## ASSESSMENT ROLL FOR THE TOWNSHIP OF THOMPSO

No more than one tract or parcel is to be valued or taxed on the same line. Two descriptions must not be joined in one valuation or tax unless contiguous and owned and OCCUPHED A parcel of land described in the government survey by lot number must be so assessed.

The description of all lands in each town and range should be carefully written. In the case of platted land, the name of the plat must be given in full at the head of all if the name of the owner of non-resident land is not known it should be assessed as "Owner Unknown."

The valuation of Personal Property must be made in a different column and the assessment thereon entered on a different line from that on Real Property.

The name of each special tax must be entered at the head of the column in which it is placed.

Supervisors will make no entry in column of the attention of assessing officers is especially eally of the Tax Law of 1895, 10, 10 (as amended by Act 220 of 1895), 26, 12 (as amended by Act 2300), 47 (as amended by Act 201 of 1897), and 43 of the Tax Law of 1892. They should be carefully studied and the directions therein contained should be strictly followed. See also
