ASSESSMENT ROLL FOR THE TOWNSHIP OF

THOMPSON

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and occupied A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be assessed as "Owner Unknown."

If he name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

The standard of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

The attention of assessing officers is especially called to Sections 1 to 8, 9 (as amended by Act 25 of 1885), 45, 11 (as amended by Act 25 of 1896), 45, 15, 14 (as amended by Act 25 of 1897), and 4, of the Tax Law of 1895. They should be carefully studied and the directions therein contained should be strictly followed. See also
