20, 1902. By order of Township Board did purchase of John Patterson the following described parcel of land, to-wit:

Commencing at a point two hundred seventy five yards from the South East corner of Lot No. Three in Town Doty one, North of range 16 west, Section thirty two, thence West three hundred feet, thence North two hundred fifty feet, thence East three hundred feet, thence South two hundred fifty feet to place of beginning.

Said land was purchased for use as a stone quarry for Township of Thompson.

Did pay for same by giving an order on Treasurer of said Township to amount of fifty dollars and received a quit claim deed of same from John Patterson and wife on May 20th, 1902.

S. Hursh  
Commissioner of Highways.

I, the undersigned, commissioner of highways of the Township of Thompson, in the County of Schoolcraft, do hereby certify and return, that in pursuance of the application hereto attached, of Millard Duell, J. G. Robinson, Fred Miller, Floyd Duell, Geo. Bradley, Gust Selman and Peter Hine, all of whom are freeholders of said township, for the laying out of a highway therein, which application was presented to me on the 1st day of Sept. A. D. 1901; I did within five days thereafter to-wit: on the 4th day of Sept. in the year aforesaid, post the necessary notice in three conspicuous places in said township; to-wit, one on John Patterson & Co's. store, one on Mrs. J. Hruska's meat market and one on the Thompson House. That at the time mentioned in said notice, to-wit on the 10th day of Sept. in year aforesaid I proceeded to view the premises described in said application and notice, and to justly and impartially appraise the same and thereon, and that I did thereupon consider and determine that a highway was necessary and should be laid out and the same was thereupon laid out and established by me pursuant to said application, as follows: Commencing at place on road already laid out where the Sursasaw Creek leaves the high land and extending in an easterly direction to Lake Michigan, Sec. 24 T. 17 N. 17 W.

I do further certify and return that the application for laying out
