Use this Blank (No. 536) only for Assessment of taxes in Townships. Use No. 378 for assessment of Village (corporation) taxes only (assessed general assessment in Villages in cases where it is a more convenient form therefor than No. 378. ASSESSMENT ROLL FOR THE TOWNSHIP OF Thompson

The Normer than one tract of parel is to be valued or taxed on the same line. Two descriptions must not be justed in one valuation or tax unless contiguous and owned and occupied. A parel of land described in the government survey by for number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all if the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

The valuation of Personal Property must be made in a different command the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the bead of the column in which it is placed.

Superviews will make no entry in column 10.

Superviews will make no entry in column 10.

Act attention of assessing officers is expecially called to Sections to 8.9 (as amended by Act 250 of 1895), and 47 of the Tax Law of 4895. They should be carefully studied and the directions therein contained should be strictly followed. See also
