ASSESSMENT ROLL FOR THE TOWNSHIP OF The post of the same line. Two descriptions must not be pisced in one valuation or tax unless contiguous and owned and occupyed.

A parcel of land described in the government survey by lot number must be so assessed.
The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all latter the amount of any Reassness with red his, in the column of taxes to which it belongs, above the tax for the year for which this Roll is used, and in the column for Personal Property must be valued and taxes entered as a different line, as well as column, from Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

The attention of assessing officers is especially called to Sections I to Ay of the Tax Law of 1839. They should be carefully studied and the directions therein contained should be

as one	e parcel.
